8 Application AD-24-52, which requests to reduce the required minimum

15 Staff Report of the Planning and Development Department:

16 (1) There are practical or economic difficulties in carrying out
17 the strict letter of the regulation;

18 (2) The request is not based exclusively upon a desire to reduce
19 the cost of developing the site, but would accomplish some result
20 that is in the public interest, such as, for example, furthering the
21 preservation of natural resources by saving a tree or trees;

22 (3) The proposed deviation will not substantially diminish
23 property values in, nor alter the essential character of, the area
24 surrounding the site and will not substantially interfere with or
25 injure the rights of others whose property would be affected by the
26 deviation;

27 (4) The proposed deviation will not be detrimental to the public
28 health, safety or welfare, result in additional public expense, the
29 creation of nuisances, or conflict with any other applicable law;

30 (5) The proposed deviation has been recommended by a City
31 landscape architect, if the deviation is to reduce required

1 landscaping; and

2 (6) The effect of the proposed deviation is in harmony with the
3 spirit and intent of the Zoning Code.

4 Therefore, administrative deviation Application AD-24-52 is
5 hereby approved.
