In April 2018, the City of Jacksonville filed a state court lawsuit against opioid manufacturers and distributors, which was subsequently removed to federal court and consolidated by the Mult-District Litigation Panel into the matter styled In re: National Opiate Litigation, MDL No. 2804 (N.D. Ohio). The litigation has been stayed as to all MDL parties until such time that settlements could be effectuated amongst the states and the numerous opioid defendants. The State of Florida has entered into a settlement agreement with Endo Health Solutions, Inc. and Endo Pharmaceuticals, Inc. which will result in a \$65 million payout to Florida. The State has requested local government participation in the settlement recognizing that the settlement proceeds will be distributed to the participating local governments as reflected in the previously-approved Florida Plan. This legislation is necessary to authorize the City's participation in the State's settlement with Endo.
