Subject: Public Street Name Change Proposal - Consent/Object - Shipyards Pl to Tower Ct

Steven,

Hello, my name is Evan Brown, and I am the senior addresser with the COJ Addressing Department under DSD. I am emailing you today to provide you a Consent/Object response letter for a proposed Public Street Renaming. We (COJ Addressing) need a response from your office for the proposed street name change. Since there will be structures on COJ property addressed from Shipyards Place (the street that is being proposed to be renamed) we (COJ Addressing) are required to notice the Real Estate Division. Can you please fill out and sign the form on page 3 of the attached letter no later than September 17th? Note: No response to this letter will be deemed as a 'Consent' to the Public Street Name Change Request. I have CC'd Cherry Pollock, my OGC Representative for Addressing on this email to assist with any additional questions or concerns. Finally, this has been approved by our 911 Emergency Advisory Committee and HPC, and the new proposed name is Tower Court which has been reviewed AND approved by our department. Thank you, Steven!

Cherry, if I have missed anything, please let me know!

Best wishes,

Evan Brown
