6 State and its counties and municipalities, including the City, shall
7 not continue to be endangered by unemployment, underemployment,
8 economic recession, poverty, crime and disease, and consume an
9 excessive proportion of the State and City revenues because of the
10 extra services required for police, fire, accident, health care,
11 elderly care, charity care, hospitalization, public housing and
12 housing assistance, and other forms of public protection, services
13 and facilities.

14 The provision of the City's assistance as identified in the
