

NCSPHS AMENDMENT

The Neighborhoods, Community Services, Public Health and Safety Committee offers the following amendment to File 2022-566:

- (1) On **page 1, lines 10-11, strike** "FOR CORONAVIRUS PANDEMIC ("COVID-19") RESPONSE EFFORTS" and **insert** "IN FISCAL YEAR 2021-2022 IN ACCORDANCE WITH THE DOH'S ONGOING CONTRACT WITH THE CITY TO PROVIDE HEALTH SERVICES IN DUVAL COUNTY";
- (2) On **page 1, line 30, strike** "due to ongoing COVID-19 response efforts" and **insert** "related to the ongoing contract with the City to provide health services in Duval County"
- (3) On **page 2, lines 1-20, strike** Section 2 in its entirety and replace with a new Section 2 to read as follows:
"Section 2. Purpose. The purpose of the appropriation in Section 1 is to provide funding for the 2021-2022 portion of the ongoing health services contract between the City of Jacksonville and the Florida Department of Health in Duval County ("DOH"). The funds being appropriated in this legislation were originally appropriated in fiscal year 2020-2021 by Ordinance 2021-149-E but were recaptured to the general fund at the beginning of fiscal year 2021-2022 due to a lack of carryover language in the initial appropriation. The ongoing COVID-19 response efforts that were the subject of Ordinance 2021-149-E were paid in error using

the funds appropriated in the FY 2021-2022 budget for the DOH's 2021-2022 contract due to the funding being in the same account. This appropriation is necessary to pay the DOH for the remainder of the FY 2021-2022 contract.";

- (4) On **page 1, line 1**, amend the introductory sentence to add that the bill was amended as reflected herein.
