6 all other evidence entered into the record and testimony taken at the
7 public hearings, the Council finds that: (1) there are practical or
8 economic difficulties in carrying out the strict letter of the

10 to reduce the cost of developing the site or to circumvent the
11 requirements of Chapter 654 (Code of Subdivision Regulations); (3)
12 the proposed waiver will not substantially diminish property values
13 in, nor alter the essential character of, the area surrounding the
14 site and will not substantially interfere with or injure the rights
15 of others whose property would be affected by the waiver; (4) there
16 is a valid and effective easement for adequate vehicular access
17 connected to a public street which is maintained by the City or an
18 approved private street; and (5) the proposed waiver will not be
19 detrimental to the public health, safety or welfare, result in
20 additional expense, the creation of nuisances or conflict with any
21 other applicable law; now, therefore
