**Date of Analysis:** February 23, 2021

**Type of Action:** Amendment of prior ordinance

**Bill Summary:** This bill amends Section 4 (Oversight/Disbursement of Funds upon Invoice/Account/Reverter) of Ordinance 2019-888-E to remove the specific date of September 30, 2021 for the reverter of funds. The ordinance will be retroactive in application and there are no other changes to the provisions of the ordinance.

**Background Information:** Ordinance 2019-888-E appropriated \$50,000 (\$45,000 from the Council District 14 Autumn Bond Account to the Public Art Account and \$5,000 from the Council Operating Contingency to the Art in Public Places Trust Fund) for design of a mural, purchase of materials and installation of a mural, including lighting, and maintenance costs associated with the Roosevelt/Edgewood - Artwork & Lighting Project. The project has been implemented and managed by the Cultural Council of Greater Jacksonville, Inc. in partnership with the Florida Department of Transportation (FDOT). FDOT's portion of the project has been delayed until the spring or summer of 2022, and the Cultural Council cannot complete its portion until FDOT is finished. The purpose of this legislation is to designate that the funds appropriated do not expire as originally intended on September 30, 2021, in order to allow for the project to be completed based upon the modified timeline.

**Policy Impact Area:** Roosevelt/Edgewood - Artwork & Lighting Project

**Fiscal Impact:** Appropriation of \$50,000 through Ordinance 2019-888-E, no new costs to the City
