ARTICLE 2 **STADIUM PROJECT REPRESENTATIVES**

2.1 Jaguars Representative. The Jaguars Parties hereby designate the president of StadCo to be their representative (the “**Jaguars Representative**”), and shall have the right, from time to time, to change the individual who is the Jaguars Representative by giving at least ten (10) calendar days’ prior written notice to the City thereof. With respect to any action, decision or determination to be taken or made by the Jaguars Parties under this Agreement, the Jaguars Representative shall take such action or make such decision or determination or shall notify the City in writing of the Person(s) responsible for such action, decision or determination and shall forward any communications and documentation to such Person(s) for response or action. Any written approval, decision, confirmation or determination hereunder by the Jaguars Representative shall be binding on the Jaguars Parties; provided, however, that notwithstanding anything in this Agreement to the contrary, the Jaguars Representative shall not have any right to modify, amend or terminate this Agreement.

2.2 City Representative. The Mayor shall designate, in a written notice to StadCo, a representative of the City (the “**City Representative**”), and shall have the right, from time to time, to change the individual who is the City Representative by giving at least ten (10) calendar days’ prior written notice to StadCo thereof. The Parties acknowledge and agree that any notices or other communication required to be sent to the City Representative pursuant to this Agreement shall also be sent to (i) the Department of Public Works, (ii) the City’s Sports and Entertainment Officer, and (iii) any designees of the City Representative, so long as such designees have been identified by the City Representative in a writing shared with the Parties hereto and the Jaguars Representative. For the avoidance of doubt, subject to the limitations on the City Representative set forth herein, the City Representative shall be the only Person with the authority to bind the City (or who may designate other Persons that may bind the City). Where in this Agreement the consent or approval of the City is required, such consent or approval may be made by the City Representative acting on behalf of the City only to the extent: (i) this Agreement does not specify otherwise, (ii) consent or approval of City Council is not required pursuant to the terms of this Agreement or any Applicable Law, (iii) consent or approval of any Governmental Authority is not required pursuant to the terms of this Agreement or any Applicable Law, (iv) such consent or approval does not reduce the applicable minimum standards set forth in the Project Program Statement, and (v) such consent or approval does not amend this Agreement. Any permitted

consent or approval by the City Representative to such a request shall (x) not be effective unless it is in writing; (y) apply only to the specific act or transaction so approved or consented to, and (z) not relieve the Jaguars Parties of obtaining the City's consent or approval for any future similar act or transaction. Unless otherwise specified herein, the City Representative's failure to respond to any request for consent or approval by the City shall not be deemed to constitute such consent or approval, in whole or in part.

2.3 Representative's Access. Each of the Jaguars Representative and the City Representative, and any such other persons from the respective Representative's organization, and such advisors and consultants as such respective Representative considers advisable or appropriate shall (i) have full access to the Stadium Site (subject to safety considerations and specifically including compliance with the safety plan developed by the CM at Risk); (ii) be permitted to review all Contract Documents, including all drafts thereof, at reasonable times (so as not to cause delay to the Stadium Project) and via media established for the Stadium Project by StadCo, the CM at Risk, the Architect or other service providers, as applicable; (iii) be provided reasonable advance notice (when practicable) of and be invited to attend all regularly scheduled meetings and special meetings pertaining to the design and construction of the Stadium Project, including, without limitation, any regularly scheduled meetings pertaining to the preparation of the Contract Documents and any periodic meetings with the Architect, the CM at Risk, and/or any contractors and subcontractors employed in connection with the performance of the Work concerning the status or quality of the design and construction of the Stadium, provided, however, that the Jaguars Parties will schedule at least one (1) meeting per month (each a "**Minimum Required Meeting**"), during which the City Representative will, among other things be granted access to all Stadium Construction Documents and Stadium Design Documents (and any updates thereto), consistent with the requirements of this Section 2.3, in order to ensure consistency with the Project Program Statement; (iv) have reasonable, real time access to all other construction-related documentation used by the Construction Administrator, CM at Risk, Architect and any contractors or subcontractors, as applicable, in performing Work, subject to all Stadium Project guidelines (including, for the avoidance of doubt, safety and confidentiality guidelines). The City Representative shall receive written notice of each Minimum Required Meeting at least five (5) Business Days in advance of each such Minimum Required Meeting.

ARTICLE 3 **STADIUM DESIGN**

3.1 Architect Selection and Responsibility. StadCo shall be responsible for competitively and publicly soliciting professional services, including with respect to those services to be performed by the Architect, in compliance with Section 287.055, Florida Statutes, otherwise in compliance with Applicable Law and this Agreement, and subject to the prior review and approval of the procurement process by the City Procurement Division. The Architect's fees, insurance, and any other costs related thereto shall constitute a portion of the Stadium Project Budget, subject to review and approval by the City of the procurement process utilized to engage the Architect to confirm compliance with Applicable Law. The Architect Agreement shall comply in all respects with the Project Program Statement and Applicable Law and may not be amended, terminated or otherwise modified in any way that is (x) material or (y) adverse to the rights of the City, in each case without the approval of the City Representative, which approval shall not be unreasonably withheld, conditioned or delayed. The Architect Agreement shall grant third-party

beneficiary status to the City and permit the assignment thereof to the City without the need to obtain the consent from the Architect. Notwithstanding the foregoing, the City shall not attempt to enforce any of its third-party beneficiary rights with respect to the Architect Agreement unless the Architect has defaulted under the Architect Agreement and StadCo has not, within a reasonable time period (which shall be not less than thirty (30) days), pursued remedies against the Architect. The Jaguars Parties shall be responsible for enforcing all obligations of the Architect under the terms of the Architect Agreement for and on behalf of the City. The Jaguars Parties shall review the Stadium Construction Management Agreement and shall ensure that it is coordinated with the Architect Agreement.

3.2 Review and Approval of Contract Documents.

3.2.1 Project Program Statement.

(a) StadCo shall cause the Architect, in consultation with the CM at Risk and the other Parties, to prepare the Project Program Statement and to deliver the same within thirty (30) days following the Effective Date to the Parties for review and mutual approval (the date of such approval, the “**Project Program Statement Approval Date**”). The Project Program Statement shall establish the baseline minimum programmatic and qualitative design standards, based on the Finishes, the Competitive NFL Facilities, and the Stadium of the Future Presentation (attached hereto as **Exhibit F**), from which, and consistent with which, StadCo, in consultation with the City, shall cause the Architect to prepare the Stadium Design Documents and Stadium Construction Documents, as set forth in Section 3.2.2 of this Agreement. For the avoidance of doubt, the minimum programmatic and qualitative design standards set forth in the Project Program Statement shall be chosen to ensure a minimum useful life of the Stadium structure and primary systems of thirty (30) years from the first Home Game played in the Stadium following Substantial Completion. The final, approved Project Program Statement shall be attached as **Exhibit A** hereto.

(b) Any changes to the final, approved Project Program Statement that would reduce the applicable minimum standards set forth in the Project Program Statement shall require the prior written approval of the City, which may be withheld, conditioned or delayed in the City’s sole discretion. For the avoidance of doubt, the City Representative, acting alone, shall not be entitled to consent to or approve any changes (including pursuant to any Change Order) to the Project Program Statement that reduce the applicable minimum standards set forth in the Project Program Statement

3.2.2 Stadium Design and Construction Documents.

(a) StadCo shall cause the Architect to prepare the Stadium Design Documents consistent with the Master Project Schedule and in accordance with the Project Program Statement and submit the same to StadCo and the City Representative within the time frames, and at such stages of the design, as may be agreed by the Parties. The City shall have the right to (i) review and approve the Stadium Design Documents, (ii) review any modifications or amendments of the Stadium Design Documents, and (iii) approve any modifications or amendments of the Stadium Design Documents to the extent such modifications or amendments would reduce the applicable minimum standards set forth in the Project Program Statement;

provided, however, in no event shall any such review or approval relieve any Jaguars Party from any obligation under the Definitive Documentation.

(b) StadCo shall cause the Architect to prepare the Stadium Construction Documents consistent with the Master Project Schedule and in accordance the Project Program Statement and the approved Stadium Design Documents (as provided by Section 3.2.2(a)) and submit the same to StadCo and the City Representative at least ninety (90) days prior to the commencement of the Work. The City shall have the right to review and approve the Stadium Construction Documents, as well as any material modifications or amendments thereof, provided that, as long as such modification or amendment is consistent with the approved Stadium Design Documents and the applicable minimum standards set forth in the Project Program Statement, the City's approval shall not be unreasonably withheld, conditioned or delayed. If the City believes that the Stadium Construction Documents as presented are not in conformance with the applicable minimum standards set forth in the Project Program Statement and the approved Stadium Design Documents, the City Representative shall so notify StadCo, in writing, within twenty (20) days after the Stadium Construction Documents, or modifications or amendments thereof, are delivered to the City. If the City and StadCo disagree whether any portion of the Stadium Construction Documents complies with requirements of this Section 3.2.2(b), such Dispute shall be settled in accordance with Section 9.6 of this Agreement, but StadCo shall cause the Architect to proceed with the preparation of the Stadium Construction Documents (in a manner consistent with the Project Program Statement, except to the extent that the contents of the Project Program Statement are the subject of the Dispute) while such Dispute is proceeding.

(c) Notwithstanding anything to the contrary in this Agreement, any review, comment, acceptance or approval by StadCo or the City shall not be construed to relieve the Architect of the responsibility (i) for the adequacy, fitness, completeness, suitability, and correctness of any of the Stadium Design Documents or Stadium Construction Documents, including compliance with the Project Program Statement in all material respects, (ii) of procuring all necessary regulatory approvals related to any of the Stadium Design Documents or Stadium Construction Documents, and (iii) of ensuring that such documents comply with all Applicable Law.

ARTICLE 4 **CONSTRUCTION**

4.1 Construction Administrator Appointment. The City authorizes and consents to (including the ratification of management activities performed within the scope of this Agreement prior to the date of execution of this Agreement, if any) the appointment of StadCo as the Construction Administrator in connection with all aspects of managing the construction and development of the Stadium Project. StadCo shall manage, administer, supervise, and coordinate the planning, design, and construction of the Stadium Project in accordance with the Definitive Documentation.

4.2 Selection of CM at Risk. StadCo shall be responsible for competitively and publicly soliciting professional services, including with respect to those services to be performed by the CM at Risk, in compliance with Section 287.055, Florida Statutes, otherwise in compliance with Applicable Law and this Agreement, and subject to the prior review and approval of the

procurement process by the City Procurement Division. The Construction Administrator acknowledges and agrees that the City Representative has the right to approve the form of Stadium Construction Management Agreement and the CM at Risk, such approvals not to be unreasonably withheld, conditioned or delayed; provided that any rejection of the form of Stadium Construction Management Agreement by the City Representative shall be deemed reasonable if such form does not include the concepts outlined in clauses (i), (ii) and (iii), below. Subject to the Change Order provisions in Section 4.9, the Stadium Construction Management Agreement, once executed, shall not be amended, terminated or otherwise modified in any way that is (x) material or (y) adverse to the rights of the City, in each case without the approval of the City Representative, which approval shall not be unreasonably withheld, conditioned or delayed. The Stadium Construction Management Agreement shall (i) contain a warranty by the CM at Risk that the Work shall be of good quality, free from defects, and conform to the requirements of the Contract Documents and that the CM at Risk will correct, repair, or replace any defective or damaged Work; (ii) provide for a retainage of at least five percent (5%) which shall not be disbursed until Substantial Completion; and (iii) grant third-party beneficiary status to the City and permit the assignment thereof to the City without the need to obtain the consent from the other party or parties to the Stadium Construction Management Agreement. Notwithstanding the foregoing clause (iii), the City shall not attempt to enforce any of its third-party beneficiary rights with respect to the Stadium Construction Management Agreement unless the CM at Risk has defaulted under the Stadium Construction Management Agreement and StadCo has not, within a reasonable time period (which shall be not less than thirty (30) days), pursued remedies against the CM at Risk.

4.3 Master Project Schedule. StadCo, in consultation with the Architect, the CM at Risk and the other Parties, will prepare the Master Project Schedule and shall, within sixty (60) days following the later of (A) the Effective Date and (B) the Project Program Statement Approval Date, deliver the same to the City Representative for review and approval, which shall not be unreasonably withheld, conditioned or delayed. The Parties acknowledge and agree that they will use commercially reasonable efforts to achieve Substantial Completion before the Outside Date, subject to Force Majeure. The Master Project Schedule shall be updated on a regular basis (or upon request from the City) by StadCo and the CM at Risk as the Stadium Project sequencing is determined, which amendment(s) shall be provided to the City Representative and the General Counsel of the City of Jacksonville for review and comment, and, in the case of any changes in (i) the projected start date of the Work, (ii) the projected period during which NFL Games will be played in the Existing Stadium with a limited capacity or (iii) any changes in the likelihood of achieving Substantial Completion by the Outside Date, approval, which approval shall not be unreasonably withheld, conditioned or delayed. If, pursuant to the foregoing sentence, the approval of the City Representative is required with respect to a change in the Master Project Schedule, and the City Representative fails to provide such approval, or a written notice to StadCo and the CM at Risk denying such approval, within ten (10) Business Days after the delivery to the City Representative of such amendment(s) to the Master Project Schedule, then the City will be deemed to have approved such amendment(s). In the event of any delay or nonperformance resulting from a Force Majeure event, the Party affected shall notify the other in writing within ten (10) Business Days of the Force Majeure event. Such written notice shall describe the nature, cause, date of commencement, and the anticipated impact of such delay or nonperformance, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected, and shall describe the actions taken to minimize the impact thereof. For any delays caused by a Force Majeure event which could reasonably be expected to negatively impact

the likelihood of achieving Substantial Completion by the Outside Date, no approval shall be required from the City.

4.4 Establishment of a GMP. StadCo shall cause the Architect to prepare and submit to TeamCo, StadCo and the City Stadium Design Documents that will enable the CM at Risk to prepare and submit a proposed Final GMP pursuant to the Stadium Construction Management Agreement. The Parties agree to promptly execute the GMP Amendment to the Stadium Construction Management Agreement in accordance with the Stadium Project Budget.

4.5 Lists of Contractors and Subcontractors. Upon request of the City, the Jaguars Parties shall promptly furnish to the City true and correct lists of all contractors and subcontractors employed in connection with the performance of the Work, and true and correct copies of all executed contracts, subcontracts and purchase orders therefor. The contractors and subcontractors employed in connection with the performance of the Work shall be selected in compliance with Section 287.055, Florida Statutes, otherwise in compliance with Applicable Law and this Agreement, and subject to the prior review and approval of the procurement process by the City Procurement Division. The contracts and subcontracts governing the aforementioned contractors and subcontractors shall comply in all respects with the terms of this Agreement.

4.6 Jacksonville Small and Emerging Business (JSEB) Program. StadCo, in further recognition of and consideration for the public funds provided to assist StadCo pursuant to this Agreement, hereby acknowledges the importance of affording to small and emerging vendors and contractors the full and reasonable opportunity to provide materials and services. StadCo shall work in good faith, in accordance with Sections 126.608 et seq. of the Ordinance Code and in coordination with the City's Equal Business Opportunity Office (the "**EBO Office**"), to enter into contracts with City certified Jacksonville Small and Emerging Businesses ("**JSEBs**") to provide materials or services with an aggregate value not less than twenty percent (20%) of the JSEB-eligible portion of the Stadium Project Budget. StadCo shall, in good faith, coordinate with the EBO Office to confirm its continued compliance with this Section 4.6, including by submitting periodic reports regarding the actual use of JSEBs on the Stadium Project as requested by the City from time to time. StadCo and the EBO Office shall jointly develop the form of the report to be used for the purposes of this section and, within thirty (30) days following the Effective Date, StadCo shall attach the agreed upon form of the report hereto as **Exhibit G**.

4.7 Construction Administrator Duties and Responsibilities.

4.7.1 The Construction Administrator is hereby authorized to take all actions necessary for the administration of the design, development and construction of the Stadium Project pursuant to this Agreement and the Contract Documents, in all cases consistent with the Project Program Statement. StadCo, as Construction Administrator will not perform actual construction of the Work or otherwise provide construction labor or building materials for the Stadium Project. The Construction Administrator may delegate certain responsibilities to its project manager, but such delegation shall not relieve the Construction Administrator of its responsibilities hereunder. The Construction Administrator has retained Impact Development

The City acknowledges that Impact is the project manager for the Construction Administrator; provided that to the extent Impact’s fees are (or are intended to be) reimbursable as eligible project costs, payment of such fees remains subject to City review and approval of the procurement process used by StadCo in compliance with Applicable Law, including but not limited to Section 287.055, Florida Statutes. The Construction Administrator may delegate responsibilities under this Agreement and the Stadium Construction Management Agreement to such project manager, but such delegation shall not relieve the Construction Administrator of its responsibilities hereunder.

4.7.2 The Construction Administrator shall perform the following services in a commercially reasonable manner in accordance with the Definitive Documentation:

4.8.1 The Construction Administrator agrees to keep the City Representative informed regarding the progress of the design and construction of the Stadium, including any issues that may (i) impact the applicable minimum standards set forth in the Project Program Statement or (ii) negatively impact the Master Project Schedule, including, for the avoidance of doubt, the likelihood of achieving Substantial Completion by the Outside Date. The Jaguars Representative and the City Representative shall each monitor the Stadium Project and make decisions on behalf of their respective Parties, and shall not be deemed to be agents of any other Party and shall in no way be considered or construed to be a joint decision making body or any other body that would be subject to Section 286.011, Florida Statutes.

4.8.2 The Construction Administrator shall cause the CM at Risk to provide the City Representative and the Jaguars Representative information regarding the progress of the Stadium Project through monthly status reports from the CM at Risk. During the Stadium Project, the City Representative and the Jaguars Representative shall receive notice and have the right to

At the time of the delivery of each monthly progress report described in this Section 4.8.3, the Construction Administrator will also deliver, if and to the extent reasonably requested by the City Representative, a summary of the Construction Administrator's expectations with respect to the interim schedule for the Work, which shall be consistent with the Master Project Schedule and shall include Work expected to be performed within the three months following the delivery of such summary.

4.8.4 Any rights that the Parties have under this Section 4.8 shall not be the basis for any liability to accrue to the City or TeamCo for such monitoring or investigation or for the failure to have conducted such monitoring or investigation.

4.9 Change Orders.

4.9.1 Change Order Approval. Any Change Orders that are materially inconsistent with the Project Program Statement or that increase any line item set forth in the Stadium Project Budget by more than five percent (5%) shall be subject to the written approval of the City Representative. Before entering into any Change Order, the Construction Administrator shall review and analyze such proposed Change Order and deliver to the City Representative, the General Counsel of the City of Jacksonville and the Jaguars Representative (i) a description of the proposed change to the Work, (ii) conceptual drawings depicting the scope of the proposed Work, and (iii) a calculation of the additional costs, if any, resulting from implementing such Change Order, together with reasonable documentation supporting such calculation (collectively, the "**Change Order Documentation**"). The Construction Administrator shall send the Change Order Documentation pursuant to Section 4.9.3. Subject to the first sentence of this Section 4.9.1, except with respect to any Change Order that would result in a reduction of the applicable minimum standards set forth in the Project Program Statement, if the City fails to approve or reject a valid Change Order within ten (10) Business Days (which such response may be via handwritten or electronic signature and transmitted by email correspondence), the Change Order is deemed approved by the City. For the avoidance of doubt, any Change Order which would result in a reduction of the applicable minimum standards set forth in the Project Program Statement must be approved, in writing, by the City and may not be approved via deemed approval.

4.9.2 If the City Representative rejects a Change Order delivered pursuant to Section 4.9.1 and Section 4.9.3, the City Representative shall specify the basis for such rejection. For the avoidance of doubt, any rejection of a proposed Change Order shall be deemed reasonable if the City determines that (i) the Change Order fails to comply with Applicable Law, (ii) the

Change Order would result in a modification of the applicable minimum standards set forth in with the Project Program Statement, (iii) the approval of the Change Order could be reasonably expected to negatively impact the ability to achieve Substantial Completion by the Outside Date, or (iv) the Proof of Funds (as defined below) provided by StadCo are insufficient to fully fund the costs of the Change Order. If the Jaguars Representative wishes to dispute any such disapproval, the Dispute shall be resolved by the dispute resolution provisions under Section 9.6 of this Agreement.

4.9.3 Change Order Notification Process. The Construction Administrator shall send the Change Order Documentation to the appropriate Representative(s) and the General Counsel of the City of Jacksonville pursuant to Section 4.9.1, as appropriate, via email, overnight courier service, or hand delivery. If appropriate, the first line of the email or transmittal letter if by overnight courier service or hand delivery shall be a separate paragraph that states the following in all caps and bold, “**CHANGE ORDER APPROVAL REQUIRED WITHIN TEN BUSINESS DAYS.**” If the proposed Change Order involves a material deviation from the Contract Documents, the Construction Administrator shall provide a brief description of the proposed change. If the proposed Change Order involves a deviation from the Project Program Statement, the first line of the email or transmittal letter if by overnight courier service or hand delivery shall be a separate paragraph that states the following in all caps and bold, “**THIS CHANGE ORDER INCLUDES A PROGRAMMATIC CHANGE.**” In the case of a Change Order sent by email, the response period shall run from the date of sending. In the case of a Change Order sent by overnight courier service or hand delivery, the response period shall run from the date of delivery.

4.9.4 Change Orders Required by Applicable Law. The Construction Administrator shall make any Change Orders that are required to comply with Applicable Law.

4.9.5 Voluntary Change Orders. Each of the City and the Jaguars Parties may request Change Orders provided that the Party requesting such Change Order delivers the Change Order Documentation to each of the other Parties; provided, further that all such Change Orders shall be subject to the other provisions of this Agreement.

4.9.6 Reduction Change Orders. Subject to the other provisions of this Agreement, the Construction Administrator may only implement a Change Order that reduces the scope of the Stadium Project if the revised Stadium Project would remain in compliance with the Project Program Statement.

4.9.7 Change Order Reports. The Construction Administrator shall provide, or shall cause the CM at Risk to provide, the City Representative and the Jaguars Representative with a monthly report listing all of the Change Orders with sufficient details to enable the review by them of the Change Orders for consistency with the terms of this Agreement.

4.10 Procurement of Construction Materials. The Construction Administrator shall coordinate with the CM at Risk, the Direct Purchase Point of Contact (as defined below) and the City Representative and use commercially reasonable efforts to purchase and install or cause to be purchased and installed construction materials and equipment for the Stadium Project on a sales tax-exempt basis pursuant to State law. The City appoints the Chief of the City’s Procurement

Division as the City's single point of contact with respect to such tax-exempt purchase program (such Person, the "**Direct Purchase Point of Contact**"). The Direct Purchase Point of Contact, with assistance from the Construction Administrator, shall use commercially reasonable efforts to execute and deliver all documents and certificates as necessary to ensure that the Stadium Project is eligible to take full advantage of any available sales tax exemptions for materials and equipment. The City shall not be responsible for any failure to make such purchases on a sales tax exempt basis, provided that the City performs, using commercial reasonable efforts, its obligations in accordance with the standards set forth in this Section 4.10.

4.11 Permits. The Construction Administrator shall be responsible for pursuing, in a diligent manner, the receipt of all Permits and other approvals required from any Governmental Authorities and under Applicable Law in connection with the design, development, construction and operation of the Stadium, provided that the City will use good faith efforts to expedite the obtaining of all such Permits. The CM at Risk shall be required to comply with and keep in effect all Permits and other approvals obtained from any Governmental Authorities, regardless of the procurer of such Permits, that relate to performance of the Work and completion of the Stadium Project. For the avoidance of doubt, no consent or approval made by the City Representative shall constitute approval from any Governmental Authorities for the purpose of obtaining Permits.

4.12 Insurance.

4.12.1 Insurance. Commencing on the Effective Date and at all times during the Term, the Jaguars Parties shall obtain, keep and maintain, at their sole cost and expense, and require from the CM at Risk and any other contractors or subcontractors engaged to perform Work to obtain, keep and maintain, insurance with the same types of coverages, terms, and conditions as provided in Article 13 of the Stadium Lease Agreement (the "**Project Insurance Policies**"), except that the limits of coverage and types of coverage may be adjusted in accordance with the cost and nature of the Work to be performed by the CM at Risk and/or such contractor or subcontractor in order to protect the interests of the Jaguars Parties and the City, respectively. The Jaguars Parties, the CM at Risk, and any other contractors or subcontractors engaged to perform Work shall, on or before the date on which each policy is required to be first obtained and at least ten (10) Business Days before the expiration of any policy previously obtained, deliver to the City Representative evidence showing that such insurance is in full force and effect. Such evidence shall include certificates of insurance issued by the issuer of such policies, or in the alternative, an agent authorized to bind the named issuer, setting forth the name of the issuing company, the coverage, limits, deductibles, endorsements, term, and termination provisions thereon. If at any time and for any reason the Jaguars Parties fails to provide, maintain, keep in force and effect, or deliver to the City proof of any insurance required under this Section 4.12.1, the City may, but shall have no obligation to, procure the insurance required and the Jaguars Parties shall, within seven (7) Business Days following the City's demand and notice, pay and reimburse the City therefor plus interest at the Default Rate. The insurance policies required to be provided by the Jaguars Parties and the CM at Risk under this Agreement shall also name the City as an additional insured to the extent the City is required to be named an addition insured as provided in Article 13 of the Stadium Lease Agreement.

4.12.2 Delay in Substantial Completion. The Parties acknowledge completion of the Stadium Project on time is of great importance to each Party, and the Construction

Administrator shall work diligently to achieve Substantial Completion on or before the Outside Date in accordance with this Agreement and the Construction Agreements.

4.12.3 Risks of Damage or Destruction Prior to Substantial Completion. If, at any time prior to the date Substantial Completion is achieved, there is any material casualty of any nature (a “**Casualty**”), StadCo shall, to the extent of available Project Insurance Policy proceeds, commence and thereafter proceed as promptly as possible to repair, restore and replace the Casualty so as to cause the same to be repaired in accordance with the Contract Documents, in which event the Parties’ expected date of achievement of Substantial Completion shall be automatically extended from the Outside Date for such period of time as may be reasonably necessary to perform and complete the repair, restoration or replacement Work. To the extent that available Project Insurance Policy proceeds are insufficient to cause the Stadium Project to be repaired to its condition existing immediately prior to such Casualty, StadCo shall use funds from the Net Construction Proceeds (as defined below) to fund such repair. In the event such Casualty causes the Stadium Costs to exceed the Stadium Project Budget, the excess costs shall be considered a Cost Overrun.

4.13 Payment and Performance Bonds. StadCo shall require and obtain from the CM at Risk performance and payment bond(s) in an amount equal to one hundred percent (100%) of the amount of the contract(s) for recovery of Damages that may be claimed by the Jaguars Parties or the City as a result of the CM at Risk’s failure to perform its contract or pay, as and when due, its subcontractors and/or suppliers. StadCo, as Construction Administrator, shall require in any and all contracts with the CM at Risk, its contractors or subcontractors a requirement that the City is a specific intended beneficiary of the contract.

ARTICLE 5 **TERM; FINANCING; PAYMENT OF COSTS**

5.1 Term. The term of this Agreement shall commence on the Effective Date and continue until (a) the date Substantial Completion is achieved and (b) the fulfillment of the Parties’ respective obligations hereunder, at which time the Parties shall execute a document memorializing the termination of this Agreement (the “**Term**”). Notwithstanding the expiration of the Term or the earlier termination of this Agreement, the rights and obligations of the Parties herein that expressly survive such expiration or earlier termination shall survive such expiration or earlier termination.

5.2 Funding Plan.

5.2.1 Funding Contributions. The Stadium Costs will be paid with the following sources of funds in accordance with the terms of this Agreement:

(a) (i) One Hundred Fifty Million United States Dollars (USD\$150,000,000) for certain items and expenses included in the Stadium Project Budget attributable to maintenance obligations or requirements under the Existing Lease (the “**City Historical Payment**”) plus (ii) Six Hundred Twenty-Five Million United States Dollars (\$625,000,000), for a total of Seven Hundred Seventy-Five Million United States Dollars (USD\$775,000,000) from the City (the “**City Contribution**”); and

(b) an amount equal to (i) the Stadium Project Budget minus the City Contribution (for clarity, Seven Hundred Seventy-Five Million United States Dollars (USD\$775,000,000)) minus the other amounts required by the Definitive Documentation to be applied to the payment or reimbursement of Stadium Costs (such subtotal, the “**StadCo Contribution**”), plus (ii) all amounts required to pay for Cost Overruns as determined from time to time (the “**Cost Overruns Amount**”, and together with the City Contribution, the other amounts required by the Definitive Documentation to be applied to the payment or reimbursement of Stadium Costs, the StadCo Contribution and amounts required to pay for City-Caused Overruns, the “**Net Construction Proceeds**”).

5.2.2 Proof of StadCo Funding. At least ten (10) Business Days prior to the commencement of the Work, StadCo shall provide the City with evidence of binding legal commitments (which, for the avoidance of doubt, include any of the forms described in clauses (a) through (d) of the immediately subsequent sentence) that StadCo has obtained in order to secure sufficient financing to fully fund the StadCo Contribution and the Cost Overruns Amount (each as estimated on the relevant date of determination based on the then-current Stadium Project Budget) in a form that is reasonably acceptable to the City in its commercially reasonable discretion (“**Proof of Funds**”). Any such Proof of Funds may include, but are not required to be in the form of, (a) a copy of StadCo’s capital stack, (b) the applicable NFL-level stadium financing support resolution, (c) if possible given the status of the Stadium Project or cost, a binding commitment letter from a lender (inclusive of interest during construction, required reserves, and costs of issuance, and subject to reasonable funding conditions that do not (and would not reasonably be expected to) have a material adverse effect on the City’s ability to finance the City Contribution), and/or (d) subject to NFL Rules and Regulations, any additional documentation which may be reasonably requested by any lender of the City in order to finance the City Contribution.

5.2.3 City Funding Mechanics. In accordance with the Funding Schedule, the City shall allocate within the CIP for each Fiscal Year of the Term the portion of the City Contribution to be expended in such Fiscal Year pursuant to the Funding Schedule, subject to an annual appropriation thereof by City Council.

5.2.4 Public Infrastructure Improvements Work Funding. The City shall separately fund all amounts necessary to complete the Public Infrastructure Improvements Work, as described on **Exhibit D** hereto.

5.2.5 Maximum Indebtedness. The Parties acknowledge and agree that the City shall not be obligated in any given year of the Term to incur indebtedness hereunder for all fees, reimbursable items or other costs pursuant to this Agreement in excess of the amount appropriated by the City Council pursuant to Section 5.2.3 of this Agreement for any such year. The City’s maximum indebtedness under this Agreement for all costs, fees and expenses hereunder shall not exceed SEVEN HUNDRED SEVENTY-FIVE MILLION AND N0/100 DOLLARS (\$775,000,000), subject to additional amounts as may be appropriated by City Council for City-Caused Overruns.

5.3 Conditions Precedent to Release of Funding.

5.3.1 No Net Construction Proceeds will be transferred pursuant to a Construction Requisition unless and until each of the following conditions has been satisfied (the date on which all such conditions are satisfied, the “**Distribution Start Date**”):

(a) StadCo shall have delivered to the City an executed Stadium Construction Management Agreement satisfying the terms of this Agreement;

(b) StadCo shall have delivered to the City an updated Stadium Project Budget based upon the Stadium Construction Documents on which the Stadium Construction Management Agreement was based for purposes of determining the amount of the StadCo Contribution as of the Distribution Start Date, which such Stadium Project Budget shall include all costs identified in the Stadium Construction Management Agreement;

(c) StadCo shall have delivered to the City copies of organizational charts for StadCo and TeamCo; and

(d) The representations and warranties of the Parties, as set forth in Article VII of this Agreement, shall be true and correct as of such date.

5.4 Payment of Stadium Costs.

5.4.1 Pursuant to the Stadium Construction Management Agreement, the CM at Risk shall prepare each application for payment, and the Construction Administrator, following review and consultation with the City Representative, shall coordinate the inclusion of such application for payment into the applicable Construction Requisition.

5.4.2 Each Construction Requisition shall be prepared and submitted by the Construction Administrator to the City Representative in accordance with this Agreement. Each Construction Requisition shall include itemized schedules attached thereto itemizing and identifying the Stadium Costs to be paid from City Contribution funds, from StadCo Contribution funds and from any other funds required by the Definitive Documentation to be applied to the payment or reimbursement of Stadium Costs, respectively, including identifying any Stadium Costs that are Cost Overruns and City-Caused Overruns. Each Construction Requisition shall be accompanied by the following supporting data: (i) invoices and waivers of mechanic’s and materialmen’s liens obtained for payments made by the Construction Administrator as of the date of the Construction Requisition; (ii) AIA Documents G702 – 1992 and G703 – 1992 (or substantially similar documentation) certified by the CM at Risk and the Architect for the completed portions of the Stadium Project; (iii) the then-current schedule of values that includes all Stadium Costs incurred to date and an estimate of the remaining Stadium Costs to complete the Work, each certified by the CM at Risk and/or Impact, as applicable and appropriate; (iv) the then-current percentage completion of the Work, certified by the Architect; and (v) such other documentation as may reasonably be requested by the City. Following approval of the Construction Requisition by the City Representative, the City shall fund the applicable portion of the City Contribution as directed by the Construction Administrator and in accordance with this Section 5.4.2 and Section 5.2.3 of this Agreement. Notwithstanding the foregoing, waivers of mechanic’s and materialmen’s liens obtained for payments made by the Construction

Administrator shall only be required to accompany Construction Requisitions (x) once every six (6) months in connection with routine draws during construction and (y) in connection with the final disbursement of the City Contribution.

5.4.3 The Construction Administrator shall use best efforts to schedule amounts to be paid from the City Contribution and the StadCo Contribution on a pro rata basis. In so scheduling such amounts to be paid, the Construction Administrator shall consider the amounts paid by the City pursuant to Section 4.10 of this Agreement; provided, however, that if in any year of the Term the Construction Administrator schedules the City Contribution for such year to be greater than its pro rata portion of the Stadium Project Budget in order to make purchases pursuant to Section 4.10, in the subsequent year of the term, the Funding Schedule will include in the amount of Stadium Costs to be paid using the StadCo Contribution all amounts required to bring the amounts to be paid from the StadCo Contribution back into pro rata balance with the City Contribution. If in any year of the Term, the annual amount appropriated by City Council pursuant to Section 5.2.3 of this Agreement is insufficient to pay for the remaining Stadium Costs to be paid from the City Contribution in such year, then one hundred percent (100%) of such Stadium Costs shall be paid from the StadCo Contribution and the other amounts required by the Definitive Documentation to be applied to the payment or reimbursement of Stadium Costs; provided, however, in the subsequent year of the term, the Funding Schedule will include in the amount of Stadium Costs to be paid using the City Contribution all amounts required to bring the amounts to be paid from the City Contribution back into a pro rata balance with the amounts paid from the StadCo Contribution and the other amounts required by the Definitive Documentation to be applied to the payment or reimbursement of Stadium Costs.

5.5 Audit Rights.

5.5.1 During the Term and for a period of seven (7) years thereafter, each Party (including, on behalf of the City, the Council Auditor) shall have the right to audit the Stadium Costs and all expenditures related thereto, upon three (3) Business Days notice, at its own expense and under commercially reasonable arrangements. The Parties shall reasonably cooperate with the assigned auditors (internal or external) in connection with each such audit, including by providing access to such auditors to all relevant records in each of their possession and control under the aforesaid commercially reasonable arrangements. The Party conducting the audit shall provide a complete copy of the audit report to all other Parties promptly following receipt of such report. For the avoidance of doubt, the Party conducting the audit shall bear the costs incurred by it in connection with such audit rights, which costs shall not be deemed to be Stadium Costs. Notwithstanding the foregoing, the City and StadCo may agree to jointly retain an external, independent auditor, in which event the cost of the joint auditor shall be deemed to be a Stadium Cost.

5.5.2 StadCo shall keep and maintain within its principal place of business complete and accurate records and accounts of the Stadium Project, including, but not limited to, all Construction Agreements, all Contract Documents, purchase orders or other procurement related documents, all invoices, receipts, payment requisitions, evidence of payments, and any and all related documents for the performance of the Work. StadCo recognizes, and shall cause the Architect, CM at Risk, and any contractors and subcontractors to recognize, that all such records are property of the City. StadCo shall preserve such records and accounts for a period of at least

six (6) years (or as otherwise required by Chapter 119, Florida Statutes) from the date Substantial Completion is achieved. The City and its designees shall have the right, at their sole cost and expense, from time to time, upon three (3) Business Days' notice, to inspect, audit and duplicate the records and accounts of StadCo described in this Section 5.5.2.

5.6 Initial Funding Amounts; City Catch-Up Amount.

5.6.1 **Initial Jaguars Funding Amount.** The Parties agree that, subject to City approval (which shall be granted in the City's sole and absolute discretion) and provided that the same were incurred in accordance with Applicable Law, including but not limited to Section 287.055, Florida Statutes, and subject to the prior review and approval of the procurement process by the City Procurement Division (all of the foregoing, the "**Pre-Funding Standards**"), amounts that the Jaguars Parties may pay (and in certain cases, have already paid) for certain Stadium Costs prior to the Distribution Start Date (such amount, the "**Initial Jaguars Funding Amount**") may be reimbursed as further described in this Section 5.6.1. On or prior to the Distribution Start Date, the Jaguars Parties and the City shall jointly determine the amount of any approved Stadium Costs paid by the Jaguars Parties prior to the Distribution Start Date in order to determine the Initial Jaguars Funding Amount, and each of the Jaguars Representative and the City Representative will confirm the agreed amount of the Initial Jaguars Funding Amount in writing. Following the Distribution Start Date, StadCo may reimburse itself for the payment of the Initial Jaguars Funding Amounts that are in compliance with the Pre-Funding Standards using Net Construction Proceeds, and the Parties acknowledge that such amounts shall be included in the Stadium Project Budget.

5.6.2 **Initial City Funding Amount.** The Parties agree that the City shall be entitled to (i) pay (and in certain cases, has already paid) for certain Stadium Costs prior to the Distribution Start Date and (ii) receive a credit for the rent payments owed by StadCo under the Existing Lease that have been abated by the City and that total Six Million Seven Hundred Ninety-One Thousand Nine Hundred Twenty-Five United States Dollars (USD\$6,791,925) as of the Effective Date (such amounts together, the "**Initial City Funding Amount**"). On or prior to the Distribution Start Date, each of the Jaguars Representative and the City Representative will confirm the agreed amount of the Initial City Funding Amount in writing. Any Initial City Funding Amount shall be credited dollar-for-dollar against the City Contribution.

5.6.3 **City Catch-Up Amount.** Provided that StadCo has delivered Proof of Funds to the City Representative pursuant to Section 5.2.2 of this Agreement, until the amount expended by the City equals the City Catch-Up Amount (as defined below), all Stadium Costs paid pursuant to a Construction Requisition (other than Cost Overruns) in accordance with this Agreement shall be paid one hundred percent (100%) from the City Contribution. The "**City Catch-Up Amount**" shall mean the amount equal to the positive remainder (if any) of (i) the Initial Jaguars Funding Amount minus (ii) the Initial City Funding Amount. After satisfaction of the City Catch-Up Amount, all Stadium Costs (other than Cost Overruns and City-Caused Overruns) shall be funded among (i) the City Contribution and the StadCo Contribution on a pro rata, pari passu basis and (ii) the other amounts required by the Definitive Documentation to be applied to the payment or reimbursement of Stadium Costs, until the entire City Contribution has been expended on Stadium Costs (including the City Catch-Up Amount). Cost Overruns shall be paid in accordance with Section 5.8 below.

5.7 Surplus Tangible Property. Section 122.811(a) of the Ordinance Code, relating to the disposition of surplus City tangible property, is hereby waived, so that the Construction Administrator may dispose of and sell such surplus tangible property, as reasonably feasible, as the Stadium Project progresses. During such disposition of the tangible personal property, the Construction Administrator shall use commercially reasonable efforts to seek the highest price for the tangible personal property and all proceeds (less any reasonable and documented out of pocket expenses) from such disposition shall be applied to the payment or reimbursement of Stadium Costs and credited pro rata against the City Contribution and the StadCo Contribution; provided that such proceeds shall not be applied to the payment or reimbursement of Cost Overruns or City-Caused Overruns.

5.8 Cost Overruns. Subject to the remainder of this Section 5.8, StadCo shall be responsible for payment of any Cost Overrun, which payment shall be made at such time as may be necessary to ensure the payment or performance, as the case may be, of the subject task or expense itemized in the Stadium Project Budget within the applicable timeframe contained in the Stadium Construction Documents. The City shall bear the direct costs of any City-Caused Overrun. For the avoidance of doubt, Cost Overruns and City-Caused Overruns shall be paid as and when due and payable.

5.9 Cost Savings. If the actual Stadium Costs to complete any portion of the Stadium Project in compliance with the Project Program Statement are less than the Stadium Project Budget for such items, Cost Savings may be re-allocated for use on mutually agreed upon improvements to the Stadium, or in the absence of such mutual agreement shall be shared pro rata between the City and StadCo based on the ratio of their respective obligations to fund the Stadium Project Budget.

ARTICLE 6 **PUBLIC INFRASTRUCTURE IMPROVEMENTS**

6.1 Public Infrastructure Improvements. The City will work in good faith to facilitate the design, planning, construction and implementation of certain public infrastructure improvements in and around the Stadium Site as (and solely to the extent) set forth in this Section 6.1. This work will consist of (i) stripping and resurfacing of all existing, paved (as of the execution date hereof) surface parking lots as set forth on Exhibit 3 to the Parking Agreement, consisting of Lots A, C, D, E, J, M, N, P and Z ; and (ii) to the extent it directly impacts the Stadium, the removal, mitigation and / or remediation of silting in the storm water pipes beneath the Stadium Site (collectively, the “**Public Infrastructure Improvements Work**”), each as set forth on **Exhibit D**; provided, with respect to the Public Infrastructure Improvements Work described in clause (ii) above, that City may elect to request the Construction Administrator include the work as part of the Stadium Project; provided further, that any costs created by this clause (ii) shall not be considered Stadium Costs and shall be paid one hundred percent (100%) by the City outside of the Stadium Project Budget. For the avoidance of doubt, the City shall not be responsible for Public Infrastructure Improvements Work (or, for clarity, any other remediation work) required to be made because of damage caused by the Stadium Project. The City shall provide the Jaguars Parties with monthly status updates regarding the Public Infrastructure Improvements Work and shall provide the Jaguars Parties with a reasonable opportunity to review and provide comments regarding any plans in connection with the construction or implementation

of such Public Infrastructure Improvements Work; provided that such review and comment right shall in no way prevent the City from carrying out the Public Infrastructure Improvements Work on schedule. The City shall use commercially reasonable efforts to ensure that the schedule for the Public Infrastructure Improvements Work will not negatively to impact (i) the Stadium Project or (ii) the likelihood of achieving Substantial Completion by the Outside Date.

ARTICLE 7 **REPRESENTATIONS AND WARRANTIES**

7.1 Representations and Warranties by the Jaguars Parties. As of the date hereof, each of the Jaguars Parties represents and warrants to the City that:

7.1.7 No representation or warranty of the Jaguars Parties in this Agreement contains any untrue statement of material fact or omits to state a material fact necessary in order to make such representation or warranty not misleading in light of the circumstances under which it is made.

7.1.8 There is no known pending action, suit, proceeding or investigation pending or threatened against the Jaguars Parties which questions, directly or indirectly, the validity or enforceability of this Agreement or any action taken or to be taken pursuant to this Agreement

and, if adversely determined, would materially impair the ability of the Jaguars Parties to perform their obligations under this Agreement.

7.1.9 The Jaguars Parties will use commercially reasonable efforts to ensure the Stadium Project is completed in accordance with the Master Project Schedule and the Stadium Project Budget.

7.1.10 All design and construction decisions will be made in accordance with the Project Program Statement, and all Contract Documents will be drafted in a manner sufficient to contractually require such design and construction decisions be effectively implemented.

7.2.1 The City has the power and authority to enter into and perform its obligations under this Agreement.

7.2.2 This Agreement has been duly authorized, executed and delivered by City and constitutes the legal, valid and binding obligation of the City enforceable in accordance with its terms.

7.2.3 To the best of its knowledge, neither the entry into nor the performance of and compliance with this Agreement has resulted or will result in any violation of, or a conflict with or a default under, any judgment, decree, or order by which the City is bound or any Applicable Law.

7.2.4 To the best of its knowledge, there is no known pending action, suit or proceeding which questions, directly or indirectly, the validity or enforceability of this Agreement or any action taken or to be taken pursuant to this Agreement and which, if adversely decided, would materially impair the ability of the City to perform its obligations under this Agreement.

7.2.5 The City has not enlisted the services of a broker or other commissionable agent, or taken any actions which could give rise to a commission, in connection with the transactions contemplated by this Agreement.

7.2.6 To the best of its knowledge, no representation or warranty of the City in this Agreement contains any untrue statement of material fact or omits to state a material fact necessary in order to make such representation or warranty not misleading in light of the circumstances under which it is made.

7.3 Covenant Not to Relocate. Beginning on the Effective Date and continuing until the earlier of the effective date of the Non-Relocation Agreement and the termination of this Agreement, (i) the Team shall play, and TeamCo covenants and agrees to cause the Team to play, subject to Sections 7.3.1 and 7.3.2, all of its Home Games in the Existing Stadium, and (ii) each Jaguars Party shall maintain its principal business operations office in the City as a domestic or duly qualified foreign business in good standing under all Applicable Law.

7.4 Disclaimer of Warranties.

7.4.1 The Existing Stadium. The Parties acknowledge that the Existing Stadium is being provided “AS IS.” This City makes no warranty or representation, express or implied, as to the title, value, design, condition, merchantability, useful life, or fitness for a particular purpose or fitness for use of the Existing Stadium or any portion thereof or any other warranty with respect thereto. The Parties acknowledge and agree that City’s payment of the City Historical Payment is made as consideration for past promises and does not now, and will not in the future, create any representation or warranty, express or implied, by the City which would be exempt from disclaimer pursuant to this Section 7.4.1.

StadCo (in both its capacity as a Party to this Agreement and its capacity as Construction Administrator) and TeamCo each acknowledge and agree that they are in no way relying on the expertise of the City in any respect, including with respect to the Stadium Project Budget and the competence of any third-parties.

7.5 Survival. The provisions, representations and warranties of this Article 7 shall survive indefinitely.

ARTICLE 8
ASSIGNMENT AND COOPERATION

8.1 Assignment.

8.1.1 The City may assign its rights or obligations hereunder upon two (2) Business Days' prior notice to the Jaguars Parties to an Affiliate provided that such assignee is also assigned, and assumes full responsibility for the performance of all of the obligations of the City under, the Stadium Lease Agreement.

8.1.2 Except as provided in Section 23.1 of the Stadium Lease Agreement and subject in all cases to the requirement that the proposed assignee execute an Assignment and Assumption Agreement substantially in the form attached hereto as **Exhibit E**, the Jaguars Parties shall not be entitled to sell, assign, transfer, mortgage, pledge, hypothecate, encumber, sublet, license, or grant a security interest in or upon any of their respective rights and obligations hereunder without the prior written consent of the City, which consent shall be in the City's sole discretion and may be conditioned upon the applicable Jaguars Party or Jaguars Parties remaining liable under this Agreement if the City is not reasonably satisfied with the creditworthiness of any proposed transferee.

8.2 Cooperation.

8.2.1 A Party, upon reasonable request of the other Party, shall execute and deliver, or cause to be executed and delivered, any further documents and take any further actions as may be reasonably necessary or expedient to consummate the transactions provided for in, and to carry out the purpose and intent of, this Agreement.

8.2.2 The City shall, to the extent legally permissible, in its proprietary and not regulatory capacity, and at no cost to the City, reasonably assist the Jaguars Parties in connection with all required zoning ordinance and/or land use ordinance amendments, land use, zoning, rezoning, use Permits, road approvals, utility approvals, landscape approvals, liquor licenses and such other Permits and approvals as may be necessary to permit the Jaguars Parties to develop and utilize the Stadium Site and develop the Stadium Project, including participation in meetings and hearings with other governmental entities, as and to the extent permissible.

8.3 Consent of Parties. Whenever in this Agreement the consent or approval of a Party is required, such consent or approval:

8.3.1 Except as otherwise explicitly provided in this Agreement, shall not be unreasonably or arbitrarily withheld, conditioned or delayed; provided that in all circumstances, unless otherwise specified herein, any refusal of such consent or approval by the City shall be deemed reasonable if the City determines that (i) the action seeking approval, if approved, would fail to comply with or would contravene Applicable Law, (ii) the action seeking approval, if approved, would reduce the applicable minimum standards set forth in the Project Program Statement, or (iii) the action seeking approval, if approved, could reasonably be expected to negatively impact the ability to achieve Substantial Completion by the Outside Date;

8.3.2 shall not be effective unless it is in writing; and

8.3.3 shall apply only to the specific act or transaction so approved or consented to and shall not relieve the other Parties of the obligation of obtaining the consenting Party's prior written consent or approval to any future similar act or transaction.

ARTICLE 9 **DEFAULT AND REMEDIES**

9.1 Jaguars Default. Any one or more of the following shall constitute a “**Jaguars Default**”:

9.1.1 Default by the Jaguars Parties in the due and punctual payment, performance or observance of any material obligation of the Jaguars Parties under this Agreement as to which the City has given a written Default Notice to the Jaguars Parties, which Default the Jaguars Parties do not cure within thirty (30) days of receipt of the Default Notice;

9.1.2 Either of the Jaguars Parties files a petition in bankruptcy or insolvency or for reorganization or arrangement under the bankruptcy laws of the United States or under any insolvency act of any state, or admit the material allegations of any such petition by answer or otherwise, or are dissolved or make an assignment for the benefit of creditors, and such petition is not dismissed within sixty (60) calendar days after such petition is filed;

9.1.4 Breach by either of the Jaguars Parties of the agreements, terms, covenants, or conditions that this Agreements or any of the Definitive Documentation requires the Jaguars Parties to perform (but expressly excluding any breach pursuant to Section 9.1.1 hereof) as to which the City has given a written Default Notice to the Jaguars Parties, which Default the Jaguars Parties do not cure within thirty (30) calendar days of receipt of the Default Notice;

9.1.5 Failure to commence the Work by the date set forth in the Master Project Schedule, discontinuance of the Work, or the failure to achieve Substantial Completion by the Default Date, subject to (a) the Master Project Schedule having been amended pursuant to the terms of this Agreement, (b) a mutual agreement of the parties that extends the Default Date, or (c) delays attributable to any Casualty or Force Majeure event;

9.1.6 Any representation or warranty made by the Jaguars Parties in this Agreement is false or misleading in any material respect as of the time made which the Jaguars Parties do not cure within thirty (30) calendar days of receipt of a Default Notice from the City; or

9.1.7 Any report, certificate or other document furnished by the Jaguars Parties to the City pursuant to this Agreement is intentionally false or misleading in any material respect as of the time furnished and the City has given a written Default Notice to the Jaguars Parties related to such material issue, which Default the Jaguars Parties do not cure within thirty (30) calendar days of receipt of the Default Notice.

9.2 City Default. Any one or more of the following shall constitute a “City Default”:

9.2.1 Default by the City in the due and punctual payment, performance or observance of any material obligation of the City under this Agreement as to which the Jaguars Parties have given a written Default Notice to the City, which Default the City does not cure within thirty (30) days of receipt of the Default Notice;

9.2.2 Any representation or warranty made by the City in this Agreement is false and misleading in any material respect as of the time made which the City does not cure within thirty (30) calendar days of receipt of the Default Notice; or

9.3 Additional Time to Cure Defaults. In the event that a defaulting Party hereunder is unable to cure a Default curable other than by payment of money (exclusive of a payment default by the City with respect to which the City is diligently working through the appropriations process and which will not materially impact the ability to achieve Substantial Completion by the Outside Date) within thirty (30) calendar days as provided in Sections 9.1 or 9.2 of this Agreement because such Default is not reasonably capable of being cured within such thirty (30) day period as a result of a Force Majeure or otherwise, the non-performing Party shall have an additional, reasonable period of time to cure such Default, not to exceed an additional ninety (90) calendar days, if such non-performing Party promptly commences to cure within such thirty (30) day period and diligently pursues such cure thereafter to its completion.

9.4 Remedies for Jaguars Default. If a Jaguars Default exists that is not cured following expiration of any applicable cure period, the City may: (i) to the extent such Jaguars Default arises pursuant to (x) Section 9.1.1 or (y) Section 9.1.4, solely with respect to a breach of Section 7.1.10 or 7.3, cease funding any unfunded portions of the City Contribution; (ii) terminate this Agreement and demand and receive an assignment of the Definitive Documentation; (iii) cause the Stadium Project to be completed in accordance with the Project Program Statement; and/or (iv) exercise any of its other rights or remedies existing at law, in equity or otherwise, including, but not limited to, (A) recover from the Jaguars Parties any sums of money that are due and payable by such Jaguars Parties to the City under this Agreement including Damages available pursuant to Applicable Law and (B) commence an action for specific performance or other equitable relief against the Jaguars Parties with respect to the defaulted obligations (including for the avoidance of doubt, any violation or proposed violation of Section 7.3). Notwithstanding the foregoing, except in the case of a Jaguars Default under Sections 9.1.2 and 9.1.3 hereof, the City may not exercise its right to terminate this Agreement unless and until the existence of a Jaguars Default (after the expiration any applicable cure period) has been confirmed by final non-appealable judgement of a court of competent jurisdiction in accordance with Section 9.6 hereof. Without limiting TeamCo’s liability under the TeamCo Guaranty, each of the Jaguars Parties has agreed to be jointly and severally liable for any obligations of any of the Jaguars Parties hereunder.

9.5 Remedies for City Default. If a material City Default exists that is not cured following expiration of the relevant cure periods described in Section 9.2 and Section 9.3, StadCo may, but shall not be obligated to, as its sole remedies for a City Default: (i) cease funding its respective unfunded portions of the Stadium Project Budget; (ii) terminate this Agreement; and/or (iii) exercise any of its other rights or remedies existing at law, in equity or otherwise, including, but not limited to, (A) recover from the City any sums of money that are due and payable by the City to the Jaguars Parties under this Agreement including Damages available pursuant to Applicable Law; or (B) commence an action for specific performance or other equitable relief against the City with respect to the defaulted obligations. Notwithstanding the foregoing, the Jaguars Parties may not exercise their right to terminate this Agreement unless and until the existence of a City Default (after the expiration any applicable cure period) has been confirmed by final confirmed by final non-appealable judgement of a court of competent jurisdiction in accordance with Section 9.6 hereof.

9.6 Dispute Resolution. Where this Agreement provides that a specific dispute arising under this Agreement (a “Dispute”) is subject to the provisions of this paragraph, such Dispute shall be resolved as follows:

9.6.1 The Party claiming a Dispute shall promptly send notification of such Dispute (the “Dispute Notice”) to the other Party hereto, which Dispute Notice shall include, at a minimum, a description of the Dispute, the basis for the Dispute and the contractual provision or provisions violated by the Dispute. With respect to any Dispute, the Jaguars Representative and the City Representative and their counsel, or their respective designees, upon the request of either Party, shall meet as soon as conveniently possible, but in no case later than five (5) Business Days following receipt of the Dispute Notice, to attempt to resolve such Dispute. Prior to any meetings between the Parties, said Parties shall exchange relevant information that will assist the Parties in resolving their Dispute.

9.6.2 For the duration of any Dispute, each Party shall continue to perform as required under this Agreement notwithstanding the existence of such Dispute. In the event of a Dispute involving the payment of money, the Parties shall make any required payments, excepting only such amount as may be disputed.

9.6.3 If a Dispute has not been settled or resolved within fifteen (15) Business Days after the Dispute Notice, then either Party shall further notify the other Party in writing of its intent to pursue litigation in connection with the Dispute, whereupon either Party may then commence litigation in the federal or state courts sitting in Jacksonville, Duval County, Florida. If the Parties resort to litigation to resolve any Dispute or to enforce rights under this Agreement, each Party shall pay its own costs and fees (including, but not limited to, attorneys’ fees, expert witness fees, and consultant fees) at no cost or expense to the other Party. Nothing contained in this Section 9.6 shall be construed as a waiver, limitation or modification of any notice which may be required by Applicable Law.

9.6.4 The Parties agree that should a Dispute arise, the recoverable rate of pre- and post-judgment interest shall be the Default Rate.

9.7 NFL Remedies. Upon the occurrence of any Jaguars Default, the NFL may, in its sole discretion but subject to the terms of this Agreement, enter upon the Stadium Site and do whatever the Jaguars Parties are obligated to do under the terms of this Agreement, and the City agrees to accept such performance by the NFL, and the Jaguars Parties agree the NFL shall not be liable for any Damages resulting to the Jaguars Parties from such action. In addition to the foregoing, in case of a Jaguars Default other than (i) a violation or proposed violation of Section 7.3 or (ii) a failure to carry insurance required by this Agreement, the City shall take no remedial action by reason thereof until the City shall have served upon the NFL a copy of the notice of such Jaguars Default, and the NFL shall have been allowed thirty (30) calendar days in which to exercise its rights under this Section 9.7. No action taken by the NFL under this Section 9.7 shall relieve the Jaguars Parties from any of their obligations under this Agreement or from any consequences or liabilities arising from the failure to perform such obligations.

ARTICLE 10 **INDEMNIFICATION AND EXCULPATION**

10.1 No Liability. In no event shall the City have any liability in connection with the demolition, environmental remediation and/or construction of the Stadium Project as a result of or arising from any approvals relating thereto given or withheld (or the right to give or withhold such approvals) pursuant to this Agreement, or as a result of or arising from any other right or non-delegable governmental duty to review, comment on or evaluate any plans, drawings, specifications or other documents in connection with the construction or operation of the Stadium Project. In no event shall any such review, approval, comment or evaluation by the City relieve the Jaguars Parties of (a) any liability or responsibility under this Agreement, it being understood and agreed that the Jaguars Parties are at all times ultimately relying on the Jaguars Parties' skill, knowledge and professional training and experience in preparing (or causing the preparation of) any plans, drawings, specifications or other documents or (b) the responsibility of the Jaguars Parties to comply with all Applicable Laws.

10.2 Jaguars Parties' Indemnification Obligations. To the fullest extent permitted by Applicable Law, the Jaguars Parties shall, jointly and severally, indemnify, defend and hold harmless the City, the City's elected and appointed officials, officers, boards, commissions, employees, representatives, consultants, agents and volunteers from and against any and all claims, suits, actions, debts, Damages, losses, obligations, judgments, charges, and fees and expenses, of any nature whatsoever (collectively, "**Losses**") to the extent caused by, resulting from or arising out of (i) any negligent action, inaction or omission or intentional misconduct by either of the Jaguars Parties, their employees, contractors, agents, guests or invitees; (ii) any conduct or activities of either of the Jaguars Parties that violate any Applicable Law; or (iii) any breach by either of the Jaguars Parties of any of their respective obligations, representations or warranties contained in this Agreement. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist pursuant to this Agreement. The provisions of this Section 10.2 shall survive the Term of this Agreement to the extent of any Loss based upon or arising out of any acts or omissions occurring during the Term of this Agreement.

10.3 City Indemnification Obligations. To the fullest extent permitted by Applicable Law, the City shall indemnify, and hold harmless the Jaguars Parties and their lenders, Affiliates,

officers, employees, representatives, consultants and agents, and the NFL, from and against any and all Losses to the extent caused by, resulting from or arising out of (i) any grossly negligent action, inaction or omission or intentional misconduct by the City (expressly excluding from this clause (i) negligent acts or omissions that the City would not be responsible for under Applicable Law); or (ii) any breach by City of any of its obligations, representations or warranties contained in this Agreement. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist pursuant to this Agreement; provided, however, that regardless of whether any such obligations are based on tort, contract, statute, strict liability, negligence, product liability or otherwise, the obligations of the City and the City's members, officials, officers, employees and agents under this indemnification provision shall be limited in the same manner that would have applied if such obligations were based on, or arose out of, an action at law to recover damages in tort and were subject to Section 768.28, Florida Statutes, as that section existed at the inception of this Contract. The provisions of this Section 10.3 shall survive the Term of this Agreement to the extent of any Loss based upon or arising out of any acts or omissions occurring during the Term of this Agreement; provided, however, the maximum amount of indemnity to be paid by the City under this Section 10.3 shall not exceed \$200,000 for any claim or judgement, and a maximum of \$300,000 as the result of all claims and judgments arising out of the same incident or occurrence.

10.4 Limitation of Liability. Except for the indemnification obligations of each Party listed above for Losses by third parties, and, except to the extent covered by the insurance required by Section 4.12 of this Agreement, in no event shall any Party be liable for incidental, special, consequential or punitive Damages suffered by a Party and each Party shall in all events seek to mitigate its Damages to the extent required by law.

ARTICLE 11 **GENERAL PROVISIONS**

11.1 Estoppel Certificates. Each Party (an “**Estoppel Responding Party**”) shall, from time to time, within ten (10) Business Days after written request by another Party (an “**Estoppel Requesting Party**”), execute and deliver to the Estoppel Requesting Party and/or such third-party designated by the Estoppel Requesting Party, a statement in writing certifying (a) that (except as may be otherwise specified by the Estoppel Responding Party) (i) this Agreement is in full force and effect and unmodified, (ii) the Estoppel Responding Party is not in Default in the performance or observance of its obligations under this Agreement, and (iii) to the Estoppel Responding Party's actual knowledge, the Estoppel Requesting Party is not in Default in the performance or observance of the Estoppel Requesting Party's obligations under this Agreement, and (b) as to such other factual matters as the Estoppel Requesting Party may reasonably request about this Agreement, the status of any matter relevant to this Agreement, or the performance or observance of the provisions of this Agreement.

11.7 Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons or circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and shall be valid and enforceable to the fullest extent permitted by law, but only if and to the extent such enforcement would not materially and adversely frustrate the Parties' essential objectives as expressed herein.

11.8 Diligent Performance. With respect to any duty or obligation imposed on a Party by this Agreement, unless a time limit is specified for the performance of such duty or obligation, it shall be the duty or obligation of such Party to commence and perform the same in a diligent and workmanlike manner and to complete the performance of such duty or obligation as soon as reasonably practicable after commencement of performance.

11.9 Time is of the Essence. The Parties acknowledge completion of the Stadium Project on time is of great importance to each Party, and that in all matters concerning or affecting this Agreement, time is of the essence.

11.10 Entirety of Agreement. This Agreement, together with the remainder of the Definitive Documentation, including the joinders, exhibits, schedules and addenda hereto and thereto, if any, embodies the entire agreement and understanding of the Parties with respect to the subject matter hereof, and supersedes all prior agreements, correspondence, arrangements and understandings relating to the subject matter of this Agreement. 11.12 Captions. The captions in this Agreement are included for purposes of convenience only and shall not be considered a part of this Agreement or used in construing or interpreting any provision hereof.

11.13 No Waiver. No waiver of any condition or covenant of this Agreement to be satisfied or performed by a Party shall be deemed to imply or constitute a further waiver of the same, or any like condition or covenant, and nothing contained in this Agreement nor any act of a Party, except a written waiver signed by such Party, shall be construed to be a waiver of any condition or covenant to be performed by another Party.

11.14 Construction. No provisions of this Agreement shall be construed against a Party by reason of such Party having drafted such provisions.

11.15 Multiple Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute an original document. Each Party further acknowledges that the obligation of any Party to act in good faith, undertake good faith, act diligently or undertake other similar efforts does not constitute a warranty, representation or other guaranty that the result that the Parties are attempting to achieve shall be successfully achieved and no Party shall be liable for any failure to achieve the result or results intended so long as the Party has complied with its obligation to act in

good faith, unless the achievement of the result or results intended are specifically required hereunder.

RENT

Section 3.1 Base Rent. During the Term, StadCo shall pay to the City annual base rent in the amount of One Million Dollars (\$1,000,000) per Lease Year, as adjusted annually pursuant to Section 3.2 below (the "Base Rent"). All Rent Revenues from Base Rent shall be deposited directly into the Operations, Utilities and Events Fund and credited toward StadCo's annual contribution obligation to the Operations, Utilities and Events Fund pursuant to Section 4.6. Payments of Base Rent shall be prorated with respect to any Lease Year.

Section 3.2 Adjustment Date. Commencing on the first day of the month following the month in which the first (1st) anniversary of the Commencement Date occurs, and every anniversary thereafter during the Term (each such date, an "Adjustment Date") the annual Base Rent shall increase by an amount equal to the product of the then-current Base Rent multiplied by three percent (3%). The increased Base Rent shall constitute the Base Rent due and payable until the next Adjustment Date.

Section 3.3 Payment. StadCo shall deposit Base Rent into the Operations, Utilities and Events Fund on or before October 1st of each Lease Year. All Base Rent payable hereunder shall be promptly paid by StadCo without demand, deduction, counterclaim, credit or set-off.

Section 3.4 Disposition of Rent. Each installment of Base Rent shall be applied in accordance with Section 4.6.

Section 3.5 Surcharges. To the extent that the City levies any surcharges attributable to Admission Tickets, parking or other revenue generated by any NFL Event or any other event with

respect to which StadCo controls the ticketing (collectively, the “Surcharges”), the City shall deposit all Surcharges into the Operations, Utilities and Events Fund in accordance with Section 4.6, to the extent necessary to meet the Operations, Utilities and Events Fund Minimum Contribution; provided that all excess Surcharges shall be subject to Section 4.6(c) hereof.

Section 3.6 Taxes and Targeted Taxes.

(a) Neither Party expects Taxes to be levied against the Premises, or against the respective interests of the City, StadCo and TeamCo therein, during the Term, and the Parties acknowledge that the consideration payable, directly or indirectly, by StadCo to the City for StadCo’s use and occupancy of the Premises includes (i) Base Rent, (ii) StadCo’s obligation to pay Stadium Costs (as defined in the Development Agreement), including, without limitation, costs of constructing the Improvements (subject to Section 6.8 with respect to amounts attributable to StadCo Stadium Property), and (iii) all other direct and indirect benefits provided by StadCo to the City as a result thereof, and the Parties believe that such consideration is at least equal to the fair market rent for the Premises (it being understood that the City’s expressions of expectation and belief in this paragraph (a) shall in no event constitute a representation or covenant of the City for purposes of this Lease). If any Tax is levied against the Premises, or against the respective interests of the City, StadCo and/or TeamCo therein, during the Term, the City shall cooperate with StadCo in good faith to object to, oppose and/or appeal same at no third-party out-of-pocket cost to the City.

(b) During any part of the Term that the City or any other entity which has a statutory exemption from Taxes is the holder of the landlord’s interest under this Lease, the City or such other entity shall avail itself of its statutory exemption from Taxes.

(c) If notwithstanding the City’s or such other entity’s statutory exemption from Taxes during the Term, Taxes are nevertheless levied against the Premises or against the interests of the City, StadCo or TeamCo therein, or if any Targeted Tax is imposed, levied or otherwise charged, the City or such other entity shall cooperate with StadCo in good faith to object to, oppose and/or appeal same at no third-party out-of-pocket cost to the City. If the City actually receives such Taxes or Targeted Taxes paid by StadCo, TeamCo or any other Person contemplated as a payor of a Targeted Tax in the definition of such term, then StadCo may offset all or any portion of the amount of any such Taxes or Targeted Taxes so paid and actually received by the City against amounts otherwise payable by StadCo under this Lease.

(d) StadCo shall be responsible for paying any personal property taxes on the StadCo Personal Property at its sole cost and expense.

ARTICLE 4

OPERATING EXPENSES, MAINTENANCE AND OPERATIONS

Section 4.1 Operating Expenses. Subject to the application of amounts on deposit in the Operations, Utilities and Events Fund, StadCo agrees to pay and shall be solely responsible for all Operating Expenses, except for the obligations of the City or others to contribute to any costs as otherwise provided in this Lease. The term “Operating Expenses” shall include all reasonable and

necessary expenses incurred in connection with the management, operation, equipping, furnishing, repair, replacement and maintenance of the Stadium Site, the Renovated Stadium, the other Improvements and the FF&E, including, but not be limited to, the following costs, *except* to the extent the following costs are Capital Expenses: (i) wages, salaries, fringe benefits and payroll burden for all StadCo's or its Affiliates' employees hired for the primary purpose of managing the Renovated Stadium, but only to the extent directly utilized in the management of the Renovated Stadium and the Premises, and only to the extent that such costs do not exceed the competitive costs of such wages, salaries, fringe benefits and payroll burden were the same provided by an unrelated third-party; (ii) interior and exterior window and roof enclosure cleaning, (iii) interior and exterior painting, (iv) façade inspections and maintenance, (v) maintenance, repair, replacement, monitoring and operation of the fire/life safety and sprinkler system, (vi) expenses associated with snow, trash, waste, recycling and ice removal, (vii) security system expenses and non-event-day security personnel expenses, (viii) lighting facilities expenses, (ix) costs for landscaping (including lawn cutting, flowers, new or replacement plants), (x) any signage expenses, (xi) property management fees paid pursuant to the Stadium Operation Agreement, (xii) all supplies and materials used in the operation, maintenance, repair, replacement of, and in providing non-event-day security for, the Renovated Stadium; (xiii) the cost of maintenance equipment used in the operation and maintenance of the Renovated Stadium, (xiv) maintenance, repair, replacement, inspection and monitoring and operation of all mechanical, electrical and plumbing systems, (xv) Utility Expenses, to the extent provided in Section 7.1(c), (xvi) expenses associated with the driveways and parking areas, except as set forth in the Parking Agreement, (xvii) repairs, replacements, refurbishments and general maintenance of the Renovated Stadium (including repair, replacement, and refurbishment of the Playing Field portion of the Renovated Stadium), (xix) service or maintenance contracts with independent contractors for the operation, maintenance, repair, or replacement of, or provision of non-event-day security for, the Premises, and (xx) insurance costs and expenses in connection with insurance required pursuant to Article 13. The hiring of any contractor providing operation or maintenance services for the Premises shall be subject to the Procurement Process. Notwithstanding anything to the contrary contained in this Section 4.1 or elsewhere in this Lease, the City agrees to reimburse StadCo for all reasonable costs and expenses incurred by StadCo for any Maintenance and Repairs Work to the extent resulting primarily from the gross negligence or willful misconduct of the City or a Related Party of the City; provided that, for the avoidance of doubt, the City shall not have any such obligation to reimburse StadCo with respect to any Maintenance and Repairs Work necessitated by ordinary wear and tear.

Section 4.2 StadCo's Maintenance Obligations. StadCo's obligation to maintain the Renovated Stadium, including, without limitation, the Playing Field, the Stadium Site, the other Improvements and the FF&E, as set forth in Section 8.1(c), includes all work, (including all labor, supplies, materials and equipment) reasonably necessary for the preventative maintenance, repairs, replacements, improvements, cleaning and routine upkeep of any property, structures, surfaces, systems, facilities, fixtures (including but not limited to media plug-ins and cable and all wiring attendant thereto), equipment and furnishings, scoreboards, and any other component of the Renovated Stadium and the Premises in order to preserve such items in their condition as of the Commencement Date, ordinary wear and tear excepted, and in accordance with the Operating Standard and the Capital Repairs Standard (subject to Section 8.2). StadCo's maintenance obligations set forth in Section 8.1(c) do not apply to any damage or destruction by Casualty, to the extent the Lease automatically terminates or is timely terminated in accordance with Article

19. Further, StadCo’s maintenance obligations do not apply to any damage caused by a taking by any Governmental Authority (or other Person with power of eminent domain), to the extent the Lease automatically terminates or is timely terminated in accordance with Article 22.

Section 4.3 Retention of Operator. Beginning on the Commencement Date and continuing thereafter during the remainder of the Term, if StadCo, or an Affiliate of StadCo, does not itself act in such capacity, StadCo shall engage, and at all times retain, an Operator to operate and manage the Premises pursuant to a stadium operation agreement (a “Stadium Operation Agreement”). Any Operator so engaged (which, for avoidance of doubt, is not StadCo or an Affiliate of StadCo acting in the capacity of an Operator) must, at the time of execution and delivery of the Stadium Operation Agreement, and at all times during the term of the Stadium Operation Agreement, meet the requirements of a Qualified Operator. In all instances, each Stadium Operation Agreement shall require the Operator to comply with the terms of this Lease as to the management, use and operation of the Premises.

Section 4.4 Retention of Concessionaire(s). On or before the Commencement Date, if StadCo, or an Affiliate of StadCo, does not itself act in such capacity, StadCo shall engage, and at all times during the Term retain, a Concessionaire to operate the concession operations at the Renovated Stadium for the sale of food, beverages, merchandise, programs and other goods and wares of any kind at the Renovated Stadium pursuant to a concessionaire agreement (a “Concessionaire Agreement”). StadCo shall keep the City informed of the fees payable by the Concessionaire under the Concessionaire Agreement, and the fees payable to the City pursuant to the Concessionaire Agreement for any City Event, Civic Event and Excluded Event for which the City is the Hosting Party, shall be no less favorable to the City than to StadCo. Any Concessionaire so engaged (which, for avoidance of doubt, is not StadCo or an Affiliate of StadCo acting in the capacity of a Concessionaire) must, at the time of execution and delivery of the Concessionaire Agreement, and at all times during the term of the Concessionaire Agreement, meet the requirements of a Qualified Concessionaire. In all instances, each Concessionaire Agreement shall require the Concessionaire to comply with the terms of this Lease as to the use and operation of the Premises.

Section 4.5 Operations Budget.

(a) Operations Budget Requirements. On or before May 15 of each year during the Term, StadCo shall provide to the City Representative for review and approval, which approval shall not be unreasonably withheld, conditioned or delayed, as applicable, a reasonably detailed line-item operations budget (the “Operations Budget”), which will identify (i) the Operating Expenses and (ii) the amounts to be paid to attract and support Third-Party Events (other than Excluded Events), in each case to be paid in the following City Fiscal Year. The Operations Budget will (A) identify the specific items of expenses proposed to be made, (B) provide cost estimates for each proposed expense, (C) specify a timetable for each proposed expense and (D) list the specific Third-Party Events (other than Excluded Events) to be held in the following City Fiscal Year, to the extent known at such time. The City Representative and StadCo will meet quarterly to review the Operations Budget.

(b) Operations Budget Approval. The City Representative shall, within forty-five (45) days after its receipt of the Operations Budget, notify StadCo in writing whether the City

Representative approves the Operations Budget subject to Applicable Law. If the City objects to any component of the Operations Budget (such component(s), “Objected Operating Expenses”) the City Representative shall provide to StadCo the reasons for such objection. In the event of an objection, the City Representative and StadCo will work together in good faith to finalize the Operations Budget within thirty (30) days following receipt by StadCo of such objection. StadCo will not expend, or request to obtain, funds from the Operations, Utilities and Events Fund for the purpose of so paying or reimbursing itself for any Objected Operating Expenses until such Objected Operating Expenses are resolved to the reasonable satisfaction of both the City and StadCo. Any unresolved dispute between the City Representative and StadCo under this Section 4.5(b) shall be resolved by the Alternative Dispute Resolution Procedures. The City Representative and StadCo shall use good faith efforts to finalize the Operations Budget for the following City Fiscal Year on or before July 31 of each year during the Term, and, subject to resolution of Objected Operating Expenses pursuant to this clause (b), funds may be drawn from the Operations, Utilities and Events Fund, subject to a lawful appropriation of funds therefor by City Council, in accordance with such budget commencing on October 1 of the applicable City Fiscal Year.

(c) Major Operating Expenses. Notwithstanding anything in this Lease to the contrary, no later than one hundred (120) days prior to undertaking any work or expending any funds towards an individual Operating Expense in the Operations Budget that is greater than or equal to Five Hundred Thousand and No/100 Dollars (\$500,000.00) (with such amount to be increased in accordance with the Consumer Price Index each Lease Year) that is not already accounted for and approved as a specific, identifiable line item in the approved Operations Budget (each a “Major Operating Expense”), StadCo shall provide to the City Representative for review and approval a description of the proposed Major Operating Expense and, if applicable, the design plans and specifications for such Major Operating Expense. The City Representative shall, within thirty (30) days after its receipt of the description of such proposed Major Operating Expense and, if applicable, the design plans and specifications, notify StadCo in writing whether the City approves the proposed Major Operating Expense. If the City objects to the proposed Major Operating Expense (such expense, an “Objected Major Operating Expense”), the City Representative shall provide to StadCo the reasons for such objection. In the event of an objection, the City and StadCo will work together in good faith to resolve the objection within thirty (30) days following receipt by StadCo of such objection. StadCo will not expend or request to obtain funds from the Operations, Utilities and Events Fund for the purpose of so paying or reimbursing itself for any Objected Major Operating Expense until the objection is resolved to the reasonable satisfaction of both the City and StadCo. Any unresolved dispute between the City and StadCo under this Section 4.5(c) shall be resolved by the Alternative Dispute Resolution Procedures.

Section 4.6 Operations, Utilities and Events Fund.

(a) Creation of Operations, Utilities and Events Fund. Subject to the Procurement Process, the City will establish an operations, utilities and events fund (the “Operations, Utilities and Events Fund”) solely for the purpose of providing a source of funding for Operating Expenses and for expenses associated with attracting and supporting Third-Party Events (other than Excluded Events) at the Renovated Stadium as set forth in the City-approved Operations Budget (collectively, the “Permitted Operations, Utilities and Events Fund Expenses”). Amounts remaining in the Operations, Utilities and Events Fund on the Term Expiration Date shall be

divided evenly (on a pari passu basis such that funds are distributed simultaneously) between StadCo and the City.

(b) Stadium Funds Custodian. The Stadium Funds Custodian shall maintain the Operations, Utilities and Events Fund on behalf of the City and StadCo. The amounts available in the Operations, Utilities and Events Fund from time to time shall be invested by the Stadium Funds Custodian in Permitted Investments. The Operations, Utilities and Events Fund may be used only for the purposes provided in this Lease and shall not be pledged for any other purpose.

(c) Funding of Operations, Utilities and Events Fund. By no later than October 1st of each Lease Year (and subject to the mechanics set forth herein with respect to the Stub Period preceding October 1st of the first Lease Year), the balance of funds in the Operations, Utilities and Events Fund shall be in an aggregate amount at least equal to the Operations, Utilities and Events Fund Minimum Contribution. The Operations, Utilities and Events Fund Minimum Contribution shall be funded from the following sources: (i) Base Rent, (ii) Surcharges and (iii) Net Third-Party Event Revenue (but for the avoidance of doubt excluding Excluded Event Revenues). To the extent, during any City Fiscal Year during the Term, the sum of the amounts in clauses (i) through (iii) above exceeds the Operations, Utilities and Event Fund Minimum Contribution, all such excess amounts will be applied (1) first, to a reserve amount in the Operations, Utilities and Events Fund until the reserved amount in the Operations, Utilities and Events Fund is equal to the Operations, Utilities and Events Fund Minimum Contribution for the immediately following City Fiscal Year and (2) second, once such reserve has been established, all remaining excess funds for the then-current City Fiscal Year shall be distributed evenly between the City and StadCo, if the Parties agree in writing to do so after having a good-faith discussion regarding the same. To the extent that during any City Fiscal Year during the Term, the sum of the amounts described in clauses (i) through (iii) above is (A) less than the amount to be paid or reserved pursuant to the Operations Budget for such City Fiscal Year or (B) the actual Permitted Operations, Utilities and Events Fund Expenses for such City Fiscal Year exceed those reflected in the Operations Budget for such City Fiscal Year such shortfall shall be funded, (1) first, from reserved funds that were deposited in the Operations, Utilities and Events Fund in prior years during the Term as set forth in this Section 4.6, (2) thereafter, by the City and StadCo, each funding fifty percent (50%) of such shortfall, up to Three Million Five Hundred Thousand and No/100 Dollars (\$3,500,000.00) each, and (3) thereafter, with respect to any remaining shortfall, one hundred percent (100%) by StadCo. In the event that StadCo can reasonably foresee that it is likely to materially exceed the costs for any line item(s) in the Operations Budget such that the total Operations Budget for any City Fiscal Year will exceed the amount in the Operations, Utilities and Events Fund for such City Fiscal Year, StadCo must provide written notice to the City as soon as reasonably practical detailing which line item(s) of the Operations Budget it expects to exceed and an updated estimated cost of such line item(s).

(d) Determination of Operations, Utilities and Events Fund Minimum Contribution.

(i) With respect to each City Fiscal Year during the term, the term "Operations, Utilities and Events Fund Minimum Contribution" shall mean the sum of (A) the Base Fund Contribution for such City Fiscal Year, and (B) the Management Fee for such City Fiscal Year.

(ii) With respect to the period consisting of August 2028 and September 2028 (collectively, the “Stub Period”), the Base Fund Contribution shall be the amount included in an operating budget submitted by May 1, 2028 which is negotiated in good faith between the City and StadCo (the “Stub Contribution”), which Stub Contribution will be submitted as a part of the operating budget for City Fiscal Year 2028-29 to be submitted to City Council for its approval and to be appropriated by the City by October 1, 2028 if approved, and reimbursed to StadCo once appropriated; provided that the City shall be entitled to retain any Surcharges attributable to any Home Games played during the Stub Period as a partial offset of such Stub Contribution.

(iii) With respect to the first full City Fiscal Year occurring during the Term (i.e., following the Stub Period), the term “Base Fund Contribution” shall mean Ten Million Seven Hundred Thousand and No/100 Dollars (\$10,700,000.00).

(iv) With respect to the immediately following two (2) full City Fiscal Years occurring during the Term, as to each such City Fiscal Year, the term “Base Fund Contribution” shall mean (A) an amount determined by StadCo and the City, negotiating in good faith and taking into consideration the total Operating Expenses, excluding the Management Fee, incurred in the first full City Fiscal Year or (B) if the Parties do not agree on such amount after negotiating in good faith for thirty (30) days, then one hundred percent (100%) of the annual Operating Expenses, excluding the Management Fee, actually incurred in the first full City Fiscal Year, with such amount escalating by the change in the Consumer Price Index for the immediately preceding twelve-month period until the fourth full City Fiscal Year occurring during the Term.

(v) With respect to the fourth full City Fiscal Year occurring during the Term, the term “Base Fund Contribution” shall mean (A) an amount determined by StadCo and the City, negotiating in good faith and taking into consideration the total Operating Expenses, excluding the Management Fee, incurred in each of the prior three (3) City Fiscal Years, or (B) if the Parties do not agree on such amount after negotiating in good faith for thirty (30) days, then one hundred percent (100%) of the greater of (I) the average of the annual Operating Expenses, excluding the Management Fee, actually incurred in the first three (3) full City Fiscal Years occurring during the Term, and (II) the Base Fund Contribution for the third full City Fiscal Year occurring during the Term, with such amount escalating by the change in the Consumer Price Index for the immediately preceding twelve-month period. For each City Fiscal Year thereafter, the Base Fund Contribution shall escalate by the change in the Consumer Price Index for the immediately preceding twelve-month period.

(vi) Should the actual Operating Expenses, excluding the Management Fee, with respect to any City Fiscal Year materially exceed the Base Fund Contribution for such City Fiscal Year due to an extraordinary circumstance, StadCo and the City shall meet to discuss such shortfall and shall negotiate in good faith to revise the funding to account for the extraordinary circumstance.

(e) StadCo Application of Operations, Utilities and Events Fund. Subject to all of the provisions and limitations set forth in this Article 4, from time to time during the Term, StadCo

may obtain funds available in the Operations, Utilities and Events Fund, but only for the purpose of paying a third party, or reimbursing itself, for Permitted Operations, Utilities and Events Fund Expenses authorized by Section 4.5 of this Lease. To obtain funds for Permitted Operations, Utilities and Events Fund Expenses, a StadCo Representative must execute and deliver to the City and the Stadium Funds Custodian a certificate in compliance with City requirements (the “StadCo Operations, Utilities and Events Certificate”) requesting that the City withdraw an amount from the Operations, Utilities and Events Fund for costs and expenses incurred in connection with such Permitted Operations, Utilities and Events Fund Expenses as described in the StadCo Operations, Utilities and Events Certificate. Each StadCo Operations, Utilities and Events Certificate shall include (i) a statement that the particular costs incurred in connection with Permitted Operations, Utilities and Events Fund Expenses covered by the StadCo Operations, Utilities and Events Certificate (A) are for Permitted Operations, Utilities, and Events Fund Expenses that have been completed in compliance with the terms of this Lease, (B) are for Permitted Operations, Utilities and Events Fund Expenses to which the City has not objected pursuant to Section 4.5 (or, if the City has objected, then such objections have been settled by the Alternative Dispute Resolution Procedures) and (C) have not previously been reimbursed to StadCo or otherwise paid from the Permitted Operations, Utilities and Events Fund, and amounts commensurate with such costs have not been reimbursed to StadCo or disbursed to StadCo for payment to third parties, out of the Operations, Utilities and Events Fund as of the date of the StadCo Operations, Utilities and Events Certificate and (ii) such invoices, purchase orders, bills of sale or other documents that reasonably evidence StadCo’s incurrence of such Permitted Operations, Utilities and Events Fund Expenses. Absent any good faith objection from the City, based on non-compliance with this Lease, as to any matter contained in such Operations, Utilities and Events Certificate, upon receipt of a StadCo Operations, Utilities and Events Certificate, the City shall promptly (and in no event more than thirty (30) days after receipt of such StadCo Operations, Utilities and Events Certificate) cause the Stadium Funds Custodian to withdraw from the Operations, Utilities and Events Fund the amount specified in such StadCo Operations, Utilities and Events Certificate, or as much as may be available in the Operations, Utilities and Events Fund, if less, and disburse such amount to StadCo to reimburse StadCo or for payment to third parties for the amount of costs incurred by StadCo in connection with the Permitted Operations, Utilities and Events Fund Expenses as specified in such StadCo Operations, Utilities and Events Certificate. If any StadCo Operations, Utilities and Events Certificate submitted by StadCo under this Section 4.6(d) does not include documents that reasonably evidence StadCo’s incurrence of the Permitted Operations, Utilities and Events Fund Expenses covered by such StadCo Operations, Utilities and Events Certificate, StadCo shall provide the City and the Stadium Funds Custodian with such documents within thirty (30) days after the incurrence of such Permitted Operations, Utilities and Events Fund Expenses. Any balance in the Operations, Utilities and Events Fund upon the expiration of the Term shall be disbursed as provided in Section 4.6(a).

(f) Operating Expenses Reporting. StadCo shall deliver monthly reports to the City that include (i) an itemized list of the Permitted Operations, Utilities and Events Fund Expenses expended during the applicable City Fiscal Year as of the date of the applicable report and (ii) a forecast for the expected Permitted Operations, Utilities and Events Fund Expenses to be expended in the remainder of the applicable City Fiscal Year. StadCo shall deliver copies to the City of all contracts being funded, in whole or in part, with funds from the Operations, Utilities and Events Fund.

Section 4.7 Emergency Repairs. Notwithstanding anything in this Article 4 to the contrary, StadCo shall be entitled to perform Emergency Repairs, without the advance approval of the City Representative, so long as StadCo uses reasonable efforts to notify the City Representative of any such Emergency Repairs prior to, or, if prior notice is not reasonably practical, as soon as reasonably practical after, performing such Emergency Repairs. The City shall have the right to reasonably confirm whether the repairs so performed meet the definition of Emergency Repairs prior to any reimbursement of StadCo for such repairs.

Section 4.8 Management Fee. In consideration for StadCo's performing its obligations pursuant to Section 8.1(c) of this Lease, StadCo shall receive a management fee for each City Fiscal Year in the amount of five percent (5%) of the sum of the Capital Budget and the Operations Budget for such City Fiscal Year (the "Management Fee"), which Management Fee will be payable from the Operations, Utilities and Events Fund.

Section 4.9 Establishment of Procurement Process. StadCo and the City shall use good faith efforts to agree upon a procurement process for hiring contractors to perform work or services and purchasing equipment and materials in connection with the Renovated Stadium, with such process to be a competitive public bidding process substantially similar to State of Florida procurement requirements for public projects and in compliance with Applicable Law (as the Parties may amend such process from time to time, the "Procurement Process"). Without limiting the foregoing, StadCo shall be responsible for ensuring that all procurement shall comply with all Applicable Law, including without limitation Section 287.055, and Section 255.20, Florida Statutes, and otherwise be generally in accordance with City procurement practices.

ARTICLE 5

DELINQUENT PAYMENTS: HANDLING CHARGES

All payments required of StadCo to the City or deposits required of StadCo funds into the Operations, Utilities and Events Fund or the Capital and Maintenance Fund hereunder that are not paid within five (5) Business Days after the date such payment is due shall bear interest from the date due until paid at four percent (4%) over the prime rate described in the Wall Street Journal for the last Business Day of the calendar month immediately preceding the late payment (the "Interest Rate"). In no event, however, shall the charges permitted under this Article 5 or elsewhere in this Lease, to the extent they are considered to be interest under law, exceed the maximum lawful rate of interest.

ARTICLE 6

RENOVATED STADIUM CONSTRUCTION AND CAPITAL ASSET MANAGEMENT

Section 6.1 Construction of Improvements. StadCo shall cause the design, development and construction of the Renovated Stadium and other Improvements on behalf of the City in accordance with the Development Agreement.

Section 6.2 Capital Plan. StadCo, in meaningful consultation with the City, shall prepare a capital asset management plan (the "Capital Plan") for the Premises and deliver a copy

of the Capital Plan to the City Representative for review and approval, which approval shall not be unreasonably withheld, conditioned or delayed, by May 15 of the third (3rd) Lease Year and by May 15 of every Lease Year thereafter, which will cover the projected Capital Plan for the following three (3) City Fiscal Years. The Capital Plan for each City Fiscal Year shall then be submitted to the City through the City Representative seeking approval by the City Council (which, for the avoidance of doubt, shall be in City Council's sole discretion). StadCo shall be responsible for the costs of preparation of the Capital Plan (including without limitation the costs of engaging the Capital Plan Manager (defined below)), which may be paid from the Capital and Maintenance Fund, to the extent such costs are reasonable, and to the extent of available funds. The Parties acknowledge and agree that the Capital Plan shall prioritize extending the useful life of the Renovated Stadium and that priority should be given to Capital Matters involving structural elements, building systems and life safety.

(a) Capital Plan Requirements. The Capital Plan shall include the following:

(i) A general summary of the condition of the Improvements and FF&E, as well as a description of the strategies necessary to be implemented in order to preserve the Improvements and FF&E for use in accordance with this Lease, including:

(A) A summary of routine and reasonable preventive maintenance requirements;

(B) A general summary of the Capital Repairs and Capital Maintenance reasonably expected to be required for the Premises during the next 3 years;

(C) A condition assessment report, which provides any changes in conditions of the Renovated Stadium that were noted by the Capital Plan Manager during its most recent onsite inspections.

(ii) A general summary of reasonably knowable Capital Improvements (i.e., Capital Improvements with respect to which information is available from public sources) made to Comparable NFL Facilities since the later of the completion of the Renovated Stadium and the most recent delivery of a Capital Plan;

(iii) A general summary of the Capital Improvements reasonably expected to be required for the Renovated Stadium during the next (three) 3 years, in order for StadCo to remain in compliance with the Capital Repairs Standard;

(iv) An identification of all Capital Matters work reasonably expected to be necessary for StadCo to maintain the Renovated Stadium (including without limitation, the Playing Field), the other Improvements, and the FF&E in accordance with the terms of Section 8.1(c) hereof, identifying such work as Capital Repairs, Capital Maintenance and Capital Improvements; and

(v) An independent inspection and report by the Capital Plan Manager.

(b) Capital Plan Approval. The City Representative shall, within forty-five (45) days after its receipt of the Capital Plan, notify StadCo in writing whether the City Representative

approves the Capital Plan, subject to City Council review and approval and Applicable Law. If the City Representative objects to any component of the Capital Plan it shall provide to StadCo the reasons for such objection. In the event of an objection, the City Representative and StadCo will work together in good faith to finalize the Capital Plan within thirty (30) days following receipt by StadCo of such objection. Any unresolved dispute between the City Representative and StadCo under this Section 6.2(b) shall be resolved by the Alternative Dispute Resolution Procedures.

(c) Capital Plan Manager. For each year in which StadCo is obligated to deliver a Capital Plan, StadCo, subject to the City Representative's approval, which shall not be unreasonably withheld, conditioned or delayed, shall hire (i) an independent consulting firm of qualified engineers licensed in the State of Florida and (ii) a reputable, independent facility condition consulting firm and/or construction firm (together, the "Capital Plan Manager") to assist StadCo with the production of the Capital Plan. The Capital Plan Manager shall develop an annual inspection schedule for the Renovated Stadium's structural, electrical, architectural and mechanical elements. StadCo shall provide the Capital Plan Manager with access to the Renovated Stadium's general plan and drawings for review prior to the onsite inspections and may provide recommendations for the Capital Plan Manager's consideration.

(d) Capital Plan Work. StadCo shall undertake all of the Capital Matters that are detailed in the Capital Plan according to the Capital Budget, unless changed circumstances warrant another timeline or the elimination or addition of a previously identified or omitted item, in which case StadCo will alert the City Representative to the change. StadCo shall be responsible for selecting one or more contractors to procure supplies and perform the necessary work, and StadCo shall supervise such procurement and work. The hiring of any contractor to undertake Capital Matters shall be subject to the Procurement Process, and StadCo shall cause all Capital Repairs included in the Capital Plan to be included in the ensuing Capital Budgets until completed.

Section 6.3 Capital Improvements.

(a) StadCo shall, at least fifteen (15) Business Days before StadCo undertakes work constituting a Capital Improvement, provide written notice to the City Representative of StadCo's intent to undertake such work. Such notice shall: (i) identify the specific itemized Capital Improvements proposed to be made, (ii) describe whether any structural Capital Improvement is consistent with, or a deviation from, the Capital Plan and (iii) describe whether undertaking any such Capital Improvements will materially exceed the Capital Budget for the then-current City Fiscal Year. If (a) any such Capital Improvements are structural Capital Improvements that materially deviate from the Capital Plan, (b) the cost of undertaking such Capital Improvements will result in StadCo materially exceeding the Capital Budget for the then-current City Fiscal Year or (c) such Capital Improvements are not included in the Capital Budget for the then-current City Fiscal Year, then StadCo may not undertake work on such Capital Improvements without the prior written consent of the City Representative. If StadCo desires to undertake Capital Improvements that are not included in the Capital Budget for the then-current City Fiscal Year, then, in addition to the notice required by the first sentence of this Section 6.3, StadCo shall provide to the City Representative other reasonable evidence (x) of the source of funds therefor and (y) that work included in the Capital Plan (including, without limitation, Capital Repairs) will be fully funded.

(b) By October 1 of each Lease Year, StadCo shall deliver annual reports to the City Representative that include (i) a summary of Capital Improvements made during the applicable City Fiscal Year as of the date of the applicable report, and (ii) an updated set of “as built” plans, and (iii) an architect’s written certification that such Capital Improvements did not degrade the useful life or structural integrity of the Renovated Stadium.

Section 6.4 Capital Budget for Capital Matters.

(a) On or before May 15 of each Lease Year during the Term, StadCo will provide to the City Representative a Capital Budget for the Premises for the following City Fiscal Year for review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. The Capital Budget for each City Fiscal Year shall then be submitted to the City through the City Representative for review and approval by the City Council. The Capital Budget will separately identify the costs of (i) the Capital Repairs, Capital Maintenance and Capital Improvements which are included in the Capital Plan, (ii) the Capital Improvements permitted in accordance with Section 6.3 and (iii) any Capital Repairs, Capital Maintenance and Capital Improvements not included in the Capital Plan but deemed reasonably necessary by StadCo, in each case proposed to be incurred or reserved in such City Fiscal Year and for each such category: (a) identify the specific items of work proposed to be made, (b) provide cost estimates for each item of work proposed, and (c) specify a timetable for completion of each item of proposed work. The City Representative shall, within forty-five (45) days after its receipt of the Capital Budget, notify StadCo in writing whether the City Representative approves the Capital Budget. If the City Representative objects to any component of the Capital Budget that is not included within the Capital Plan or the cost of such component materially exceeds the estimated cost of such component in the Capital Plan (such component(s), “Objected Capital Expenses”), it shall provide StadCo the specific reasons for such objection, which must be reasonable under the circumstances. In the event of an objection, the City Representative and StadCo will work together in good faith to finalize the Capital Budget within thirty (30) days following receipt by StadCo of such objection. StadCo will not expend funds from the Capital and Maintenance Fund or request to obtain funds from the Capital and Maintenance Fund for the purpose of so paying or reimbursing itself for any Objected Capital Expenses or commence work on any Capital Matters to be funded by Objected Capital Expenses until such Objected Capital Expenses are resolved to the reasonable satisfaction of both the City and StadCo. The City Representative and StadCo shall use good faith efforts to finalize the Capital Budget for the following City Fiscal Year on or before July 31 of each year during the Term, and funds may be drawn from the Capital and Maintenance Fund, subject to a lawful appropriation of funds therefor by City Council, in accordance with such budget commencing on October 1 of the applicable City Fiscal Year. Once the Capital Budget has been so presented without objection or all reasonable objections have been resolved as described above, StadCo will be required to complete all work contemplated by such Capital Budget on a basis substantially consistent with the timetable set forth in the proposed Capital Budget, except to the extent affected by Force Majeure or as otherwise approved by the City.

(b) StadCo will not commence work on any Capital Matters (a) not included in the Capital Plan, and (b) to which the City Representative has objected in accordance with Section 6.4, unless StadCo has provided to the City Representative reasonable evidence of the source of funds therefor, which shall not be the Capital and Maintenance Fund.

(c) Any unresolved dispute between the City Representative and StadCo under this Section 6.4 shall be resolved by the Alternative Dispute Resolution Procedures. The City Representative and StadCo will meet quarterly to review the Capital Budget.

(d) Major Capital Expenses. Notwithstanding anything in this Lease to the contrary, no later than one hundred (120) days prior to (i) undertaking any Capital Matters, or (ii) expending any funds from the Capital and Maintenance Fund towards an individual Capital Matter in the Capital Plan and/or the Capital Budget that is greater than or equal to Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) and that, in the case of either clause (i) or (ii) above, is not already accounted for and approved as a specific, identifiable line item in the approved Capital Budget (each a “Major Capital Expense”), StadCo shall provide to the City Representative for review and approval a description of the proposed Major Capital Expense and, if applicable, the design plans and specifications for such Major Capital Expense. The City Representative shall, within forty-five (45) days after its receipt of the description of such proposed Major Capital Expense and, if applicable, the design plans and specifications for such Major Capital Expense, notify StadCo in writing whether the City approves the proposed Major Capital Expense. If the City objects to the proposed Major Capital Expense (such expense, an “Objected Major Capital Expense”), the City Representative shall provide to StadCo the reasons for such objection. In the event of an objection, the City and StadCo will work together in good faith to resolve the objection within thirty (30) days following receipt by StadCo of such objection. StadCo will not expend, or request to obtain funds, from the Capital and Maintenance Fund for the purpose of so paying or reimbursing itself for any Objected Major Capital Expenses until the objection is resolved to the reasonable satisfaction of both the City and StadCo. Any unresolved dispute between the City and StadCo under this Section 6.2(d) shall be resolved by the Alternative Dispute Resolution Procedures.

Section 6.5 Capital and Maintenance Fund.

(a) Creation of Capital and Maintenance Fund. Subject to the Procurement Process, the City will establish the Capital and Maintenance Fund solely for the purpose of providing a source of funding for Capital Matters. Funds available in the Capital and Maintenance Fund may be utilized for (i) Capital Repairs, Capital Maintenance and Capital Improvements in accordance with the Capital Budget, and (ii) Capital Repairs and Capital Maintenance authorized by Section 6.7 of this Lease. Amounts remaining in the Capital and Maintenance Fund on the Term Expiration Date shall remain the property of the City, and StadCo shall not have any right or claim thereto.

(b) Stadium Funds Custodian. The Stadium Funds Custodian shall maintain the Capital and Maintenance Fund on behalf of the City and StadCo. The amounts available in the Capital and Maintenance Fund from time to time shall be invested by the Stadium Funds Custodian in Permitted Investments. The Capital and Maintenance Fund may be used only for the purposes provided in this Lease and shall not be pledged for any other purpose.

(c) Funding of Capital and Maintenance Fund. By no later than October 1 of each Lease Year, and subject to a lawful appropriation of funds therefor by City Council (i) the City shall cause to be deposited to the Capital and Maintenance Fund an amount equal to the total aggregate amount received by the City in the prior City Fiscal Year (commencing for the avoidance of doubt with reference to the 2027/2028 City Fiscal Year) with respect to two cents per Dollar of

convention development taxes levied pursuant to Section 212.0305, Florida Statutes, and (ii) the City and StadCo shall provide on a 50/50 basis the additional funding necessary to cause \$15,000,000 in the aggregate (after taking into account the deposit made pursuant to the immediately preceding clause (i)) to be deposited into the Capital and Maintenance Fund in the first (1st) City Fiscal Year, with such \$15,000,000 target to be increased by one percent (1%) for each Lease Year. To the extent that during any Lease Year, (i) the amounts deposited into the Capital and Maintenance Fund by the City and StadCo collectively are less than the amount to be paid or reserved pursuant to the Capital Budget for such year or (ii) the cost of Capital Matters exceed those reflected in the Capital Budget for such Lease Year, such shortfall shall be funded, (A) first, from reserved funds that were deposited in the Capital and Maintenance Fund in prior years during the Term as set forth in this Section 6.5, (B) then, any remaining shortfall shall be funded by the City and StadCo, each funding fifty percent (50%) of such shortfall, up to Five Million and No/100 Dollars (\$5,000,000.00) each, (C) then, any remaining shortfall shall be funded by the City, up to Twenty Million and No/100 Dollars (\$20,000,000), and (D) thereafter, the Parties shall negotiate in good faith with regard to the remaining shortfall, provided that StadCo expressly waives any right to declare a City Event of Default for failure of the City to fund any portion of such shortfall. Notwithstanding the foregoing, StadCo shall be solely responsible for all reasonable costs and expenses incurred by StadCo for any Capital Matters to the extent resulting from the gross negligence, willful misconduct or the sole negligence of StadCo or the sole negligence of any Related Party of StadCo. In the event that StadCo can reasonably foresee that it is likely to materially exceed the costs for any line item(s) in the Capital Budget, StadCo must provide written notice to the City as soon as reasonably practical detailing which line item(s) of the Capital Budget it expects to exceed and an updated estimated cost of such line item(s). If, at the conclusion of any City Fiscal Year, any surplus amounts remain in the Capital and Maintenance Fund after all (x) costs and expenses with respect to Capital Matters identified in the Capital Budget or authorized by this Article 6 to be paid in such City Fiscal Year have been paid, and (y) costs and expenses incurred in connection with Capital Repairs and Capital Maintenance authorized by Section 6.7 of this Lease in such City Fiscal Year have been paid, such surplus amounts shall remain invested in the Capital and Maintenance Fund and will be available for use in subsequent City Fiscal Years. For the avoidance of doubt, the existence of such a surplus in any given City Fiscal Year shall not reduce StadCo's or the City's respective contribution obligations to the Capital and Maintenance Fund.

(d) StadCo Application of Capital and Maintenance Fund. Subject to all of the provisions and limitations set forth in this Article 6, from time to time during the Term, StadCo may obtain funds available in the Capital and Maintenance Fund solely for the purpose of paying a third party, or reimbursing itself, for costs and expenses incurred in connection with: (i) Capital Repairs and Capital Maintenance authorized by Section 6.7 of this Lease; (ii) Capital Matters that have been approved by the City pursuant to Section 6.4 ; and (iii) to the extent the City Representative has a right to object to a Capital Matter pursuant to Section 6.4, Capital Matters which have been included in the finalized Capital Budget in accordance with Section 6.4. To obtain funds for the purpose of so paying or reimbursing StadCo for costs and expenses incurred in connection with such Capital Matters, a StadCo Representative must execute and deliver to the City Representative and the Stadium Funds Custodian a certificate in compliance with City requirements (the "StadCo Capital Matters Certificate") requesting that the City withdraw an amount from the Capital and Maintenance Fund for costs and expenses incurred in connection with such Capital Matters as described in the StadCo Capital Matters Certificate. Each StadCo

Capital Matters Certificate shall include (i) a statement that the particular costs incurred in connection with Capital Matters covered by the StadCo Capital Matters Certificate (A) are for Capital Matters that have been completed in compliance with the terms of this Lease, (B) are for (1) Capital Matters to which the City Representative has approved (or, if the City has objected to such Capital Matters, then such objections have been settled by the Alternative Dispute Resolution Procedures) pursuant to Section 6.4 or otherwise that have been included in the Capital Budget, (2) Capital Improvements to which the City Representative has a right to object pursuant to Section 6.4 that have been included in the finalized Capital Budget pursuant to Section 6.4, or (3) Capital Repairs or Capital Maintenance that StadCo is entitled to make pursuant to Section 6.7, and (C) have not previously been reimbursed to StadCo or otherwise paid from the Capital and Maintenance Fund, and amounts commensurate with such costs have not been reimbursed to StadCo or disbursed to StadCo for payment to third parties, out of the Capital and Maintenance Fund as of the date of the StadCo Capital Matters Certificate and (ii) such invoices, purchase orders, bills of sale or other documents that reasonably evidence StadCo's incurrence of such expenses and completion or undertaking to complete such Capital Matters. Absent any good faith objection from the City Representative, based on non-compliance with this Lease, as to any matter contained in such Capital Matters Certificate, upon receipt of a StadCo Capital Matters Certificate, the City Representative shall promptly (and in no event more than thirty (30) days after receipt of such StadCo Capital Matters Certificate) cause the Stadium Funds Custodian to withdraw from the Capital and Maintenance Fund the amount specified in such StadCo Capital Matters Certificate, or as much as may be available in the Capital and Maintenance Fund, if less, and disburse such amount to StadCo to reimburse (StadCo for the amount of costs incurred by StadCo in connection with the Capital Matters. If any StadCo Capital Matters Certificate submitted by StadCo under this Section 6.5(d) does not include documents that reasonably evidence StadCo's completion of the Capital Matters covered by such StadCo Capital Matters Certificate, StadCo shall provide the City Representative and the Stadium Funds Custodian with such documents within fifteen (15) days after the completion of such Capital Matters. Notwithstanding anything in this Lease to the contrary, (i) StadCo's financial responsibility with respect to Capital Matters shall not be limited to the amount allocated to, available in or disbursed from the Capital and Maintenance Fund, and (ii) in no event may StadCo requisition funds from the Capital and Maintenance Fund for the purpose of funding any Capital Improvements that are not included in the Capital Budget in any Lease Year. Any balance in the Capital and Maintenance Fund upon the expiration of the Term shall be disbursed as provided in Section 6.5(a).

(e) Capital Matters Reporting. StadCo shall deliver quarterly reports to the City that include (i) an itemized list of expenditures towards Capital Matters made during the applicable City Fiscal Year as of the date of the applicable report and (ii) a forecast for the expected Capital Matters expenses to be expended in the remainder of the applicable City Fiscal Year. StadCo shall deliver copies to the City of all contracts being funded, in whole or in part, with funds from the Capital and Maintenance Fund.

(f) Funds Oversight Representative. The City shall have a designated representative (the "Funds Oversight Representative") who StadCo shall involve in day-to-day oversight of (i) the expenditure of Operating Expenses and (ii) the Capital Matters undertaken by StadCo as each relates to the application of the Operations, Utilities and Events Fund and the Capital and Maintenance Fund, respectively. StadCo shall provide the Funds Oversight Representative with

such information as the City may reasonably require from time to time such that the City can assess StadCo's compliance with the Operations Budget and the Capital Budget

Section 6.6 Verification of Compliance with Capital Repairs Standard. StadCo shall provide the City with such information as the City may reasonably require from time to time such that the City can assess StadCo's and the Renovated Stadium's compliance with the Capital Repairs Standard, subject to Section 8.2.

Section 6.7 Emergency Maintenance. Notwithstanding anything in this Article 6 to the contrary, StadCo shall be entitled to perform Emergency Repairs, including without limitation Capital Repairs and Capital Maintenance in connection with an Emergency, without the advance approval of the City Representative, so long as StadCo uses reasonable efforts to notify the City Representative of any such Emergency prior to, or, if prior notice is not reasonably practical, as soon as reasonably practical after, performing such Emergency Repairs. The City shall have the right to reasonably confirm whether the repairs so performed meet the definition of Emergency Repairs prior to any reimbursement of StadCo for such repairs.

Section 6.8 StadCo's Right to Depreciation. The Parties acknowledge and agree that (i) StadCo shall have the sole depreciable interest for income tax purposes in all of the StadCo Stadium Property (as defined below) (whether or not such StadCo Stadium Property is owned legally and beneficially by StadCo), and (ii) for all income tax purposes, neither the City nor any other Person shall have the right to take depreciation deductions with respect to the StadCo Stadium Property or claim any other right to tax benefits arising from the StadCo Stadium Property, such depreciation deductions and tax benefits ("StadCo's Beneficial Rights") being exclusively reserved to StadCo unless assigned by StadCo, in whole or in part, to one or more third Persons (including Affiliates). StadCo shall have (A) a right, title and interest in the leasehold interest, license, and any other interest of StadCo created by and arising from this Lease, and (B) a depreciable interest for tax purposes in, though no legal ownership of, all leasehold improvements paid for or otherwise funded by StadCo. Neither StadCo's ownership of, nor StadCo's Beneficial Rights in, the StadCo Stadium Property shall in any way affect, limit, modify or change the rights, obligations and responsibilities of the Parties, as more particularly set forth in this Lease; provided, the City covenants and agrees to use commercially reasonable efforts to cooperate with StadCo in the allocation of depreciable assets for the benefit of StadCo with respect to the StadCo Stadium Property, including in connection with the StadCo Stadium Property Schedule (as defined below), and the leasehold improvements to the Renovated Stadium paid for or otherwise funded by StadCo. As used herein, "StadCo Stadium Property" shall mean certain interior improvements, fixtures, equipment and other items incorporated in the Renovated Stadium, to be further identified in a schedule to be prepared by StadCo for purposes of identifying such StadCo Stadium Property and allocating the StadCo Contribution amount among the items constituting such StadCo Stadium Property (such schedule and allocation, the "StadCo Stadium Property Schedule").

SPECIAL COVENANTS

Section 10.1 City Inspection and Audit. Within one hundred eighty (180) days following the end of each Lease Year, a representative of the City, which representative must be a qualified, third-party independent certified public accountant (the "City Independent Auditor"), shall have the right to examine ("Audit") the books and records related to City Events, Third-Party Events, Operating Expenses, and Capital Matters (the "Records") at any time during normal Business Hours, upon written notice to StadCo, delivered at least ten (10) Business Days in advance. The results of any such Audit shall be reported to the City by the City Independent Auditor in a summary form sufficient to confirm or refute the accuracy of the reported revenues, costs, expenses and other information necessary to calculate payments due to the Parties hereunder or required to be deposited to the Capital and Maintenance Fund or the Operations, Utilities and Events Fund pursuant to this Lease (collectively, the "Funding Obligations"); provided, the report of the City Independent Auditor shall not disclose any specific financial or operating data disclosed by the Records. Should a City officer desire to review the specific financial or operating data compiled by the City Independent Auditor, or the work papers of the City Independent Auditor, such City officer may do so individually at the office of the City Independent Auditor, provided that no physical or digital copies of any document containing specific financial or operating data shall be made nor shall any such information leave the office of the City Independent Auditor. The results of any Audit shall be treated as confidential to the maximum extent allowable under Florida law. In the event confidential information generated by any Audit is made public, the Parties agree to revisit and revise the procedures set forth herein to ensure that no future confidential information is disclosed. If it is determined as the result of the Audit that amounts due to the City or required to be deposited to the Capital and Maintenance Fund or the Operations, Utilities and Events Fund

hereunder on account of the City for any Lease Year were understated, and StadCo does not disagree with such determination, then StadCo shall promptly remit to the City or deposit into such fund, respectively, the increased amount payable by StadCo, if any, as a result of such understatement. If, however, StadCo disagrees with such determination, then StadCo shall be entitled to arrange for a second Audit by a nationally or regionally qualified, independent third-party certified public accountant that does not regularly work for StadCo or any of its Affiliates and that is reasonably acceptable to the City. If it is determined as the result of any such second Audit that amounts due to the City or required to be deposited to Capital and Maintenance Fund or the Operations, Utilities and Events Fund on account of the City for any Lease Year were understated, then StadCo shall promptly remit to the City or deposit into the applicable fund the increased amount payable by StadCo, if any, as a result of such understatement. If it is determined as the result of any such second Audit that amounts due to the City or required to be deposited to the Capital and Maintenance Fund or the Operations, Utilities and Events Fund hereunder on account of the City were not understated, then no such adjustment shall be made as to the respective amount.

Section 10.2 StadCo Inspection and Audit. Within one hundred eighty (180) days following the end of each Lease Year, a representative of StadCo, which representative must be a qualified, third-party independent certified public accountant (the "StadCo Independent Auditor"), shall have the right to Audit the Records at any time during normal Business Hours, upon written notice to the City, delivered at least ten (10) Business Days in advance. The results of any such Audit shall be reported to StadCo by the StadCo Independent Auditor in a summary form sufficient to confirm or refute the accuracy of the reported revenues, costs, expenses and other information necessary to calculate the Funding Obligations; provided, the report of the StadCo Independent Auditor shall not disclose any specific financial or operating data disclosed by the Records. Should a StadCo officer desire to review the specific financial or operating data compiled by the StadCo Independent Auditor, or the work papers of the StadCo Independent Auditor, such StadCo officer may do so individually at the office of the StadCo Independent Auditor, provided that no physical or digital copies of any document containing specific financial or operating data shall be made nor shall any such information leave the office of the StadCo Independent Auditor. The results of any Audit shall be treated as confidential to the maximum extent allowable under Florida law. In the event confidential information generated by any Audit is made public, the Parties agree to revisit and revise the procedures set forth herein to ensure that no future confidential information is disclosed. If it is determined as the result of the Audit that amounts due to StadCo or required to be deposited to the Capital and Maintenance Fund or the Operations, Utilities and Events Fund hereunder on account of StadCo for any Lease Year were understated, and the City does not disagree with such determination, then the City shall promptly remit to StadCo or deposit into such fund, respectively, the increased amount payable by the City, if any, as a result of such understatement. If, however, the City disagrees with such determination, then the City shall be entitled to arrange for a second Audit by a nationally or regionally qualified, independent third-party certified public accountant that does not regularly work for the City or any of its Affiliates and that is reasonably acceptable to StadCo. If it is determined as the result of any such second Audit that amounts due to StadCo or required to be deposited to the Capital and Maintenance Fund or the Operations, Utilities and Events Fund on account of StadCo for any Lease Year were understated, then the City shall promptly remit to StadCo or deposit into the applicable fund the increased amount payable by the City, if any, as a result of such understatement. If it is determined as the result of any such second Audit that amounts due to StadCo or required to be deposited to

the Capital and Maintenance Fund or the Operations, Utilities and Events Fund hereunder on account of StadCo were not understated, then no such adjustment shall be made as to the respective amount.

Section 10.3 No Contingency Fee Audits. If either party retains an independent third-party certified public accountant to review such records, such accountant must be licensed to do business in the State of Florida, and such accountant's fees charged cannot be based, in whole or in part, on a contingency basis.

Section 10.4 Confidentiality. Each Party shall keep, to the extent permitted by Applicable Law, the data provided to it under this Article 10 confidential. Data and information to be provided by one Party to the other pursuant to this Section shall be provided annually within forty-five (45) days after the end of each Lease Year. All data and information provided by one Party to the other pursuant to this Section will be in a digital format that allows the other Party easily to view all underlying calculations (for the avoidance of doubt, excluding the summary report a Party receives from its auditor, as described in this Article 10).

ARTICLE 11

RIGHT-OF-ENTRY AND USE

Section 11.1 City's Rights.

(a) City's General Right of Access. The City shall have the right of access, for itself and its authorized representatives, to the Premises and any portion thereof without charges or fees, at all reasonable times during the Term during Business Hours and provided that no NFL Event or Third-Party Event is then being conducted at the Renovated Stadium and, in all cases, upon reasonable advance notice for the purposes of (i) inspection, (ii) exhibition of the Premises to others during the last thirty-six (36) months of the Term or (iii) determining compliance by StadCo and the Premises with the terms and conditions of this Lease; *provided, however*, that (A) such entry and the City's activities pursuant thereto shall be conducted subject to StadCo's then applicable security requirements, so long as those requirements are reasonably consistent with security requirements in other similarly situated stadiums and do not materially impair the City's ability to access the Premises for the purposes provided in this Article 11, only after the City has been given written notice of the security requirements; (B) such entry and the City's activities pursuant thereto shall be conducted in such a manner as to minimize interference with StadCo's use and operation of the Premises then being conducted pursuant to the terms of this Lease and (C) nothing herein shall be intended to require the City to deliver notice to StadCo or to only enter during any specific period of time, in connection with a StadCo Event of Default. In the event of a StadCo Event of Default, the City shall be entitled to show the Premises to prospective tenants at all reasonable times.

(b) City Events. Notwithstanding any other provision of this Lease, the City shall be entitled to a total of up to two (2) days per Lease Year of rent-free use of the Premises, including the Playing Field and stadium bowl seating but excluding the Team Exclusive Areas, for City Events, all at dates and times determined in accordance with the scheduling policy set forth below. The City shall have non-exclusive access to and from the Premises during the period beginning

twelve (12) hours before and ending three (3) hours after any City Event. If any such access interferes with other events, operations or activities at the Premises, StadCo and the City shall coordinate. All City Events shall satisfy all of the following conditions and procedures, and StadCo shall have the right to prohibit any event not meeting such requirement:

(i) In no event shall any City Event that utilizes the Playing Field result in damage to, or, as determined in StadCo's sole, reasonable judgment and discretion, pose a reasonable possibility of damaging (other than de minimis damage) or rendering unsuitable, the Playing Field for the playing of any Home Games thereon. StadCo may require (to be paid for from funds held in the Operations, Utilities and Events Fund) a protective covering of material approved of by it to be maintained over the Playing Field during any City Event that would utilize the Playing Field in any manner.

(ii) The conduct of each City Event shall be subject to such rules and regulations as StadCo may reasonably establish from time to time.

(iii) In no event shall any City Event be a professional football game.

(iv) In no event shall any City Event be for a use other than the Florida-Georgia Game or the TaxSlayer Bowl.

(v) Use of the Suites in the Renovated Stadium during City Events shall be limited to the licensees of StadCo or its Affiliates (whether pursuant to Suite license agreements or other arrangements) and their invitees; *provided*, (A) during each Florida-Georgia Game, the City shall have the right to use without cost all Suites other than the "Owner's Suite," to be used by representatives of the schools and (B) the City shall have the right to use without cost four (4) Suites for use by representatives of the schools participating in the annual TaxSlayer Bowl and any other universities or colleges that have athletic events in the Stadium occurring during the Term. The City shall have the right to retain all of the revenue related the use of the Suites described in clauses (A) and (B) of the foregoing sentence, and the City shall be responsible for all food and beverage costs incurred in connection with its use of such Suites.

(vi) The City shall promptly repair any damage directly and solely caused by the City or City Permittee at a City Event and such repairs shall be paid for solely by funds other than those on deposit in the Capital and Maintenance Fund.

(vii) Neither the City nor any lessee or licensee of the City (other than StadCo) shall have the right to possess or use any of the Team Exclusive Areas during any City Event or otherwise.

(c) Perquisites. Following Substantial Completion, StadCo shall (I) grant to the City use of one (1) suite (including all seats located therein or connected thereto, which shall for the avoidance of doubt contain no less than twenty-four (24) seats) in the Renovated Stadium for all Home Games, NFL Events, and other events for which StadCo and/or TeamCo control ticketing, at no cost to the City, (II) grant to the City ten (10) reserved, fixed seats in an area of the Renovated Stadium that is reasonably comparable to the Terrace Suite (as defined in the Existing Lease) (in terms of both location, amenities, and overall desirability) during all Home Games, NFL Events,

and other events for which StadCo and/or TeamCo control ticketing, at no cost to the City, (III) grant to the City thirty (30) reserved, fixed, premium seats in the Renovated Stadium that are reasonably comparable to the East Touchdown Club (as described in the Existing Lease) (in terms of both location, amenities, and overall desirability) during all Home Games, NFL Events, and other events for which StadCo and/or TeamCo control ticketing, at no cost to the City, and (IV) provide thirty-two (32) parking passes in one or more general parking lots serving the Stadium for all Home Games, NFL Events, and other events for which StadCo and/or TeamCo control ticketing, at no cost to the City.

(d) Civic Events. Notwithstanding anything to the contrary in this Lease, subject to Section 11.3, with sixty (60) days' prior written notice to StadCo, the City shall have the right to rent-free use of the Renovated Stadium or any portion thereof, but excluding the Team Exclusive Areas, at actual cost (without markup or premium) for an unlimited number of events for civic-oriented use (for avoidance of doubt, such events shall not be reasonably expected to generate material revenues and shall not be of the same character as Third-Party Events co-hosted by the City and StadCo) ("Civic Events") on additional days mutually agreed upon by StadCo and the City, subject to rescheduling pursuant to Section 11.3(i). The notice delivered by the City to StadCo seeking permission to host an event pursuant to this Section 11.1(d) shall set forth the requested reserved date and shall identify in reasonable detail the nature of the event, the areas of the Premises the City expects to use, the terms of admission, the expected attendance, any special security or other arrangements that are anticipated, and any other information reasonably necessary for StadCo to perform its duties under this Lease. For the avoidance of doubt, the events contemplated under this Section 11.1(d) are not "City Events" or "Excluded Events" as such term is defined and used in this Lease and the Project Documents, and the terms and conditions with respect to "City Events" and "Excluded Events" as defined herein shall not apply to such events.

(e) Technology Areas. The City shall have the right of access, for itself and its representatives, to all areas of the Stadium (other than the Team Exclusive Areas) as and when needed to perform any obligations under the Security Agreement or this Lease, including any areas housing technology, security cameras or other similar equipment.

(f) Emergency Access. Notwithstanding the terms of Section 11.1, the City shall have the right of access, for itself and its representatives, to the Premises and any portion thereof, without charges or fees, in connection with an Emergency, so long as the City uses reasonable efforts to (i) notify StadCo by telephone of any such Emergency prior to entering the Premises or, if prior notice is not reasonably practical, as soon as reasonably practical thereafter, but in no event later than one (1) day after the City enters the Premises, (ii) minimize interference with StadCo's use and operation of the Premises then being conducted in the Premises pursuant to the terms of this Lease, and (iii) limit its activities to those reasonably necessary to safeguard lives, public health, safety, and the environment.

(g) No Constructive Eviction. The exercise of any right in this Article 11 reserved to the City or its respective authorized representatives shall not constitute an actual or constructive eviction, in whole or in part, or entitle StadCo to any abatement or diminution of Rent or relieve StadCo from any of its obligations under this Lease or impose any liability on the City or its respective authorized representatives by reason of inconvenience or annoyance to StadCo or injury

to or interruption of StadCo's business or otherwise except to the extent resulting from the gross negligence, willful misconduct or sole negligence of the City or any Related Party of the City.

Section 11.2 Team's Rights of Access. The City hereby grants to StadCo, effective from and after the Commencement Date, subject to (i) the rights of the City hereunder, and (ii) the Permitted Encumbrances, the following: (a) a license for non-exclusive access to and from the Premises during the NFL Events/Team Practices Use Period with respect to the NFL Events/Team Practices Use Period Events, including ingress and egress to and from the Premises over portions of adjacent property as may be owned and controlled by the City from time to time and to and from public streets during such period, including such rights of entry, ingress, egress and access reasonably necessary or desirable to permit StadCo to exercise its rights and to perform its obligations during such period, (b) exclusive access to the Team Exclusive Areas on a Continuous Basis, including ingress and egress to and from the Team Exclusive Areas over other portions of the Premises and to and from public streets during such period, (c) non-exclusive access to and from the Premises on a Continuous Basis for the purpose of performing StadCo's maintenance, management and operational obligations under this Lease, including ingress and egress to and from the Premises over other portions of the adjacent property owned by the City and to and from public streets during such period, including such rights of entry, ingress, egress and access necessary or desirable to permit StadCo to exercise its rights and to perform its obligations during such period, and (d) rights of entry, ingress, egress and access to and from tailgate zones and parking facilities for which StadCo has use rights pursuant to the Parking Agreement.

Section 11.3 Events Scheduling and Scheduling Policy. All NFL Events, City Events and Third-Party Events shall be scheduled according to the scheduling policy set forth in this Lease. This scheduling policy shall give first and absolute priority to the Florida-Georgia Game. Notwithstanding the foregoing, no City Event will interfere with the playing or the reasonably necessary preparation for an NFL Game to be played in the Renovated Stadium; provided that this sentence shall not be deemed to override the scheduling priority of the Florida-Georgia game.

(a) Florida-Georgia Game. As soon as reasonably practicable after the scheduling of the Florida-Georgia Game for any Lease Year, the City shall notify StadCo of the then upcoming schedule for the Florida-Georgia Game. Such schedule then shall be deemed the schedule of the Florida-Georgia Game for such Lease Year and, except for the rescheduling of Home Games, as provided in Section 11.3(i), StadCo shall not schedule any events at the Renovated Stadium on such date.

(b) Home Games. As soon as reasonably practicable after the Team's then upcoming NFL Season schedule is set and made public by the NFL, StadCo shall notify the City of the Team's then upcoming NFL Season schedule which then shall be deemed the schedule of the Home Games for that NFL Season, subject to change by the NFL and pursuant to Section 11.3(i). The schedule of Home Games, as it may be so modified, shall take priority over all other events at the Renovated Stadium, other than the Florida-Georgia Game.

(c) TaxSlayer Bowl. As soon as reasonably practicable after the scheduled date for the TaxSlayer bowl is set and made public for each NCAA collegiate football season, the City shall notify StadCo of such date. Provided that such date does not conflict with the date of any Home Game (or any "hold dates" requested by the NFL in connection with their "flexible scheduling"),

such date then shall be deemed the date on which the TaxSlayer Bowl will be played at the Renovated Stadium for such NCAA collegiate football season, subject to change pursuant to Section 11.3(d) and Section 11.3(i). The schedule of the TaxSlayer Bowl, as it may be so modified, shall take priority over all other events at the Renovated Stadium, other than the Florida-Georgia Game and Home Games.

(d) Limitations on Scheduling City Events During NFL Season. The City shall not schedule the TaxSlayer Bowl, any Civic Events or Third-Party Events on the days on which Home Games are scheduled. The City shall not schedule the TaxSlayer Bowl, any Civic Events or Third-Party Events for any Possible Home Game Day until after the NFL has set and made public the Team's schedule for the then upcoming NFL Season and then only on days during such NFL Season when the Team is not scheduled to play (or potentially play, pursuant to "to be determined" scheduling in accordance with NFL Rules and Regulations) Home Games or stage NFL Events related to Home Games. In addition to the foregoing, the scheduling of the TaxSlayer Bowl, Civic Events and Third-Party Events during the NFL Season shall: (A) comply with all applicable NFL Rules and Regulations; (B) be approved by StadCo to the extent the scheduling of the TaxSlayer Bowl, any Civic Event or Third Party Event creates any material impediment to the use of the Renovated Stadium for a Home Game or related NFL Event on a Possible Home Game Day; (C) accommodate any "flexible scheduling" in accordance with Section 11.3(i); (D) accommodate any NFL Events that may be requested by the NFL from time to time; and (E) accommodate any play-off game that is a Home Game, in each of the foregoing instances set forth in clauses (D) and (E) above, so long as StadCo notifies the City of the date and time thereof promptly after StadCo receives written notice thereof from the NFL. With respect to Civic Events, the City further shall not schedule any Civic Event on any day or in any manner that would interfere with the hosting or the reasonably necessary preparation for hosting any previously scheduled Third Party Event in the Renovated Stadium.

(e) Team Practices. StadCo shall have the right to schedule use of the Renovated Stadium for Team practices, which shall take priority over all events at the Renovated Stadium, other than the City Events, Civic Events which have been previously scheduled and Third-Party Events which have previously been scheduled.

(f) Other Events. After the scheduling of the Florida-Georgia Game, NFL Games, the TaxSlayer Bowl, and the NFL Events/Team Practices Use Period Events, the City and StadCo shall have equal priority for the scheduling of other events taking place in the Renovated Stadium so long as such other events are scheduled at such times as to not conflict with the foregoing provisions of this Section 11.3.

(g) Promoter. StadCo and the City will mutually select, and StadCo, or an Affiliate of StadCo, will engage, one or more first-class event promoters (any of whom may, at the parties' mutual election, be the same person or entity as the Operator; such Person(s) being collectively referred to herein as the "Promoter") who will be responsible for booking and coordinating the schedule of Third-Party Events at the Renovated Stadium. StadCo, the City, and the Promoter will hold meetings at least monthly and reasonably consult on an ongoing basis regarding the scheduling of events at the Renovated Stadium. The City shall be provided flash reports prepared by the Promoter in the ordinary course of business in accordance with customary industry practices

for stadiums, arenas, and performance venues, as and when such reports are received by StadCo. The Promoter must comply with all applicable terms of this Lease.

(h) TeamCo Access to Renovated Stadium and Playing Field for Home Games. The City and TeamCo will work together to provide the Team reasonable access to the Renovated Stadium and Playing Field during each NFL Season for purposes of kicking, punting and other practice activities. Subject to the availability of the Renovated Stadium, the Parties agree that the foregoing access for practice purposes is generally anticipated to be Wednesday, Thursday or Friday prior to each Home Game during the NFL Season. In the event that this access conflicts with a City Event or the set-up for a City Event, the City and TeamCo shall work together in good faith to find a reasonable amount of time and space for the Team's practice activities. Notwithstanding the foregoing, the Team shall have full access to the Renovated Stadium and the Playing Field on Home Game days in accordance with Section 11.2.

(i) Rescheduling and Schedule Conflicts. The City recognizes the NFL's use of "flexible scheduling" and agrees that any Home Game may be rescheduled in accordance with the "flexible scheduling" rules, regulations and policies of the NFL in effect from time to time, which currently encompasses October, November, December and January of the NFL Season. TeamCo shall also have the absolute right to play a Home Game at the Renovated Stadium each Thursday, Saturday, and Monday which shall be adjacent to a Sunday that has been scheduled for a Home Game, and each Sunday which shall be adjacent to a Monday that has been scheduled for a Home Game, if (i) such date is included in the NFL's then existing "flexible scheduling" period, and (ii) upon such day there is no City Event scheduled in the Renovated Stadium as of the prior February 1. In addition, TeamCo shall have the right to designate, and later change in its sole discretion upon not less than five (5) Business Days' notice to the City, the time of day at which any Home Game is to be played at the Renovated Stadium, so long as such rescheduled time does not prevent the City from hosting any previously scheduled City Event. In the event of an Emergency arising on, or immediately prior to, a Home Game, TeamCo and the City shall work together in good faith in making any decision to change the time or day that the Home Game is to be played. In addition to the use of "flexible scheduling" by the NFL, the City acknowledges that from time to time, the NFL may require TeamCo to postpone or reschedule a Home Game. To the extent it becomes necessary to reschedule a Home Game due to a request by the NFL, the City shall accommodate the revised Home Game schedule so long as it does not conflict with a City Event. If the revised Home Game schedule does conflict with a City Event properly scheduled in accordance with this Lease, then the City shall not be required to reschedule the City Event; however, (i) the City shall make reasonable commercial efforts to reschedule the City Event, and (ii) if such City Event cannot be rescheduled, the City shall assist TeamCo in good faith in finding an alternative day or time for the Home Game that does not conflict with a City Event, and, if an alternative day or time cannot be agreed upon, an alternative site for the City Event such that the Home Game can take place at the Renovated Stadium.

ARTICLE 12

MECHANIC'S LIENS AND OTHER ENCUMBRANCES

Section 12.1 StadCo Work. No work, services, materials or labor provided to StadCo in connection with its use and occupation of the Premises shall be deemed to be for the benefit of the

City. If any lien shall at any time be filed against the Premises, by reason of StadCo's failure to pay for any work, services, materials or labor provided to StadCo, or alleged to have been so provided, StadCo shall indemnify, defend and hold harmless the City from and against any Loss it incurs in connection therewith and StadCo shall, in a reasonably timely fashion not to exceed thirty (30) days, file a lien transfer bond or other bond as allowed by Applicable Law or otherwise remove or invalidate such lien by any other means that complies with Applicable Law.

Section 12.2 Possession of and Title to Real Property. As of the Execution Date, the City holds title to the Premises. StadCo accepts the Premises subject to all existing matters, including all encumbrances, easements and other title matters whether or not of record and those that would be shown upon a survey of the Premises, in each case as exist on the Execution Date hereof (the "Permitted Encumbrances"). Except as expressly permitted under this Lease or as otherwise approved by StadCo and except for Permitted Encumbrances, the City shall not create any lien or other encumbrance that would (i) encumber the Premises or (ii) materially diminish, impair or disturb the rights of StadCo under this Lease.

ARTICLE 13

INSURANCE

Section 13.1 StadCo Insurance. StadCo shall obtain and maintain, throughout the Term of this Lease, liability insurance coverage as set forth in this Article 13. StadCo and the City shall be included as named insureds, as their interests may appear, for such insurance coverage (other than for coverages in item (d), (e) and (f)). Such insurance shall be in the amounts set forth herein.

(a) Intentionally Omitted

(b) StadCo shall procure and maintain commercial general liability insurance coverage against claims of any and all persons, firms and corporations for personal injury, death or property damage occurring upon, in or about the Premises (including, but not limited to, coverage for premises/operation, products and completed operations, independent contractors, broad form property damage, liquor legal liability, and personal injury, including coverage for false arrest, false imprisonment, malicious prosecution, libel, slander, defamation and advertising). Such commercial general liability insurance coverage shall be in the amount of not less than One Hundred Million and No/100 Dollars (\$100,000,000.00) per occurrence and in the aggregate not less than One Hundred Million and No/100 Dollars (\$100,000,000.00) as to liability for personal injury, or such other amount as may be reasonably agreed upon by StadCo and the City from time to time. All such policies shall include, at minimum, the City as an insured in respect of this Lease on a form no more restrictive than the latest version of the ISO form CG 20 11 (Additional Insured – Managers or Lessors of Premises). Required limits may be satisfied through a combination of primary and umbrella/excess policies.

(c) StadCo shall procure and maintain workers' compensation insurance providing statutory benefits in compliance with Applicable Law.

(d) StadCo shall procure and maintain employer liability insurance with limits not less than: bodily injury by accident, \$5,000,000 each accident; bodily injury by disease, \$5,000,000

each employee; and bodily injury by disease, \$5,000,000 policy limit. Required limits may be satisfied through a combination of primary and umbrella/excess policies.

(e) StadCo shall also maintain throughout the Term commercial automobile liability insurance. Such coverage shall be in the amount of not less than \$5,000,000 per occurrence and cover all StadCo owned, non-owned and hired automobiles. Required limits may be satisfied through a combination of primary and umbrella/excess policies.

(f) StadCo shall also procure and maintain throughout the Term terrorism and active shooter liability and event response insurance with limits consistent with good business practice at Comparable NFL Facilities and the NFL Rules and Regulations.

(g) All primary coverage shall be written by an insurer that is nationally recognized with a policyholder's rating of at least A, X, as listed from time to time by A.M. Best Insurance Reports. Each policy shall provide that it may not be cancelled, terminated, reduced or materially changed unless at least thirty (30) days prior notice thereof has been provided to the City, except in case of cancellation or termination due to lapse for nonpayment, in which case only ten (10) days' notice shall be required. Each policy shall contain mutual waivers of (i) all rights of subrogation and (ii) any recourse against any Parties other than StadCo for payment of any premiums or assessments under such policy. Each policy covering third-party liability shall contain a "cross-liability" endorsement or a "severability of interest" endorsement providing that coverage, to the maximum amount of the policy, will be available despite any suit between the insured and any additional insured under such policy. The insurance policies shall not in the aggregate have deductibles in excess of \$500,000, excluding deductibles for earthquake and flood coverage.

(h) StadCo shall provide annual certificates of insurance evidencing compliance with this Article 13 in such manner as is acceptable to the City. StadCo shall provide, before or at the Commencement Date, all certificates of insurance as required. All such certificates shall be completed to show compliance with StadCo's obligations hereunder. StadCo shall also provide to the City such additional evidence of compliance with the City's insurance requirements as the City may from time-to-time request, including copies of the declaration page, insurance policy and endorsements for any coverage required by this Lease. Insurance premiums, exposure data, and other similar confidential information may be redacted.

(i) If StadCo shall at any time fail to insure or keep insured as aforesaid, the City may do all things necessary to effect or maintain such insurance and all moneys expended by it for that purpose shall be repayable by StadCo within ten (10) days of written notice from the City after the premium or premiums are paid by the City.

(j) Upon the City's written request to StadCo, the City and StadCo shall meet annually to review the levels of coverage provided for in this Article 13 and to make mutually-agreed to adjustments to the levels and forms of coverage that the Parties determine are reasonably necessary to ensure that insurance coverages required under this Lease are generally consistent with insurance coverages normally in effect for Comparable NFL Facilities. No such adjustments shall become effective until ninety (90) days after the Parties mutually agree in writing thereto. Any modifications to required levels or forms of insurance agreed upon by the Parties shall be paid for by StadCo.

(k) Prior to the Commencement Date, StadCo and the City shall develop and implement a policy for minimum insurance and indemnification requirements which any subtenants, concessionaires, licensees or other third-party users of the Premises must satisfy as a condition to holding events or conducting operations at the Premises, including without limitation Third-Party Events and City Events. Such policy shall be designed to protect StadCo and the City from risks relating to property damage, personal injury and other liabilities relating to such third-party events and operations at the Premises. The implementation of a satisfactory insurance and indemnification policy shall be a condition precedent to any non-NFL Events occurring at the Premises. Any insurance and indemnification policy implemented pursuant to this Section 13.1(k) may be modified by mutual agreement of StadCo and the City from time to time.

Section 13.2 City Insurance.

(a) The City shall procure and maintain insurance on the Premises against loss or damage by fire and such other hazards, casualties, risks and contingencies as are normally and usually covered by all risk policies in effect in Jacksonville, Florida, in an amount at least equal to the full replacement cost of the Renovated Stadium and the other Improvements without deduction for physical depreciation. Such insurance shall provide that loss proceeds will be payable to the Insurance Funds Custodian. In addition, so long as the Premises shall be equipped with any boiler or boilers or so long as the maintenance of such insurance shall be required by law, coverage shall include Boiler and Machinery insurance covering loss and liability resulting from property damage, personal injury or death caused by explosion of boilers, heating apparatus or other pressure vessels on the Premises.

(b) The City shall procure and maintain commercial general liability insurance on a per-event basis for each City Event for any third-party liability that may arise in connection with the same, having a single combined minimum limit that is commensurate with the size of the City Event, such limit to be reasonably agreed upon by the Parties.

(c) The City shall provide certificates of insurance in such manner as is reasonably acceptable to StadCo. StadCo and TeamCo shall be named an additional insured on all policies with respect to the City's use of the Premises, as its interests may appear. The City shall provide to StadCo endorsements on Forms CG2010 and CG2037 naming StadCo as an additional insured. The City shall provide to StadCo such evidence of compliance with StadCo's insurance requirements as StadCo may from time-to-time request. The City shall provide, before or at the Commencement Date, all certificates of insurance as required. All such certificates shall be completed to show compliance with the City's obligations hereunder. StadCo may also require copies of the declaration page, insurance policy and endorsements.

Section 13.3 Failure to Obtain Insurance. If either Party shall at any time fail to insure or keep insured as aforesaid, the other party may do all things necessary to effect or maintain such insurance and all moneys expended by it for that purpose shall be repayable by defaulting party within ten (10) days from the date on which the premium or premiums are paid by the other party. If any insurance policies required hereunder cannot be obtained for any reason, the Party unable to obtain such insurance may be required to cease any and all operations on the Premises until coverage is obtained. If such insurance coverage is not obtained within a reasonable period of time, the party unable to obtain such insurance shall be in default hereunder.

ARTICLE 14

INDEMNIFICATION AND HOLD HARMLESS

Section 14.1 StadCo Indemnification Obligations: StadCo shall indemnify and hold harmless the City Indemnified Persons against and from any and all liabilities, obligations, damages, claims, costs, charges and expenses, including, without limitation, fees and expenses of attorneys, expert witnesses, architects, engineers and other consultants (collectively “Loss”) that may be imposed upon, incurred by or asserted against any City Indemnified Person by reason of any of the following occurring during the Term:

(a) Any negligence, willful misconduct, tortious act or criminal act of StadCo, including, without limitation any agent, sub- or independent contractor of StadCo, or employee of StadCo in, on, or about the Premises or any part thereof;

(b) Any use, possession, occupation, condition, operation, maintenance or management of the Premises or any part thereof by StadCo, TeamCo or a Jaguars Controlled Permittee, other than (i) City Events, (ii) each Excluded Event of which the City is the Hosting Party or (iii) the direct result of an indemnifiable event or amount that results from a Public Safety Plan (as defined in the Security Agreement) controlled by the City for Third-Party Events (except to the extent any Loss is caused solely from StadCo’s failure to maintain or operate the Premises as provided for in this Lease or StadCo’s negligence or willful misconduct, or an operational decision of StadCo in contravention of the Public Safety Plan for the applicable Third Party Event), including without limitation pursuant to the Team Sublease; and

(c) Any failure by StadCo to perform its obligations under this Lease not approved or waived in writing in advance by the City.

Section 14.2 Additional StadCo Indemnification and Defense Obligations.

(a) If any Action or Proceeding is brought against any City Indemnified Person for which StadCo has an indemnification obligation, that Action or Proceeding shall be defended by such counsel as selected by StadCo and reasonably acceptable to the City. StadCo shall not be liable for any settlement of any proceedings made without its consent.

(b) StadCo shall indemnify the City against all reasonable costs and expenses, including, without limitation, out-of-pocket fees and expenses of attorneys, expert witnesses, architects, engineers and other consultants, incurred by the City in obtaining possession of the Premises after any StadCo Event of Default, or after StadCo’s default in surrendering possession upon the expiration or earlier termination of the Term or enforcing any obligation of StadCo under this Lease.

(c) StadCo agrees to indemnify and hold harmless the City Indemnified Persons and against all costs, claims, cleanup and/or remediation concerning or relating to the Premises under any: state and federal environmental laws, rules and regulations, solely with respect to matters caused or first introduced by StadCo on or after the Commencement Date as well as any costs, claims, cleanup and/or remediation concerning or relating to exacerbation of known contamination caused by StadCo.

(d) StadCo shall indemnify and hold harmless the City Indemnified Persons for any claims, damages, penalties, costs and attorney fees arising from any failure of StadCo, its officers, employees and/or agents, including its sub- or independent contractors, to observe any Applicable Law related to StadCo's use of the Premises, including, but not limited to, workers' compensation, labor laws and minimum wage laws.

Section 14.3 City Indemnification Obligations.

(a) The City shall indemnify and hold harmless the StadCo Indemnified Persons against and from any Loss that may be imposed upon, incurred by or asserted against any StadCo Indemnified Person by reason of any of the following occurring during the Term: (i) any negligence, willful misconduct, tortious act or criminal act of the City, including, without limitation any agent, sub- or independent contractor of the City, or employee of the City in, on, or about the Premises or any part thereof; (ii) any use, possession, occupation, condition, operation, maintenance or management of the Premises or any part thereof by the City, other than (A) each Excluded Event of which StadCo is the Hosting Party or (B) the direct result of an indemnifiable event or amount that results from a Public Safety Plan controlled by StadCo for Third-Party Events (except to the extent any Loss is caused solely from the City's failure to maintain or operate the Premises as provided for in this Lease or the City's negligence or willful misconduct or an operational decision by City in contravention of the Public Safety Plan for the applicable Third Party Event); and any failure by the City to perform its obligations under this Lease not approved or waived in writing in advance by StadCo. It is expressly understood and agreed, by the Parties, that the City's indemnity shall be governed by the provisions of and shall not exceed the specific monetary limitations in Section 768.28, Florida Statutes, as that Statute exists on the Execution Date. This indemnity shall survive the Term or assignment of this Lease. It is expressly understood and agreed, by and between the parties that the City's indemnity for its negligence, expressed herein, is not and shall not be construed as any alteration or waiver of sovereign immunity, in tort, beyond that which has been provided by the Florida Legislature in Section 768.28, Florida Statutes. Pursuant to Article X, Section 13, Florida Constitution (1968), such waiver is expressly preempted by the Florida Legislature and any waiver beyond that legislative action, by the City, would be ultra vires.

(b) In the event of joint negligence on the part of the City and StadCo, any loss shall be apportioned in accordance with the provisions of the Uniform Contribution Among Tortfeasors Act (section 768.31, Florida Statutes), as that statute exists on the Execution Date.

Section 14.4 Additional City Indemnification and Defense Obligations.

(a) If any suit, action or proceeding is brought against any StadCo Indemnified Person for which the City has an indemnification obligation, that action or proceeding shall be defended by such counsel as selected by the City and reasonably acceptable to StadCo. The City shall not be liable for any settlement of any proceedings made without its consent.

(b) To the extent permitted by Applicable Law, City shall indemnify and hold harmless the StadCo Indemnified Persons for any claims, damages, penalties, costs and attorney fees to the extent such claims, damages, penalties, costs and attorney fees are arising from any failure of the City, its officers, employees and/or agents, including its sub- or independent contractors, to

observe any Applicable Law related to the City's use of the Premises, including, but not limited to, workers' compensation, labor laws and minimum wage laws; provided, however, that regardless of whether any such obligations are based on tort, contract, statute, strict liability, negligence, product liability or otherwise, the obligations of the City and the City's members, officials, officers, employees and agents under this indemnification provision shall be limited in the same manner that would have applied if such obligations were based on, or arose out of, an action at law to recover damages in tort and were subject to section 768.28, Florida Statutes, as that section existed at the inception of this Lease.

Section 14.5 Limitation on Liability. Except to the extent such damages are covered and actually paid for by any insurance policies bought in response to the requirements of Article 13 herein, in no event shall any Party hereto be liable for consequential, punitive, or special damages as a result of any default, StadCo Event of Default or breach of the terms hereof, unless specifically provided for herein. Neither Party's elected officials, appointed officials, board members, members, shareholders and other owners, directors, officers, employees, agents, and attorneys or other representatives shall be personally liable for any obligations or other matters arising under this Lease.

ARTICLE 15

WAIVER OF LIABILITY

The City assumes no responsibility for any damage or loss of StadCo's Personal Property except to the extent caused by the gross negligence, willful misconduct, or sole negligence of the City, or its employees, representatives, agents, or officers. StadCo agrees to hold the City harmless from any damage or loss of StadCo's Personal Property located on the Premises except to the extent caused by the gross negligence, willful misconduct, or sole negligence of the City or its employees, representatives, agents, or officers.

ARTICLE 16

PERSONNEL POLICY

StadCo shall comply in all material respects with all applicable federal, state and local laws and regulations. StadCo shall not discriminate on the basis of race, color, political or religious opinion or affiliation, creed, age, physical or mental handicap, sex, marital status, ancestry, national origin or sexual preference/orientation. StadCo shall comply with Applicable Law regarding discrimination in employment, unlawful employment practices and affirmative action. StadCo shall use reasonable efforts to encourage and promote opportunities for minorities and women in the operation of the Premises. StadCo shall be an equal opportunity employer in the operation of StadCo and the Premises.

ARTICLE 17

EVENTS OF DEFAULT AND REMEDIES

Section 17.1 Events of Default.

(a) StadCo Event of Default. The occurrence of any of the following shall be an “Event of Default” by StadCo or a “StadCo Event of Default”:

(i) the failure of StadCo to pay any payments due to the City when due and payable under this Lease or any other Project Document if such failure continues for more than ten (10) Business Days after the City gives written notice to StadCo that such amount was not paid when due; *provided, however*, that the City shall never be required to give more than two (2) notices pursuant to this Section 17.1(a)(i) in any consecutive twelve month period;

(ii) if TeamCo fails to keep and perform its obligations under Section 2(a), Section 3(a) and/or Section 3(b) of the Non-Relocation Agreement (to the extent that compliance with such Section 2(a), Section 3(a) and/or Section 3(b) is not expressly excused by another term of the Non-Relocation Agreement);

(iii) if any default by StadCo under any of the other Project Documents has occurred and remains uncured after the lapse of the applicable notice and cure period, if any, provided for under the terms of such other Project Documents;

(iv) the failure of StadCo to keep, observe or perform any of the material terms, covenants or agreements contained in this Lease to be kept, performed or observed by StadCo (other than Section 4.6, Section 6.5, Section 10.1 or Section 11.1(a) and those referred to in clauses (i), (ii) or (iii) above or clause (v) or (vi), below) if (A) such failure is not remedied by StadCo within thirty (30) days after written notice from the City of such default or (B) in the case of any such default that cannot with due diligence and good faith be cured within thirty (30) days, StadCo fails to commence to cure such default within thirty (30) days after written notice from the City of such default, or if commenced timely, StadCo fails to prosecute diligently the cure of such default to completion within such additional period as may be reasonably required to cure such default with diligence and in good faith; it being intended that, in connection with any such default that is not susceptible of being cured with due diligence and in good faith within thirty (30) days, the time within which StadCo is required to cure such default shall be extended for such additional period as may be necessary for the curing thereof with due diligence and in good faith, but in no event shall such cure period be extended for a cumulative period longer than ninety (90) days after written notice from the City of such default;

(v) the: (A) filing by StadCo of a voluntary petition in bankruptcy; (B) adjudication of StadCo as a bankrupt; (C) approval as properly filed by a court of competent jurisdiction of any petition or other pleading in any action seeking reorganization, rearrangement, adjustment or composition of, or in respect of StadCo or under the United States Bankruptcy Code or any other similar state or federal law dealing

with creditors' rights generally; (D) StadCo's assets are levied upon by virtue of a writ of court of competent jurisdiction; (E) insolvency of StadCo; (F) assignment by StadCo of all or substantially of their assets for the benefit of creditors; (G) initiation of procedures for involuntary dissolution of StadCo, unless within ninety (90) days after such filing, StadCo causes such filing to be stayed or discharged; (H) StadCo ceases to do business other than as a result of an internal reorganization and the respective obligations of StadCo are properly transferred to a successor entity as provided herein or (I) appointment of a receiver, trustee or other similar official for StadCo, or StadCo's property, unless within ninety (90) days after such appointment, StadCo causes such appointment to be stayed or discharged;

(vi) the breach of any representation or warranty made in this Lease by StadCo if such breach is not remedied within thirty (30) days after the City gives notice to StadCo of such breach, in each case solely to the extent such breach would have a material adverse effect on the ability of StadCo to perform its obligations under this Lease or the City's rights under this Lease; or

(vii) the failure of StadCo to perform its obligations under Section 4.6, Section 6.5, Section 10.1 or Section 11.1(a) hereof if such failure is not remedied by StadCo within thirty (30) days.

(b) City Default. The occurrence of the following shall be an "Event of Default" by the City or an "City Event of Default":

(i) the failure of the City to pay any payments due to StadCo when due and payable under this Lease or any other Project Document if such failure continues for more than ten (10) Business Days after StadCo gives written notice to the City that such amount was not paid when due; *provided, however*, that StadCo shall never be required to give more than two (2) notices pursuant to this Section 17.1(b)(i) in any consecutive twelve month period;

(ii) the failure of the City to keep, observe or perform any of the material terms, covenants or agreements contained in this Lease on the City's part to be kept, performed or observed by the City (other than as provided in Section 4.6(c), Section 6.5(c), Section 10.1 or Section 11.1(a) or clause (i) above or clauses (iii), (iv) or (v) below) if (A) such failure is not remedied by the City within thirty (30) days after written notice from StadCo of such default or (B) in the case of any such default that cannot with due diligence and in good faith be cured within thirty (30) days, the City fails to commence to cure such default within thirty (30) days after written notice from StadCo of such default or if commenced timely the City fails to prosecute diligently the cure of such default to completion within such additional period as may be reasonably required to cure such default with diligence and in good faith; it being intended that, in connection with any such default which is not susceptible of being cured with due diligence and in good faith within thirty (30) days, the time within which the City is required to cure such default shall be extended for such additional period as may be necessary for the curing thereof with due diligence and in good faith;

(iii) the material breach of any representation or warranty made in this Lease by the City if such breach is not remedied within thirty (30) days after StadCo gives notice to the City of such breach, in each case solely to the extent such breach would have a material adverse effect on the ability of the City to perform its obligations under this Lease;

(iv) the failure of the City to perform its obligations under Section 4.6(c), Section 6.5(c), Section 10.1 or Section 11.1(a) hereof if such failure is not remedied by the City within thirty (30) days; or

(v) if any default by the City under any of the other Project Documents shall have occurred and the same remains uncured after the lapse of the applicable notice and cure period, if any, provided for under the terms of such other Project Document.

Section 17.2 City Remedies. Upon the occurrence of any StadCo Event of Default and while such StadCo Event of Default remains uncured, the City may, in its sole discretion, pursue any one or more of the following remedies:

(a) The City may (but under no circumstance shall be obligated to) enter upon the Premises and do whatever StadCo is obligated to do under the terms of this Lease (such right of the City, herein called the “City’s Self Help Right”), including taking all reasonable steps necessary to maintain and preserve the Premises; and StadCo agrees to reimburse the City within ten (10) Business Days after written demand for any reasonable expenses that the City may incur in effecting compliance with StadCo’s obligations under this Lease plus interest at the Interest Rate; provided however, the City may purchase any insurance that StadCo is required to carry without notice or delay if any such policy terminates, lapses or is cancelled. No action taken by the City under this Section 17.2(a) shall relieve StadCo from any of its obligations under this Lease or from any consequences or liabilities arising from the failure to perform such obligations;

(b) In the event the StadCo Event of Default arises under Section 17.1(a)(vii), until such time as the StadCo Event of Default is cured, the City (i) shall not be obligated to fund any amounts required to be deposited by the City to the Capital and Maintenance Fund or the Operations, Utilities and Events Fund pursuant to this Lease; (ii) may reject any requisition of funds from the Capital and Maintenance Fund except for the purpose of funding Emergency maintenance, Emergency Repairs and/or Capital Matters that are required by the Capital Plan; (iii) may deliver written notice to StadCo that it may no longer undertake new Capital Improvements not required by the Capital Plan, in which case StadCo shall be prohibited from undertaking any work on such new Capital Matters; and (iv) may pursue specific enforcement and other injunctive relief; and

(c) The City may exercise any and all other remedies available to the City at law or in equity (to the extent not otherwise specified or listed in this Section 17.2), including injunctive relief and specific performance as provided in the Non-Relocation Agreement (if applicable), but subject to any limitations thereon set forth in this Lease.

If StadCo does not reimburse the City for such reasonable costs and expenses resulting from the exercise of the City’s Self Help Right within thirty (30) days after demand or the City takes possession of the Premises for the purpose of exercising the City’s Self Help Right, then in either

case the City may withdraw and retain funds for reimbursement from the Capital and Maintenance Fund, to the extent of all its reasonable costs and expenses related to Capital Matters. Further, the City may file suit to recover any sums falling due under the terms of this Section 17.2 from time to time, and no delivery to or recovery by the City of any portion due the City hereunder shall be any defense in any action to recover any amount not theretofore reduced to judgment in favor of the City. Nothing contained in this Lease shall limit or prejudice the right of the City to prove for and obtain in proceedings for bankruptcy or insolvency by reason of the termination of this Lease, an amount equal to the maximum allowed by any Applicable Law in effect at the time when, and governing the proceedings in which, the damages are to be proved, whether or not the amount be greater, equal to or less than the amount of the loss or damages referred to above.

Section 17.3 StadCo's Remedies. Upon the occurrence of any City Event of Default and while such City Event of Default remains uncured, StadCo may, as its sole and exclusive remedies:

(a) StadCo may (but under no circumstance shall be obligated to) do whatever the City is obligated to do under the terms of this Lease (such right of StadCo, herein called "StadCo's Self Help Right") and the City agrees promptly to file legislation to seek the reimbursement of the funds to StadCo within ten (10) Business Days after written demand for any reasonable expenses that StadCo may incur in effecting compliance with the City's obligations under this Lease. No action taken by StadCo under this Section 17.3(a) shall relieve the City from any of its obligations under this Lease or from any consequences or liabilities arising from the failure to perform such obligations; and

(b) In the event the City Event of Default arises under Section 17.1(b)(iv), until such time as the City Event of Default is cured, StadCo (i) shall not be obligated to fund any amounts required to be deposited by StadCo to the Capital and Maintenance Fund or the Operations, Utilities and Events Fund pursuant to this Lease; and (ii) may pursue specific enforcement and other injunctive relief; and

(c) StadCo may exercise any and all other remedies available to StadCo at law or in equity (to the extent not otherwise specified or listed in this Section 17.3), but subject to any limitations thereon set forth in this Lease.

If the City does not file legislation seeking to reimburse StadCo for such reasonable costs and expenses resulting from the exercise of the StadCo's Self Help Right within thirty (30) days after demand, StadCo may withdraw and retain funds for reimbursement from the Operations, Utilities and Events Fund, to the extent of all its reasonable costs and expenses related to Operating Expenses, subject to a lawful appropriation of funds therefor by City Council. Further, the StadCo may file suit to recover any sums falling due under the terms of this Section 17.3 from time to time, and no delivery to or recovery by StadCo of any portion due StadCo hereunder shall be any defense in any action to recover any amount not theretofore reduced to judgment in favor of StadCo.

Section 17.4 Cumulative Remedies. Except as otherwise provided in this Lease, each right or remedy of the City and StadCo provided for in this Lease shall be cumulative of and shall be in addition to every other right or remedy of the City or StadCo provided for in this Lease, and, except as otherwise provided in this Lease, the exercise or the beginning of the exercise by the

City or StadCo of any one or more of the rights or remedies provided for in this Lease shall not preclude the simultaneous or later exercise by the City or StadCo of any or all other rights or remedies provided for in this Lease.

Section 17.5 Interest on Overdue Obligations. If any sum due hereunder is not paid within thirty (30) days following the due date thereof, unless a lesser period is otherwise expressly specified herein, the Party owing such obligation to the other Party shall pay to the other Party interest thereon at the Interest Rate concurrently with the payment of the amount, such interest to begin to accrue as of the date such amount was due and to continue to accrue through and until the date paid. Any payment of such interest at the Interest Rate pursuant to this Lease shall not excuse or cure any default hereunder. All payments shall first be applied to the payment of accrued but unpaid interest. The amount of any judgment or arbitration award obtained by one Party against the other Party in any Action or Proceeding arising out of a default by such other Party under this Lease shall bear interest thereafter at the Interest Rate until paid.

Section 17.6 No Waivers. No failure or delay of any Party in any one or more instances (i) in exercising any power, right or remedy under this Lease or (ii) in insisting upon the strict performance by the other Party of such other Party's covenants, obligations or agreements under this Lease shall operate as a waiver, discharge or invalidation thereof, nor shall any single or partial exercise of any such right, power or remedy or insistence on strict performance, or any abandonment or discontinuance of steps to enforce such a right, power or remedy or to enforce strict performance, preclude any other or future exercise thereof or insistence thereupon or the exercise of any other right, power or remedy. The covenants, obligations, and agreements of a defaulting Party and the rights and remedies of the other Party upon a default shall continue and remain in full force and effect with respect to any subsequent breach, act or omission.

Section 17.7 Effect of Termination. If the City or StadCo elects to terminate this Lease pursuant to Article 22 or Section 19.1 of this Lease, this Lease shall, on the effective date of such termination, terminate with respect to all future rights and obligations of performance hereunder by the Parties (except for the rights and obligations herein that expressly are to survive termination hereof). Termination of this Lease shall not alter the then-existing claims, if any, of either Party for breaches of this Lease occurring prior to such termination, and the obligations of the Parties with respect thereto shall survive termination.

Section 17.8 NFL Remedies. Upon the occurrence of any StadCo Event of Default, the NFL may, in its sole discretion but subject to Article 23, enter upon the Premises and do whatever StadCo is obligated to do under the terms of this Lease, and the City agrees to accept such performance by the NFL on behalf and in the stead of StadCo, and StadCo agrees that the NFL shall not be liable for any damages resulting to StadCo from such action. In addition to the foregoing, in case of a StadCo Event of Default other than failure to carry insurance required by this Lease, the City shall take no remedial action by reason thereof until the City shall have served upon the NFL a copy of the notice of such StadCo Event of Default, and the NFL shall have been allowed thirty (30) days in which to exercise its rights under this Section 17.8. No action taken by the NFL under this Section 17.8 shall relieve StadCo from any of its other obligations under this Lease or from any consequences or liabilities arising from the failure to perform such obligations.

Section 17.9 Survival. Notwithstanding any expiration or early termination of this Lease, the following provisions of this Lease shall survive any such expiration or termination of this Lease: Article 9 (Revenues and Related Rights; Application of Receipts), Article 23 (Assignments; Mortgages), Article 14 (Indemnification and Hold Harmless), Article 17 (Events of Default and Remedies), Article 19 (Casualty Damage; Waiver of Subrogation), Article 13 (Insurance), Article 24 (Miscellaneous), Section 3.6 (Taxes and Targeted Taxes), Article 22 (Condemnation), Article 12 (Mechanic's Liens and Other Encumbrances), Article 21 (Surrender).

ARTICLE 18

TEAM GUARANTY

It shall be a condition precedent to the effectiveness of this Lease that TeamCo execute and deliver the TeamCo Guaranty.

ARTICLE 19

CASUALTY DAMAGE; WAIVER OF SUBROGATION

Section 19.1 Damage or Destruction of Renovated Stadium. If the Premises, or any portion of the Premises, is damaged or destroyed or otherwise is in a condition such that it does not meet the Operating Standard as a result of fire, explosion, earthquake, act of God, act of terrorism, civil commotion, flood, the elements or any other casualty (collective, "Casualty"), then StadCo shall remediate any hazard and restore the Premises to a safe condition, whether by repair or demolition, removal of debris and screening from public view and shall thereafter promptly, diligently, and expeditiously have the Premises repaired and restored to bring the Premises up to the Operating Standard to the extent permitted by Applicable Laws and in compliance with NFL Rules and Regulations (the "Casualty Repair Work") as soon as reasonably possible at StadCo's cost and expense. With respect to any Casualty Repair Work exceeding the cost of Five Million and No/100 Dollars (\$5,000,000.00), the City shall have the right to (a) approve the general contractor and lead architect, if any, selected by StadCo to perform the Casualty Repair Work, and (b) approve the terms of the contracts with the general contractor and lead architect, if any, selected by StadCo to perform the Casualty Repair Work, (c) approve all contracts requiring payment greater than Five Million and No/100 Dollars (\$5,000,000.00) recommended by StadCo for the Casualty Repair Work and (d) engage an independent construction representative to review the Casualty Repair Work, the cost of such representative shall be shared equally between StadCo and the City.

Section 19.2 Insurance Proceeds.

(a) Requirements for Disbursement. Subject to the requirements of any Leasehold Mortgagee, insurance Proceeds paid pursuant to the policies of insurance for loss of or damage to the Premises as a result of a Casualty (the "Insurance Proceeds") shall be paid to StadCo, as restoring party, from time to time as such Casualty Repair Work progresses as provided in this Article 19. Any such Insurance Proceeds paid or disbursed to StadCo shall be held by StadCo in trust for the purposes of paying the cost of the Casualty Repair Work and shall be applied by StadCo to such Casualty Repair Work or otherwise in accordance with the terms of this Article 19.

StadCo shall from time to time as requested by the City or any Leasehold Mortgagee provide an accounting to such other party of the Insurance Proceeds in detail and format reasonably satisfactory to such other party.

(b) Deposit of Proceeds of Insurance. Without limiting StadCo's obligations under this Article 19 with respect to Casualty Repair Work, the Insurance Proceeds shall be payable to:

(i) StadCo directly, in the case of any particular insured Casualty resulting in damage to the Improvements involving a reasonably estimated cost of repair equal to or less than Two Million and No/100 Dollars (\$2,000,000.00), which Insurance Proceeds shall be received by StadCo in trust for the purpose of paying the cost of Casualty Repair Work.

(ii) the Insurance Fund Custodian for deposit into the Insurance Fund in the case of any particular insured Casualty resulting in damage involving a reasonably estimated cost of repair in excess of Two Million and No/100 Dollars (\$2,000,000.00), which Insurance Proceeds are to be held and disbursed pursuant to, and under the conditions set forth in this Section 19.2(b) and Section 19.2(c) below.

The Insurance Fund shall be established and maintained for the sole purpose of serving as a segregated fund for the Insurance Proceeds and the Insurance Proceeds deposited into the Insurance Fund under this Lease shall be held and disbursed, all in accordance with this Article 19. All funds in the Insurance Fund shall be held in escrow by the Insurance Fund Custodian for application in accordance with the terms of this Lease, and the Insurance Fund Custodian shall account to StadCo and the City for the same on a monthly basis. The funds in the Insurance Fund shall be invested as determined by the City and all earnings and interest thereon shall accrue to the Insurance Fund and shall be available as part of the Insurance Fund. Neither the City nor StadCo shall create, incur, assume or permit to exist any lien on the Insurance Fund or any proceeds thereof, except a lien in favor of a Leasehold Mortgagee.

(c) Disbursements from Insurance Fund. For Insurance Proceeds deposited in the Insurance Fund, the Insurance Fund Custodian shall make disbursements of Insurance Proceeds to StadCo upon the request of StadCo when accompanied by a certificate dated not more than fifteen (15) days prior to such request, signed by the StadCo Representative, and, to the extent an architect, engineer or contractor is reasonably required to be retained with respect to the nature of the Casualty Repair Work being performed, by the architect or engineer and the contractor, as applicable, in charge of the Casualty Repair Work selected by StadCo subject to Applicable Law as such relates to procurement matters, setting forth the following to the actual knowledge of the signatory:

(i) that the Casualty Repair Work is in compliance with the material design elements for the Renovated Stadium and Improvements (the "Material Design Elements") and that there has been no change in any Material Design Element that has not been approved in writing by the City; and

(ii) that except for the amount stated in the certificate to be due (and/or except for statutory or contractual retainage not yet due and payable) and amounts listed on the

certificate as being disputed by StadCo in good faith and for which no lien has been filed (or for which any applicable lien has been bonded as permitted in this Lease) and for which the reasons for such dispute are provided to the City, there is no outstanding indebtedness for such Casualty Repair Work known to the Persons signing such certificate to then be due to Persons being paid.

(d) Disbursements for Work Performed. The distribution of funds to StadCo for Casualty Repair Work shall not in and of itself constitute or be deemed to constitute (i) an approval or acceptance by the City of the relevant Casualty Repair Work with respect to the Material Design Elements or (ii) a representation or indemnity by the City to StadCo or any other Person against any deficiency or defects in such Casualty Repair Work or against any breach of contract. Insurance Proceeds disbursed to StadCo hereunder shall be held by StadCo in trust for the purposes of paying the cost of the Casualty Repair Work and shall be applied by StadCo to such Casualty Repair Work or otherwise in accordance with the terms of this Article 19.

(e) Disbursements of Excess Proceeds. If the Insurance Proceeds (and other funds, if any) deposited in the Insurance Fund exceed the entire cost of the Casualty Repair Work, the Parties agree to deposit the amount of any such excess proceeds into the Capital and Maintenance Fund and thereupon such proceeds shall constitute part of the Capital and Maintenance Fund, but only after the City has been furnished with reasonably satisfactory evidence that all Casualty Repair Work has been completed and paid for and that no liens exist or may arise in connection with the Casualty Repair Work.

(f) Uninsured Losses/Policy Deductibles. Subject to Section 19.1, as Casualty Repair Work progresses during the Term, if there are costs and expenses of any such Casualty Repair Work that are not covered by Insurance Proceeds or for which Insurance Proceeds are inadequate (such amounts being included within the term "Casualty Expenses") the Parties will discuss a plan for coverage of such Casualty Expenses with such plan to be agreed between the Parties in good faith in accordance with Applicable Law.

Section 19.3 Termination.

(a) Damage or Destruction in Last 36 Months. If, during the last thirty-six (36) months of the Term, (i) the Premises shall be materially damaged or destroyed such that a Home Game could not be held or reasonably foreseen to be held and StadCo determines not to restore the Premises (so long as such damage and destruction is not caused by the gross negligence or willful misconduct of StadCo or any Related Party of StadCo) (a "StadCo Election") or (ii) the City elects not to authorize the use of the Insurance Proceeds to construct new replacement Improvements (a "City Election"), then this Lease shall terminate as a result of the damage or destruction as of later of (x) the end of the calendar month in which notice is delivered to the City of StadCo's election not to restore or to StadCo of the City's election to not authorize the use of the Insurance Proceeds for the construction of replacement Improvements or (y) thirty (30) days following delivery of such notice. StadCo will pay to the Insurance Fund Custodian, for disbursement in accordance with Section 19.3, the amount of the then existing unsatisfied deductible under the property insurance policy described in Section 13.1. Upon the service of such notice and the making of such payments within the foregoing time period, this Lease shall cease and terminate on the date

specified in such notice and StadCo shall have no obligation to perform any Casualty Repair Work with respect to such Casualty.

(b) Application of Insurance Proceeds if Lease Terminated due to City Election. In the event this Lease shall be terminated following a Casualty due to a City Election, the Insurance Proceeds, if any, payable to StadCo in respect of such Casualty shall be held in accordance with Section 19.2 herein. The Insurance Proceeds shall be distributed to each of StadCo and the City in the following proportions: (i) as to the City, the City Contribution amount plus, for this purpose, the amortized portion of the StadCo Contribution amount (with the StadCo Contribution amount being amortized on a straight-line basis over the Term), and (ii) as to StadCo on behalf of itself or any Leasehold Mortgagee funding all or a portion of the StadCo Contribution amount, the unamortized portion of the StadCo Contribution amount (with the StadCo Contribution amount being amortized on a straight-line basis over the Term), in each case, relative to the Project Contributions. As used herein, the term “Project Contributions” means the aggregate of the City Contribution amount and the StadCo Contribution amount.

(c) Application of Insurance Proceeds if Lease Terminated due to StadCo Election. In the event this Lease shall be terminated following a Casualty due to a StadCo Election, and StadCo elects not to perform the Casualty Repair Work, the Insurance Proceeds, if any, that would otherwise be payable to StadCo in respect of such Casualty shall be redirected in its entirety to the City.

Section 19.4 Waiver and Waiver of Subrogation. Notwithstanding the foregoing, or anything else contained herein to the contrary, the City and StadCo, on behalf of themselves and all others claiming under them, including any insurer, waive all claims and rights of recovery against each other, including all rights of subrogation, for loss or damage to their respective property (including, but not limited to, the Renovated Stadium) arising from fire, smoke damage, windstorm, hail, vandalism, theft, malicious mischief and any of the other perils insured against under the terms of any insurance policy carried by the City or StadCo or which is otherwise normally insured against in an “all risk” of physical loss insurance policy, regardless of whether insurance against those perils is in effect with respect to such Party’s property and regardless of the negligence of either Party. Each Party shall obtain from its insurer a written waiver of all rights of subrogation that it may have against the other Party.

Section 19.5 Survival. The provisions contained in this Article 19 shall survive expiration or earlier termination of this Lease, but only insofar as such provisions relate to any Force Majeure that occurred prior to the expiration or earlier termination of this Lease.

ARTICLE 21

SURRENDER

Section 21.1 Surrender of Possession. Upon the end of the Term or earlier termination of this Lease, StadCo shall peaceably deliver up and surrender the Premises to the City in accordance with the Operating Standard and otherwise in broom clean condition, all subject to Casualty and Condemnation Action and the terms and provisions of Article 19 and Article 22. StadCo shall remove all decorations, trade fixtures, moveable machinery and other equipment of StadCo or its sub-tenants or licensees upon such surrender. StadCo shall repair any damage to the Premises resulting from the removals described in the previous sentence. StadCo shall surrender to the City all keys to or for the Premises and inform the City of all combinations of locks and vaults, if any, in the Renovated Stadium.

Section 21.2 Alterations and Improvements. Upon the end of the Term all permanent alterations, installations, changes, replacements, additions or improvements that (i) have been made by StadCo to the Premises and (ii) cannot be removed without material damage to the remainder of the Premises, shall be deemed a part of the Premises and the same shall not be removed.

Section 21.3 StadCo's Property. So long as all Lease Payments have been made and the Lease has not been terminated due to a StadCo Event of Default, nothing contained in this Lease shall prohibit StadCo from removing its equipment, fixtures and other personal property at the expiration or earlier termination of this Lease. Notwithstanding anything to the contrary contained in this Article 21, the terms and conditions of Article 19 control in the event of a Casualty.

ARTICLE 22

CONDEMNATION

Section 22.1 Condemnation of Substantially All of the Improvements.

(a) Termination of Rights. If, at any time during the Term, title to the whole of the Premises or Substantially All of the Improvements is taken in any Condemnation Action (or conveyed in lieu of any such Condemnation Action), other than for a temporary use or occupancy that is for one (1) year or less in the aggregate, then StadCo may, at its option, terminate this Lease and all other Project Documents by serving upon the City notice setting forth StadCo's election to terminate this Lease and all other Project Documents as a result of such Condemnation Action as of the end of the calendar month in which such notice is delivered to the City.

(b) Condemnation Awards. All Condemnation Awards payable as a result of or in connection with any taking of the whole of the Premises or Substantially All of the Improvements shall be paid and distributed in accordance with the provisions of Section 22.3, notwithstanding the division of the Condemnation Award by a court or condemning authority in a Condemnation Action.

(c) Definition of Substantially All of the Improvements. For purposes of this Article 22, "Substantially All of the Improvements" shall be deemed to have been taken if, by reason of

the taking of title to or possession of the Premises or any portion thereof, by one or more Condemnation Actions, an Untenantability Period exists, or is reasonably expected to exist, for longer than one (1) year. The determination of whether the Premises can be rebuilt, repaired and/or reconfigured in order to remedy such Untenantability Period within such time shall be made within sixty (60) days of the date of such taking (or conveyance) by an independent architect mutually selected by the City and StadCo.

Section 22.2 Condemnation of Part.

(a) Condemnation Repair Work. In the event of (i) a Condemnation Action affecting less than the whole of the Premises or Substantially All of the Improvements or (ii) a Condemnation Action affecting the whole of the Premises or any material part of the Premises and StadCo does not exercise its option to terminate this Lease pursuant to Section 22.1, the Term shall not be reduced or affected in any way, and StadCo shall, with reasonable diligence (subject to Force Majeure), commence and thereafter proceed to repair, alter, and restore the remaining part of the Premises to substantially its former condition to the extent feasible and necessary so as to cause the same to constitute a complete sports and entertainment stadium complex usable for its intended purposes to the extent permitted by Applicable Laws and in compliance with the NFL Rules and Regulations and sufficient to continue to host events and meet the Operating Standard. Such repairs, alterations or restoration, including temporary repairs for the protection of Persons or property pending the substantial completion of any part thereof, are referred to in this Article 22 as the “Condemnation Repair Work.” With respect to any Condemnation Repair Work exceeding the cost of Five Million and No/100 Dollars (\$5,000,000.00), the City shall have the right to (i) approve the general contractor and lead architect, if any, selected by StadCo to perform the Condemnation Repair Work, (ii) approve the terms of the contracts with the general contractor and lead architect, if any, selected by StadCo to perform the Condemnation Repair Work, (iii) approve all contracts requiring payment greater than Five Million and No/100 Dollars (\$5,000,000.00) recommended by StadCo to be entered into by StadCo for the Condemnation Repair Work, and (iv) engage an independent construction representative to review the Condemnation Repair Work, the cost of such representative shall be shared equally between StadCo and the City.

(b) Condemnation Awards.

(i) all Condemnation Awards payable as a result of or in connection with (A) a Condemnation Action affecting less than the whole of the Premises or Substantially All of the Improvements or (B) a Condemnation Action affecting the whole of the Premises or Substantially All of the Improvements and StadCo does not exercise its option to terminate the Lease as provided in Section 22.1 above shall be paid and distributed in accordance with the provisions of Section 22.3, notwithstanding the division of the Condemnation Award by a court or condemning authority in a Condemnation Action.

(ii) StadCo shall be entitled to payment, disbursement, reimbursement or contribution toward the costs of Condemnation Repair Work (“Condemnation Expenses”) from the proceeds of any Condemnation Awards, pursuant to Section 22.3.

(iii) amounts paid to StadCo for Condemnation Expenses pursuant to this Section 22.2 shall be held by StadCo in trust for the purpose of paying such Condemnation Expenses and shall be applied by StadCo to any such Condemnation Expenses or otherwise in accordance with the terms of Section 22.3. All Condemnation Expenses in excess of the proceeds of any Condemnation Award shall be paid by StadCo and from the Capital and Maintenance Fund with amounts being paid by StadCo and from the Capital and Maintenance Fund to be in the same proportion as the amount contributed by the City with respect to the City Contribution amount, on one hand, and by StadCo with respect to the StadCo Contribution amount, on the other, except that the amount to be contributed by the Capital and Maintenance Fund cannot exceed the balance then existing in the Capital and Maintenance Fund at the time of the performance of the Condemnation Repair Work.

Section 22.3 Allocation of Award.

(a) Condemnation of Substantially All of the Improvements. If this Lease is terminated pursuant to Section 22.1, any Condemnation Award (including all compensation for the damages, if any, to any parts of the Premises not so taken, that is, damages to any remainder) shall be shared between each of StadCo and the City in the following proportions: (i) as to the City, the City Contribution amount plus, for this purpose, the amortized portion of the StadCo Contribution amount (with the StadCo Contribution amount being amortized on a straight-line basis over the Term), and (ii) as to StadCo on behalf of itself or any Leasehold Mortgagee funding all or a portion of the StadCo Contribution amount, the unamortized portion of the StadCo Contribution amount (with the StadCo Contribution amount being amortized on a straight-line basis over the Term), in each case, relative to the Project Contributions.

(b) Condemnation of Part. In the event of (i) a Condemnation Action affecting less than the whole of the Premises or Substantially All of the Improvements or (ii) a Condemnation Action affecting the whole of the Premises or Substantially All of the Improvements and StadCo does not exercise its option to terminate this Lease pursuant to Section 22.1, any Condemnation Award (including all compensation for the damages, if any, to any parts of the Premises not so taken, that is, damages to any remainder) shall be paid and applied in the following order of priority: (i) payment of all Condemnation Expenses, (ii) paying any remainder to the Capital and Maintenance Fund.

Section 22.4 Temporary Taking. If the whole or any part of the Premises shall be taken in Condemnation Actions for a temporary use or occupancy that does not exceed one (1) year, the Term shall not be reduced, extended or affected in any way, but any amounts payable by StadCo under this Lease during any such time shall be reduced as provided in this Section 22.4. Except to the extent that StadCo is prevented from doing so pursuant to the terms of the order of the condemning authority and/or because it is not practicable as a result of the temporary taking, StadCo shall continue to perform and observe all of the other covenants, agreements, terms, and provisions of this Lease as though such temporary taking had not occurred. In the event of any such temporary taking, StadCo shall be entitled to receive the entire amount of any Condemnation Award made for such taking whether the award is paid by way of damages, rent, license fee or otherwise, provided that if the period of temporary use or occupancy extends beyond the Term Expiration Date or earlier termination of this Lease, StadCo shall then be entitled to receive only that portion of any Condemnation Award (whether paid by way of damages, rent, license fee or

otherwise) that is allocable to the period of time from the date of such condemnation to the Term Expiration Date or earlier termination of this Lease, and the City shall be entitled to receive the balance of the Condemnation Award.

Section 22.5 Condemnation Proceedings. Notwithstanding any termination of this Lease, (a) StadCo and the City each shall have the right, at its own expense, to appear in any Condemnation Action and to participate in any and all hearings, trials, and appeals therein and (b) subject to the other provisions of this Article 22, StadCo shall have the right in any Condemnation Action to assert a separate claim for, and receive all, Condemnation Awards for StadCo Personal Property taken or damaged as a result of such Condemnation Action, and any damage to, or relocation costs of, StadCo's business as a result of such Condemnation Action, but not the value of StadCo's leasehold interest in the Premises. Upon the commencement of any Condemnation Action during the Term, (i) the City shall undertake commercially reasonable efforts to defend against, and maximize the Condemnation Award from, any such Condemnation Action, (ii) the City shall not accept or agree to any conveyance in lieu of any condemnation or taking without the prior approval of StadCo, and (iii) the City and StadCo shall cooperate with each other in any such Condemnation Action and provide each other with such information and assistance as each shall reasonably request in connection with such Condemnation Action.

Section 22.6 Notice of Condemnation. If the City or StadCo receives notice of any proposed or pending Condemnation Action affecting the Premises during the Term, the Party receiving such notice shall promptly notify the other Party thereof.

Section 22.7 City's Actions. The City shall not commence, consent to or acquiesce to any material Condemnation Action concerning the Premises for any public or private purpose without the prior approval of StadCo. Both Parties agree that absent unforeseen and extraordinary circumstances it is in their mutual interest for the City to oppose, and cooperate with StadCo, at StadCo's expense, in StadCo's opposition to, any such Condemnation Action.

Section 22.8 Survival. The provisions contained in this Article 22 shall survive the expiration or earlier termination of this Lease, but only insofar as such provisions relate to any Condemnation Action or Condemnation Awards that arose prior to the expiration or earlier termination of this Lease.

ARTICLE 23

ASSIGNMENTS; MORTGAGES

Section 23.1 Assignment; Subletting; Sale of Franchise.

(a) Assignment by StadCo. StadCo shall not sell, assign, transfer, mortgage, pledge, hypothecate, encumber, sublet, license or grant a security interest in or upon its rights under this Lease, directly or indirectly, voluntarily or involuntarily, by operation of law or otherwise (collectively, "Assign" or an "Assignment") without the approval of the City Representative (including pursuant to Section 23.1(b)); *provided, however*, that the City hereby acknowledges, agrees, and approves that (i) StadCo may sublease or license the Premises to TeamCo pursuant to the Team Sublease and delegate its obligations, liabilities, and duties under this Lease to TeamCo

(without relieving StadCo of responsibility to the City therefor), and (ii) (A) any of the obligations, liabilities or duties of StadCo under this Lease, the Development Agreement, the other Project Documents and the Stadium Security Agreement may be performed by StadCo, TeamCo, a related entity of StadCo or TeamCo or a third Person with common beneficial or equity ownership with StadCo or TeamCo (including trusts or other entities established for the benefit of one or more of TeamCo's ownership or one or more family members of TeamCo's ownership) and (B) StadCo, TeamCo, a related entity of StadCo or TeamCo or a third Person with common beneficial or equity ownership with StadCo or TeamCo (including trusts or other entities established for the benefit of one or more of the Team's ownership or one or more family members of the Team's ownership) may receive revenues to which StadCo or TeamCo is entitled under this Lease. For purposes of this Lease, the term "Assignment" shall also include (x) any issuance or transfer of any securities or interests having ordinary voting power for the election of directors (or other comparable controlling body) of StadCo or HoldCo or (y) any transfer of any equity or beneficial interest in StadCo or HoldCo that in either case results in either (i) a change of the Controlling Person, if any, of StadCo or HoldCo or (ii) creation of a Controlling Person of StadCo or HoldCo, where none existed before. The City and StadCo agree that, notwithstanding the foregoing, the term "Assignment" shall not include (i) any grant of a mortgage, pledge, assignment or other security interest or lien in or on any of StadCo's Personal Property or general intangibles that are not part of the Premises or (ii) the exercise by the NFL of any right to manage or control, directly or indirectly, StadCo or TeamCo, or both, including any such rights provided pursuant to NFL Rules and Regulations or pursuant to any NFL consent to any debt incurred by StadCo or TeamCo or (iii) any NFL Event.

(b) Permitted Assignments by StadCo. Notwithstanding anything to the contrary contained in subsection (a) or any other provision of this Lease, the City does hereby approve of the following Assignments by StadCo of its rights under this Lease (collectively, the "Permitted Assignments"):

(i) any Assignment to any Person who is an Affiliate of TeamCo so long as such is approved by the NFL;

(ii) an Assignment in connection with a transfer of the Jacksonville Jaguars' NFL franchise, whether via a transfer of interests or assets or otherwise (including a transfer following a foreclosure), to a new controlling owner (as defined and determined by the NFL) solely if (A) such assignee or its Affiliate is approved by the NFL in accordance with the NFL Rules and Regulations as an owner of the Jacksonville Jaguars' NFL franchise or the holder of a lien thereon, and (B) the new owner assumes all obligations of StadCo under this Lease, the Team Sublease and all related agreements (including the other Project Documents and the Stadium Security Agreement) pursuant to an instrument of assignment and assumption substantially in the form of the Assignment and Assumption Agreement attached as Exhibit F or, if not substantially in such form, then in a form approved by the City in its sole discretion;

(iii) any Use Agreement (including the Team Sublease) entered into by StadCo in the ordinary course of its operations (as such operations exist on the Commencement Date), provided that such Use Agreement is subject and subordinate to this Lease, the other

Project Documents and the Stadium Security Agreement and conforms to the Capital Repairs Standard

(iv) any assignment, transfer, mortgage, pledge, or encumbrance of, or grant of a security interest in or upon, any of the StadCo Personal Property or any of StadCo's receivables, accounts or revenue streams from the Renovated Stadium (but expressly excluding any revenue streams payable by StadCo into the Operations, Utilities and Events Fund and/or the Capital and Maintenance Fund), provided the same is subject to the terms of and subordinate to this Lease, the other Project Documents and the Stadium Security Agreement; and

(v) any issuance or transfer of any securities or interests having ordinary voting power for the election of directors (or other comparable controlling body) of StadCo or HoldCo or any transfer of an equity or beneficial interest in StadCo or HoldCo that results in either a change of the Controlling Person of StadCo or HoldCo or the creation of a Controlling Person of StadCo or HoldCo, where none existed before, in each case approved by the NFL.

(c) Assignee Assumption of StadCo Rights and Obligations. Any assignee of the rights and obligations of StadCo must assume all of the obligations of StadCo under this Lease pursuant to an Assignment and Assumption Agreement substantially in the form of the Assignment and Assumption Agreement attached hereto as Exhibit F, which shall be signed by the City, StadCo, and the assignee prior to the effective date of such assignment. The City agrees that upon any Permitted Assignment of this entire Lease in accordance with Section 23.1(b), StadCo shall be released from all obligations arising under this Lease from and after the date of the Assignment, *provided* that (i) the assignee agrees to perform all of StadCo's obligations under this Lease, and (ii) the assignee is approved by the NFL. The City and StadCo agree that any assignment of this Lease (other than a collateral assignment for financing purposes), shall be void and of no force and effect unless such Person agrees to so assume StadCo's obligations under this Lease. For the avoidance of doubt (i) in the event StadCo merges with another Person, the surviving Person in such merger shall assume, and shall be deemed to have assumed, StadCo's obligations under this Lease, and (ii) an Assignment by way of collateral assignment pursuant to and in connection with a financing transaction shall not require assumption of StadCo's obligations under this Lease.

(d) City Assignment. Unless otherwise approved by the City Council, the City may not assign its rights under this Lease or ownership of the Premises at any time or from time to time to any Person without the approval of StadCo. Notwithstanding the foregoing, nothing contained in this Section 23.1(d) is intended to, nor shall it, restrict in any manner the right or authority of the Florida Legislature to restructure, rearrange or reconstitute the City, and if such shall occur, such restructured rearranged or reconstituted entity shall automatically succeed to all rights and obligations of the City hereunder without the need for the approval of StadCo or any other Person.

Section 23.2 Leasehold Mortgages

(a) Leasehold Mortgages. StadCo shall have the right, during the Term, to grant a lien securing indebtedness for borrowed money against, or with respect to its interest in, this Lease and/or in the leasehold, license, and other estates or interests in the Premises created by this Lease

(each, a “Leasehold Mortgage”, and the holder of a Leasehold Mortgage being a “Leasehold Mortgagee”), provided that the terms of any such lien do not provide for or otherwise permit, at any time, the Team or StadCo’s interest in this Lease or in the leasehold, license, and other estates or interests in the Premises created by this Lease, to be owned or controlled, directly or indirectly, by any Person other than the assignee pursuant to a Permitted Assignment, or during the pendency or foreclosure or other enforcement of such lien, the NFL.

(b) Notices. StadCo shall forward a notice to the City prior to or concurrently with the execution and delivery of any proposed Leasehold Mortgage setting forth: (i) the name of the proposed mortgagee or other beneficiary of such Leasehold Mortgage, and (ii) copies of the Leasehold Mortgage. Following the execution and delivery of any Leasehold Mortgage in accordance with the terms and conditions of this Section 23.2, StadCo shall make available to the City a true, correct, and complete copy of each such Leasehold Mortgage and any amendments, modifications, extensions of assignments thereof, and shall notify the City of the address of each Leasehold Mortgagee to which notice may be sent (as the same may be changed from time to time). StadCo shall also cause TeamCo to comply with the foregoing provisions in the event TeamCo intends to enter into any Leasehold Mortgage.

(c) Leasehold Mortgagees – Notice and Cure. In the event that the City provides to StadCo any written notice relating to any StadCo Event of Default or termination (or the election to exercise termination rights) of this Lease (each a “Notice”), the City shall, at the same time, give a copy of such Notice to all Leasehold Mortgagees of whom the City has been given notice (and an address therefor, it being understood and agreed that the City shall be entitled to rely on the validity of any notice address provided by StadCo for such Leasehold Mortgagees) by StadCo pursuant to the terms of this Section 23.2. No StadCo default, event of default, termination of this Lease or other exercise of the City’s rights or remedies predicated upon the giving of Notice to StadCo shall be deemed to have occurred or arisen or be effective until such time as the City has given like Notice to each Leasehold Mortgagee as this Section 23.2 requires. Any such Notice shall describe in reasonable detail the alleged StadCo default or other event that allegedly entitled the City to exercise such rights or remedies. Each Leasehold Mortgagee shall have the right, at its option, to cure or remedy (to the extent curable or remediable) any breach or default by StadCo under this Lease and may enter the Premises (or any part thereof) solely for the purpose of effecting such cure and, provided that such Leasehold Mortgagee complies with all standards of care applicable to StadCo pursuant to this Lease, including without limitation the Operations Standard, such entry shall not constitute an actual or constructive eviction of StadCo nor shall such entry constitute an act hostile to the City’s fee title or reversionary estate. The City shall accept such performance on the part of each Leasehold Mortgagee as though the same had been done or performed by the applicable party so long as such is accomplished prior to the expiration of any cure periods provided to StadCo therefor in this Lease, subject to the terms of the next succeeding sentence below. In addition to the foregoing rights, in case of a breach or default, the City will take no action to effect a termination of this Lease by reason thereof until the City shall have served upon each Leasehold Mortgagee of which the City has received actual notice hereunder a copy of the applicable Notice, and each Leasehold Mortgagee shall be allowed to cure a monetary breach or default within sixty (60) days or, in the case of non-monetary defaults that are capable of cure in a commercially reasonable timeframe by any Leasehold Mortgagee, such longer period as may be reasonably necessary to cure such default if any Leasehold Mortgagee has commenced to cure the breach or default within such sixty (60) day period and is diligently proceeding to cure the

same. All Notices delivered by the City to Leasehold Mortgagees pursuant to this Section shall be given by certified or registered United States mail, postage prepaid, return receipt requested or by overnight courier or same day delivery service addressed to each Leasehold Mortgagee at the address last specified to the City in writing by or on behalf of each such Leasehold Mortgagee at least fifteen (15) Business Days prior to the date of such Notice, and any such notice shall be deemed to have been given and “served” on the second Business Day after mailing in the manner set forth in this Section, on the first business day if an overnight courier service is used and on the same day if same day delivery service is used.

ARTICLE 24

MISCELLANEOUS

Section 24.1 Severability. If a court of competent jurisdiction holds that one or more clauses, sections or provisions of this Lease is unlawful, invalid or unenforceable, the Parties hereto agree that all remaining clauses, sections and provisions shall continue in full force and effect.

Section 24.2 Agent for Service of Process. The Parties hereto expressly understand and agree that if StadCo is not a resident of the State of Florida, or is an association or partnership without a member or partner resident of said State, StadCo does designate its Florida registered agent as its agent for the purpose of service of process in any court action between it and the City arising out of or based upon this Lease, and the service shall be made as provided by the laws of the State of Florida by serving StadCo’s registered agent. The Parties hereto expressly agree, covenant and stipulate that StadCo shall personally be served with process at the address set forth herein. Any such service out of this State shall constitute valid service upon StadCo as of the date of receipt thereof. The Parties hereto further expressly agree that StadCo is amenable to and hereby agrees to the process so served, submits to the jurisdiction, and waives any and all obligations and protest thereto, any laws to the contrary notwithstanding.

Section 24.3 Force Majeure. Should any acts of God; acts of the public enemy; the confiscation or seizure by any Governmental Authority; insurrections; wars or war-like action (whether actual and pending or expected); arrests or other restraints of a Governmental Authority (civil or military); blockades; embargoes; strikes, labor unrest, labor disputes or unavailability of labor or materials (any of which are not caused by a Party’s work force); lock-outs (not caused or implemented by a Party); epidemics; landslides; lightning; earthquakes; fires; hurricanes; storms; floods; wash-outs; explosions; any delays occasioned by arbitration actions and other proceedings under this Lease; civil disturbance or disobedience; riot; sabotage; terrorism, threats of sabotage or terrorism; or any other cause, whether of the kind herein enumerated or otherwise, that is not within the reasonable anticipation or control of the Party claiming the right to delay performance on account of such occurrence and which, in any event, is not a result of the negligence or willful misconduct of the Party claiming the right to delay performance on account of such occurrence (any of the foregoing hereinafter referred to as “Force Majeure”) prevent or delay performance of this Lease in accordance with its provisions, performance of this Lease by either Party shall be suspended or excused to the extent commensurate with such interfering occurrence, except that StadCo and the City, as the case may be, shall still be obligated for payments pursuant to Article 3, Article 4, Article 6 and Article 9 hereof. Any actions of the City or any Affiliate of the City

shall not be considered actions of a Governmental Authority for purposes of Force Majeure. Notwithstanding the foregoing, "Force Majeure" shall not include economic hardship or inability to pay debts or other monetary obligations in a timely manner.

Section 24.4 Notice of Claims. Each Party agrees to give the other Party immediate notice in writing of any action or suit filed related in any way to this Lease, and of any claim made against it by any entity that may result in litigation related in any way to this Lease unless such notice is prohibited by law or court order or would, in the opinion of such Party's legal counsel, jeopardize such Party's attorney client-privilege or legal defense with respect thereto.

Section 24.5 Authority to Enter into Lease. The Parties represent that the individuals executing this Lease personally have full authority to execute this Lease on behalf of the entity for whom they are acting herein.

Section 24.6 Acknowledgement. The Parties hereto acknowledge that they have read this Lease, including any annexes or attachments thereto, and have sought and received whatever competent advice and counsel necessary for them to form a full and complete understanding of all rights and obligations herein.

Section 24.7 Governing Law and Venue. The Parties agree that this Lease is executed in and is to be performed in the State of Florida, and that all provisions of this Lease and any dispute arising hereunder shall be governed by the laws of the State of Florida. Any dispute arising out of this Lease shall be litigated exclusively in the federal or state courts sitting in Duval County, Florida. The Parties hereby consent to in personam jurisdiction of such courts and irrevocably waive any objection and any right of immunity on the ground of venue, the convenience of forum or the jurisdiction of such courts. THE CITY AND STADCO IRREVOCABLY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE BETWEEN THEM.

Section 24.8 Relationship of the Parties. Anything herein to the contrary notwithstanding, StadCo and the City are independent parties and nothing contained in this Lease shall be deemed to create a partnership, joint venture or employer-employee relationship between them or to grant to either of them any right to assume or create any obligation on behalf of or in the name of the other.

Section 24.9 Recognition. The City acknowledges and agrees that StadCo and TeamCo have entered into the Team Sublease. Simultaneously with execution and delivery of this Lease, the City, StadCo and TeamCo shall enter into a recognition, non-disturbance and attornment agreement in the form of Exhibit G attached hereto.

Section 24.10 Amendment. This Lease is subject to modification, alteration, amendment ("Amendment") or change only upon the mutual agreement of the Parties. Any such Amendment will become effective only after approval by the City and StadCo, reduced to writing and signed by the Parties hereto. Any duly approved Amendment, executed as prescribed herein, shall be of full force and effect, as though originally agreed to and incorporated herein upon filing a memorandum of such amendment with the Clerk of Circuit Court of Duval County.

Section 24.11 Waiver. Any failure of the City or StadCo to act in response to any breach of any of the provisions of this Lease by the other Party shall not constitute a waiver of the right

to act on any subsequent violation or violations, the right to terminate this Lease because of a material breach being a continuing one.

Section 24.12 Attornment. StadCo shall attorn to any Party succeeding to the City's interest in the Premises, whether by purchase, foreclosure, deed in lieu of foreclosure, power of sale, termination of lease, or otherwise, upon such Party's request, and shall execute such agreements confirming such attornment as such Party may reasonably request, provided that StadCo's obligation to attorn is conditioned upon the City's successor-in-interest's agreement in writing to be bound by the City's obligations under this Lease and its execution of a non-disturbance agreement in favor of StadCo in a form satisfactory to StadCo.

Section 24.13 Entire Agreement. This Lease and the Exhibits hereto constitute the totality of the agreement between the Parties pertaining to the subject matter hereof, and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Parties, and there are no warranties, representations, or other agreements between the Parties in connection with the subject matter hereof except as set forth specifically herein.

Section 24.14 Independent Covenants. THE CITY AND STADCO EXPRESSLY DISCLAIM ANY IMPLIED WARRANTY THAT THE PREMISES ARE SUITABLE FOR STADCO'S INTENDED COMMERCIAL PURPOSE. IT IS FURTHER EXPRESSLY AGREED AND UNDERSTOOD BY STADCO THAT STADCO'S OBLIGATION TO PAY RENT HEREUNDER IS AN INDEPENDENT COVENANT, AND EXCEPT AS OTHERWISE SET FORTH IN THIS LEASE, THE CITY'S FAILURE TO PERFORM ANY OF ITS OBLIGATIONS OR RESPONSIBILITIES HEREUNDER SHALL NOT RESULT IN AN ABATEMENT OR REDUCTION OF RENT, ENTITLE STADCO TO WITHHOLD ANY RENT OR OTHERWISE AFFECT STADCO'S LIABILITY FOR THE PAYMENT OF ALL RENT DUE HEREUNDER.

Section 24.15 Effectiveness. The Parties agree that in the event the Development Agreement is terminated by mutual agreement of the City and StadCo, then this Lease shall be null and void and of no further effect upon written notification of the same delivered by StadCo to the City.

Section 24.16 Counterparts. This Lease may be executed in multiple counterparts, each of which shall be deemed an original and all of which, taken together, shall constitute one and the same instrument. The signatures of all of the Parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or electronic mail is as effective as executing and delivering an original signature of this Lease. This Lease is effective upon delivery of one executed counterpart from each Party to the other Parties. In proving this Lease, a Party must produce or account only for the executed counterpart of the Party to be charged.

Section 24.17 Radon. The following notification is provided pursuant to Section 404.056(5), Florida Statutes (2023): "RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department."

Section 24.18 IRS Requirements. It is specifically understood that the City intends to comply with Internal Revenue Service laws, regulations, rulings, notices or procedures (“IRS Requirements”), issued prior or subsequent to the date of this Lease, governing the use and management of governmental facilities financed with the proceeds of tax-exempt bonds, and in particular any such IRS Requirements which implement Section 141 of the Code and Section 1301(e) of the Tax Reform Act of 1986. Notwithstanding any other provision of this Lease, if any provision of this Lease violates an IRS Requirement or would adversely impact the tax-exempt status of the City’s currently outstanding capital improvement bonds or any bonds issued to fund the City’s financial obligations hereunder, and the City obtains a written opinion from its bond counsel and so informs StadCo, then the Parties agree to amend this Lease appropriately solely to the extent necessary to avoid such violation; *provided*, that if such amendment adversely affects StadCo, then the Parties agree to negotiate in good faith any further agreements required to resolve the then outstanding concerns.

Section 24.19 Maximum Indebtedness. The maximum indebtedness of the City under this Lease for all fees, reimbursable items or other costs hereunder shall be in such amounts as appropriated to this Lease by City Council on an annual basis.

Section 24.20 Future Modifications. If StadCo shall notify the City that it wishes to obtain financing of the Premises secured by a lien on StadCo’s interest under this Lease and such lender requires any reasonable modification of this Lease or any related sublease, assignment or license of TeamCo or of any other document to be provided under this Lease or under any such sublease, assignment or license, then the City shall, at StadCo’s request and reasonable cost and expense, discuss such instruments in good faith and, if such instruments are reasonably acceptable to the City, cooperate to negotiate such instruments in recordable form effecting such modification as such lender shall reasonably require, *provided* that any such modification does not (i) modify amounts payable to the City by StadCo, (ii) does not otherwise materially adversely affect the City’s rights or obligations, or materially decrease StadCo’s obligations, under this Lease or (iii) expand or otherwise modify the definition of NFL Events under this Lease unless any such expansion or modification is approved by the City in writing in its sole discretion. If agreement on any such modification is reached in accordance with this Section 24.20, then the City shall at the request of, and reasonable cost and expense of, StadCo execute and deliver such modification, in accordance with and to the extent required by this provision, and place such modification in escrow for release to StadCo or such lender upon the closing of such prospective lender’s loan to StadCo.

GUARANTY AGREEMENT

This GUARANTY AGREEMENT (this “Guaranty”) is entered into effective as of [____], 2024 (the “Effective Date”), by JACKSONVILLE JAGUARS, LLC, a Delaware limited liability company (the “Guarantor”), in favor of THE CITY OF JACKSONVILLE, FLORIDA (the “City”). Guarantor and the City are sometimes referred to herein individually as a “Party”, and collectively as the “Parties”.

WITNESSETH:

WHEREAS, pursuant to its rights as an NFL franchisee, the Guarantor owns the “Jacksonville Jaguars” professional football team (the “Team”).

WHEREAS, Jax Stadium, LLC, a Delaware limited liability company (“StadCo”), is an affiliate of the Guarantor by virtue of the common ownership of StadCo and the Guarantor by Panthera Onca Holdings, LLC (“HoldCo”).

WHEREAS, contemporaneously with the execution of this Guaranty: (i) the City and StadCo have entered into (a) a Stadium Development Agreement (the “Stadium Development Agreement”) with respect to, among other things, (1) the design, development and construction by StadCo of a renovated state-of-the-art professional football stadium designed to have a minimum useful life of thirty (30) years from the first home game played in the renovated stadium (the “Stadium”) and (2) the amounts that each of StadCo and the City will be required to pay in connection with the cost of the renovation of the Stadium, (b) an Amended and Restated Stadium Lease (the “Stadium Lease”) with respect to StadCo’s use of the Stadium at the times and for the purposes described therein, (c) a Stadium Parking Agreement (the “Parking Agreement”) with respect to StadCo’s and the City’s respective rights, obligations and agreements relative to the distribution of parking, control of parking, administration of tailgating experiences, and allocation of revenues, operating expenses and capital expenses with respect to parking lots at and around the Stadium, and (d) a Stadium Security Agreement (the “Security Agreement”) with respect to the City’s provision of certain public safety and emergency response services at and around the Stadium; and (ii) the City and the Guarantor have entered into a non-relocation agreement (the “Non-Relocation Agreement”) whereby the Guarantor has agreed with the City to play all Team Games (as such term is defined in the Stadium Lease) at the Stadium for the Term (as such term is defined in the Stadium Lease) of the Stadium Lease (subject to the terms and conditions of the Non-Relocation Agreement).

WHEREAS, the Stadium Development Agreement, the Stadium Lease, the Parking Agreement, the Security Agreement, the Non-Relocation Agreement, and this Guaranty are sometimes each referred to herein individually as a “Project Document”, and collectively as the “Project Documents”.

WHEREAS, the Stadium Lease provides for, among other things, a guaranty in the form of this Guaranty, and this Guaranty is executed and delivered by the Guarantor as a material

inducement for the City to enter into the Project Documents and to provide financial and other support for the development and renovation of the Stadium.

WHEREAS, StadCo has been formed as an entity under common control with the Guarantor, and the Guarantor expects to receive substantial direct and indirect benefits from the City entering into the Project Documents and providing financial and other support for the development and renovation of the Stadium.

WHEREAS, the Guarantor wishes and has agreed to guarantee the payment and performance of all of StadCo's obligations under the Stadium Lease and the other Project Documents as provided herein.

AGREEMENT

NOW, THEREFORE, in consideration of the premises set forth above and other good and valuable consideration, the adequacy, receipt and sufficiency of all of which are hereby acknowledged, the Guarantor hereby covenants and agrees as follows:

ARTICLE 1 **DEFINITIONS**

Section 1.1 Capitalized Terms. All capitalized terms used herein without definition shall have the respective meanings provided therefor in the Stadium Lease. The meanings of all defined terms used in this Guaranty shall be equally applicable to the singular and plural forms of the terms defined.

Section 1.2 Additional Definitions. As used in this Guaranty, the following terms shall have the respective meanings set forth below in this Section 1.2:

“Bankruptcy Code” means Title 11 of the United States Code, entitled “Bankruptcy,” as heretofore and hereafter amended.

“Bankruptcy Proceeding” means any case or proceeding under any law relating to bankruptcy, insolvency, reorganization, receivership, winding-up, liquidation, dissolution or composition or adjustment of debt, including any voluntary or involuntary proceeding pursuant to Sections 301, 302 and/or 303 of the Bankruptcy Code.

“Material Adverse Effect” means any event, development, condition or circumstance that (a) has a material adverse effect on the business, assets, properties, performance, operations, financial condition or prospects of the Guarantor or StadCo, (b) materially impairs the ability of the Guarantor or StadCo to perform their respective obligations under this Guaranty, the Stadium Lease or the other Project Documents, or (c) materially and adversely affects the rights or remedies of, or benefits available to, the City under this Guaranty, the Stadium Lease, or the other Project Documents.

“Obligations” means, collectively, all indebtedness, obligations and liabilities, whether matured or unmatured, liquidated or unliquidated, or secured or unsecured.

“Solvent” means, with respect to any Person on a particular date, that on such date (a) the fair market value of the property of such Person is greater than the total amount of liabilities (including, without limitation, contingent liabilities) of such Person, (b) the present fair salable value of the assets of such Person is not less than the amount that will be required to pay the probable liability of such Person on its debts as they become absolute and matured, (c) such Person does not intend to, and does not reasonably believe that it will, incur debts or liabilities beyond such Person’s ability to pay such debts and liabilities as they mature and (d) such Person is not engaged in business or a transaction, and is not about to engage in business or a transaction, for which such Person’s property would constitute an unreasonably small capital. In computing the amount of contingent or unliquidated liabilities at any time, such liabilities shall be computed at the amount that, in light of all the facts and circumstances existing at such time, represents the amount that can reasonably be expected to become an actual or matured liability.

ARTICLE 2 **GUARANTY OF PAYMENT AND PERFORMANCE**

Section 2.1 Guaranty. The Guarantor hereby irrevocably, absolutely and unconditionally guarantees (as primary obligor and not merely as a surety) to the City the full, faithful and punctual payment and performance by StadCo of each and every one of StadCo’s Obligations of every nature whatsoever under the Stadium Lease and the other Project Documents (collectively, the “Guaranteed Obligations”), including, without limitation, all Guaranteed Obligations that would become due but for the operation of the automatic stay pursuant to Section 362(a) of the Bankruptcy Code or the operation of Sections 365, 502(b) or 506(b) of the Bankruptcy Code or any other provision of the Bankruptcy Code which would limit payment or performance of any Obligations of StadCo.

This Guaranty is direct, immediate and primary and is a guarantee of the full payment and performance of all Guaranteed Obligations and not of their collectability, and is in no way conditioned or contingent upon any requirement that the City first attempt to collect or enforce any of the Guaranteed Obligations from StadCo or upon any other event, contingency or circumstance whatsoever. Guarantor waives any right to require the City to proceed against StadCo. The City shall not be required to mitigate damages or take any other action to reduce, collect, or enforce the Guaranteed Obligations, provided that this Section 2.1 will not affect any mitigation obligation that the City may have with respect to any claim under the Project Documents. It is expressly understood and agreed by the Guarantor that to the extent the Guarantor’s obligations hereunder relate to Guaranteed Obligations that require performance other than the payment of money, the City may proceed against the Guarantor to effect specific performance thereof or for payment of damages resulting from StadCo’s nonperformance thereof.

Section 2.2 Performance. If StadCo fails to pay or perform any Guaranteed Obligation when due or required for any reason (which failure constitutes a “StadCo Event of Default” under

the Stadium Lease or a “Jaguars Default” under the Stadium Development Agreement, including, without limitation, any StadCo Event of Default under the Stadium Lease or a Jaguars Default under the Stadium Development Agreement resulting or arising from StadCo breaching any of the agreements, terms, covenants or conditions set forth in any of the other Project Documents), the Guarantor will pay or cause to be paid, or perform or cause to be performed, as applicable, such Guaranteed Obligation directly upon the City’s demand therefor and without the City having to make prior demand therefor on StadCo. All payment or performance hereunder shall be made without reduction, whether by offset, payment in escrow, or otherwise. The Guarantor is liable for, and hereby indemnifies the City for, the City’s reasonable costs and expenses, including reasonable attorneys’ fees, costs and disbursements, incurred in any effort to collect or enforce any of the Guaranteed Obligations under this Guaranty with respect to any matter constituting such a StadCo Event of Default or Jaguars Default, whether or not any lawsuit is filed.

Section 2.3 Payments. All payments made by the Guarantor hereunder shall be made to the City in the manner and at the place of payment specified therefor in the applicable Project Document.

ARTICLE 3 **GUARANTY ABSOLUTE, IRREVOCABLE AND UNCONDITIONAL**

Section 3.1 Scope and Extent of the Guaranty. The obligations of the Guarantor under this Guaranty are absolute, irrevocable and unconditional, irrespective of (a) the value, genuineness, validity, regularity or enforceability of the Stadium Lease, the other Project Documents and any other agreements or instruments primarily related thereto, (b) the insolvency, bankruptcy, reorganization, dissolution or liquidation of StadCo, (c) any change in ownership of StadCo, (d) any assignment by StadCo, or (e) any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor. This Guaranty is an unlimited and continuing guarantee of payment and performance and is applicable to StadCo’s Obligations to the City under the Stadium Lease, the other Project Documents and all amendments, changes, modifications and extensions thereof as the parties thereto may from time to time agree upon. It is part of the Guarantor’s agreement herein that StadCo and the City may deal freely and directly with each other without notice to or consent of the Guarantor and may enter into such amendments, changes, modifications and extensions to StadCo’s covenants, duties and obligations under the Stadium Lease and the other Project Documents as the parties thereto may agree upon and deal with all related matters without diminishing or discharging to any extent the Guarantor’s liability hereunder. The Guarantor hereby waives all notice to which the Guarantor might otherwise be entitled by law in order that the guarantee herein should continue in full force and effect, including, without limiting the generality of the foregoing, notice of any change, modification or extension of the Stadium Lease or the other Project Documents or notice of any default of StadCo in performance or payment thereunder.

Section 3.2 No Right to Terminate. Without limiting the foregoing, the obligations of the Guarantor hereunder shall not be affected, modified or impaired, and the Guarantor shall have no right to terminate this Guaranty or to be released, relieved or discharged, in whole or in part,

from its payment or performance obligations referred to in this Guaranty, by reason of any of the following:

(a) any amendment, supplement or modification to, settlement, release, waiver or termination of, consent to or departure from, or failure to exercise any right, remedy, power or privilege under or in respect of the Stadium Lease, the other Project Documents, and the Guaranteed Obligations, and any other agreements or instruments primarily relating thereto to which StadCo and the City are a party; or

(b) any insolvency, bankruptcy, reorganization, dissolution or liquidation of, or any similar occurrence with respect to, or cessation of existence of, or change of ownership of, StadCo or the City, or any rejection of any of the Guaranteed Obligations in connection with any Bankruptcy Proceeding or any disallowance of all or any portion of any claim by the City, or its successors and assigns, in connection with any Bankruptcy Proceeding; or

(c) any lack of validity, enforceability or value of or defect or deficiency in any of the Guaranteed Obligations, the Stadium Lease, the other Project Documents and any other agreements or instruments primarily relating thereto; or

(d) the failure to create, preserve, validate, perfect or protect any security interest granted to, or in favor of, any Person; or

(e) any substitution, modification, exchange, release, settlement or compromise of any security or collateral for or guarantee of any of the Guaranteed Obligations, or failure to apply such security or collateral or failure to enforce such guarantee; or

(f) any failure on the part of StadCo to perform or comply with any term of the Stadium Lease, the other Project Documents and any other agreements or instruments primarily relating thereto or any other Person's (except the City's) failure to perform or comply with any term of the Stadium Lease and/or the other Project Documents; or

(g) subject to the terms and conditions of Article 12 herein, the assignment or transfer (whether or not in accordance with the terms thereof) of (i) this Guaranty, (ii) the Stadium Lease, the other Project Documents and any other agreements or instruments referred to in the Stadium Lease or the other Project Documents or primarily applicable thereto or (iii) the Guaranteed Obligations, by StadCo to any other Person; or

(h) subject to the terms and conditions of Article 12 herein, any change in the ownership of any equity interest in StadCo (including any such change that results in Guarantor ceasing to be an affiliate of StadCo by virtue of HoldCo ceasing to hold common ownership of StadCo and the Guarantor); or

(i) subject to the terms and conditions of Article 12 herein, any failure of the City to pursue any other guarantor and/or any settlement or compromise of any claims against same; or

(j) any other event, circumstance, act or omission whatsoever (except a City Event of Default under the Stadium Lease or a City Default under the Stadium Development Agreement) which might in any manner or to any extent vary the risk of the Guarantor or otherwise constitute a legal or equitable defense or discharge of a surety or guarantor responsible for the payment or performance of any of the Guaranteed Obligations; or

(k) any failure of the City to pursue or exhaust any other rights or remedies.

Section 3.3 No Conditions Precedent. There are no conditions precedent to the enforcement of this Guaranty. It shall not be necessary for the City, in order to enforce payment by the Guarantor under this Guaranty, to exhaust its remedies against StadCo, any other guarantor, or any other Person liable for the payment or performance of the Guaranteed Obligations.

Section 3.4 Guarantor Defenses. Notwithstanding anything to the contrary contained in this Guaranty, the Guarantor shall be permitted to assert as a defense in any action by the City to enforce the obligations of the Guarantor under this Guaranty that the City's failure to perform its obligations as the lessor under the Stadium Lease or as a party under the other Project Documents to which the City is a party rendered StadCo not liable for the Guaranteed Obligations for which payment or performance is being sought by the City, thereby relieving the Guarantor of its liability under this Guaranty for such Guaranteed Obligations, but only to the extent such assertion is proven to be accurate. For the avoidance of doubt, the Guarantor shall not be deemed to have waived any defenses predicated upon prior performance by StadCo of the Guaranteed Obligations for which payment or performance is being sought.

ARTICLE 4 **REINSTATEMENT**

This Guaranty shall continue to be effective or be automatically reinstated, as the case may be, and the Guarantor shall continue to be liable hereunder, if at any time any payment or performance of any of the Guaranteed Obligations are annulled, set aside, invalidated, declared to be fraudulent or preferential, rescinded or must otherwise be returned, refunded, restored or repaid by the City or its successors or assigns, for any reason, including as a result of the insolvency, bankruptcy, dissolution, liquidation or reorganization of StadCo or any guarantor, or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, StadCo or any guarantor or any substantial part of its property or otherwise, all as though such payment or performance had not occurred.

ARTICLE 5 **INTEREST**

The Guaranteed Obligations shall include, without limitation, interest accruing at the Interest Rate following the commencement by or against StadCo of any Bankruptcy Proceeding, whether or not allowed as a claim in any such Bankruptcy Proceeding, to the extent such interest is provided for under the Stadium Lease or the other Project Documents.

ARTICLE 6
UNENFORCEABILITY OF OBLIGATIONS AGAINST STADCO

If for any reason StadCo has no legal existence or is under no legal obligation to discharge any of the Guaranteed Obligations, or if any of the Guaranteed Obligations have become irrecoverable from StadCo by reason of StadCo's insolvency, bankruptcy or reorganization or by other operation of law or for any other reason (other than a City Event of Default under the Stadium Lease or a City Default under the Stadium Development Agreement), this Guaranty shall nevertheless be binding on the Guarantor to the same extent as if the Guarantor at all times had been the principal obligor on all such Guaranteed Obligations. If acceleration of the time for payment of any of the Guaranteed Obligations pursuant to the Stadium Lease or the other Project Documents is stayed upon the insolvency, bankruptcy or reorganization of StadCo, or for any other reason (other than a City Event of Default under the Stadium Lease or a City Default under the Stadium Development Agreement), all such Guaranteed Obligations otherwise subject to acceleration under the terms of the Stadium Lease or the other Project Documents shall be immediately due and payable by the Guarantor.

ARTICLE 7
WAIVER

The Guarantor hereby waives:

- (a) notice of acceptance of this Guaranty, of the creation or existence of any of the Guaranteed Obligations and of any action by the City in reliance hereon or in connection herewith;
- (b) presentment, demand for payment, notice of dishonor or nonpayment, protest and notice of protest with respect to the Guaranteed Obligations; and
- (c) any requirement that suit be brought against, or any other action by the City be taken against, or any notice of default or other notice be given to (except as required by the Stadium Lease or the other Project Documents), or any demand be made on, StadCo or any other Person, or that any other action be taken or not taken as a condition to the Guarantor's liability for the Guaranteed Obligations under this Guaranty or as a condition to the enforcement of this Guaranty against the Guarantor.

To the fullest extent permitted by applicable law, GUARANTOR HEREBY WAIVES ITS RIGHT TO TRIAL BY JURY in any action, proceeding and/or hearing on any matter whatsoever

arising out of, or in any way connected with, this Guaranty, the Stadium Lease or the other Project Documents and any other agreements or instruments primarily relating thereto to or the enforcement of any remedy hereunder or thereunder or under any law, statute, or regulation. Guarantor will not seek to consolidate any such action, in which a jury has been waived, with any other action in which a jury trial cannot or has not been waived. Guarantor has received the advice of counsel with respect to this waiver.

ARTICLE 8 **SUBROGATION**

Unless no default or event of default under any of the Project Documents has occurred and is continuing, or would result therefrom, the Guarantor shall not exercise, and hereby waives, any rights against StadCo arising as a result of any payment or performance by the Guarantor hereunder by way of subrogation, reimbursement, restitution, contribution or otherwise, and will not assert or prove any claim in competition with the City in respect of any payment or performance hereunder in any Bankruptcy Proceeding. The Guarantor waives any benefit of and any right to participate in any collateral security that may be held by the City. If any amount shall be paid to the Guarantor on account of such subrogation, reimbursement, restitution, contribution or other rights at any time when a default or an event of default under any of the Project Documents has occurred and is continuing (or would result from such payment), such amount shall be held in trust for the benefit of the City pending the prompt return of such amount to StadCo.

ARTICLE 9 **NOTICES**

All notices, consents, directions, approvals, instructions, requests and other communications to be given to a Party under this Guaranty shall be given in writing to such Party at the address set forth in Appendix A to this Guaranty or at such other address as such Party shall designate by no less than five (5) days' prior written notice to the other Party to this Guaranty and may be: (i) sent by registered or certified U.S. mail, postage prepaid with return receipt requested; (ii) delivered personally (by a reputable independent private courier service); or (iii) sent by telecopy (with confirmation of such notice) to the Party entitled thereto (with concurrent delivery by one of the other methods set forth in (i) or (ii) above). Such notices or other communications shall be deemed to be duly given or made (i) three (3) Business Days after posting if mailed as provided, (ii) when delivered by hand unless such day is not a Business Day, in which case such delivery shall be deemed to be made as of the next succeeding Business Day, or (iii) in the case of telecopy (with confirmation of such notice), when sent, so long as it is received during normal business hours of the receiving Party on a Business Day and otherwise such delivery shall be deemed to be made as of the next succeeding Business Day. Each Party hereto shall have the right at any time and from time to time to specify additional Parties ("Additional Addressees") to whom notice or other communications hereunder must be given, by delivering to the other Party five (5) days' prior written notice thereof setting forth a single address for each such Additional Addressee;

provided, however, that no Party hereto shall have the right to designate more than two (2) such Additional Addressees.

ARTICLE 10
NO WAIVER; REMEDIES

No failure on the part of the City to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The City may proceed to enforce its rights hereunder by any action at law, suit in equity, or other appropriate proceedings, whether for damages or for specific performance. Any remedies herein provided are cumulative and not exclusive of any remedies provided by law.

ARTICLE 11
TERM; TERMINATION

This Guaranty shall remain in full force and effect until the later of a date (the “Expiration Date”) that is (i) three (3) years after the last day of the Term and (ii) subject to Article 4, the date of payment and performance in full of the Guaranteed Obligations for which claims have been made in writing by the City on or before the date set forth in the preceding clause (i) of this Article 11.

ARTICLE 12
SUCCESSORS AND ASSIGNS

This Guaranty is a continuing guaranty, shall apply to all Guaranteed Obligations whenever arising, shall be binding upon the Parties hereto and their successors, transferees and permitted assigns and shall inure to the benefit of and be enforceable by the Parties hereto and their successors and permitted assigns; provided, the Guarantor shall have no right, power or authority to delegate, assign or transfer all or any of its obligations hereunder unless it has obtained the prior written consent of the City, other than to an Assignee (as defined in the Non-Relocation Agreement) of the Team pursuant to a permitted transfer of the Team (or of the Team’s rights under the Franchise) to an Assignee in accordance with Section 4 of the Non-Relocation Agreement (which Assignee shall have executed an Assignment and Assumption Agreement in substantially the form attached as Exhibit A to the Non-Relocation Agreement), which assignment shall relieve the Guarantor of all obligations hereunder. The City may assign or otherwise transfer this Guaranty to any Person to whom it may transfer the Stadium Lease or the other Project Documents to which the City is a party, in each case in accordance with the respective terms thereof, and such Person shall thereupon become vested, to the extent set forth in the agreement evidencing such assignment, transfer or participation, with all rights in respect hereof granted to the City herein.

ARTICLE 13
AMENDMENTS, ETC.

No amendment of this Guaranty shall be effective unless in writing and signed by the Guarantor and the City. No waiver of any provision of this Guaranty nor consent to any departure by the Guarantor therefrom shall in any event be effective unless such waiver or consent shall be in writing and signed by the City. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

ARTICLE 14
REPRESENTATION AND WARRANTIES OF THE GUARANTOR

As an inducement to the City to enter into the Stadium Lease, the other Project Documents to which it is a party, and any other agreements or instruments primarily relating thereto and to accept this Guaranty, the Guarantor represents and warrants to the City as follows:

(a) The Guarantor is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and has all requisite limited liability company power and authority to own, lease and operate its properties and to carry on its business as now being conducted.

(b) The Guarantor has full limited liability company power and authority to execute and deliver this Guaranty, to perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery of this Guaranty by the Guarantor, the performance by the Guarantor of its obligations hereunder, and the consummation of the transactions provided for hereby have been duly and validly authorized by all necessary limited liability company action on the part of the Guarantor. This Guaranty has been duly executed and delivered by the Guarantor and constitutes the valid and binding agreement of the Guarantor, enforceable against the Guarantor in accordance with its terms, subject to applicable bankruptcy, insolvency and other similar laws affecting the enforceability of creditors' rights generally, general equitable principles and the discretion of courts in granting equitable remedies.

(c) Neither the execution and delivery of this Guaranty nor the consummation of any of the transactions contemplated hereby nor compliance with the terms and provisions hereof contravene the organizational documents of the Guarantor or, to Guarantor's knowledge, any Applicable Law to which the Guarantor is subject or any judgment, decree, license, order or permit applicable to the Guarantor, or conflict or be inconsistent with, or will result in any breach of, any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of a lien upon any of the property or assets of the Guarantor pursuant to the terms of, any indenture, mortgage, deed of trust, agreement or other instrument to which the Guarantor is a party or by which the Guarantor is bound, or to which the Guarantor is subject.

(d) No consent, authorization, approval, order or other action by, and no notice to or filing with, any court or Governmental Authority or regulatory body or

any other Person is required for the execution, delivery and performance by the Guarantor of this Guaranty or the consummation of the transactions contemplated hereby.

(e) There is no action, suit, claim, proceeding or investigation pending or, to the best knowledge of the Guarantor, currently threatened against the Guarantor that questions the validity of this Guaranty or the transactions contemplated herein or (excluding any publicly known action, suit, claim, proceeding or investigation of national significance against the NFL or all of its member clubs) that could either individually or in the aggregate have a Material Adverse Effect.

(f) The execution, delivery and performance of this Guaranty, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the terms and conditions hereunder do not or will not (as the case may be), with the passing of time or the giving of notice or both, violate or conflict with, constitute a breach of or default under, result in the loss of any benefit under, or permit the acceleration of any obligation under, (i) any term or provision of the charter documents of the Guarantor, (ii) any judgment, decree or order of any governmental entity to which the Guarantor is a party or by which the Guarantor or any of its properties is bound or (iii) any law applicable to the Guarantor, unless, in each case, such violation, conflict, breach, default, loss of benefit or accelerated obligation would not, either individually or in the aggregate, have a Material Adverse Effect on the ability of the Guarantor to consummate the transactions contemplated hereby.

(g) The NFL has taken all necessary action under the NFL Rules and Regulations to approve, and has approved, this Guaranty, and the Guarantor has delivered to the City reasonable evidence of such approval.

(h) The Guarantor is Solvent as of the Effective Date.

(i) The Guarantor is the sole holder and owner of the “Jacksonville Jaguars” NFL franchise.

ARTICLE 15 **GOVERNING LAW AND VENUE**

THIS GUARANTY, AND THE ACTIONS OF THE PARTIES HEREUNDER, SHALL IN ALL RESPECTS BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAW OF THE STATE OF FLORIDA, WITHOUT REFERENCE TO ANY CONFLICT OF LAWS PROVISIONS. and the Parties to this Guaranty to evidence such subordination on terms mutually satisfactory to each of such Parties.

Nothing contained in this Exhibit B shall be construed as a waiver, limitation or modification of any notice which may be required by Applicable Law.

among

THE CITY OF JACKSONVILLE, FLORIDA,

JAX STADIUM, LLC

and

JACKSONVILLE JAGUARS, LLC

Dated as of _____

RECOGNITION, NON-DISTURBANCE, AND ATTORNMENMENT AGREEMENT

This **RECOGNITION, NON-DISTURBANCE AND ATTORNMENMENT AGREEMENT** (this "**Agreement**") is entered into as of _____, _____, by and among **THE CITY OF JACKSONVILLE, FLORIDA** (the "**City**"), **JAX STADIUM, LLC**, a Delaware limited liability company ("**StadCo**"), and **JACKSONVILLE JAGUARS, LLC**, a Delaware limited liability company ("**TeamCo**"), who agree as follows:

1. Recitals. This Agreement is made with reference to the following recitals:
 - (a) TeamCo, an affiliate of StadCo, owns a professional football franchise that is a member club of the National Football League (together with any successor league, the “NFL”) known as the Jacksonville Jaguars (the “**Team**”); and
 - (b) The City owns the land described on **Exhibit A** attached hereto (the “**Stadium Site**”); and
 - (c) The City and Touchdown Jacksonville, Ltd., a Florida limited partnership (“**Touchdown**”), entered into that certain Agreement of Lease dated as of September 7, 1993 (as heretofore amended, modified, supplemented or restated, the “**Existing Lease**”); and
 - (d) It is expressly understood that the Team currently uses, and is expected to continue to use, as its home stadium an existing facility in the City situated on the Stadium Site, commonly known as EverBank Stadium, which facility will be transformed into a state-of-the-art stadium with the capacity and requisite modern amenities and features necessary to host NFL Games (including without limitation the Super Bowl), collegiate football games (including the annual college football game between the University of Florida and the University of Georgia and the Gator Bowl Association’s college football bowl game currently known as the TaxSlayer Bowl), concerts, other sporting events, civic events and other significant events that enhance the quality of life in, and attract visitors to, Jacksonville and Northeast Florida (such facility prior to Substantial Completion is referred to herein as the “**Existing Stadium**”; such facility from and after Substantial Completion is referred to herein as the “**Renovated Stadium**”; the Stadium Site and the Existing Stadium or the Renovated Stadium, as applicable, are referred to herein as the “**Premises**”); and
 - (e) The City has determined that modification of the Existing Stadium and the use of the Renovated Stadium for hosting home games of the Team and the other games and events described above will encourage and foster economic development and prosperity for the City; and
 - (f) The City and StadCo, successor by assignment to Touchdown, have entered into that certain Amended and Restated Stadium Lease Agreement, dated as of the date hereof (the “**Stadium Lease**”), providing for, *inter alia*, the lease of the Premises to StadCo, and certain other matters collateral thereto; and
 - (g) StadCo and TeamCo have entered into that certain Stadium Sublease Agreement, dated as of [the date hereof] (the “**Stadium Sublease**”), providing for, *inter alia*, the sublease of the Premises to TeamCo, and certain other matters collateral thereto; and
 - (h) Notwithstanding the fact that the Stadium Sublease is subordinate to the Stadium Lease, the parties hereto desire to enter into this Agreement for the purpose of confirming their understandings and agreements with respect to the Stadium Lease.

2. **Recognition and Non-Disturbance.** The City hereby acknowledges the Stadium Sublease, consents to the terms and provisions therein, and agrees to recognize the Stadium Sublease as a validly existing Use Agreement, as defined in and pursuant to the terms of the Stadium Lease. The City agrees that, in the event of any action or proceeding to terminate the Stadium Lease or to enforce any other rights or remedies of the City under the Stadium Lease which could cut-off, destroy, terminate or extinguish the Stadium Sublease or TeamCo's interest and estate thereunder, TeamCo's leasehold estate and its other rights and privileges under the Stadium Sublease, or any renewals or extensions thereof which may be effected in accordance with any option therefor which is contained in the Stadium Sublease, shall not be terminated, diminished or interfered with by the City, and TeamCo's possession of the Premises shall not be disturbed by the City.
3. **Prohibition on Amendment and Termination.** Each of the City and StadCo hereby waive the right to re-enter and relet the Premises and to terminate the Stadium Lease, except as may be consented to by TeamCo in writing. Each of the City and StadCo irrevocably and explicitly agrees and declares that any amendment, termination, modification, replacement, invalidation, or surrender of the foregoing waiver or of the Stadium Lease without TeamCo's prior written consent shall be null and void.
4. **Attornment.**
 - (a) If the Stadium Lease is terminated for any reason or if the City, its designee or its nominee shall succeed to the rights of StadCo under the Stadium Lease upon any action or proceeding to terminate the Stadium Lease or to enforce any other rights or remedies of the City under the Stadium Lease, then the City shall notify TeamCo in writing of the termination as of the date the termination occurs. Upon any such termination, TeamCo shall automatically be deemed to attorn to and recognize the City as the landlord under the Stadium Lease as of the date of any such termination. Upon such attornment, the Stadium Lease shall continue in full force and effect as, or as if it were, a direct lease between the City, its designee or its nominee, on one hand, and TeamCo, on the other hand, upon all of the terms, covenants, provisions and conditions set forth in the Stadium Sublease, and the City shall accept the attornment of TeamCo, shall not disturb TeamCo's right to use and possess the Stadium and the remainder of the Premises under, and in accordance with, the Stadium Sublease, and shall continue to recognize the estate created under the Stadium Sublease on the then-remaining terms and conditions thereof and with the same force and effect as if the City and TeamCo had entered into a direct lease on the same provisions as those contained in the Stadium Sublease.
 - (b) From the date TeamCo attorns to the City as provided in this Section 4, TeamCo will have no further liability to StadCo for performance under the Stadium Sublease, other than such liability arising prior to the date of such attornment.
 - (c) From the date TeamCo attorns to the City as provided in this Section 4, the Stadium Sublease shall continue as a direct lease between the City and TeamCo, with the City, in its capacity as landlord under the Stadium Sublease, having the same rights as StadCo under the Stadium Sublease as if the City was the original party thereto, and with TeamCo

having the right to enforce the terms and provisions of the Stadium Sublease against the City, in its capacity as landlord under the Stadium Sublease.

- (d) The City and TeamCo, immediately upon TeamCo's attornment provided in this Section 4 shall enter into a written agreement with the same provisions as those in the Stadium Sublease, except for changes that are necessary because of the substitution of the City in place of StadCo (the "**New Stadium Sublease**"), which New Stadium Sublease shall be a direct lease between the City and TeamCo leasing the totality of the Premises, to TeamCo. TeamCo will have the right to obtain specific performance of the City's obligation to enter into the New Stadium Sublease under this Section 4.
5. **Notice and Cure.** The City agrees to give TeamCo a copy of all notices sent by the City to StadCo under the Stadium Lease simultaneously with the transmission of such notices to StadCo. The City agrees not to exercise any right to terminate the Stadium Lease due to any default by StadCo thereunder until it has given TeamCo (i) written notice of such default and (ii) a period of not less than sixty (60) days for remedying such default, should TeamCo elect to do so, provided TeamCo shall have no obligation to do so. If TeamCo elects to cure such default and notifies the City of such election, and if such default by StadCo cannot be cured within such sixty (60) day period, the time within which such default of StadCo may be cured by TeamCo shall be extended for such reasonable period as may be necessary to complete the curing of the same (which reasonable period shall in no event be less than the period to which StadCo would be entitled under the Stadium Lease to effect such cure or remedy) so long as TeamCo proceeds promptly to effect a cure and thereafter prosecutes the curing of such default of StadCo with diligence. TeamCo's cure of StadCo's default under the Stadium Lease shall not be considered an assumption by TeamCo of StadCo's other obligations under the Stadium Lease, nor shall TeamCo's failure or inability to cure StadCo's default under the Stadium Lease impair or abrogate any rights of TeamCo, or any obligations of the City, hereunder, including, without limitation, those set forth in Section 3 hereof.
6. **Termination of Stadium Sublease.** If the Stadium Sublease terminates by reason of (i) StadCo's exercising any right StadCo has under the Stadium Lease to terminate, (ii) a rejection of the Stadium Lease in StadCo's bankruptcy, or (iii) the option of StadCo to treat the Stadium Lease as terminated under **11 U.S.C. § 365(h)(1)(A)(i)**, or any comparable provision of law, then (i) the City shall enter into a New Stadium Sublease at the request of TeamCo, on the same provisions as those in the Stadium Sublease, except for changes that are necessary because of the substitution of the City in place of StadCo. TeamCo will have the right to obtain specific performance of the City's obligation to enter into the New Stadium Sublease under this Section 6.
7. **Default By the City.** In addition to and not in limitation of Sections 4 and 6 above, if the City shall default under or breach any of the terms of this Agreement, then TeamCo shall have any and all rights and remedies available to it at law or in equity, including, without limitation, specific performance.
8. **Miscellaneous.**

- (a) *Conflicts with Existing Leases and Agreements.* Except as expressly provided herein, nothing in this Agreement changes in any manner the provisions of the Stadium Lease or the Stadium Sublease; and nothing in this Agreement waives any right that one party may now have or later acquire against the other parties by reason of those leases and agreements. If any conflict exists between the provisions of this Agreement and the provisions of the Stadium Lease or the Stadium Sublease, then the provisions of this Agreement will control.
- (b) *No Merger.* The City, StadCo and TeamCo agree that fee title to the Stadium and the leasehold and subleasehold estates created by the Stadium Lease and the Stadium Sublease, respectively, shall not merge but shall always be kept separate and distinct, notwithstanding the union of such estates in any person by purchase, operation of law or otherwise.
- (c) *Additional RNDAs.* The City and StadCo agree that: (i) they shall each require that any third party that acquires an interest senior to the City or StadCo in the Premises, the Stadium Lease or the Stadium Sublease, and any lender to either of the City or StadCo (or to such third parties) having a security interest in the Premises, the Stadium Lease or the Stadium Sublease, as applicable (each, an "**Interest Holder**"), enter into a recognition, non-disturbance, and attornment agreement substantially similar to this Agreement for the benefit of TeamCo, under which the Interest Holder agrees not to disturb TeamCo's use of the Premises, and TeamCo's right to use the Premises will continue in full force and effect as protected under the terms of this Agreement; and (ii) upon the request of TeamCo, they shall each execute and deliver such additional recognition, non-disturbance and attornment agreements, or other confirmations thereof, substantially similar to this Agreement, for the benefit of TeamCo and any permitted assignee of or sublessee under the Stadium Sublease, any lender to TeamCo or any of its affiliates, or any other party having an interest in the Stadium Sublease.
- (d) *Notice.* Any notice, demand, request, consent, approval, or communication that any party desires or is required to give to another party or any other person must be in writing and shall be deemed properly given via first class, registered or certified mail, postage prepaid, via nationally recognized overnight courier, or if delivered personally (or by bonded courier) to the address designated for the recipient. Notice shall be effective on the date of receipt of the notice by the party being notified. Any party's address may be changed from time to time by that party by giving notice as provided above to the other parties. No change of address of any party will bind the other parties until notice of the change of address is given as herein provided.

(ii) **Untenantable Condition**: The existence of any one of the following conditions as a result of any Casualty (as defined in the Stadium Lease), Condemnation Action (as defined in the Stadium Lease), Force Majeure, Construction Defect or Design Defect, but only to the extent that such condition is not the direct result of StadCo’s failure to perform its obligations as required under the Stadium Lease, the Team Use Agreement, and the Stadium Development Agreement: (i) the condition of the Stadium is such that a Home Game could not be held or reasonably be foreseen to be held at the Stadium in accordance with NFL Rules and Regulations or Applicable Law; (ii) the playing field within the Stadium is unavailable, unsuitable or unsafe for its intended purpose; or (iii) any condemnation or similar action is

undertaken by a Governmental Authority that results in the NFL requiring the Team to play its Home Games at a facility other than the Stadium.

2. Home Games to be Played at the Stadium.

(a) Playing of Home Games. Subject to Section 2(b) below, and except as otherwise permitted hereunder and by the Stadium Lease, the Team shall play, and TeamCo covenants and agrees to cause the Team to play, all of its Home Games in the Stadium at all times during the Non-Relocation Term. Notwithstanding the foregoing, if there are seventeen (17) or fewer Regular Season Games scheduled in the NFL Season, then the Team shall be entitled to play, and the foregoing covenant shall not prevent or prohibit the Team from playing, (w) one (1) Offsite Game per Lease Year and (x) in one (1) Lease Year out of each four (4) consecutive Lease Years, one (1) additional Offsite Game for a total of two (2) Offsite Games in such Lease Year; provided, however, if (I) Substantial Completion (as defined in the Stadium Development Agreement) has not been achieved by [August 1, 2028] (subject to Force Majeure), and (II) as a result of any such delay, a Home Game that otherwise would have been played in the Stadium during the 2028-2029 NFL Season is required to be played elsewhere, the Team shall not be permitted to exercise the right described in the foregoing clause (x) until the fifth (5th) NFL Season of the Term. Additionally, if there are eighteen (18) or more Regular Season Games scheduled in the NFL Season (i.e., nine (9) or more total Home Games in any given Season), then for each four (4) consecutive Lease Years, the Team shall be entitled to play, and the foregoing covenant shall not prevent or prohibit the Team from playing, (y) one (1) Offsite Game per Lease Year in two (2) of such group of four (4) consecutive Lease Years and (z) two (2) Offsite Games per Lease Year in the other two (2) of such group of four (4) consecutive Lease Years, provided, however, in no event may the Team play two (2) Offsite Games per Lease Year in consecutive Lease Years (whether pursuant to clause (x) or clause (z) above); and provided, further, if (I) Substantial Completion (as defined in the Stadium Development Agreement) has not been achieved by [August 1, 2028] (subject to Force Majeure), and (II) as a result of any such delay, a Home Game that otherwise would have been played in the Stadium during the 2028-2029 NFL Season is required to be played elsewhere, the foregoing clause (z) shall entitle the Team to only one (1) Offsite Game per Lease Year in the other two (2) of such group of four (4) consecutive Lease Years until the fifth (5th) NFL Season of the Term. In order to remain eligible to play two (2) Offsite Games in a given Lease Year as set forth in subparagraph (z) above, each Lease Year within such four (4) consecutive Lease Year period must have eighteen (18) or more Regular Season Games with a minimum of nine (9) or more total Home Games. For the avoidance of doubt, notwithstanding the foregoing, any (i) Super Bowl or (ii) Post-Season Game moved to a neutral location because of Force Majeure may be played outside the Stadium.

(b) Untenantable Condition. Notwithstanding the provisions of Section 2(a) above, if, during the Non-Relocation Term, an Untenantable Condition exists, then TeamCo shall first attempt to reschedule the affected Home Game(s) at the Stadium to a date or dates satisfactory to TeamCo and the NFL. If TeamCo is unable to reschedule the affected Home Game(s) at the Stadium, then TeamCo shall be entitled to cause the Team to play any affected Home Game(s) at an Alternate Site during the period in which such Untenantable Condition exists and continues to exist (the “Untenantability Period”); provided that TeamCo shall promptly notify the City of the existence of such Untenantable Condition and, within a reasonable amount of time thereafter, shall furnish written notice identifying (to the extent that such information is known by TeamCo): (i) such Untenantable Condition, (ii) the expected duration of such Untenantable Condition (including the number of Home Games expected to be played at the Alternate Site), (iii) the location of the Alternate Site, and (iv) the length of any contractual commitment made by TeamCo to cause the Team to play its Home Games at the Alternate Site. Without limiting the foregoing, upon the occurrence and during the continuance of any Untenantable Condition, TeamCo shall, except in the event of a taking that results in the appropriation of title to the whole or substantially all of the Stadium as set forth in the Stadium Lease, (x) use commercially reasonable efforts to (A) mitigate and eliminate such Untenantable Condition as soon as reasonably practicable to the extent within the reasonable control of

TeamCo and (B) minimize the duration of such Untenantable Condition and any contractual commitment to cause the Team to play its Home Games at an Alternate Site, and (y) keep the City reasonably apprised of the status of such Untenantable Condition. In no event shall the obligation to use commercially reasonable, diligent, and good faith efforts to mitigate and overcome such Untenantability Period pursuant to this Section 2(b) require TeamCo, the Team or StadCo to perform any obligation of the City under the Project Documents related to the cause of the Untenantable Condition or its mitigation.

(c) Cancelled Home Games. In addition, notwithstanding the provisions of Section 2(a) above, the Team shall not be obligated to play any Home Games at the Stadium that have been cancelled and not rescheduled by the NFL.

3. Maintenance of the Team and the Franchise.

(a) During the Non-Relocation Term, TeamCo shall: (i) keep and maintain the Team as a validly existing and participating NFL Team under NFL Rules and Regulations; (ii) keep and maintain the Franchise as a validly existing and participating NFL franchise in good standing under NFL Rules and Regulations; (iii) except as otherwise provided in Section 2 above and/or in the Stadium Lease, keep and maintain the Stadium in accordance with the terms of the Stadium Lease as the facility designated to and by the NFL as the home facility for the Team; and (iv) maintain its principal business operations office in the City as a domestic or duly qualified foreign business in good standing under all Applicable Law.

(b) Subject to the provisions of Section 2 above, except as otherwise set forth herein, during the Non-Relocation Term, without the prior written consent of the City, which consent shall be within the sole and absolute discretion of the City, TeamCo shall not: (i) apply to the NFL for, or otherwise seek, NFL approval to allow the Team to play any Home Games during the Non-Relocation Term anywhere other than the Stadium; (ii) relocate, transfer or otherwise move the Team to a location other than the Stadium; (iii) enter into any contract or agreement to sell, assign or otherwise transfer the Team to any Person who, to TeamCo's knowledge, intends to relocate, transfer or otherwise move the Team during the Non-Relocation Term to a location other than the Stadium; (iv)(A) entertain any offer or proposal to relocate the Team to a location other than the Stadium, (B) solicit an offer or proposal from any Person to enter into discussions regarding moving the Team to a location other than the Stadium, or (C) enter into negotiations or agreements with third-parties concerning the relocation of the Team to a location other than the Stadium, except in the case of this clause (iv) solely (x) during the last five (5) years of the Non-Relocation Term and (y) to the extent that the relocation or other action described in such clause would first take effect after the Non-Relocation Term; or (v) complete a transfer, assignment, or surrender of the Franchise that results in the Team not playing any Home Games.

4. Transfer of Team or Franchise. TeamCo shall have the right, at its sole election and at any time or from time to time, to assign, sell or otherwise transfer, or grant or place a lien upon, in whole or in part, the Team or the Franchise and/or any ownership rights therein, to any Person (an "Assignee"), without the prior written approval of the City, solely if such assignment, sale or transfer, or grant or placement of a lien, is conditioned on such Assignee (a) being approved by the NFL in accordance with the NFL Rules and Regulations as an owner of the Franchise or the holder of a lien thereon and (b) to the extent any such Assignee, as the successor to TeamCo, thereafter Controls the Franchise, whether (i) pursuant to any such assignment, sale or transfer or (ii) pursuant to any foreclosure or other action against any such lien, being required to execute and deliver to the City an assignment and assumption agreement substantially in the form attached hereto as Exhibit A (or such other agreement in form and substance reasonably satisfactory to the City) whereby such Assignee assumes full responsibility for the performance of all of the obligations of TeamCo under the Stadium Documents (including under the Non-Relocation Covenants), and the TeamCo Guaranty (as defined in the Stadium Lease) arising on and after the date of such assignment, sale, transfer or foreclosure. Subject to satisfaction of the conditions precedent specified

in clause (b) above, TeamCo shall be relieved from any obligations arising under this Agreement after the date any such assignment and assumption agreement is executed and delivered to the City.

5. Specific Performance; Liquidated Damages.

(a) The Parties acknowledge that: (i) TeamCo's obligations under the Non-Relocation Covenants are unique, are the essence of the bargain, and are essential consideration for this Agreement, the other Stadium Documents and each other project document being entered into by the Parties as related to the construction, development, and improvement of the Stadium; (ii) the Team, as property, is extraordinary and unique and that under the organization of professional football by and through the NFL, the City may not be able to replace the Team; and (iii) the determination of damages caused by a Non-Relocation Default, the effects of which would be suffered by the Home Territory, would be difficult, if not impossible, to ascertain, and (iv) there would be irreparable harm to the City if this Agreement is breached. Therefore, the Parties acknowledge and agree that there exists no adequate and complete remedy at law to enforce this Agreement against TeamCo, and that equitable relief by way of a decree of specific performance or an injunction (such as a prohibitory injunction barring TeamCo from relocating or playing Home Games in a facility other than the Stadium or a mandatory injunction requiring TeamCo to play Home Games at the Stadium) is the only appropriate remedy for the enforcement of this Agreement notwithstanding the provisions for liquidated damages provided elsewhere in this Section 5. In amplification and not in limitation of the foregoing, the City acknowledges and agrees that, in the event of a Non-Relocation Default, or the threat of a Non-Relocation Default, the City shall first seek equitable relief before attempting to avail itself of the liquidated damages provisions set forth in Section 5(b), provided that equitable relief is a remedy available and enforceable at the time of the Non-Relocation Default. Additionally, based on the foregoing, TeamCo hereby agrees as follows:

(i) Provided that the City has not terminated the Stadium Lease and has not terminated StadCo's right of possession of the Stadium under the Stadium Lease, that the City shall be entitled to seek and obtain injunctive or declaratory relief prohibiting action by TeamCo, directly or indirectly, that causes a Non-Relocation Default, or mandating action that averts a Non-Relocation Default, or enforcing the Non-Relocation Covenants through specific performance.

(ii) That obligations are being incurred to make the Stadium available for Home Games during the Stadium Lease Term and that any Non-Relocation Default shall constitute irreparable harm to the City for which monetary damages or other remedies at law will not be an adequate remedy.

(iii) That the rights of the City to injunctive relief as a result of a Non-Relocation Default, as set forth in this Section 5 and otherwise allowed under Applicable Law, shall not constitute a claim pursuant to Section 101(5) of the United States Bankruptcy Code, as it may be amended from time to time, or any substitute therefor, and shall not be subject to discharge or restraint of any nature in any bankruptcy, reorganization or insolvency proceeding involving TeamCo, and that this Agreement is not an "executory contract" as contemplated by Section 365 of the United States Bankruptcy Code.

(iv) That in any proceeding seeking relief for a Non-Relocation Default, any requirement for the City to post any bond or other security or collateral as a condition of any relief sought or granted is hereby waived.

(b) TeamCo acknowledges and agrees that if, solely upon the occurrence of a Specified Non-Relocation Default, including any such default arising pursuant to the provisions of Section 365(g) of the United States Bankruptcy Code or similar provision of any successor thereto, equitable relief pursuant to Section 5(a) above is not granted to the City by a court of competent jurisdiction

for any reason or is otherwise unavailable, the payment of liquidated damages as provided herein is the next most appropriate remedy. Therefore, the Parties agree that in the event of a Specified Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5(a), the City will be entitled to recover from TeamCo, as liquidated damages, an amount equal to the sum, without duplication, of: (i) the City Contribution, (ii) to the extent not covered in clause (i) above, the sum of the scheduled principal and interest payments on the City Bonds or any other applicable financing arrangement, calculated in accordance with the original debt service payment schedule set forth in the applicable bond ordinance (or other applicable definitive documentation) at the time of issuance of the City Bonds (whether or not principal payments actually made were made in accordance with such schedule), as well as any costs of issuance that were borne by the City with respect to the initial issuance of the City Bonds or any other applicable financing arrangement, or (but only to the extent not otherwise accounted for pursuant to the foregoing) any costs that are to be borne by the City with respect to the City Bonds or any other applicable financing arrangement as a result of the Specified Non-Relocation Default (excluding, for the avoidance of doubt, any cost borne by the City in connection with a bond default or refinancing), and (iii) any amounts contributed by the City to, and expended from, the Capital and Maintenance Fund and the Operations, Utilities and Events Fund (each as defined in the Stadium Lease). The amounts in clauses (i), (ii), and (iii), above (such amounts, collectively, the “Public Contribution”) shall be determined as of the date of such Specified Non-Relocation Default. The Parties acknowledge and agree that the percentage of the Public Contribution payable as liquidated damages shall decline on the first day of the fifteenth (15th) Lease Year and on the first day of each Lease Year thereafter throughout the Stadium Lease Term, until reduced to zero percent (0%) on the first day of the thirtieth (30th) Lease Year, as shown in the chart below:

Lease Year	Percentage of Public Contribution Owed
1 st – 14 th	100%

(c) If, after the occurrence of a Specified Non-Relocation Default, equitable relief is not granted by a court of competent jurisdiction for any reason or otherwise unavailable, then in addition to the liquidated damages set forth in Section 5(b) above, if (i) the agreement with respect to use of the Stadium for the annual college football game between the University of Florida and the University of Georgia and (ii) the agreement with respect to use of the Stadium for the Gator Bowl Association's college football bowl game currently known as the TaxSlayer Bowl have each expired by their terms and have not been renewed, the City shall be entitled to recover from TeamCo the reasonable costs incurred in connection with the demolition of the Stadium, if requested by the City within twelve (12) months from the date set by a court of competent jurisdiction for the payment of the applicable liquidated damages.

(d) For the avoidance of doubt, in no event may the City seek or obtain such liquidated damages, or any portion thereof, if the actions taken by TeamCo causing a Specified Non-Relocation Default occur after the expiration of the Non-Relocation Term. It is specifically contemplated by the Parties that if the Non-Relocation Term expires, this Agreement and the Non-Relocation Covenants herein shall be terminated as of the Stadium Lease Term Expiration Date without affecting any obligation, for liquidated damages or otherwise, arising from any Non-Relocation Default which occurred prior to such Stadium Lease Term Expiration Date.

(e) In determining the amount of liquidated damages provided for in Section 5(b), it is acknowledged and agreed that the Parties have exercised great care to make a reasonable forecast of direct damages allowable by law that may arise from the breach of this Agreement by TeamCo, taking into due consideration: (i) the loss of taxes attributable to Team operations; (ii) the extraordinary involvement, covenants and expense of the public in securing the Team's commitment to play the Home Games at the Stadium for the Non-Relocation Term; (iii) the consequent reduction in value of the Stadium arising from the absence of the Team; (iv) the substantial economic benefit conferred upon the Team through the Stadium Lease intended to ensure that the Team will play its Home Games in the Stadium for the Non-Relocation Term as and to the extent required hereby; (v) the detrimental effects of a breach on the City and the community; (vi) the loss of revenues to the City and the community; and (vii) the amount contributed by the City to the construction, development, improvement, maintenance, and operation of the Stadium, including the proceeds of, and all costs associated with the incurrence of, any debt incurred by the City, and any amounts spent from the Capital and Maintenance Fund and the Operations, Utilities and Events Fund. Upon a Specified Non-Relocation Default, if injunctive relief or specific performance as provided in Section 5(a) above is not granted to the City, liquidated damages shall be paid by TeamCo in immediately available funds in a lump sum not later than the date set by a court of competent jurisdiction; provided, that, for the avoidance of doubt, in no event shall TeamCo be entitled to relocate its principal business office outside of the City or play any Home Games (or further Home Games, as applicable, if the

Specified Non-Relocation Default was caused by an affirmative relocation of the Team) outside of the Stadium until all liquidated damages are paid to the City in full. The Parties acknowledge that the reasonable forecast of direct damages provided in Section 5(b) is not an exact measure of actual damages, as such an exact measure would be infeasible to estimate or forecast with precision.

(f) If, upon a Specified Non-Relocation Default, equitable relief fashioned to require the Team to play Home Games in the Stadium is not granted by a court of competent jurisdiction for any reason (following prosecution to a final and non-appealable judgment), TeamCo, for itself and its successors, assigns and Affiliates, hereby waives any right, whether arising hereunder, at law, in equity or otherwise, to object to or otherwise challenge the validity, appropriateness or legitimacy of liquidated damages as the remedy for such Specified Non-Relocation Default. In the event the City is awarded the above-referenced liquidated damages, the City hereby waives any right to collect, seek or claim any additional monetary damages, including any lost or prospective profits, or for any other special, indirect, incidental, consequential, exemplary or punitive damages.

(g) Notwithstanding anything to the contrary set forth herein, the City specifically consents to and agrees that it shall not be permitted to enforce the provisions of this Agreement against TeamCo, including the equitable remedies or liquidated damages provisions set forth in Sections 5(a) or Section 5(b), except with respect to conduct engaged in by TeamCo prior to the Stadium Lease Term Expiration Date constituting or resulting in a Non-Relocation Default or Specified Non-Relocation Default, as applicable.

6. All Remedies. If, upon a Non-Relocation Default, the applicable equitable remedies and liquidated damages provided for in Section 5 are unavailable for any reason, the City shall be entitled to pursue all other legal and equitable remedies against TeamCo, whether or not such other remedies are specifically set forth in this Agreement; provided, however, that any damages or money judgment obtained in any such legal or equitable proceedings shall not exceed the amount of liquidated damages that the City would have been entitled to receive pursuant to Section 5(b) herein but for such unavailability. Except as expressly set forth in this Agreement, all legal and equitable remedies of the Parties are cumulative and may be exercised concurrently, successively, or in any order. Nothing in this Section 6 shall be read or interpreted to negate, forgo, or waive the City's right to obtain equitable relief or liquidated damages as set forth in Section 5 of this Agreement.

7. Termination of Agreement. This Agreement shall terminate upon the earlier of (i) the expiration or termination of the Non-Relocation Term, (ii) the mutual agreement of the Parties and (iii) the payment of liquidated damages in accordance with the provisions of Section 5(b) if such liquidated damages are available as a remedy and are sought by the City; provided, however, that no such termination or cancellation shall relieve TeamCo of any obligation for liquidated damages arising or accruing pursuant to this Agreement prior to the effective date of such termination.

8. Irrevocable Nature. During the Non-Relocation Term, the Non-Relocation Covenants are absolute, irrevocable, and unconditional obligations of TeamCo and shall not be released, discharged, limited or affected by any right of setoff or counterclaim that TeamCo may have to the performance thereof, except as expressly provided herein. The terms of this Section 8 shall expressly survive any termination of this Agreement.

9. Miscellaneous.

(a) No Construction Against Drafting Party. The Parties acknowledge that each such Party and its respective counsel has had the opportunity to review this Agreement and that this Agreement will not be construed against any Party merely because its counsel prepared this Agreement.

(b) Notices. Any notice, request, instruction or other communication to be given hereunder by any Party to another Party shall be deemed properly given via (i) registered or certified mail, postage prepaid, return receipt requested, (ii) nationally recognized overnight courier, (iii) personal delivery (or delivery by bonded courier), or (iv) email, to the address designated for the recipient. Notice shall be effective on the date of receipt of the notice by the Party being notified; provided, however, email notices shall be effective on the date of email delivery, if delivered prior to 5:00 p.m. (in the time zone of delivery) on a Business Day (otherwise on the next Business Day), provided that any email notice also is sent on the same day via one of the other delivery methods permitted pursuant to this Section 9(b). Either Party shall have the right, by giving written notice to the other, to change the address at which its notices are to be received. Until any such change is made, notices to the Parties shall be delivered as set forth in Schedule 9(b) attached hereto.

(c) Severability. If any provision of this Agreement proves to be illegal, invalid, or unenforceable, the remainder of this Agreement will not be affected by such finding. Without limiting the generality of the foregoing, the covenant of TeamCo in Section 2(a) is separate and independent from each other covenant contained herein.

(d) Written Amendment Required. No course of performance or other conduct hereafter pursued, accepted or acquiesced in, and no oral agreement or representation made in the future, by any Party, whether or not relied or acted upon, and no usage of trade, whether or not relied or acted upon, shall modify or terminate this Agreement, impair or otherwise affect any right or obligation of any Party or otherwise operate as a waiver of any such right or remedy. No modification of this Agreement or waiver of any such right or remedy shall be effective unless (i) made in writing, and (ii) duly executed by the duly authorized representatives of the Parties. Any amendment to this Agreement shall require the approval of the NFL and shall be null and void unless such approval is obtained in advance. Notwithstanding anything to the contrary herein, the Parties hereby designate the NFL as a third-party beneficiary of this Section 9(d) with the right to enforce the same.

(e) Entire Agreement. This Agreement represents the entire agreement between the Parties with respect to the matters set forth herein and supersedes all prior or contemporaneous negotiations, representations or agreements, written or oral, pertaining to the subject matter of this Agreement. To the extent that there are any discrepancies between any other agreement and this Agreement, the terms and provisions of this Agreement shall control.

(f) Captions; Interpretation. The captions of the various articles and sections of this Agreement are for convenience only and do not define, limit, describe, or construe the contents of such articles or sections. Where specific language is used to clarify by example a general statement contained herein (such as by using the word “including”), such specific language shall not be deemed to modify, limit or restrict in any manner the construction of the general statement to which it relates. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa. The words “include”, “including” and other words of similar import when used herein shall not be deemed to be terms of limitation but rather shall be deemed to be followed, in each case, by the words “without limitation.” The words “herein”, “hereto” and “hereby” and other words of similar import in this Agreement shall be deemed, in each case, to refer to this Agreement as a whole and not to any particular Article, Section or other subdivision of this Agreement. Any dispute arising out of this Agreement shall be litigated exclusively in the federal or state courts sitting in Jacksonville, Duval County, Florida. The Parties hereby consent to in personam jurisdiction of such courts and irrevocably waive any objection and any right of immunity on the ground of venue, the convenience of forum or the jurisdiction of such courts. Each Party agrees to service of process in any form or manner permitted by law, addressed to it as set forth in accordance with Section 9(b). Each Party agrees not to institute suit arising out of this Agreement against any other Party in a court in any jurisdiction, except as stated above, without the consent of such other Party. Each Party agrees that a true, correct and complete copy of this Agreement kept in the City’s or TeamCo’s course of business may be admitted into evidence as an original.

(h) Binding Effect. The covenants, conditions and agreements contained in this Agreement will bind and inure to the benefit of the Parties and their respective successors and/or permitted assigns. This Section 9(h) shall not affect or reduce the obligations of TeamCo under Section 4.

(i) No Assignment. Neither this Agreement nor any of the rights, responsibilities, or obligations hereunder can be transferred or assigned, whether by operation of law or otherwise, without the prior written consent of the non-assigning Party; provided, however, that (a) the City may assign this Agreement (a “City Transfer”) in connection with an assignment of its obligations under the Stadium Lease, to the extent permitted under the Stadium Lease, provided that such assignee assumes full responsibility for the performance of all of the obligations of the City under this Agreement and the Stadium Lease; and (b) subject to Section 4 above, TeamCo shall have the right to assign, sell or transfer, in whole or in part, the Team (or the Team’s rights under the Franchise) to an Assignee upon the approval of the NFL of such assignment, sale or transfer in accordance with applicable NFL Rules and Regulations. No City Transfer shall relieve the City from any of its obligations under this Agreement except that the City shall be relieved from any obligations arising under this Agreement on and after the date of a City Transfer if, and only if, (i) TeamCo approves of such City Transfer or (ii) TeamCo’s approval of such City Transfer is not required pursuant to this Section.

(j) Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same instrument. (k) Applicable Standard. Any approval, consent, decision or election to be made or given by a Party may be made or given in such Party's sole judgment and discretion, unless a different standard (such as reasonableness) is provided for explicitly.

(l) Authority. Each of TeamCo and the City represents and warrants that (i) it has full power and authority to enter into this Agreement and to perform and carry out all obligations, covenants and provisions hereof; and (ii) this Agreement constitutes the legal, valid and binding obligations of such Party in accordance with the terms hereof and has been duly authorized by all necessary board, director, shareholder, manager, legislative, executive, committee and/or agency action, as the case may be, of such Party.

(m) No Third-Party Beneficiaries. Except as otherwise provided in Sections 5(g) and 9(d) above, this Agreement is solely for the benefit of the Parties, and their successors and permitted assigns, and no provisions of this Agreement shall be deemed to confer upon any other Person any remedy, claim, liability, reimbursement, cause of action or other right.

(n) Parties in Interest; Limitation on Rights of Others. The terms of this Agreement shall be binding upon, and inure to the benefit of, the Parties and their permitted successors and assigns. Nothing in this Agreement (except as provided in Section 9(m) above), whether express or implied, shall be construed to give any Person (other than the Parties and their permitted successors and assigns as expressly provided herein) any legal or equitable right, remedy or claim under or in respect of this Agreement or any covenants, conditions or provisions contained herein or any standing or authority to enforce the terms and provisions of this Agreement.

Tenant may inquire at the time of scheduling any City Event whether Landlord plans to use the Amphitheater in connection with such uses. If Landlord so declares in writing, then Tenant shall be free to use the Amphitheater on such dates.

(d) As part of its responsibilities for overall Stadium security, Tenant shall be responsible for providing security to patrol the Amphitheater Area (other than, for purposes of clarity, any supplemental security required in connection with City Events or Landlord Events). Landlord and Tenant shall ensure that meters and sub-meters, as applicable, are maintained so that all utility costs can be properly allocated to the Amphitheater Premises. Landlord shall use reasonable best efforts to assist Tenant to secure utilities for the Amphitheater Premises at rates comparable to reduced bulk rates applicable to Landlord facilities.

9. Operator Benefits. Tenant shall have the sole and exclusive right to exercise, control, license, sell, authorize, and establish the prices and other terms for, and contract with

10. Surcharges. For all paid tickets and parking passes for Amphitheater Events (other than Landlord Events and Catered Events) Tenant shall be responsible for collecting a ticket surcharge for each ticket sold by it and a parking surcharge for each parking pass sold by it. Landlord shall apply the same surcharge to tickets and parking for all Amphitheater Events to which a surcharge is applicable, including Landlord Events.

11. Landlord Use of Amphitheater.

(a) Landlord shall have the right, at its sole cost and expense, to use the public areas of the Amphitheater Premises (excluding the Exclusive Areas) on the dates of City Events and, with at least 90 days' prior written notice (i) the day before the Florida-Georgia Game, and (ii) the days on which the annual Jacksonville Jazz Festival occurs.

(b) Subject to Tenant's prior written approval, with 60 days' prior written notice to Tenant, Landlord shall have the right, at its sole cost and expense, to use the Amphitheater Premises (excluding the Exclusive Areas) on additional event days mutually agreed upon by Landlord and Tenant. shall identify in reasonable detail the nature of the event, the areas of the Amphitheater Premises Landlord expects to use, the terms of admission, the expected attendance, any special security or other arrangements that are anticipated, and any other information reasonably necessary for Tenant to perform its duties under this Lease. Tenant's approval (which shall not be unreasonably withheld, conditioned or delayed) of a proposed Landlord Event may be conditioned upon reasonable restrictions imposed by Tenant, such as time limitations for use of the Amphitheater Premises for such Landlord Event. Tenant's basis for refusing a proposed Landlord Event may include, without limitation, (i) conflicts or potential conflicts with events at the Stadium or the Covered Flex Field, including the set-up and breakdown for such events, (ii) legitimate concerns about potential damage to the Amphitheater or any portion thereof, and (iii) conflicts or potential conflicts with Tenant's sponsors or media partners.

(c) The Landlord events described in Section 11(a)-(b) are referred to as "**Landlord Events**", and the dates of such events are referred to as "**Landlord Event Dates**". Landlord shall not have the right to assign, grant, license or otherwise transfer its rights under this Section 11 to any other Person other than a promoter of the applicable Landlord Event.

(d) Landlord shall be entitled to the admission ticket revenues, parking revenues and rental fees (net of applicable ticket and parking surcharges, taxes, credit card fees, fees of ticketing agents and other related expenses), if any, from all Landlord Events. In addition, Landlord shall be entitled to all Concessions profits from Landlord Events held on the Amphitheater Premises on the dates of City Events, the day before the Florida-Georgia Game and the annual Jacksonville Jazz Festival. Landlord shall also control all Merchandise and Media rights in connection with Landlord Events, provided that Landlord shall use the Merchandise concessionaire engaged by Tenant for Amphitheater Events to distribute Merchandise for Landlord Events, with Landlord entitled to all net revenues therefrom. Tenant shall be entitled to all other revenues from Landlord Events. Without limiting the foregoing, all agreements of Tenant with concessionaires, other vendors, sponsors and advertisers shall remain in effect with respect to all of the Landlord Event Dates and Tenant shall have the exclusive right to retain all revenues from such agreements. Tenant shall provide in its contracts with its primary food and beverage concessionaire for the Amphitheater that any discounts provided to Tenant in connection with Tenant's internal Catered Events shall be provided to Landlord in connection with Landlord's internal Catered Events.

(e) Landlord shall reimburse Tenant for all costs and expenses incurred by Tenant that arise from, are incurred in connection with or are otherwise attributable to the use of the Amphitheater Premises for a Landlord Event, including: (i) all costs relating to the set-up or breakdown for such Landlord Event; (ii) all costs related to the conduct of such Landlord Event, including for personnel (security personnel, facility and system operators, janitorial personnel and other personnel), utility expenses and post-event clean-up expenses of the Amphitheater Premises; (iii) Tenant's costs for any third-party services necessary for such Landlord Event; (iv) Tenant's costs for repairing damage to the Amphitheater Premises caused on the Landlord Event Date or otherwise arising from the Landlord Event (except for ordinary wear and tear); and (v) if Landlord has requested that Tenant handle ticketing for such Landlord Event, all costs associated with such ticketing function. Landlord shall reimburse Tenant for all such expenses within 30 days after receipt of a reasonably detailed invoice from Tenant. Landlord and Tenant shall, to the fullest

extent practicable, negotiate and agree to all such costs in advance of any Landlord Event date. For purposes of clarity, Tenant shall have no right to charge any rental fee or other user fee in connection with Landlord's use of the Amphitheater Premises.

(f) Landlord shall have the right, at its sole cost and expense, to install temporary signage (that does not cover any fixed signage) and to retain revenues from the sale of such signage to sponsors, on the condition that (i) the content of such signage does not conflict or compete with the existing Signage or other Advertising at the Amphitheater Premises or the Covered Flex Field, and/or (ii) such temporary signage does not violate any agreement between Tenant and any Tenant sponsor or between StadCo and any StadCo sponsor. Tenant shall include a reference to Landlord's temporary signage rights in its sponsorship agreements in respect of the Amphitheater. Tenant and Landlord shall reasonably cooperate with respect to the availability and location of such temporary signage. Other than as expressly set forth in this subparagraph (f), Landlord shall not (A) sell, license or authorize any Advertising at any time in, on or around the Amphitheater Premises or (B) obscure, mask, alter, cover or obstruct (electronically or otherwise) any fixed or permanent Signage displayed in or around the Amphitheater Premises, whether during a Landlord Event or otherwise.

(g) Prior to each Landlord Event, Landlord shall enter into a use agreement with Tenant addressing matters not covered by this Section 11 that are customarily addressed between users and operators of facilities similar to the Amphitheater (a "***Landlord Event Use Agreement***"). Such Landlord Event Use Agreement shall contain the following provisions: (i) an agreement by Landlord to, and to cause any third-party promoter of a Landlord Event to, indemnify, defend, protect, and hold harmless the Tenant Indemnitees from and against any and all Losses of any nature resulting from, arising out of or in connection with the Landlord Event or the use of the Amphitheater Premises on or in connection with a Landlord Event Date, subject to the provisions and limitations of Section 768.28, which are not hereby altered, waived or expanded; (ii) a requirement that Landlord and its invitees comply with generally applicable policies established by Tenant for the Amphitheater Premises, including those regarding security, access and building operations; (iii) an agreement by Landlord not to operate or permit any Person to operate any Concessions or Merchandise operations in or upon the Amphitheater at any time; (iv) a requirement that any third-party promoter for a Landlord Event obtain and provide Tenant with evidence at least 10 days prior to any scheduled Landlord Event that it has obtained insurance with respect to the Landlord Event acceptable to Tenant in its reasonable discretion, which insurance shall name Tenant and its Affiliates as an additional insured and loss payee; and (v) such other terms as Landlord and Tenant mutually agree upon.

(h) Landlord shall make commercially reasonable efforts to use the name given to the Amphitheater and any other portion or all of the Amphitheater Premises in any naming rights agreement entered into by Tenant in all public correspondence, communications, advertising and promotion Landlord may undertake with respect to the Amphitheater and any other portion or all of the Amphitheater Premises and Landlord Events. In addition, Landlord shall include such name on any directional or other signage that refers to or identifies the Amphitheater, which is installed by Landlord after the date the Amphitheater is named or after the date of any name change to the Amphitheater.

12. Marquee. The Marquee shall be used to promote events at the sports and

entertainment complex. Tenant shall have the exclusive right and obligation to program such Marquee solely with information regarding events in the sports and entertainment complex and the presenting, title or similar promoters or sponsors of such events. Tenant shall have the right to install and sell or otherwise grant any fixed signage space on the Marquee, in accordance with all applicable Governmental Requirements. Tenant shall cooperate with Landlord to include information related to Landlord Events in the sports and entertainment complex on the Marquee.

13. Capital Projects.

(a) During the Lease Term, Tenant shall undertake all Capital Projects using funds from the Amphitheater Capital Fund and, if necessary, the Additional Capital Funds, in accordance with this Section 13.

(b) Proceeds in the Amphitheater Capital Fund and any Additional Capital Funds shall be the property of Landlord and shall be used exclusively to fund Capital Expenses in accordance with the approved Capital Plan and Section 13(e).

(c) Tenant shall deposit ticket and parking surcharges from Amphitheater Events (other than Landlord Events), and Landlord shall deposit ticket surcharges from Landlord Events, into the Amphitheater Capital Fund within 30 days of the applicable event.

(d) On or prior to April 30 and October 31 of each year of the Lease Term, Landlord shall notify Tenant as to the total ticket and parking surcharges collected during the 6-month period ending March 31 and September 30, respectively, of that year, and within one month thereafter, Tenant shall make or cause to be made an additional rent payment in an amount equal to the amount of such surcharges into the Amphitheater Capital Fund.

(e) On or prior to May 15 of each year during the Lease Term, Tenant shall submit to the City Representatives a proposed Capital Repair plan for the Amphitheater Premises and the Marquee (the "**Capital Plan**"), which sets forth a list of Capital Projects that are expected to be undertaken at the Amphitheater Premises and to the Marquee over a period of not less than three years, commencing October 1 of the immediately following fiscal year, and provides an initial designation of Capital Projects as either Capital Improvements or Capital Repairs. The Capital Plan shall assign the highest priority to life safety and code compliance projects. The City Representatives shall have one month to review and comment upon the Capital Plan (including the Capital Projects and the designations thereof). During the five-day period following receipt of the City Representative's comments, if any, to the Capital Plan, the City Representatives and Tenant shall meet to jointly agree upon changes to and finalize the Capital Plan. The Capital Plan shall then be submitted, together with the Capital Plan for the Renovated Stadium pursuant to the Stadium Lease for such year, if any, to the City through the City Representatives for review, with the expenses relating to Capital Repairs for the immediately succeeding fiscal year subject to approval by City Council in the forthcoming City budget, unless earlier approved by City Council. Thereafter, City shall make disbursements from the Amphitheater Capital Fund to fund Capital Projects set forth in the Capital Plan, as and when requested by Tenant in accordance with this Lease. The portions of the Capital Plan approved by City Council shall be deemed final and Tenant may spend monies in the Amphitheater Capital Fund in accordance with this Lease, the Capital Plan and the procurement policy mutually agreed upon between Tenant and Landlord.

(f) If the Amphitheater Capital Fund monies are insufficient for the repair and maintenance of the Amphitheater Premises as needed to maintain the Amphitheater Premises in accordance with the Amphitheater Standard of Care (as mutually agreed by Tenant and Landlord), Tenant and the City Representatives shall mutually agree as to the scope of maintenance and repairs required, and upon agreement Landlord shall pay half of, and Tenant shall make or cause to be made an additional rent payment in an amount equal to half of, the Additional Capital Funds necessary to fulfill such scope (provided that the obligations of Tenant and Landlord shall be subject to the Landlord's lawful appropriation of the funds therefor).

(g) In the event there are ongoing surpluses in the Amphitheater Capital Fund, Landlord and Tenant may mutually agree in writing from time to time to transfer funds from the Amphitheater Capital Fund that have been paid to the Amphitheater Capital Fund pursuant to this Lease to the Capital and Maintenance Fund to be used in respect of the Stadium.

(h) Nothing in this Lease shall modify any of Landlord's or Tenant's obligations with respect to management, repairs and/or maintenance, as applicable, to the Stadium.

14. Title; Taxes.

(a) Ownership of fee title to the Amphitheater Premises shall remain vested in Landlord during the Lease Term, subject to the covenants, conditions and terms of this Lease, and Tenant shall have a leasehold interest in and to the Amphitheater Premises. Any leasehold improvements made to the Amphitheater Premises shall be vested with Landlord, who shall have fee title thereto, subject to the covenants, conditions and terms of this Lease. Notwithstanding the foregoing, no furnishings, furniture, fixtures, equipment or other personal property installed or constructed by Tenant on or within the Amphitheater Premises (other than personal property purchased as a part of the 2015 Improvements Costs (as defined in Amendment No. 14)) shall be Landlord's property (unless such property is permanently affixed to and a leasehold improvement of the Amphitheater Premises), but shall be the property of Tenant.

(b) Notwithstanding that fee title to the Amphitheater Premises shall remain vested in Landlord during the Lease Term, it is acknowledged that (i) Tenant will pay for and construct or provide (or has caused to be constructed or provided) a significant portion of the Amphitheater and the installations, additions, fixtures and improvements to be placed in or upon the Amphitheater Premises, whether temporary or permanent; (ii) Tenant shall retain the sole beneficial and depreciable interest for tax purposes (to the extent of its investment and any funds arranged by it) in such items; and (iii) for all income tax purposes, neither Landlord nor any other Person shall have the right to take depreciation deductions with respect to such items, or claim any other right to tax benefits arising from such items, such rights being exclusively reserved to Tenant unless assigned by Tenant, in whole or in part, to one or more third parties ("**Tenant's Beneficial Rights**"). For purposes of identifying the items subject to Tenant's Beneficial Rights, following substantial completion of the Amphitheater and determination of the Amphitheater Area, Tenant shall cause an independent accounting, appraisal or valuation firm to prepare a schedule (which shall be final and binding on the parties absent manifest error) allocating the investment of Tenant among such items forming part of the Amphitheater Premises as it shall elect.

(c) It is the belief and intent of Landlord and Tenant that neither the

Amphitheater Premises, nor any portion thereof, shall be the subject of any imposition, levy or payment of ad valorem real property tax and, in recognition thereof, Landlord agrees to hold harmless, defend and indemnify Tenant against the same and Landlord shall pay, or shall reimburse Tenant for its payment of, any such ad valorem real property tax so imposed, levied or paid, if any.

15. Indemnity.

(a) Subject to subparagraph (b) below, Tenant agrees to hold harmless, indemnify, and defend the Landlord Indemnitees against any Loss arising out of injury to persons or the death of persons or damage to or destruction of property, arising out of or incidental to the negligent actions or omissions of Tenant, its members, managers, officers, employees, agents, representatives, agents, invitees, assignees, and subtenants in the use, occupation of and access to the Amphitheater. This indemnity, with respect to any negligent acts or omissions that have occurred during the Lease Term, shall survive the Lease Term.

(b) Landlord agrees to hold harmless, indemnify and defend Tenant against any Loss arising out of injury to persons or the death of persons or damage to or destruction of property, arising out of or incidental to the negligent actions or omissions of Landlord; and any claims arising at any time during periods during which the Amphitheater Premises is being used by Landlord (or its members, managers, officers, employees, agents, or representatives) pursuant to Section 11 or any claims arising at any time with respect to any portion of the Amphitheater Premises that is not, at the time the cause of action arises, under the dominion and control exclusively of Tenant which claims arise out of or are incidental to the negligent acts or omissions of Landlord, its members, elected officials, officers, employees or agents. It is expressly understood and agreed, by the parties, that the Landlord's indemnity shall be governed by the provisions of and shall not exceed the specific monetary limitations in Section 768.28, Florida Statutes, as that statute exists on the effective date of this Lease. It is expressly understood and agreed, by and between the parties, that Landlord's indemnity for its negligence, expressed herein, is not and shall not be construed as any alteration or waiver of sovereign immunity, in tort, beyond that which has provided by the Florida Legislature in Section 768.28 Florida Statutes.

(c) With respect to any breach of or Default under this Lease, each party shall be responsible for its own costs and attorneys' and other professionals' fees, at no cost or expense to the other party. Nothing in this Section 15 shall constitute a waiver by either Landlord or Tenant or limit Landlord or Tenant's right to recover with respect to any tort action against the other party, subject to the limitations and provisions of Section 768.28, Florida Statutes, which are not hereby altered, expanded or waived. In the event of any joint negligence on the part of Landlord and Tenant, any loss shall be apportioned in accordance with the provisions of the Uniform Contribution Among Tortfeasors Act (Section 768.31, Florida Statutes), as that statute exists on the effective date of this Lease, and subject to the limitations and provisions of Section 768.28, Florida Statutes, which are not hereby altered, expanded or waived. This Section 15 relating to indemnification shall survive the Lease Term, and any holdover and/or contract extensions thereto, whether such Lease Term expires naturally by the passage of time or is terminated earlier pursuant to the provisions of this Lease.

(d) Any agreements or licenses between Tenant and a user or licensee, or

between Landlord and a user or licensee (for purposes of this paragraph, “*Licensee*”) of the Amphitheater Premises shall contain an agreement by such user or licensee to indemnify, defend, protect, and hold harmless the Landlord Indemnitees and Tenant Indemnitees from and against any and all Losses of any nature resulting from, arising out of or in connection with the Licensee’s event or the use of the Amphitheater Premises.

16. Insurance.

(a) Tenant Insurance Requirements. Without limiting its liability under this Lease, Tenant agrees to procure and maintain at all times during this Lease, at its sole expense and at no expense to Landlord, insurance of the types and limits in the amounts not less than stated below:

<u>Policy Type</u>	<u>Limits</u>
Worker’s Compensation	Florida Statutory Coverage
Employer’s Liability	\$100,000 Each Accident
(including appropriate Federal Acts)	\$500,000 Disease Policy Limit
	\$100,000 Each Employee / Disease
Commercial General Liability	\$2,000,000 Combined Single Limit
Automobile Liability	\$500,000 Combined Single Limit
(Coverage for all automobiles, owned, hired or non-owned)	
Management Professional Liability	\$500,000 Per Occurrence

Tenant’s commercial general liability policy shall include contractual liability on a blanket or specific basis to cover the Tenant indemnification obligations in Section 15. Tenant’s commercial general liability policy shall also include coverage against the claims of any and all persons for bodily injuries, death and property damage arising out of the use or occupancy of the Amphitheater Premises by Tenant, its officers, employees, agents, subtenants, guests, patrons or invitees. Tenant’s commercial general liability and automobile liability policies shall name Landlord as additional insured and shall contain a standard cross-liability provision and shall stipulate that no insurance held by Landlord will be called upon to contribute to a loss covered thereunder. Landlord shall have no liability for any premium charges for such coverage, and the inclusion of Landlord as an additional insured is not intended to and shall not make Landlord a partner or joint venturer with Tenant in Tenant’s activities in the Amphitheater Premises. Such policies shall be for full coverage with any deductibles and/or retentions subject to approval by Landlord and shall contain provisions on the part of the respective insurers waiving the right of subrogation against Landlord. A copy of the above policies, plus certificates evidencing the existence thereof, shall be delivered to Landlord upon its request. If Tenant does not maintain any of the coverage required hereunder, Landlord may purchase such coverage and charge all premiums to Tenant, who shall pay such premiums back immediately. However, there is no obligation on the part of Landlord to purchase any of these coverages. The insurance provided by the Tenant shall apply on a primary basis to, and shall not require contribution from, any other insurance or self-insurance maintained by Landlord, its members that participate in its self-insurance fund, officials, officers, employees and agents. Each policy shall be written by an insurer holding a current certificate of authority pursuant to chapter 624, Florida Statutes or a company that is declared as an approved Surplus

Lines carrier under Chapter 626 Florida Statutes. Such insurance shall be written by an insurer with an A.M. Best Rating of A-VII or better.

(b) Landlord and Tenant agree to require any other Person that rents, leases or otherwise uses the Amphitheater Premises for an Amphitheater Event to procure and maintain, at its expense, insurance in amounts and of the types to be mutually agreed upon, taking into account the type of Amphitheater Event and the risks posed thereby.

(c) Without limiting its liability under this Lease, Landlord agrees to procure and maintain, at its sole expense and at no expense to Tenant, the following types and amounts (the following limits being minimum requirements) of insurance for the Lease Term, and to furnish certificates confirming such coverage to Tenant, as reasonably requested by Tenant from time-to-time: "all risk" (also known as "special forms perils") property insurance, providing coverage that is no less broad than the ISO Cause of Loss Special Form or equivalent ISO all risk coverage form in use at the time, covering the Amphitheater Premises, on a replacement cost measure-of-recovery basis for the full insurable value thereof. Landlord's property insurance policy shall name Tenant as an additional insured and loss payee.

17. Destruction or Damage. If, at any time during the Lease Term, the Amphitheater Premises, or any portion thereof, should be materially damaged or destroyed by any fire or any other casualty, except through an intentional action or omission of Tenant, Landlord shall remove any resulting debris and repair and/or rebuild the damaged or destroyed structures and other improvements to the condition that such structures and improvements existed prior to such casualty. If Landlord, for any reason whatsoever, fails to commence to repair, rebuild and put the Amphitheater Premises, as applicable, in good and tenantable order following damage or destruction arising from any cause whatsoever within 90 days after the date on which such damage or destruction occurred, or fails thereafter to proceed diligently to complete such repair work and/or rebuilding, Tenant, in addition to such other rights and remedies as may be accorded to Tenant by law, shall have the right and option (x) to repair and/or rebuild the damaged or destroyed structures and other improvements to the condition that such structures and improvements existed prior to such casualty or (y) to terminate this Lease by giving the City Representatives written notice of Tenant's election to do so within 90 days after the date on which such damage or destruction occurred, and upon such notice being given, the Lease Term shall automatically terminate and end effective as of the date of damage or destruction. If Tenant exercises its right under clause (x), all insurance proceeds payable with respect to any casualty at the Amphitheater Premises shall be disbursed to or at the direction of Tenant. If Landlord failed to maintain the insurance required under Section 16(c), the amount of proceeds shall be deemed to be the amount Landlord would have collected less normal and customary reimbursement costs had Landlord maintained the insurance required under Section 16(c) with a reputable third-party insurer. If Tenant exercises its right under clause (y), Landlord shall pay Tenant an amount equal to the unamortized portion of the value of (x) one-half of the actual, documented hard and soft costs incurred pursuant to Amendment No. 14 to construct the Amphitheater and improve the Amphitheater Area and the Marquee *plus* (y) one-half of the actual, documented hard and soft costs incurred in respect of Capital Improvements to the Amphitheater Premises and/or the Marquee following the Term Commencement Date (including Capital Improvements paid for from the Amphitheater Capital Fund and from the Additional Capital Funds, but excluding funds used for Capital Repairs) *plus* (z) the actual, documented hard and soft costs incurred by Tenant in

respect of other Capital Improvements to the Amphitheater that are approved by Landlord, but are not paid from the Amphitheater Capital Fund or the Additional Capital Funds. The foregoing costs shall be amortized on a straight-line basis over the remainder of the scheduled Lease Term, but in no case shall the amortization period exceed the useful life of the improvement(s). All documentation of hard and soft costs in respect of Capital Improvements shall be subject to review and approval by Landlord to confirm that such costs are actual Capital Improvement costs, such approval not to be unreasonably withheld, conditioned or delayed.

18. Quiet Enjoyment. As long as there is no Tenant Default, Tenant shall peaceably and quietly hold and enjoy the Amphitheater Premises for the Lease Term without hindrance or interruption by Landlord or any other person or persons lawfully or equitably claiming by, through or under Landlord, except as otherwise expressly provided in this Lease, and Landlord shall defend Tenant's possession of the Amphitheater Premises against all parties lawfully or equitably claiming by, through or under Landlord.

19. Condemnation. If any part of the Amphitheater Premises is taken by eminent domain or condemnation or voluntarily transferred to a governmental authority under the threat thereof (each, a "**Condemnation Proceeding**"), Tenant may, at its sole option, terminate the Lease by giving written notice to the City Representatives within 30 days after the taking. Landlord and Tenant shall each be entitled to seek a separate award for their respective interests in the Amphitheater Premises. If separate awards are not available, then the single award after deducting the costs of collection, shall be equitably and fairly apportioned between Landlord and Tenant to compensate each for their interest in the Amphitheater Premises. Such apportionment shall be reasonably determined by the mutual agreement of the parties, provided if the parties fail to agree, the matter will be resolved in accordance with Section 22. If at any time during the Lease Term less than the entire Amphitheater Premises shall be taken in any Condemnation Proceeding and Tenant does not otherwise terminate this Lease pursuant to this Section 19, then this Lease shall not terminate but shall continue in full force and effect for the remainder of the stated Lease Term, and Tenant shall continue to perform and observe all of the terms, covenants, conditions, agreements and obligations of Tenant to be performed under this Lease as though such taking had not occurred, except that Tenant shall be excused from performing its obligations hereunder to the extent prevented from doing so by reason of such partial condemnation. In the case of any partial condemnation, notwithstanding any judicial allocation of any award in the Condemnation Proceedings, the proceeds of the award shall be applied as follows: (i) first to reimburse the parties for the reasonable costs of collection, and (ii) any excess shall be equitably and fairly apportioned between Landlord and Tenant to compensate each for loss associated with their interest in the Amphitheater Premises. Such apportionment shall be reasonably determined by the mutual agreement of the parties, provided if the parties fail to agree, the matter shall be governed by Section 22 of this Lease.

20. Assignment.

(a) Tenant shall not sell, assign, transfer, pledge, mortgage or encumber (each, a "**Transfer**") this Lease without first obtaining the written consent of the City Representatives, which consent may be withheld or conditioned in their sole discretion.

(b) Notwithstanding Section 20(a) or any other provision of this Lease, the

following Transfers shall be permitted without the consent of the City Representatives, provided that Tenant shall give Landlord at least thirty (30) days prior written notice of the Transfer:

(i) Tenant may Transfer any or all of its rights and obligations under this Lease to an Affiliate of StadCo (as long as such Affiliate agrees to abide by and be bound by the terms and conditions of this Lease);

(ii) Tenant may pledge, mortgage, collaterally assign, grant a leasehold mortgage or other security interest in or otherwise encumber this Lease or any or all of its rights under this Lease to any lender or other provider, guarantor or insurer of financing to Tenant (as long as such lender or other provider, guarantor or insurer of financing agrees that any lien or security interest shall be subordinate to any lien or security interest held by Landlord), and provided any such lender or other provider, guarantor or insurer agrees to abide and be bound by the terms and conditions of this Lease, and that any payment obligations of Tenant in connection with Lease shall be and remain senior and superior in all respects to any such interests; and

(iii) Tenant may Transfer all of its rights hereunder to any Person that acquires TeamCo's NFL franchise membership with the approval of the NFL (or an Affiliate of such Person), provided such assignee (or one or more Affiliates of such assignee) assumes all of the obligations of Tenant under this Lease and agrees to abide and be bound by all of the terms and provisions of this Lease.

(c) Upon a Transfer approved by the City Representatives under Section 20(a) or Section 20(b)(i) or that does not require approval of Landlord under Section 20(b)(iii), Tenant shall be relieved of its obligations under this Lease from and after the date of such Transfer but shall remain liable for any obligations or liabilities of Tenant arising prior to the Transfer date.

(d) For the avoidance of doubt, and notwithstanding anything contained in this Lease to the contrary, the parties confirm that Tenant shall have the right to sell or grant to Persons (whether on a short-term, or continuing or periodic basis) subleases, licenses, usage or similar rights and otherwise grant to Persons rights to use, enjoy, service or maintain any part of the Amphitheater Premises for any purpose related to the use, operation, exploitation or management of the Amphitheater Premises, subject to Landlord's rights in the last sentence of Section 6(a), Section 9 and Section 11 and without such action being considered a Transfer.

(e) Without the prior written consent of Tenant, which may be withheld or conditioned in Tenant's sole discretion, Landlord shall not (i) grant or permit to exist any mortgage, deed of trust, deed to secure debt, lien, charge or other encumbrance upon any right, title or interest of Landlord in or under this Lease or in the Amphitheater Premises or any portion thereof, or (ii) Transfer this Lease, any portion of the Amphitheater Premises, any of its rights or obligations under this Lease or any of its rights in or to the Amphitheater Premises.

(f) Any Transfer by a party in violation of this Section 20 shall be void ab initio and of no force or effect.

(g) Each of the parties shall, upon the reasonable request of the other party, execute and deliver to the other party or its designee a certificate stating:

(i) that this Lease is unmodified and is in full force and effect (or, if there have been modifications, that this Lease is in full force and effect as modified and stating the modifications or, if this Lease is not in full force and effect, that such is the case);

(ii) to the knowledge of the party providing the certificate, that there are no defaults by it or the other party (or specifying each such default as to which it may have knowledge) and that there are no uncured defaults by it or the other party under the Lease and no events or conditions then in existence that, with the passage of time or notice or both, would constitute a default on the part of it or the other party under this Lease, or specifying such defaults, events or conditions, if any are claimed;

(iii) confirmation of the commencement and expected expiration dates of the Lease Term; and

(iv) to its knowledge, whether there are any counterclaims against the enforcement of any party's obligations.

21. Default.

(a) Each of the following events shall be a default hereunder by Tenant (a "***Tenant Default***"):

(i) If Tenant shall fail to pay any amount due to Landlord hereunder as and when the same shall become payable and due and the same remains unpaid for 30 days after Landlord's written notice of non-payment; or

(ii) If Tenant shall fail to perform in any material respect any of the covenants and terms of this Lease on Tenant's part to be performed and such non-performance shall continue for a period of 30 days after written notice thereof by Landlord to Tenant; or if Tenant shall fail to act in good faith to commence and undertake performance within such 30-day period to cure a non-performance which is not reasonably susceptible of cure within the initial 30 day period; or Tenant, having commenced in good faith to undertake such performance within the initial 30 day period, shall fail to diligently proceed to cure such non-performance to completion; or

(iii) If Tenant assigns this Lease in violation of Section 20.

Subject to complying with Section 21(a), Landlord may institute litigation to recover damages or to obtain any other remedy at law or in equity (including specific performance, permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy) for any Tenant Default.

(b) Each of the following events shall be a default hereunder by Landlord (a "***Landlord Default***"):

(i) If Landlord shall fail to pay any amount due to Tenant hereunder as and when the same shall become payable and due and the same remains unpaid for 30 days after Tenant's written notice of non-payment; or

(ii) If Landlord shall fail to perform in any material respect any of the covenants and terms of this Lease on Landlord's part to be performed and such non-performance shall continue for a period of 30 days after written notice thereof by Tenant to Landlord; or if Landlord shall fail to act in good faith to commence and undertake performance within such 30-day period to cure a non-performance which is not reasonably susceptible of cure within the initial 30-day period; or Landlord, having commenced in good faith to undertake such performance within the initial 30-day period, shall fail to diligently proceed to cure such non-performance to completion; or

(iii) If Landlord assigns this Lease in violation of Section 20.

Subject to complying with Section 21(b), Tenant may institute litigation to recover damages or to obtain any other remedy at law or in equity (including specific performance, permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy) for any Landlord Default.

(c) Except with respect to rights and remedies expressly declared to be exclusive in this Lease, the rights and remedies of the parties provided for in this Lease are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any such other rights or remedies for the same Default or any other Default. Any failure of a party to exercise any right or remedy as provided in this Lease shall not be deemed a waiver by that party of any claim for damages it may have by reason of the Default.

(d) In no event shall either party be liable under any provision of this Lease for any special, indirect, incidental, consequential, exemplary, treble or punitive damages, in contract, tort or otherwise, whether or not provided by statute and whether or not caused by or resulting from the sole or concurrent negligence or intentional acts of such party or any of its Affiliates or related parties.

22. Dispute Resolution.

(a) Negotiation between Executives. The parties will attempt in good faith to resolve any disagreement with respect to the terms of this Lease promptly by negotiations between the City Representatives and Tenant senior executives who have authority to settle the disagreement. If a party has a disagreement with the other party, it shall deliver written notice setting forth in reasonable detail the terms of the disagreement. The other party shall reply, in writing, within 5 days of receipt of the notice. The notice and response shall include, at a minimum, a statement of each party's position and a summary of the evidence and arguments supporting its position. The City Representatives and Tenant executives shall meet at a mutually agreed upon time and place within 5 days of the reply, and thereafter as often as they reasonably deem necessary to exchange relevant information and to attempt to resolve the disagreement.

(b) Litigation. If the disagreement has not been resolved within two months of a party giving notice as provided in subparagraph (a) above regarding the disagreement, the parties shall have the right to resort to their remedies at law. Venue for such litigation shall be in the courts situated in Jacksonville, Duval County, Florida. In any claim, dispute or litigation, each party shall bear its own costs (including attorneys' and other professionals' fees).

23. Termination.

(a) Notwithstanding any other provision of this Lease to the contrary, this Lease may not be terminated by either party (upon a Default or otherwise), and each party waives any right to terminate it may have at law or in equity, except as specifically provided in Sections 17, 19, 20, or 21 or this Section 23 of this Lease.

(b) In addition to any other remedies Tenant may have under this Lease or at law or in equity, Tenant shall have the right to terminate this Lease, by giving written notice of termination to Landlord, upon any event that prohibits or materially impairs or restricts the right of Tenant to use the Amphitheater Premises during the scheduled Lease Term.

(c) If this Lease terminates in accordance with this Section 23, this Lease shall, on the effective date of such termination, terminate with respect to all future rights and obligations of performance by the parties (except for the rights and obligations that expressly are to survive termination as provided herein); provided that any funds in the Amphitheater Capital Fund shall (subject to City Council approval) be reserved solely for use in accordance with the Covered Flex Field Lease; provided further that if the Covered Flex Field Lease is not in effect, then Tenant may, at its option (and subject to City Council approval), be paid one-half of such Amphitheater Capital Funds, and if Tenant does not exercise such option, such funds shall be transferred (subject to City Council approval) to the Capital and Maintenance Fund for use in respect of the Renovated Stadium or to each party equally. Termination of this Lease shall not alter the claims, if any, of the parties for breaches of this Lease occurring prior to such termination, and the obligations of the parties with respect to such breaches shall survive termination (including those giving rise to such termination).

(d) The rights and remedies conferred upon or reserved to the parties in Section 21 and this Section 23 are intended to be the exclusive remedies available to each of them upon a breach or default by the other party, except as may be otherwise expressly set forth in this Lease.

24. Expiration of Lease Term. At the expiration of the Lease Term, Tenant shall peaceably return to Landlord the Amphitheater Premises in good condition, ordinary wear and tear excepted. Notwithstanding the expiration of the Lease Term, Tenant shall have the right to remove from the Amphitheater Premises during a reasonable period of time (not to exceed 90 days) following the expiration of the Lease Term all personal property of Tenant situated at the Amphitheater Premises, provided Tenant restores any damage to the Amphitheater Premises caused by such removal. Any personal property of Tenant not removed shall become the property of Landlord, which may dispose of the same in its sole discretion. Further, Tenant shall not have encumbered the Amphitheater Premises with any mortgages, mechanics' liens, or otherwise that survive such expiration.

25. Right of Landlord to Inspect. Landlord, upon 3 days advance written notice to Tenant, may enter into and upon the Amphitheater at a time reasonably designated by Tenant for the purpose of inspecting same and for any other purposes allowed hereunder. Tenant shall have the right to require as a condition to Landlord's access that Tenant have a representative present while Landlord is accessing the Amphitheater.

26. Force Majeure. If Landlord or Tenant shall be delayed in, hindered in or prevented from the performance of any act required hereunder (other than performance requiring the payment of a sum of money) by reason of strikes, lockouts, labor troubles, inability to procure materials, failure of power, restrictive governmental laws, regulations or actions, riots, insurrection, the act, failure to act or default of the other party, war or other reason beyond such party's reasonable control (excluding the unavailability of funds or financing), then the performance of such act shall be excused for the period of the delay and the period for the performance of any such act as required herein shall be extended for a period equivalent to the period of such delay.

27. Permits. Tenant will be responsible for, and Landlord shall reasonably assist Tenant in, obtaining all licenses, permits, inspections and other approvals necessary for the operation of the Amphitheater as contemplated by this Lease. Tenant shall cause a survey to be conducted to confirm the precise boundaries of the Facility Premises and upon delivery of the same by Tenant to Landlord, the parties shall amend this Lease to cause such survey to be attached hereto and incorporated herein as Exhibit C-1.

4. Rent. In consideration of Landlord's execution and delivery of this Lease and Landlord's demise and lease of the Facility Premises to Tenant, Tenant shall pay to Landlord rent in the amount of \$100.00 per annum (*pro rated* for any partial years), plus the applicable sales tax, if any, on such rent (the "**Rent**") during the Lease Term. Rent payments shall be made by Tenant in lawful money of the United States of America to the address and account that Landlord may from time to time designate in writing.

The term of this Lease (the "**Lease Term**") shall commence on the Term Commencement Date and expire on the Term Expiration Date (as defined in the Stadium Lease), as such Lease Term may be extended pursuant to this Section 5, unless and until earlier terminated pursuant to any provision of this Lease. Provided there is no continuing Tenant Default hereunder, Tenant shall have two (2) options to extend the Lease Term (each, a "**Renewal Option**") for a period of ten (10) years each (each a "**Renewal Term**"), provided that with respect to each such Renewal Option (a) Tenant delivers written notice to Landlord of Tenant's exercise of such Renewal Option at least 180 days but not more than two years prior to the expiration of the then current Lease Term (as it may be extended), and (b) and at the time of Tenant's exercise of the Renewal Option and upon the commencement of the Renewal Term, Tenant is occupying the Facility Premises for the purpose of training, practices and exhibitions by the Team. In addition, Tenant shall have the exclusive right to use, occupy, manage and operate (and authorize others to use, occupy, manage and operate) the Exclusive Areas. The City Representative shall have the right to approve (such approval not to be unreasonably withheld, conditioned, or delayed) any facility management company or food and beverage or Merchandise concessionaire retained by Tenant to provide such services on a long-term or ongoing basis at the Facility if such concessionaire is not already providing services at the Stadium, Covered Flex Field and/or Amphitheater.

(b) Tenant agrees to comply and be in compliance at all times in all material respects with such Governmental Requirements as are applicable to the Facility Premises or the use, occupancy, maintenance, alteration or operation of the Facility Premises, other than those Governmental Requirements that are specifically applicable to a Landlord Event. Tenant shall have the right, at its sole cost and expense, to contest the validity of any such Governmental Requirements or the application thereof. Any such proceeding instituted by Tenant shall be commenced as soon as is reasonably practicable after the arising of any such contested matters, or after notice (actual or constructive) to Tenant of the applicability of such matters to the Facility and shall be prosecuted to final adjudication with reasonable dispatch. Upon Tenant's request, Landlord shall, at Tenant's sole cost and expense, join in or otherwise reasonably cooperate in any such proceeding brought by Tenant, provided Landlord reasonably agrees with Tenant's basis for contest.

7. Facility Operations.

(a) Tenant shall have the exclusive right, obligation (subject to force majeure events as set forth in Section 25) and authority to operate, manage, coordinate, control, use and supervise the conduct and operation of the business and affairs pertaining to or necessary for the operation and management of the Facility on a year-round basis, all in accordance with Governmental Requirements and the terms and provisions of this Lease (the "**Operating Rights and Authority**"). The Operating Rights and Authority shall include the following:

(i) Subject to insurance requirements of Section 15(b), scheduling and contracting for all Facility Events (other than Landlord Events) and establishing all rules, regulations and standards respecting the Facility Premises and Facility Events (including requirements with respect to insurance by users of the Facility) (the "**Facility Standards**");

(ii) employment (as agents, employees or independent contractors), termination, supervision and control of personnel (whether full-time, part-time or temporary) that Tenant determines to be necessary for the day-to-day operation and management of the Facility Premises, including security, facility management and other similar personnel, and determination of all compensation, benefits and other matters with regard to such personnel, except as set forth in clauses (d)-(e) below;

(iii) selling and establishing the prices, rates, rentals, fees or other charges for goods, services or rights (including Concessions, and admission rights for all Facility Events other than Landlord Events) available at or with respect to the Facility;

(iv) identifying and contracting with all contractors and vendors in connection with, and managing, coordinating and supervising, all Concessions, Advertising, Media rights and ticket operations for all Facility Events;

(v) procuring, negotiating and entering into contracts for the furnishing of

all utilities, labor, equipment, services and supplies necessary for the operation of the Facility Premises;

(vi) constructing, operating and displaying Signage on the interior, exterior or any other portion of the Facility Premises as Tenant deems necessary or desirable (subject to applicable Governmental Requirements including, without limitation, the City Sign Ordinance);

(vii) operating any social media or other Internet sites in respect of the Facility (and Landlord shall have the right to link to such sites and to re-post comments on such sites);

(viii) commencing, defending and settling such legal actions or proceedings concerning the operation of the Facility Premises as are necessary or required in the opinion of Tenant, and retaining counsel in connection therewith; *provided* that if Landlord is named as a party to such legal action or proceeding, for the duration of the period during which Landlord is a party, Tenant shall coordinate the management of such legal action or proceeding with Landlord and shall not settle any such action or proceeding with a settlement that, or consent to any judgment that, would require any act or forbearance on the part of Landlord or which does not release Landlord from all liability in respect of the action or proceeding without the prior written consent of Landlord in its reasonable discretion;

(ix) negotiating, executing and performing use agreements, licenses and other agreements with other Persons who desire to use or schedule events at the Facility Premises (other than for Landlord Events); and

(x) performing, or causing to be performed, all Capital Projects in accordance with Section 12 hereof.

Notwithstanding anything herein to the contrary, nothing in this Lease (as distinguished from any other agreements, including without limitation the Non-Relocation Agreement, between Landlord and Tenant) shall prevent Tenant from temporarily conducting its football operations offsite (such as practicing in other cities) or from pausing its football operations (if, for example, NFL rules require a pause).

(b) The City Representatives shall have the right to recommend rules, regulations and standards respecting the Facility Premises and Facility Events, and Tenant shall incorporate any such reasonable rules, regulations and standards into the Facility Standards.

(c) Tenant shall notify the facility manager of the Stadium when third-party Facility Events are booked. Landlord may inquire at the time of scheduling any City Event (as defined in the Stadium Lease) if Landlord desires to use the Facility Premises in connection with such events. Subject to availability based on Tenant's football needs, Landlord shall be free to use the Facility Premises on such dates.

(d) Landlord shall provide event-day personnel for the exterior of the Facility Area (such as staffing, police, fire rescue and security) on days of City Events. The schedule and number of such personnel shall be decided by Landlord in its reasonable discretion, and in consultation with Tenant. Nothing in this Lease shall modify Landlord's obligations with respect to other security as set forth in the Stadium Security Agreement, dated as of the date hereof, by and between Landlord and StadCo.

(e) Tenant shall have the exclusive right to (i) plan, coordinate and administer the operation of the Facility; (ii) subject to Landlord's rights under the Stadium Lease, plan, coordinate and administer the operation of the other areas of the Facility Premises, and (iii) subject to Landlord's rights under the last sentence of Section 6(a), to enter into contracts and transact business with other Persons for the performance of Tenant's obligations, duties and responsibilities under this Lease. Tenant may engage or use personnel and vendors at the Facility Premises that are otherwise utilized at the

Stadium, and to the extent that there are costs associated with such use by Tenant, Tenant shall be solely responsible for such costs.

(f) In connection with Tenant's management, operation and use of the Facility Premises, except as expressly provided herein, Tenant shall not be obligated to (i) comply with or follow any Landlord selection processes, procurement requirements or similar procedures or requirements contained in the City Code or otherwise; (ii) comply with Landlord employment practices (other than those applicable to employers generally) or any City Code or ordinance provisions uniquely governing the management or operation of public projects, buildings, structures or works, or (iii) except in connection with the Tenant's compliance with Governmental Requirements, obtain Landlord approval of any of its actions, other than where specifically provided for in this Lease. Nothing in this Lease shall be deemed a waiver by the City of Jacksonville of any Governmental Requirement, including, without limitation, the City Sign Ordinance, with respect to this Lease, the Facility Premises, any Capital Projects and/or any Signage.

(g) To the extent required by law, in connection with all Capital Projects, Tenant shall be responsible for competitively and publicly soliciting professional services, including design and engineering professionals and to construct each Capital Project in compliance with Section 287.055, Florida Statutes, and otherwise in compliance with applicable State of Florida law and this Amendment, and in consultation with the City of Jacksonville Procurement Department. Competitive solicitation of all professional services, construction services, and/or other equipment and materials for the construction of each Capital Project and any portion thereof shall be in compliance with Section 287.055, and Section 255.20, Florida Statutes, as applicable. All potential bidders shall be prequalified to do business with Landlord pursuant to the requirements and procedures set forth by the Chief of Procurement of the City of Jacksonville and the Ordinance Code of the City of Jacksonville. The bidder or bidders selected by Tenant in its final award may or may not have submitted the absolute lowest bid; provided, however, that prior to the actual bid award to any bidder other than the lowest bidder, Landlord shall be given the opportunity to review and approve the bid analysis and award procedures utilized in Tenant's final award. Landlord shall have the right to review the bid analysis and award procedures and subject to such bid and award procedures being in compliance with Florida law. All planning, design and construction services shall be conducted by design professionals, construction companies and/or equipment and material suppliers licensed or certified to conduct business in the State of Florida and Landlord. Nothing herein shall be deemed to (1) confer any rights on third parties, including any bidders, prospective bidders, contractors or subcontractors, or (2) impose any obligations or liability on Landlord. Notwithstanding anything to the contrary herein, the bidding and contract award procedures must comply with all applicable procurement requirements of Florida law for public construction projects, including but not limited to Section 287.055, Florida Statutes. Landlord and Tenant wish to assure that all of the procurements made under this Amendment are done in a manner to maintain strong control, transparency, and review over the procurement process in accordance with the best practices and policies of Landlord. Tenant shall each use competitive procurement practices generally consistent with Chapter 126 of the City of Jacksonville Ordinance Code and shall each use commercially reasonable efforts to make all purchases at the best available price and on the best available terms and conditions. Tenant shall competitively procure contracts and otherwise implement cost savings efforts to lower the Estimated Project Cost. Tenant shall provide Landlord with copies of all procurement related documents and solicitation materials (including but not limited to RFPs, ITBs, responses and bid tabulation sheets) upon Landlord's request.

8. Net Lease. Except with respect to Landlord Events as provided in Section 11 hereof and as otherwise expressly provided in this Lease, this Lease is an absolutely net lease, and the Rent shall be paid to Landlord without notice, demand, counterclaim, set-off, deduction, or defense, and without abatement, suspension, deferment, diminution or reduction, free from any charges, assessments, impositions, expenses or deductions of any and every kind or nature whatsoever. Except as expressly provided in Section 11 below, all costs, expenses and obligations of every kind and nature whatsoever, whether foreseen or unforeseen, in any way relating to the condition, maintenance, repair, operation, management, use and/or occupancy of the Facility Premises that may arise or become due

during the Lease Term (as it may be extended) shall be paid by Tenant. Without limiting the foregoing but subject to Landlord's obligations provided in Section 11 below, Tenant shall be responsible for the payment of all taxes, assessments whether general or special, license fees, insurance costs, operating costs, utility costs, management and administrative fees, maintenance and repair costs, operation costs, construction costs, and any other costs, expenses, sums, and charges which arise in connection with the management, condition, maintenance, repair, operation, use and/or occupancy of the Facility and the Facility Premises, including all buildings, structures, improvements and property located thereon, including, without limitation, costs associated with Facility Events. All of such costs, expenses, sums, and charges shall constitute Rent, and upon the failure of Tenant to pay any such costs, charges or expenses, Landlord shall have the same rights and remedies as otherwise provided in this Lease for the failure of Tenant to pay Rent. Landlord and Tenant shall ensure that meters and sub-meters, as applicable, are maintained so that all utility costs can be properly allocated to the Facility Premises. Landlord shall use reasonable best efforts, at no cost to Landlord, to assist Tenant to secure utilities for the Facility Premises at rates comparable to reduced bulk rates applicable to Landlord facilities.

9. Operator Benefits. Subject to Section 11 hereof with respect to Landlord Events, Tenant shall have the sole and exclusive right to exercise, control, license, sell, authorize, and establish the prices and other terms for, and contract with respect to all rights, revenues and rights to revenues arising from or related to the use, occupancy, operation, exploitation or existence of the Facility Premises from all sources, whether now existing or developed in the future and whether or not in the current contemplation of the parties (collectively, "**Operator Benefits**"), in each case on such terms and conditions as Tenant shall determine in its sole discretion, other than as expressly set forth in this Lease. Subject to Section 11 hereof with respect to Landlord Events and the surcharges set forth in Section 10 hereof, Tenant shall have the sole and exclusive right to collect, receive and retain all revenues and other consideration of every kind and description arising from or relating to the Operator Benefits. The Operator Benefits shall include the rights to revenues arising from the exercise, control, license, sale, display, distribution, authorization, exploitation or operation of the following: (i) admission tickets and other rights to view or attend Facility Events; (ii) Advertising; (iii) Media; (v) Concessions; (vi) parking associated with Facility Events; (vii) the right to name the Facility and any portion thereof (which name and any related naming rights sponsor company shall be subject to the review and approval of City Council); (viii) grant of temporary license rights to use the Facility Premises (or any portion thereof) to other Persons; *provided* that any license that provides the licensee with use of all or any portion of the Facility for longer than 30 consecutive days shall be subject to Landlord approval (which shall not be unreasonably withheld, conditioned or delayed); and (ix) all other intellectual property owned by or licensed to Tenant and associated with the Facility.

10. Surcharges. For all paid tickets and parking passes for Facility Events (other than Landlord Events and Catered Events), Tenant shall be responsible for collecting a ticket surcharge for each ticket sold by it and a parking surcharge for each parking pass sold by it. For all paid tickets and parking passes for Landlord Events, Landlord shall be responsible for collecting a ticket surcharge for each ticket sold by it. The initial amount of the ticket surcharge shall be equal to the ticket surcharge charged for concerts at Jacksonville Veterans Memorial Arena, as established by City Council, but no higher than an initial rate of \$2.60 on each paid ticket, which is the amount established by City Council as of October 1, 2021. The initial amount of the parking surcharge shall be \$1.30 per paid parking pass, which is the amount established by City Council as of October 1, 2021. All surcharges collected pursuant to this Section 10 shall be property of Landlord. Landlord may increase the ticket and parking surcharges annually by an amount not to exceed the lesser of (A) 4% and (B) the increase in CPI for the 12-month period ended September 30 of the previous year times one-half of the maximum amount of the ticket and parking surcharge in the preceding year.

11. Landlord Use of Facility.

(a) Landlord shall have the right, at its sole cost and expense, to use the Facility Premises (excluding the Exclusive Areas) on the dates of City Events, provided that Landlord shall use its commercially reasonable efforts to accommodate the Team's football-related needs at the Facility

Premises on such dates.

(b) Subject to Tenant's prior written approval, with 60 days' prior written notice to Tenant, Landlord shall have the right, at its sole cost and expense, to use the Facility Premises (excluding the Exclusive Areas) on additional event days mutually agreed upon by Landlord and Tenant. The notice delivered by Landlord to Tenant seeking permission to hold a Landlord Event pursuant to this subparagraph (b) shall set forth the requested reserved date and shall identify in reasonable detail the nature of the event, the areas of the Facility Premises Landlord expects to use, the terms of admission, the expected attendance, any special security or other arrangements that are anticipated, and any other information reasonably necessary for Tenant to perform its duties under this Lease. Tenant's approval (which shall not be unreasonably withheld, conditioned or delayed) of a proposed Landlord Event may be conditioned upon reasonable restrictions imposed by Tenant, such as time limitations for use of the Facility Premises for such Landlord Event. Tenant's basis for refusing a proposed Landlord Event may include, without limitation, (i) conflicts or potential conflicts with events at the Stadium or Amphitheater or Tenant's football and other needs, including the set-up and breakdown for such events and needs, (ii) legitimate concerns about potential damage to the Facility or any portion thereof, and (iii) conflicts or potential conflicts with Tenant's sponsors or media partners.

(c) The Landlord events described in Section 11(a)-(b) are referred to as "**Landlord Events**", and the dates of such events are referred to as "**Landlord Event Dates**". All Landlord Events shall be held on the other terms and conditions set forth in this Section 11. Landlord shall not have the right to assign, grant, license or otherwise transfer its rights under this Section 11 to any other Person other than a promoter of the applicable Landlord Event, which promoter shall be subject to Tenant's approval, which shall not be unreasonably withheld, conditioned, or delayed.

(d) Landlord shall be entitled to all of the admission ticket revenues, parking revenues and rental fees (net of applicable ticket and parking surcharges, taxes, credit card fees, fees of ticketing agents and other related expenses), if any, from all Landlord Events. In addition, Landlord shall be entitled to all Concessions profits from Landlord Events held on the Facility Premises. Landlord shall also control all Merchandise and Media rights in connection with Landlord Events; *provided* that Landlord shall use the Merchandise concessionaire engaged by Tenant for Facility Events to distribute Merchandise for Landlord Events, with Landlord entitled to all net revenues therefrom. Tenant shall be entitled to all other revenues from Landlord Events. Without limiting the foregoing, all agreements of Tenant with concessionaires, other vendors, sponsors and advertisers shall remain in effect with respect to all of Landlord Event Dates and Tenant shall have the exclusive right to retain all revenues from such agreements. Tenant shall provide in its contracts with its primary food and beverage concessionaire for the Facility that any discounts provided to Tenant in connection with Tenant's internal Catered Events shall be provided to Landlord in connection with Landlord's internal Catered Events.

(e) Landlord shall not pay Tenant a rental fee or other user fee in connection with a Landlord Event, provided that Landlord shall reimburse Tenant for the following reasonable out of pocket costs and expenses incurred by Tenant that arise from, are incurred in connection with or are otherwise attributable to the use of the Facility Premises for a Landlord Event: (i) all costs relating to the set-up or breakdown for such Landlord Event; (ii) all costs related to the conduct of such Landlord Event, including for personnel (security personnel, facility and system operators, janitorial personnel and other personnel), utility expenses and post-event clean-up expenses of the Facility Premises; (iii) Tenant's costs for any third-party services necessary for such Landlord Event; (iv) Tenant's costs for repairing damage to the Facility Premises caused on such Landlord Event Date or otherwise arising from such Landlord Event (except for ordinary wear and tear); and (v) if Landlord has requested that Tenant handle ticketing for such Landlord Event, all costs associated with such ticketing function. Landlord shall reimburse Tenant for all such expenses within 30 days after receipt of a reasonably detailed invoice from Tenant. Landlord and Tenant shall, to the fullest extent practicable, negotiate and agree to all such costs in advance of any Landlord Event date.

(f) Landlord shall have the right, at its sole cost and expense, to install temporary signage (that does not cover any fixed signage) and to retain revenues from the sale of such signage to sponsors, on the condition that the content of such signage does not conflict or compete with the existing Signage or other Advertising at the Facility Premises, the Amphitheater, the Covered Flex Field or the Stadium. Tenant shall include a reference to Landlord's temporary signage rights in its sponsorship agreements in respect of the Facility. Tenant and Landlord shall reasonably cooperate with respect to the availability and location of such temporary signage. Other than as set expressly set forth in this subparagraph (f), Landlord shall not (A) sell, license or authorize any Advertising at any time in, on or around the Facility Premises or (B) obscure, mask, alter, cover or obstruct (electronically or otherwise) any fixed or permanent Signage displayed in or around the Facility Premises, whether during a Landlord Event or otherwise.

(g) Landlord shall require, as a condition to use, that any third party promoter of a Landlord Event indemnify, defend, protect, and hold harmless the Tenant Indemnitees from and against any and all Losses resulting from, arising out of or in connection with such Landlord Event or the use of the Facility Premises in connection with a Landlord Event, excluding any and all Losses arising out of or in connection with Tenant's negligence or willful misconduct, and subject to the provisions and limitations of Section 768.28, Florida Statutes, which are not hereby altered, waived or expanded. Landlord agrees, and agrees to use commercially reasonable efforts to cause its invitees, to comply with generally applicable policies established by Tenant for the Facility Premises, including those regarding security, access and building operations. Landlord agrees not to operate or permit any Person to operate any Concessions or Merchandise operations at the Facility Premises at any time except as permitted by Tenant. Landlord agrees to cause any third-party promoter for a Landlord Event to provide Tenant with evidence at least 10 days prior to any scheduled Landlord Event that it has obtained insurance with respect to such Landlord Event acceptable to Tenant in its reasonable discretion, which insurance shall name Tenant and its Affiliates as an additional insured and loss payee.

(h) Landlord shall make commercially reasonable efforts to use the name given to the Facility and any other portion or all of the Facility Premises in accordance with the terms of this Lease in all public correspondence, communications, advertising and promotion Landlord may undertake with respect to the Facility and any other portion or all of the Facility Premises and Landlord Events. In addition, Landlord shall use reasonable efforts to include such name on any directional or other signage that refers to or identifies the Facility, which is installed by Landlord after the date the Facility is named, or after the date of any name change to the Facility.

(i) For avoidance of doubt, Landlord acknowledges that Tenant shall have exclusive use of the Facility Parking Area at all times during the Term.

12. Capital Projects.

(a) Tenant shall be responsible for all Capital Repairs and may undertake Capital Improvements in accordance with this Section 12 (and all related Capital Expenses for such Capital Repairs and Capital Improvements, whether or not Landlord's consent is required, shall be borne by Tenant). Tenant shall provide Landlord with at least thirty (30) days' advance written notice of any and all Capital Projects (other than replacement or repair to field turf or sodded areas) with a value in excess of \$200,000 and Tenant shall deliver to Landlord all information reasonably requested by Landlord related to any and all Capital Projects. Any and all Capital Projects shall be and remain part of the Facility Premises and shall be subject to this Lease. Subject to Landlord's obligations under Section 11 above, in no event shall Landlord be obligated to reimburse or compensate Tenant or any other person or entity for any Capital Projects, and Tenant hereby waives any right to reimbursement or compensation for any Capital Projects.

(b) Notwithstanding anything to the contrary in this Lease, Tenant shall not permit or make any Capital Projects (other than routine maintenance and repair) which (i) materially affect the structure of the Facility, (ii) materially affect any of the systems (including, without limitation,

electrical, mechanical, plumbing, water, sewer, drainage and fire safety systems) serving any portion of the Facility Premises, or (iii) are visible from the exterior of the Facility, unless and until the plans and specifications, including architectural drawings, have been approved by Landlord in writing, which approval shall not be unreasonably withheld, delayed or conditioned. If Landlord fails to object to any Capital Project requiring Landlord's approval within thirty (30) days after written notice to Landlord of the same, then Landlord shall be deemed to have approved of such Capital Project.

(c) Tenant shall ensure that all alterations or additions to the Facility Premises including, without limitation, Capital Projects are made in accordance with all Governmental Requirements, in a good and workmanlike manner and in quality equal to or better than the original construction of the Facility. Landlord's approval, if any, of Tenant's plans and specifications and architectural drawings shall create no responsibility or liability on the part of Landlord for their completeness, design sufficiency, or compliance with existing warranties or any Governmental Requirements, and Landlord's approval shall not be deemed a waiver of any Governmental Requirements.

(d) Nothing in this Lease shall modify any of Landlord's or Tenant's obligations with respect to management, repair and maintenance of the Stadium.

13. Title; Taxes.

(a) Ownership of fee title to the Facility Premises shall remain vested in Landlord during the Lease Term, subject to the covenants, conditions and terms of this Lease, and Tenant shall have a leasehold interest in and to the Facility Premises. Any leasehold improvements made to the Facility Premises shall be vested with Landlord which shall have fee title thereto, subject to the covenants, conditions and terms of this Lease. Notwithstanding the foregoing, no furnishings, furniture, trade fixtures, equipment or other personal property installed or constructed by Tenant on or within the Facility Premises shall be Landlord's property (unless such property is permanently affixed to and a leasehold improvement of the Facility Premises), but shall be the property of Tenant.

(b) Notwithstanding that fee title to the Facility Premises shall remain vested in Landlord during the Lease Term, it is acknowledged that (i) Tenant will pay for and construct or provide (or cause to be constructed or provided) a significant portion of the Facility and the installations, additions, fixtures and improvements to be placed in or upon the Facility Premises, whether temporary or permanent; (ii) Tenant shall retain the sole beneficial and depreciable interest for tax purposes (to the extent of its investment and any funds arranged by it) in such items; and (iii) for all income tax purposes, neither Landlord nor any other Person shall have the right to take depreciation deductions with respect to such items, or claim any other right to tax benefits arising from such items, such rights being exclusively reserved to Tenant unless assigned by Tenant, in whole or in part, to one or more third parties ("**Tenant's Beneficial Rights**"). For purposes of identifying the items subject to Tenant's Beneficial Rights, following substantial completion of the Facility and determination of the Facility Area, Tenant shall cause an independent accounting, appraisal or valuation firm to prepare a schedule (which shall be final and binding on the parties absent manifest error) allocating the investment of Tenant among such items forming part of the Facility Premises as it shall elect.

(c) It is the belief and intent of Landlord and Tenant that neither the Facility Premises, nor any portion thereof, shall be the subject of any imposition, levy or payment of ad valorem real property tax and, in recognition thereof, Landlord agrees to that if any such tax is payable, it shall be used to pay Capital Expenses with respect to Capital Repairs.

14. Indemnity.

(a) Except to the extent attributable, in whole or in part, to the negligence or willful misconduct of Landlord, Tenant agrees to hold harmless, indemnify, and defend Landlord Indemnitees against any and all Losses arising out of, related to, in connection with or incidental to (i)

the use, occupation, and/or access of or to the Facility Premises by Tenant or any Tenant Indemnitee, (ii) the negligent or intentional actions or omissions of Tenant, any Tenant Indemnitee, or any of their respective members, managers, officers, employees, agents, representatives, agents, invitees, assignees, licensees, guests, customers, and subtenants, in or about the Facility Premises, or in the use, occupation, and/or access of or to the Facility Premises, or (iii) Tenant's breach of the provisions of this Lease or any default or violation hereunder. The indemnity obligations set forth in this Lease shall be in addition to those set forth on Exhibit E attached hereto and all of Tenant's indemnifications under the Lease shall survive the Lease Term.

(b) Nothing in this Section 14 shall constitute a waiver by either Landlord or Tenant or limit Landlord or Tenant's right to recover with respect to any tort action against the other party, subject to the limitations and provisions of Section 768.28, Florida Statutes, which are not hereby altered, expanded or waived. In the event of any joint negligence on the part of Landlord and Tenant, any loss shall be apportioned in accordance with the provisions of the Uniform Contribution Among Tortfeasors Act (Section 768.31, Florida Statutes), as that statute exists on the Execution Date, and subject to the limitations and provisions of Section 768.28, Florida Statutes, which are not hereby altered, expanded or waived. This Section 14 relating to indemnification shall survive the Lease Term, and any holdover and/or contract extensions thereto, whether such Lease Term expires naturally by the passage of time or is terminated earlier pursuant to the provisions of this Lease.

(c) Any agreements or licenses between Tenant and a user or licensee, or between Landlord and a user or licensee (for purposes of this paragraph, "*Licensee*") of the Facility Premises shall contain an agreement by such user or licensee to indemnify, defend, protect, and hold harmless Landlord Indemnitees and Tenant Indemnitees from and against any and all Losses of any nature resulting from, arising out of or in connection with the Licensee's event or the use of the Facility Premises.

15. Insurance; Waiver of Subrogation.

(a) Tenant Insurance Requirements. Without limiting its liability under this Agreement, Tenant agrees to procure and maintain at all times during this Lease, at its sole expense and at no expense to Landlord, insurance of the types and limits in the amounts as set forth on Exhibit D attached hereto and incorporated herein by reference.

(b) Landlord and Tenant agree to require any other Person that rents, leases or otherwise uses the Facility Premises for a Facility Event to procure and maintain, at its expense, insurance in amounts and of the types to be mutually agreed upon, taking into account the type of Facility Event and the risks posed thereby.

(c) Without limiting its liability under this Agreement, Landlord agrees to procure and maintain, at Tenant's sole cost and expense (payable within thirty (30) days after demand), the following types and amounts (the following limits being minimum requirements) of insurance for the Lease Term, and to furnish certificates confirming such coverage to Tenant, as reasonably requested by Tenant from time-to-time: "all risk" (also known as "special forms perils") property insurance, providing coverage that is no less broad than the ISO Cause of Loss Special Form or equivalent ISO all risk coverage form in use at the time, covering the Facility Premises, on a replacement cost measure-of-recovery basis for the full insurable value thereof. Landlord's property insurance policy shall name Tenant as an additional insured as its interests may appear.

(d) Notwithstanding the foregoing, or anything else contained herein to the contrary, Landlord and Tenant, on behalf of themselves and all others claiming under them, including any insurer, waive all claims and rights of recovery against each other, including all rights of subrogation, for loss or damage to their respective property (including, but not limited to, the Facility Premises) arising from fire, smoke damage, windstorm, hail, vandalism, theft, malicious mischief and any of the other perils insured against under the terms of any insurance policy carried by Landlord or

Tenant or which is otherwise normally insured against in an “all risk” of physical loss insurance policy, regardless of whether insurance against those perils is in effect with respect to such party’s property and regardless of the negligence of either party. Each party shall obtain from its insurer a written waiver of all rights of subrogation that it may have against the other party.

16. Destruction or Damage. If, at any time during the Lease Term, the Facility Premises, or any portion thereof, should be materially damaged or destroyed by any fire or any other casualty, then Tenant shall promptly give written notice thereof to Landlord. All property insurance proceeds available pursuant to Section 15(c) hereof (or deemed available pursuant to the last sentence of this Section) shall be used (and, in the case of proceeds so deemed available shall be made available by Landlord to Tenant) to repair and restore the Facility Premises, provided that if the total amount of insurance proceeds for such claims (“***Insurance Proceeds***”) exceeds \$200,000, the same shall be paid into an escrow account, with a single escrow agent which shall be appointed jointly by Landlord and Tenant, both parties agreeing to use reasonable efforts to agree on such appointment. Payments from such escrow account shall conform to the usual and reasonable disbursement requirements of Landlord. Using funds from such Insurance Proceeds, Tenant shall restore, repair and/or rebuild the damaged or destroyed structures and other improvements to the condition that such structures and improvements existed prior to such casualty. Such restorations, repairs, and rebuilding shall be commenced as soon as practicable following the receipt of Insurance Proceeds and shall thereafter be prosecuted continuously to completion with diligence. Notwithstanding the foregoing, unless the destruction or damage was due to Tenant’s gross negligence or willful misconduct, if the then-existing Lease Term is equal to or less than ten (10) years or the cost of restoring the Facility Premises shall exceed forty percent (40%) of the replacement cost of the Facility Premises, Tenant shall have the right to terminate this Lease by giving the City Representative written notice of Tenant’s election to do so within 90 days after the date on which such damage or destruction occurred, and upon such notice being given, the Lease Term shall automatically terminate and end effective as of the date of damage or destruction. If Tenant terminates this Lease pursuant to this Section 16, all Insurance Proceeds payable with respect to any casualty at the Facility Premises shall be paid to and retained by Landlord. If Landlord failed to maintain the insurance required under Section 15(c), the amount of proceeds shall be deemed to be the amount Landlord would have collected less normal and customary reimbursement costs had Landlord maintained the insurance required under Section 15(c) with a reputable third-party insurer, and such proceeds shall be available subject to a lawful appropriation of funds therefor by City Council.

17. Quiet Enjoyment. As long as there is no Tenant Default, Tenant shall peaceably and quietly hold and enjoy the Facility Premises for the Lease Term without hindrance or interruption by Landlord or any other person or persons lawfully or equitably claiming by, through or under Landlord, except as otherwise expressly provided in this Lease, and Landlord shall defend Tenant’s possession of the Facility Premises against all parties lawfully or equitably claiming by, through or under Landlord.

18. Condemnation. If any part of the Facility Premises is taken by eminent domain or condemnation or voluntarily transferred to a governmental authority under the threat thereof (each, a “***Condemnation Proceeding***”), Tenant may, at its sole option, terminate the Lease by giving written notice to the City Representative within 30 days after the taking. Landlord and Tenant shall each be entitled to seek a separate award for their respective interests in the Facility Premises. If separate awards are not available, then the single award after deducting the costs of collection, shall be equitably and fairly apportioned between Landlord and Tenant to compensate each for their interest in the Facility Premises. Such apportionment shall be reasonably determined by the mutual agreement of the parties, provided if the parties fail to agree, the matter will be resolved in accordance with Section 21. If at any time during the Lease Term less than the entire Facility Premises shall be taken in any Condemnation Proceeding and Tenant does not otherwise terminate this Lease pursuant to this Section 18, then this Lease shall not terminate but shall continue in full force and effect for the remainder of the stated Lease Term, and Tenant shall continue to perform and observe all of the terms, covenants, conditions, agreements and obligations of Tenant to be performed under this Lease as though such taking had not occurred, except that Tenant shall be excused from performing its obligations hereunder to the extent prevented from doing so by reason of such partial condemnation. In the case of any partial

condemnation, notwithstanding any judicial allocation of any award in the Condemnation Proceedings, the proceeds of the award shall be applied as follows: (i) first to reimburse the parties for the reasonable costs of collection, and (ii) any excess shall be equitably and fairly apportioned between Landlord and Tenant to compensate each for loss associated with their interest in the Facility Premises. Such apportionment shall be reasonably determined by the mutual agreement of the parties, provided if the parties fail to agree, the matter shall be governed by Section 21 of this Lease.

19. Assignment.

(a) Tenant shall not sell, assign, sublease, transfer, license, pledge, mortgage or encumber (each, a “**Transfer**”) this Lease or all or any of its rights under this Lease, in whole or in part, by operation of law or otherwise, without first obtaining the written consent of the City Representative, which consent may be withheld or conditioned in his or her sole discretion.

(b) Notwithstanding Section 19(a) or any other provision of this Lease, the following Transfers shall be permitted without the consent of the City Representatives, provided that Tenant shall give Landlord at least thirty (30) days prior written notice of the Transfer:

1) Tenant may Transfer any or all of its rights and obligations under this Lease to an Affiliate that is a wholly owned subsidiary of the Jacksonville Jaguars, LLC, a Delaware limited liability company, provided that such Affiliate, pursuant to a written instrument in form and content acceptable to Landlord and executed and delivered to Landlord, assumes all of the obligations of Tenant under this Lease and agrees to abide by and be bound by the terms and conditions of this Lease;

2) Tenant may pledge, mortgage, collaterally assign, grant a leasehold mortgage or other security interest in or otherwise encumber this Lease or any or all of its rights under this Lease to any lender or other provider, guarantor or insurer of financing to Tenant (as long as such lender or other provider, guarantor or insurer of financing agrees that any lien or security interest shall be subordinate to any lien or security interest held by Landlord), and provided any such lender or other provider, guarantor or insurer agrees to abide and be bound by the terms and conditions of this Lease, and that any payment obligations of Tenant in connection with Lease shall be and remain senior and superior in all respects to any such interests; and

3) Tenant may Transfer all of its rights hereunder to any Person that acquires Tenant's NFL franchise membership with the approval of the NFL (or an Affiliate of such Person), provided such transferee (or one or more Affiliates of such transferee) assumes all of the obligations of Tenant under this Lease and the Stadium Lease and agrees to abide and be bound by all of the terms and provisions of this Lease and the Stadium Lease, as applicable.

(c) Upon a Transfer approved by the City Representative under Section 19(a) or a Transfer described in Section 19(b)(1) that is approved by the City Representative or a Transfer that permitted without approval pursuant to Section 19(b)(3), Tenant shall be relieved of its obligations under this Lease from and after the date of such Transfer, but shall remain liable for any obligations or liabilities of Tenant arising prior to the Transfer date. Subject to the foregoing sentence, Tenant shall not be released or discharged from any liability under this Lease, unless expressly permitted by Landlord in writing, and Tenant’s liability shall remain primary, and in the event of a Tenant Default, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against any transferee.

(d) Tenant shall pay all reasonable attorneys’ fees and expenses incurred by Landlord with respect to any Transfer.

(e) For the avoidance of doubt, and notwithstanding anything contained in this Section 19 to the contrary, the parties confirm that Tenant shall have the right to sell or grant to Persons (on a short-term basis) licenses, non-exclusive usage or similar rights for the use, servicing or maintenance of any part of the Facility Premises (including any concessionaires), subject to the terms and conditions of Section 6, Section 9 and Section 11 of this Lease, without first obtaining the written consent of the City Representative, provided that the foregoing shall not release Tenant from any liability under this Lease.

(f) Without the prior written consent of Tenant, which may be withheld or conditioned in Tenant's sole discretion, Landlord shall not (i) grant or permit to exist any mortgage, deed of trust, deed to secure debt, lien, charge or other encumbrance upon any right, title or interest of Landlord in or under this Lease or in the Facility Premises or any portion thereof, or (ii) Transfer this Lease, any portion of the Facility Premises, any of its rights or obligations under this Lease or any of its rights in or to the Facility Premises.

(g) Any Transfer by a party in violation of this Section 19 shall be void ab initio and of no force or effect.

(h) Each of the parties shall, upon the reasonable request of the other party, execute and deliver to the other party or its designee a certificate stating:

(i) that this Lease is unmodified and is in full force and effect (or, if there have been modifications, that this Lease is in full force and effect as modified and stating the modifications or, if this Lease is not in full force and effect, that such is the case);

(ii) to the knowledge of the party providing the certificate, that there are no defaults by it or the other party (or specifying each such default as to which it may have knowledge) and that there are no uncured defaults by it or the other party under the Lease and no events or conditions then in existence that, with the passage of time or notice or both, would constitute a default on the part of it or the other party under this Lease, or specifying such defaults, events or conditions, if any are claimed;

(iii) confirmation of the Term Commencement Date and expiration date of the Lease Term; and

(iv) to its knowledge, whether there are any counterclaims against the enforcement of any party's obligations.

20. Default.

(a) Each of the following events shall be a default hereunder by Tenant (a "**Tenant Default**"):

(i) If Tenant shall fail to pay any amount due to Landlord hereunder as and when the same shall become payable and due and the same remains unpaid for 30 days after Landlord's written notice of non-payment; or

(ii) If Tenant shall fail to perform in any material respect any of its obligations or comply with the covenants and terms of this Lease on Tenant's part to be performed and such non-performance shall continue for a period of 30 days after written notice thereof by Landlord to Tenant; or if Tenant shall fail to act in good faith to commence and undertake such performance within such 30-day period to cure a non-performance that is not reasonably capable of cure within the initial 30-day period; or Tenant, having commenced in good faith to undertake such performance within the initial 30-day period, shall fail to diligently and continuously proceed to cure such non-performance to completion, provided that such cure period shall not exceed a cumulative total of 150 days; or

(iii) If Tenant makes a Transfer in violation of Section 19; or

(iv) If Tenant or any guarantor of the Lease shall (A) make a general assignment for the benefit of creditors; (B) commence any case, proceeding or other action seeking to have an order for relief entered on its behalf as a debtor or to adjudicate it as bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts or seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or of any substantial part of its property (collectively a “proceeding for relief”); (C) become the subject of any proceeding for relief which is not dismissed within 60 days of its filing or entry; (D) have a receiver appointed for its assets (and the appointment is not stayed or vacated within thirty (30) days); or (E) be dissolved.

Landlord may institute litigation to recover damages or to obtain any other remedy at law or in equity (including, without limitation, specific performance, permanent, preliminary or temporary injunctive relief, and any other kind of legal or equitable remedy) for any Tenant Default. In addition, at any time there is a continuing Tenant Default, Landlord may enter upon the Facility Premises and do whatever Tenant was obligated to do under the terms of this Lease or otherwise cure any Tenant Default; Tenant agrees to reimburse Landlord within thirty (30) days after demand for any reasonable, documented, out-of-pocket expenses which Landlord may incur in effecting compliance with Tenant’s obligations under this Lease, all such amounts constituting Rent, and Tenant further agrees that Landlord shall not be liable for any damages resulting to Tenant from such action. No action taken by Landlord pursuant to this Section 20(a) shall relieve Tenant from any of its obligations under this Lease or from any damages or liabilities arising from the failure to perform such obligations.

(b) Each of the following events shall be a default hereunder by Landlord (a **“Landlord Default”**):

(i) If Landlord shall fail to pay any undisputed amount due to Tenant hereunder as and when the same shall become payable and due and the same remains unpaid for 30 days after Tenant's written notice of non-payment; or

(ii) If Landlord shall fail to perform in any material respect any of the covenants and terms of this Lease on Landlord's part to be performed and such non-performance shall continue for a period of 30 days after written notice thereof by Tenant to Landlord; or if Landlord shall fail to act in good faith to commence and undertake performance within such 30-day period to cure a non-performance which is not reasonably susceptible of cure within the initial 30-day period; or Landlord, having commenced in good faith to undertake such performance within the initial 30-day period, shall fail to diligently proceed to cure such non-performance to completion; or

(iii) If Landlord assigns this Lease in violation of Section 19.

Tenant may institute litigation to recover damages or to obtain any other remedy at law or in equity (including specific performance, permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy) for any Landlord Default.

(c) Except with respect to rights and remedies expressly declared to be exclusive in this Lease, the rights and remedies of the parties provided for in this Lease are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any such other rights or remedies for the same Default or any other Default. Any failure of a party to exercise any right or remedy as provided in this Lease shall not be deemed a waiver by that party of any claim for damages it may have by reason of the Default.

(d) In no event shall either party be liable under any provision of this Lease for any special, indirect, incidental, consequential, exemplary, treble or punitive damages, in contract, tort or otherwise, whether or not provided by statute and whether or not caused by or resulting from the

sole or concurrent negligence or intentional acts of such party or any of its Affiliates or related parties.

21. Dispute Resolution.

(a) Negotiation between Executives. The parties will attempt in good faith to resolve any disagreement with respect to the terms of this Lease promptly by negotiations between the City Representative and Tenant senior executives who have authority to settle the disagreement. If a party has a disagreement with the other party, it shall deliver written notice setting forth in reasonable detail the terms of the disagreement. The other party shall reply, in writing, within 5 days of receipt of the notice. The notice and response shall include, at a minimum, a statement of each party's position and a summary of the evidence and arguments supporting its position. The City Representative and Tenant executives shall meet at a mutually agreed upon time and place within 5 days of the reply, and thereafter as often as they reasonably deem necessary to exchange relevant information and to attempt to resolve the disagreement.

(b) Litigation. If the disagreement has not been resolved within two months of a party giving notice as provided in subparagraph (a) above regarding the disagreement, the parties shall have the right to resort to their remedies at law or in equity. Venue for such litigation shall be in the courts situated in Jacksonville, Duval County, Florida. In any claim, dispute or litigation, each party shall bear its own costs (including attorneys' and other professionals' fees).

22. Termination.

(a) Notwithstanding any other provision of this Lease to the contrary, this Lease may not be terminated by either party (upon a Default or otherwise), and each party waives any right to terminate it may have at law or in equity, except as specifically provided in Sections 16, 18, 20 and 22 of this Lease.

(b) Tenant shall have the right to terminate this Lease, by giving written notice of termination to Landlord, upon any Landlord Default; provided that, in the event that Landlord causes Tenant to be unable to use or otherwise prohibits Tenant from using the Facility Premises for a period of more than sixty (60) consecutive days, Tenant's maintenance, repair and other obligations with respect to the Facility Premises under this Lease shall be temporarily suspended until such time as Tenant is permitted to use the Facility Premises.

(c) Landlord shall have the right to terminate this Lease, by giving written notice of termination to Tenant, (i) upon a Tenant Default described in Sections 20(a)(ii)-(iv), or (ii) during a Renewal Term, if Tenant is no longer occupying the Facility Premises for the purpose of training, practices or exhibitions by the Team.

(d) If this Lease terminates in accordance with this Section 22, this Lease shall, on the effective date of such termination, terminate with respect to all future rights and obligations of performance by the parties (except for the rights and obligations that expressly are to survive termination as provided herein). Termination of this Lease shall not alter the claims, if any, of the parties for breaches of this Lease occurring prior to such termination, and the obligations of the parties with respect to such breaches shall survive termination (including those giving rise to such termination).

(e) The rights and remedies conferred upon or reserved to the parties in Section 20 and this Section 22 are intended to be the exclusive remedies available to each of them upon a breach or default by the other party, except as may be otherwise expressly set forth in this Lease.

23. Expiration of Lease Term. At the expiration or earlier termination of the Lease Term, Tenant shall peaceably surrender and deliver to Landlord the Facility Premises and all Capital Improvements in the condition required by this Lease. Notwithstanding the expiration of the Lease Term, Tenant shall have the right to remove from the Facility Premises during a reasonable period of

time, not to exceed 90 days, following the expiration of the Lease Term all personal property of Tenant situated at the Facility Premises, provided Tenant restores any damage to the Facility Premises caused by such removal. Any personal property of Tenant not removed shall become the property of Landlord, which may dispose of the same in its sole discretion. Further, Tenant shall not have encumbered the Facility Premises with any mortgages, mechanics' liens, or otherwise, and title to the Facility Premises shall be in the same condition as of the Execution Date, except for recorded instruments contemplated to be recorded against the Facility Premises hereby or agreed to be so recorded in writing by Landlord.

24. Construction Liens. Tenant shall have no power to do any act or make any contract that may create or be the foundation of any lien, mortgage or other encumbrance upon the reversionary or other estate of Landlord, or any interest of Landlord in the Facility Premises. NO CONSTRUCTION LIENS OR OTHER LIENS FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED TO THE PREMISES SHALL ATTACH TO OR AFFECT THE INTEREST OF LANDLORD IN AND TO THE FACILITY PREMISES. Tenant shall keep the Facility Premises free from any liens arising out of any work performed, materials furnished, or obligations incurred by or on behalf of Tenant. Should any lien or claim of lien be filed against the Facility Premises by reason of any act or omission of Tenant or any of Tenant's agents, employees, contractors or representatives, then Tenant shall cause the same to be canceled and discharged of record by bond or otherwise within thirty (30) days after the filing thereof. Should Tenant fail to discharge the lien within thirty (30) days, then Landlord may discharge the lien. The amount paid by Landlord to discharge the lien (whether directly or by bond), plus all administrative and legal costs incurred by Landlord, shall be additional rent payable on demand. The remedies provided herein shall be in addition to all other remedies available to Landlord under this Lease or otherwise. The parties hereto agree that in no event shall the interest of Landlord be subject to the liens for improvements made by Tenant, and this expressly prohibits such liability. Pursuant to Section 713.10, Florida Statutes, this provision specifically provides that no interest of Landlord shall be subject to liens for improvements made by the Tenant at or under Tenant's direction. This provision shall serve as notice to all potential construction lienors that Landlord shall not be liable for and the Facility Premises shall not be subject to liens for work performed or materials supplied at Tenant's request or at the request of anyone claiming an interest by, through or under Tenant. Further, any contractor, vendor, supplier or other party providing work or services to and for the Premises that is entitled to a mechanic's lien pursuant to Chapter 713, Florida Statutes, shall look solely to the leasehold interest of the Tenant in the Lease and may not encumber the fee title to the Facility Premises owned by Landlord. Tenant shall provide notice of this provision to all contractors, vendors, suppliers, and other parties providing work or materials at the Premises. The foregoing provision shall be included in any recorded notice under Section 713.10, Florida Statutes, or memorandum of this Lease.

25. Right of Landlord to Inspect. Landlord, upon three days' advance written notice to Tenant (except in the event of an emergency in which case Landlord may enter the Facility immediately and, if reasonable under the circumstances, provide notice to Tenant), may enter into and upon the Facility at a time reasonably designated by Tenant for the purpose of inspecting same and for any other purposes allowed hereunder. Tenant shall have the right to require as a condition to Landlord's access that Tenant have a representative present while Landlord is accessing the Facility.

26. Force Majeure. If Landlord or Tenant shall be delayed in, hindered in or prevented from the performance of any act required hereunder (other than performance requiring the payment of a sum of money) by reason of strikes, lockouts, labor troubles, inability to procure materials, failure of power, restrictive governmental laws, rules, legal requirements, regulations or actions, riots, insurrection, the act, failure to act or default of the other party, war, armed conflict, terrorism, epidemic, pandemic or other reason beyond such party's reasonable control (excluding the unavailability of funds or financing), then the performance of such act shall be excused for the period of the delay and the period for the performance of any such act as required herein shall be extended for a period equivalent to the period of such delay; provided that the party whose performance is delayed shall have commenced and is diligently pursuing all reasonable and available means and measures necessary to minimize or eliminate such delay resulting from any such causes or conditions. Each party shall give written notice of any such delay to the other party within five (5) days of such party's actual knowledge

of the occurrence of such force majeure event.

27. Permits. Tenant will be responsible for, and Landlord, in its proprietary and not regulatory capacity, shall at no cost to Landlord reasonably assist Tenant in, obtaining all licenses, permits, inspections and other approvals necessary for the operation of the Facility as contemplated by this Lease. Landlord shall assist, at no cost to Landlord, Tenant in obtaining all permits and approvals from regulatory entities having jurisdiction and shall apply for all permits and approvals that must be obtained by the owner of the Facility.

28. Environmental Requirements.

(a) Prohibition against Hazardous Materials. Except for Hazardous Materials contained in products used by Tenant in customary quantities for ordinary cleaning, disinfectant and office purposes in accordance with Government Requirements and NFL rules, Tenant shall not cause or permit any party to bring any Hazardous Materials upon the Facility Premises or on the Property or transport, treat, store, use, generate, manufacture, dispose, or release any Hazardous Materials on or from the Property. Tenant shall promptly deliver to Landlord a copy of any notice of violation it receives relating to the Facility Premises or the Property of any Government Requirements relating to Hazardous Materials. To the extent authorized by law, Tenant is and shall be deemed to be the responsible party, including the “owner” and/or “operator” and/or “generator” and/or “arranger” of Tenant’s “facility” and the “owner” of all Hazardous Materials brought on the Facility Premises or the Property by a Tenant Indemnitee and the wastes, by-products, or residues generated, resulting, or produced from those items.

(b) Removal of Hazardous Materials. Tenant, at its sole cost and expense, shall remove or remediate all Hazardous Materials generated, stored, treated, disposed of, or otherwise released or permitted to be released by a Tenant Indemnitee onto or from the Facility Premises after the date of this Lease, in a manner and to a level satisfactory to Landlord in its reasonable discretion, that complies with all applicable Government Requirements, and that does not rely on engineered barriers or vapor mitigation systems except as approved by Landlord. If Tenant fails to perform the work within the time period specified by applicable Government Requirement or before Tenant’s right to possession terminates or expires (whichever is earlier), Landlord may at its discretion, and without waiving any other remedy available under this Lease or at law or in equity (including an action to compel Tenant to perform the work), perform the work at Tenant’s cost. Tenant shall pay all reasonable costs incurred by Landlord in performing the work within thirty (30) days after such payments are due and owing. All work that Landlord performs is on behalf of Tenant, and Tenant remains the owner, generator, operator, transporter, and/or arranger of the Hazardous Materials for purposes of Government Requirements. Tenant agrees to not enter into any agreement with any person, including any governmental authority, regarding the removal of Hazardous Materials that have been disposed of or otherwise released onto or from the Facility Premises or the Property without the written approval of Landlord, which approval shall not be unreasonably withheld or unduly delayed.

(c) Tenant’s Indemnity. Tenant shall indemnify and defend Landlord (with counsel, consultants, and experts reasonably acceptable to Landlord) against all Losses, which are brought or recoverable against, or suffered or incurred by Landlord as a result of any release of Hazardous Materials caused by a Tenant Indemnitee or any breach of the requirements under this Section 27 by a Tenant Indemnitee, except to the extent caused by Landlord’s negligence or willful misconduct. The indemnity set forth in this Section 27 shall survive the expiration or earlier termination of this Lease.

(d) Landlord’s Rights. Landlord shall have access to, and a right but not the obligation to perform inspections and tests of, the Facility Premises to determine Tenant’s compliance with Governmental Requirements and Tenant’s obligations under this Section 27, the presence of Hazardous Materials at the Facility Premises, or other environmental condition of the Facility Premises. Access shall be granted to Landlord upon Landlord’s reasonable prior notice to Tenant and at times so

(b) Legal Representation. Each respective party to this Lease has been represented by counsel in the negotiation of this Lease and accordingly, no provision of this Lease shall be construed against a respective party due to the fact that it or its counsel drafted, dictated or modified this Lease or any covenant, condition or term thereof.

(c) Further Instruments. Each respective party hereto shall, from time to time, execute and deliver such further instruments as any other party or parties or its counsel may reasonably request to effectuate the intent of this Lease.

(d) Severability or Invalid Provision. Wherever possible, each provision, condition and term of this Lease shall be interpreted in such manner as to be effective and valid under applicable law. If any one or more of the agreements, provisions, covenants, conditions and terms of the Lease shall be contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such agreements, provisions, covenants, conditions or terms shall be null and void with no further force or effect and shall be deemed severable from the remaining agreements, provisions, covenants, conditions and terms of the Lease and shall in no way affect the validity of any of the other provisions hereof.

(e) No Personal Liability. No representation, statement, covenant, warranty, stipulation, obligation or agreement contained herein shall be deemed to be a representation, statement, covenant, warranty, stipulation, obligation or agreement of any member, officer, employee or agent of Landlord or Tenant in his or her individual capacity and none of the foregoing persons shall be liable personally or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

(f) Third Party Beneficiaries. Other than any indemnitees set forth in Section 14, nothing herein express or implied is intended or shall be construed to confer upon any entity other than Landlord and Tenant any right, remedy or claim, equitable or legal, under and by reason of this Lease or any provision hereof, all provisions, conditions and terms hereof being intended to be and being for the exclusive and sole benefit of Landlord and Tenant.

(g) Successors and Assigns. To the extent allowed by Section 19, this Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and assigns.

Provided that the City is otherwise in compliance with its obligations under this subsection (i), the inability to the City to provide the Minimum Available Spaces in the Sports District Parking Facilities to StadCo as a result of a Force Majeure event shall not constitute an Event of Default hereunder.
