The Project Orion Company is an established manufacturer of mechanical equipment with an existing presence in the Jacksonville area. The Company operates a state of the art manufacturing operation which designs, engineers and delivers modular equipment to aid power suppliers. The Company is looking to expand its manufacturing operations and is considering leasing an existing building on the westside of Jacksonville. This expansion of operations will look to continue operations in its current location and increase production of its product at a new location. Currently, the Company is considering options in other parts of Florida and other states to increase production volumes.

The Company plans to expand into an existing building with a capital investment exceeding \$20 million and an additional \$8.775 million in equipment. Furthermore, it will add 250 new jobs associated with its expansion. The Jacksonville facility would manufacture the products that serve customers throughout the world.

OED is proposing to provide a Recapture Enhanced Value (REV) Grant based on 50 percent of the increase in real and personal property taxes generated at the project site, for 10 years, up to a maximum of \$1.5 million.

The City is proposing to utilize the Recapture Enhanced Value (REV) Grant program as stated in the City's Public Investment Policy (PIP). The REV Grant program requires the creation of "at least 10 full-time jobs" and a minimum of \$10 million of investment in order to be exempt those jobs from the wage requirement. The company is investing a total of \$28.775 million and creating 250 jobs. Based on the number of jobs and capital investment, the City is proposing a REV Grant in the amount of 50 percent of the increase in real and personal property taxes generated at the project site, for 10 years, up to a maximum of \$1.5 million.
