(c) Explanation of Appropriation:

The funding above is an appropriation of \$100,000 from the

account within the IT System Development Fund to the
General Fund Special Council Contingency account to make
funds available for Council Member strategic initiatives
in fiscal year 2024-2025.

Section 2. Purpose. The purpose of the appropriation in Section 1 is to transfer funds from the IT System Development Project entitled "Grant Application Solution" which are no longer needed for that project to the General Fund Special Council Contingency account to make funds available for various Council Member strategic initiatives in fiscal year 2024-2025. This reallocation of funds is intended to offset the reduction in requested funding received for Council Member strategic initiatives during the fiscal year 2024-2025 budget process.

Section 3. Effective Date. This Ordinance shall become effective upon signature by the Mayor or upon becoming effective without the Mayor's signature.
