Re: Northwest CPAC – Planning District Opposes the following applications and does not recommend approval:

The Northwest Planning District 5, Citizens Planning Advisory Committee (CPAC), reviewed the information on Thursday, May 9, 2024, as provided and had the following concerns:

<u>Conventional Rezoning – 2024-0276</u>, 0 Pritchard Road, RE# 003461-0020; 004339-0030 Approval is not recommended due to the negative impact the proposed development would have on the residential area. Access is through a residential area.

<u>Planned Unit Development – 2024-0279</u>, 810 McDuff Avenue, RE# 056745-0000 Approval is not recommended. Proposed development does not add value to the community.

Respectfully,

## Victor Coleman
