(Minimum of 350 words - Maximum of 1 page.)

The purpose of this legislation is to enable the creation of a "Specialty Center" for the Southbank and Northbank Riverwalks whereby under certain conditions and controls patrons of adjacent food and beverage establishments consume their alcoholic beverage on the Riverwalk. This legislation is inspired, partly, by the success of the Tampa Riverwalk's Specialty Center as well as the success of Downtown Vision's "Sip and Stroll" events, and is in furtherance of Downtown's Business and Investment Strategy, with specific mention of the following Redevelopment Goals: No. 3 Increase and diversify the number and type of retail, food and beverage, and entertainment establishments within Downtown and No. 7 Capitalize on the aesthetic beauty of the St. John's River, value its health and respect its natural force, and maximize interactive and recreational opportunities for residents and visitors to create waterfront experiences unique to Downtown Jacksonville. Limitations include hours of operation; limitation on permissible cups to Specialty Center branded container; limiting the boundaries so as to avoid the traversing of public rights-of-way between a food and beverage establishment and the Riverwalk; and prohibiting open containers when not in an authorized container/cup.
