31 **WHEREAS**, the City of Jacksonville has been selected to host

1 substantive portions of the 2020 Republican National Convention and
2 its related celebratory events and activities ("CONVENTION"); and

3 **WHEREAS**, this event will attract many visitors to the City and
4 expose the City to television viewers nationally and
5 internationally; and

6 **WHEREAS**, the Convention provides a unique opportunity for
7 business development for the City in that many of the visitors will
8 be representatives of major corporations and institutions located
9 outside the City of Jacksonville; and

10 **WHEREAS**, studies and surveys have shown that quality of life
11 and community appearance are significant factors in the decisions
12 of corporations and institutions to relocate to another city; and

13 **WHEREAS**, those same factors are important in the attraction of
14 tourism to the City after the Convention; and

15 **WHEREAS**, the Convention is expected to have a large and
16 positive economic impact on the Jacksonville area; and

17 **WHEREAS**, this event will enhance community involvement by
18 getting local businesses involved and having numerous local
19 volunteers for the event; and

20 **WHEREAS**, the City has established a Downtown Overlay Zone and
21 Downtown District Regulations in Subpart H of Part 3 of Chapter
22 656, Ordinance Code, which set forth permitted uses within the
23 various districts in the Downtown Overlay Zone; and

24 **WHEREAS**, given the magnitude of the Convention, it will be
25 necessary and desirable to allow certain uses in the Sports and
26 Entertainment and Working Waterfront districts in the Downtown
27 Overlay Zone in which they might not otherwise be permitted; and

28 **WHEREAS**, this need can be addressed through the use of
29 Temporary Use Permits which will allow these needed uses, and
30 which, if controlled as to location, layout and appearance, can
31 promote the intent of this ordinance and not have an adverse impact

1 upon surrounding properties and the City; and

2 **WHEREAS**, providing for a Temporary Use Permit during the time
3 period set forth in this ordinance will limit to those time periods
4 activities and uses which, while appropriate during the time period
5 set forth in this ordinance, may not be appropriate on a permanent
6 basis; and

7 **WHEREAS**, issuance of a Temporary Use Permit will provide a
8 more efficient and less time consuming method for processing
9 applications for such uses, consistent with the limited time period
10 for which such temporary use permits will be valid; and

11 **WHEREAS**, the City has also adopted as Subpart B to Part 13 of
12 Chapter 656, Ordinance Code, a Downtown Sign Overlay Zone setting
13 forth signs permitted in the Downtown Sign Overlay Zone and the
14 process for review and approval of applications for signs in that
15 overlay zone; and

16 **WHEREAS**, the permit regulations set forth in Subpart B of Part
17 13 of Chapter 656 do not address the unique circumstances
18 associated with an event of the magnitude of the Convention; and

19 **WHEREAS**, certain signs, including sponsorship signs, may be
20 appropriate during the limited time period to which this ordinance
21 applies which would not be appropriate on a permanent basis or in
22 areas outside the Downtown Sign Overlay Zone, including sponsorship
23 signs; and

24 **WHEREAS**, major entertainment venues for the Convention in
25 particular may require signage not contemplated or permitted within
26 the Downtown Sign Overlay Zone; and

27 **WHEREAS**, it is in the best interest of the City and its
28 residents to regulate the area which will be the focus of
29 Convention activities to preserve the public health, safety and
30 welfare of all citizens, visitors and participants, as well as the
31 aesthetic qualities of the area; and

1 **WHEREAS**, the City desires to promote and protect the First
2 Amendment rights of all its citizens and visitors who choose to
3 exercise those rights during the Convention; and

4 **WHEREAS**, the Convention has been designated a National Special
5 Security Event ("NSSE") due to the event's significance to the
6 United States and the inherent challenge of ensuring the safety and
7 security of all event participants; and

8 **WHEREAS**, persons and groups have a First Amendment right to
9 organize and participate in peaceful assemblies and parades on the
10 sidewalks and rights-of-way and in the parks of the City, and to
11 engage in peaceful assemblies and parades near the Convention so
12 they may be seen and heard, subject to reasonable restrictions
13 designed to protect public safety, persons and property, and to
14 accommodate the interest of persons not participating in the
15 assemblies and parades to use the sidewalks and rights-of-way to
16 travel to their intended destinations and use the parks for
17 recreational purposes; and

18 **WHEREAS**, the City recognizes the compelling need to
19 facilitate safe and orderly movement of vehicular and pedestrian
20 traffic during the Convention; and

21 **WHEREAS**, the City Council is authorized to approve
22 reasonable time, place and manner regulations promulgated by the
23 appropriate director regarding the issuance of public gathering
24 permits, demonstration permits, temporary use permits, parade
25 permits, and business access and operations permits during the
26 Convention; and

27 **WHEREAS**, the City Council has determined that the following
28 regulations, including but not limited to, time, place, and
29 manner restrictions, promulgated by the Planning Director will
30 promote and protect the general safety and welfare of the
31 residents of and visitors to of the City during the Convention

1 while also allowing persons and organizations to exercise their
2 First Amendment rights to peacefully assemble and parade; and

3 **WHEREAS,** in light of the extraordinary security measures that
4 are required to conduct the Convention, as well as other
5 considerations of the public health, safety and welfare of the
6 attendees of the Convention and those persons desiring to observe
7 the events, visit the downtown during the Convention and persons
8 desiring to formally and informally exercise their First Amendment
9 Rights, it is important to establish specific areas designated for
10 the purpose of the event, for free speech, as well as establishing
11 a formal "parade route" for groups peacefully assembled to express
12 their viewpoints to the attendees of the Convention; and

13 **WHEREAS,** in order to facilitate the needs of multiple groups
14 desiring to access these designated properties and "parade route"
15 and to adequately provide for the public health, safety and
16 welfare, an effective way of accomplishing this is to establish a
17 parade permit program for use during the Convention time period;
18 and

19 **WHEREAS,** while the Downtown Overlay Zone and the Downtown Sign
20 Overlay Zone comprise most, but not all of the areas to which this
21 ordinance should apply, it is necessary to expand slightly the
22 boundaries of the Sports and Entertainment and Working Waterfront
23 districts set forth in the Downtown Overlay Zone and the Downtown
24 Sign Overlay Zone for purposes of this ordinance; now therefore,

25 **BE IT ORDAINED** by the Council of the City of Jacksonville:

26 **Section 1. Area of Applicability.** This ordinance shall
27 apply only to the Convention Overlay Zone, which shall consist of
28 the area set forth in the Sports and Entertainment District and the
29 Working Waterfront District of the Downtown Overlay Zone as defined
30 in Section 656.361.2, Ordinance Code, together with the following
31 additional areas:

1 (a) The area within one hundred feet of the outer boundaries
2 of the Sports and Entertainment District and the Working Waterfront
3 District of the Downtown Overlay Zone; and

4 (b) The area within one hundred feet of the right-of-way line
5 of the area north of the Matthews Bridge Expressway bounded on the
6 south by the Matthews Bridge Expressway to Palmetto Street, then
7 north to Albert Street, then east to A. Philip Randolph Boulevard,
8 then north to Grant Street, then east to Georgia Street, then south
9 to Albert Street, then east to and including the ramp to the
10 Matthews Bridge Expressway, then west on the Matthews Bridge
11 Expressway back to Palmetto Street, as depicted on the map attached
12 as **Exhibit 1**; and

13 (c) The area within the area described in paragraph (b),
14 above, includes City-owned Lots W, XX and Y; and

15 (d) The area within the area described in paragraph (b),
16 above, includes the roadways of Albert Street, the rampway to the
17 Matthews Bridge Expressway at Kentucky Street, the rampway from the
18 Matthews Bridge Expressway at Spearing Street/Albert Street, the
19 Matthews Bridge Expressway, Palmetto Street and A. Philip Randolph
20 Boulevard.

21 The Convention Overlay Zone is depicted in **Exhibit 2**, attached.

22 **Section 2. Period of Applicability.** This ordinance shall
23 apply to uses, activities and signs during the period from 12:00
24 a.m. on August 23, 2020 through 11:59 p.m. on August 28, 2020. The
25 time period so described is designated as the Convention Activity
26 Period.

27 **Section 3. Convention Security Zone.** Within the
28 Convention Overlay Zone, there shall be created the Convention
29 Security Zone, the boundaries of which are established by the
30 United States Secret Service to provide for a secured area for the
31 safety of the Convention attendees. The Convention Security Zone

1 will have a defensive perimeter, and access into the Convention
2 Security Zone will be restricted to only those persons who have
3 been screened by security personnel and received tickets and/or
4 credentials to provide them access. Because the Convention has
5 been designated a National Special Security Event ("NSSE"), control
6 over the activities occurring within the Convention Security Zone
7 shall be conducted and maintained by the United States Secret
8 Service and the Convention Host Committee and their designates. The
9 Convention Security Zone is depicted in **Exhibit 3**, attached.

10 **Section 4. Temporary Use Permits.** Notwithstanding the
11 requirements of Chapter 656, Part 3, Subpart H, Ordinance Code, or
12 any other provision of the Ordinance Code, there is hereby
13 established a Temporary Use Permit in the Convention Security Zone
14 during the Convention Activity Period, subject to the requirements,
15 criteria and conditions of this Section.

16 (a) *Intent:* Temporary Use Permit procedures and requirements
17 as set forth in this Section are intended to permit certain uses
18 during the Convention Activity Period which are not otherwise
19 allowed in the Zoning Code and which may not be appropriate if
20 permitted on a permanent basis. In establishing this Temporary Use
21 Permit System, the intent is also to increase efficiency and reduce
22 the time required for processing of applications for Temporary Use
23 Permits, consistent with the limited time period during which such
24 uses are allowed and the reduced potential for adverse impacts on
25 surrounding properties and the City.

26 (b) *Uses for which Temporary Use Permits may be issued:*
27 Temporary Use Permits may be issued for the following uses, if not
28 otherwise allowed in the Downtown Overlay Zone, or individual
29 Districts thereof, pursuant to Subpart H of Chapter 656, Part 3
30 Ordinance Code:

31 (1) Uses which are of a nature customarily incidental and

1 normally associated with a major activity such as the Convention;

2 (2) Off-street parking;

3 (3) Indoor and/or outdoor entertainment;

4 (4) Signage.

5 (c) *Temporary Use Permits; Administered by Planning Director;*

6 *No formal public notice or hearing:*

7 (1) The Planning Director, or his designee, is authorized to
8 grant Temporary Use Permits and shall be responsible for the
9 administration, processing, review and determination on
10 applications for Temporary Use Permits. A copy of the application
11 for Temporary Use Permit shall be forwarded to the Downtown
12 Investment Authority Executive Director for comments and
13 recommendations. Recommendations from other departments or
14 agencies may be requested by the Planning Director (which term, as
15 used hereafter in this Section, shall also include any designee of
16 the Planning Director) where necessary to properly review the
17 application or establish conditions of approval of the Temporary
18 Use Permit.

19 (2) Applications for a Temporary Use Permit shall be in
20 writing on the forms prescribed by the Planning and Development
21 Department ("Department") and filed with the Planning Director
22 together with the required number of copies and all required
23 attachments. The application shall be prepared so that, when
24 completed, a full and accurate description of the proposed
25 temporary use, including its location and operational
26 characteristics, shall be disclosed. The application shall
27 include a site plan, to scale, showing the property lines of the
28 site, existing structures and paved areas, sidewalks, rights-of-way
29 and the location of any tent or any other temporary facilities, and
30 signs visible from ground level from the right-of-way or adjacent
31 property. If it is determined that the application is not

1 complete, notice shall be provided to the applicant advising of the
2 deficiencies and the Planning Director shall take no further action
3 on the application until the deficiencies are remedied.

4 (3) At the time an application for a Temporary Use Permit is
5 deemed to be complete, the applicant shall pay an application fee
6 of \$500.00.

7 (4) The Planning Director shall review and issue a
8 determination within ten days of receipt of an application
9 determined to be complete. The review and determination period may
10 be extended at the request of the applicant. If an application is
11 submitted less than ten days before the convention start date, the
12 Director shall make his best effort to process and complete the
13 permit review in a timely manner.

14 (5) Because of the limited period of the Temporary Use
15 Permit, formal public notice and public hearing are not required
16 and shall not be held in connection with the review or
17 determination of an application for a Temporary Use Permit by the
18 Planning Director, or his designee.

19 (d) *General Criteria:*

20 (1) Except as otherwise provided herein, the following
21 general criteria shall be met by all applicants for a Temporary Use
22 Permit:

23 (i) The use will promote the public health, safety and
24 general welfare, if located where proposed and operated according
25 to the plan as submitted.

26 (ii) The use is one for which a Temporary Use Permit is
27 authorized pursuant to this Section.

28 (iii) The use is compatible with contiguous and
29 surrounding properties, or the use is a public necessity.

30 It shall be the responsibility of the applicant to present evidence
31 in the form of documents, exhibits, plans and the like to support

1 the application for approval of a Temporary Use Permit.

2 (2) As appropriate to the nature of the Temporary Use Permit
3 involved and the particular circumstances of the case, the
4 following considerations in standards shall apply:

5 (i) Ingress and egress: Due consideration shall be

8 safety and convenience and access in case of fire or other
9 emergency.

10 (ii) Off-street parking and loading: Due consideration
11 shall be given to off-street parking and loading facilities as
12 related to adjacent streets, with particular reference to

15 or other emergency, and screening of landscaping.

16 (iii) Refuse and service areas: Due consideration shall
17 be given to the location, scale, design and screening of refuse and
18 service areas; to the manner in which refuse is to be stored; to
19 the manner of refuse collection, deliveries, shipments or other
20 service activities in relation to the location and nature of uses
21 on adjoining properties; and the location and character of
22 adjoining public ways;

23 (iv) Lighting: Due consideration shall be given to the
24 number, size, character, location and orientation of the proposed
25 lighting for premises, with particular reference to glare, and
26 compatibility and harmony with adjoining and nearby property and
27 the character of the area.

28 (v) Utilities: Due consideration shall be given to
29 utilities required, with particular reference to availability and
30 capacity of systems, location of connections, and potentially

8 as appropriate to the particular class or kind of Temporary Use
9 Permit and the circumstances of the particular case, due
10 consideration shall be given to the potentially adverse effects
11 generally on adjoining and nearby properties, the area, the
12 neighborhood of the City, of the use as proposed, or its location,
13 layout, character, scale or manner of operation. Where such
14 potentially adverse effects are found, consideration shall be given
15 to special remedial measures appropriate in the particular
16 circumstances of the case, including screening or buffering,
17 control of manner or hours of operation, alteration of proposed
18 layout, or such other measures as are required to assure that such
19 potential adverse effects will be compatible and harmonious with
20 other development in the area.

21 (e) *Conditions and safeguards:*

22 (1) The Planning Director shall have the authority to attach
23 to the grant of the Temporary Use Permit such conditions and
24 safeguards as may be necessary for the purposes of this ordinance
25 in the particular case.

26 (2) Such conditions and safeguards, if attached to the grant
27 of the Temporary Use Permit, shall be based upon and consistent
28 with the criteria set forth in this Section. The requirement for
29 any such conditions or safeguards shall be supported in the record
30 and no such condition or safeguard shall establish special
31 limitations or requirements beyond those reasonably necessary for

1 the accomplishment of the purpose for which attached.

2 (3) The Temporary Use Permit issued pursuant to this section
3 shall be maintained at all times on the property for which the
4 Temporary Use Permit is granted.
