Bill Type and Number: Resolution 2025-141

Introducer/Sponsor(s): Council President at the request of the Mayor

Date of Introduction: February 25, 2025

Committee(s) of Reference: NCSPHS, F, TEU

Date of Analysis: February 27, 2025

Type of Action: Appropriation; authorization to execute joint project funding agreement; CIP amendment; designation of oversight agency

Bill Summary: The bill appropriates \$600,000 from the Mobility Plan Project – Zone 4 account to fund the design of a traffic signalization and intersection improvement project at the intersection of Braddock Road and Dunn Avenue on the Northside and authorizes the execution of an agreement between the City and the Florida Department of Transportation for design of the project by the FDOT. It amends the 2025-29 Capital Improvement Plan to reflect the appropriation of funds to this project and designates the Engineering and Construction Management Division of the Public Works Department as the oversight agency for the project.

Background Information: Dunn Avenue is a state highway (SR 104) and Braddock Road is a local road. The funding will provide for design of a project that will include installation of traffic signals and the addition of turn lanes at the intersection. The funding will come from Mobility Zone 4 available funds.

Policy Impact Area: Roadway improvements

Fiscal Impact: The bill appropriates \$600,000 of Mobility Zone funds
