The proposed legislation is to amend and restate the existing Redevelopment Agreement with REVA Development as previously approved by Ordinance 2020-591-E.

Over the past several months, the Office of Economic Development has been working with the developer, that was selected through the RFP process, to address multiple issues in the redevelopment plan for the Armory. These issues included, 1) the timing of commencement and completion of the redevelopment; 2) the costs of simply stabilizing the Armory that were discovered in the due diligence; and 3) the anticipated development of the Option Parcel (City owned property to the north of Hogan's Creek). Each of these elements represented significant variance from the original redevelopment proposal and required the developer to drastically alter the funding and timeline of the project.
