Bill Type and Number: Ordinance 2026-0105

Introducer/Sponsor(s): Council President at the request of the Sheriff

Date of Introduction: February 10, 2026

Committee(s) of Reference: F, NCSPHS, TEU

Date of Analysis: February 9, 2026

Type of Action: CIP amendment

Bill Summary: This bill amends the 2026-2030 Five-Year Capital Improvement Plan Approved by 2025-505-E to revise the title and scope of the project entitled “JSO Pretrial Detention Center—Water System Replacement.”

Background Information: This bill amends the 2026-2030 Five-Year Capital Improvement Plan to revise the title of the “JSO Pretrial Detention Center—Water System Replacement” to “Montgomery Correction Center—Water System Replacement.” It also revises the project scope to remove references to the pretrial detention center and to correct the project location address. The City Council finds that the deferral of this amendment until the next annual budget and CIP review will be detrimental to the best interests of the community because this clarification is applicable to current year appropriations and is necessary to complete the intended work at the Montgomery Correction Center.

Policy Impact Area: CIP, Montgomery Correction Center

Fiscal Impact: No cost to the City.
