Date of Introduction: September 23, 2025

Committee(s) of Reference: F

Date of Analysis: September 22, 2025

Type of Action: Carryover; request emergency passage

Bill Summary: This bill provides for a carryover of \$10,000 originally appropriated in 2024-601-E to September 30, 2026, so funds remain available for future appropriation for a new strategic initiative identified by the sponsor. The bill also requests emergency passage per Council Rule 4.901.

Background Information: Per Ordinance 2024-601-E, funds were appropriated into a Special Council Contingency account to provide funding to support the strategic initiatives proposed by Council Member Johnson for FY 24-25, and \$10,000 remains. The Council District 14 Council Member wants to ensure these funds remain available for future appropriation once a new strategic initiative is identified.
