Article 4.
REV GRANT

4.1 Recapture Enhanced Value Program; Amount.

Subject to the terms and conditions of this Agreement, the City shall make a Recapture Enhanced Value grant (“REV Grant”) to the Company, in a total amount not to exceed \$3,500,000, payable in annual installments beginning, if at all, in the first year following the Substantial Completion of the Improvements and their inclusion on the City tax rolls at full assessed value (the “Initial Year”) and ending five (5) years thereafter, but not later than 2032 (the “Final Year”), payable in fiscal year 2033, all as more fully described below in this Article 4.

4.2 Payments of REV Grant.

The REV Grant shall be paid by the City to the Company by check or wire transfer, in annual installments determined in accordance with Section 4.3, due and payable on or before May 15 of each calendar year, commencing May 15 of the Initial Year and ending May 15 of the Final Year, or when the maximum amount of the REV Grant shall have been paid to the Company, whichever occurs first. The City shall have no liability for any REV Grant in excess of the amount stated in Section 4.1 or after payment of the final installment due May 15 of the Final Year, and, except as expressly provided in this Agreement, the REV Grant payments as determined pursuant to Section 4.3 shall not be subject to reduction or repayment.

4.3 Determination of Annual Installments of REV Grant.

The amount of each annual installment of the REV Grant shall be the sum which is equal to 50% of the “Annual Project Revenues” (as defined and determined in this Section 4.3) actually received by the City during the twelve (12) month period ended April 1 preceding the due date of such annual installment. For the purposes of this Agreement, “Annual Project Revenues” means the amount of all municipal and county ad valorem taxes, exclusive of any amount from any debt service millage or Business Improvement District (“BID”) millage, actually paid by any taxpayer for that tax year (net of any discount pursuant to Section 197.162, Florida Statutes, or any successor provision, actually taken by the taxpayer) during such period with respect to all real property and tangible personal property comprising the Project, less the amount of all municipal and county ad valorem taxes that would have been levied or imposed on the Project using the assessed value for the Base Year, which for the purpose of this Agreement shall be determined upon the selection of a site by the Company within the City of Jacksonville \$ 0.00 (final figure to be inserted once Project Parcel is acquired) exclusive of any debt service millage. The foregoing references to ad valorem taxes shall be deemed to include any other municipal or county taxes, or other municipal or county fees or charges in the nature of or in lieu of taxes, that may hereafter be levied or imposed on the Company with respect to real property and tangible personal property comprising the Project, in lieu of or in substitution for the aforesaid taxes and which are levied or imposed for general municipal or county purposes or shall be available for the City’s general fund, but not including stormwater or garbage fees or assessments.

By April 1 of each calendar year, commencing April 1, Initial Year and ending April 1, Final Year, Company shall give written notice to the City of the amount of county ad valorem taxes paid during the preceding twelve (12) month period ending April 1, quantified by real property and tangible personal property amounts. If, by April 1 of any year, the Company has failed to give notice of taxes paid during the preceding twelve (12) month period, the Company shall not be eligible for a REV Grant payment for that year. Provided, however, that if the Company provides timely notice in future years, the Company shall be eligible for a REV Grant payment based on the Annual Projected Revenues in such future year's notice.

Except as provided below, within thirty (30) days of receipt of said notice, City shall provide Company with a calculation as to the annual REV Grant. If the Company does not give written notice to the City of its objection to the City's calculation within thirty (30) days after its receipt thereof, the City's calculation shall be considered acceptable. Except as provided below, the City shall make payment of the REV Grant by the later of May 15th of each calendar year or thirty (30) days after City's receipt of notification by the Company that it is in agreement with the City's annual calculation. In the event of a disagreement as to the calculation, the City shall make payment of the amount not in dispute and the parties shall negotiate in good faith any disputed amount.

The foregoing dates for the City to provide the REV Grant calculation and make the REV Grant payment shall be extended if on either of such dates the Company has a pending proceeding before the City Value Adjustment Board, Circuit Court, or otherwise that could change the amount of the Annual Project Revenues that Company was obligated to pay for that tax year and upon which the REV Grant payment would be based. In that event, the date that the City is required to provide the REV Grant calculation to Company shall be extended until 30 days after the date that Company notifies the City that any such proceeding has been finally resolved (including any appeals) and any adjustment to the Annual Project Revenues for that tax year has been made and paid. Such notice shall include (i) a copy of any final order or final judgment or other evidence of the resolution of such proceeding that sets forth any change to the assessed value of the Property upon which the Annual Project Revenues are based for that tax year, and (ii) the amount of the adjusted Annual Project Revenues paid by the Company.

4.4 Further disclaimer.

The REV Grant shall not be deemed to constitute a debt, liability, or obligation of the City, City or of the State of Florida or any political subdivision thereof within the meaning of any constitutional or statutory limitation, or a pledge of the faith and credit or taxing power of the City, City or of the State of Florida or any political subdivision thereof, but shall be payable solely from the funds provided therefor in this Article 4. The City shall not be obligated to pay the REV Grant or any installment thereof except from the non-ad valorem revenues or other legally available funds provided for that purpose, and neither the faith and credit nor the taxing power of the City, City or of the State of Florida or any political subdivision thereof is pledged to the payment of the REV Grant or any installment thereof. The Company, or any person, firm or entity claiming by, through or under the Company, or any other person whomsoever, shall never have any right, directly or indirectly, to compel the exercise of the ad valorem taxing power of the City, City or of the State of Florida or any political subdivision thereof for the payment of the REV Grant or any installment of either.

Article 5. JOB RETENTION/CREATION

Creation of the New Jobs will be calculated by the City pursuant to this Agreement. Article 9.

DEFAULTS AND REMEDIES

9.1 General.

A default shall consist of the breach of any covenant, agreement, representation, provision, or warranty contained in (i) this Agreement (including, but not limited to, any failure to meet the reporting requirements described herein), (ii) the documents executed in connection with the Agreement and any other agreement between the City and the Company related to the Project, or (iii) any document provided to the City relating to the Project (collectively, the “Documents”). A default shall also exist if any event occurs or information becomes known which, in the reasonable judgment of the City, makes untrue, incorrect or misleading in any material respect any statement or information contained in any of the documents described in clauses (i) – (iii) above or causes such document to contain an untrue, incorrect or misleading statement of material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

If any such default or breach occurs under this Agreement, the City may refuse to pay any portion of the REV Grant and additionally, may at any time or from time to time proceed to protect and enforce all rights available to the City under this Agreement by suit in equity, action at law or by any other appropriate proceeding whether for specific performance of any covenant or agreement contained in this Agreement, or damages, or other relief, or proceed to take any action authorized or permitted under applicable laws or regulations, including, but not limited to, terminating this Agreement. The City shall not act upon a default until it has given the Company written notice of the default and fifteen (15) business days within which to cure the default; provided, however, that the City may withhold any portion of the REV Grant immediately upon the occurrence of a default and throughout any notice or cure period. However, if any default cannot reasonably be cured within the initial fifteen (15) business days, Company shall have a total of forty-five (45) days in which to cure such default, so long as Company has commenced and is diligently proceeding to cure such default within the initial fifteen (15) day period. Notwithstanding the foregoing, Company shall immediately and automatically be in default, and the City shall not be required to give Company any notice or opportunity to cure such default (and thus the City shall immediately be entitled to act upon such default), upon the occurrence of any of the following:

- (a) The entry of a decree or order by a court having jurisdiction in the premises adjudging the Company or any guarantor (“Guarantor”) of Company’s obligations hereunder or under the Documents, a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or Guarantor under the United States Bankruptcy Code or any other applicable federal or state law, or appointing a receiver, liquidator, custodian, assignee, or sequestrator (or other similar official) of the Company or Guarantor or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 90 consecutive days; and
- (b) The institution by Company or Guarantor of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under the United States Bankruptcy Code or any other similar applicable federal or state law, or the consent by it to the filing of any such petition or to the appointment of a

receiver, liquidator, custodian, assignee, trustee or sequestrator (or other similar official) of the Company or Guarantor or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due.

9.2 Specific Defaults.

Additionally, for any of the specific events of default described in this Section 9.2 below, the parties agree that the City's damages recoverable from the Company shall include, but not be limited to, the following:

- (a) In the event reporting requirements are not met in the time period specified in Article 8 of this Agreement, the City will be entitled to withhold any undisbursed amount of the REV Grant until such reporting information is provided; provided, however, if the reporting information is not provided within the same City fiscal year such payment is due, the City shall have no obligation to make the applicable REV Grant payment for such year.
- (b) If, by December 31, 2028, the Company fails to demonstrate Capital Investment of at least \$135,000,000 of private funding in the Improvements, as determined by the City in its reasonable discretion, the REV Grant will be proportionately reduced. If, by December 31, 2028, the Company fails to demonstrate Capital Investment of at least \$100,000,000 of private funding in the Improvements, the REV Grant will be terminated and the Company will repay the City the entire amount of the REV Grant actually received by the Company, if any.
- (c) If, for any year during which the Company is eligible for a REV Grant payment, the Company fails to create and maintain the required New Jobs as detailed in the Job Creation Schedule, the REV Grant will be reduced proportionately. Calculated on an annual basis utilizing the Company's annual jobs report, any shortfall in New Jobs will result in a proportionate reduction in that year's REV Grant. For example, a ten (10) percent job shortfall in the initial year of the REV Grant would result in a ten (10) percent reduction in the REV Grant attributed to that tax year and payable the following year.
- (d) Commencing December 31, 2028 and continuing for each year during which the Company is eligible for a REV Grant payment, in the event the Company fails to create and maintain a minimum of eighty percent (80%) of the required New Jobs in accordance with the Job Creation Schedule at an average wage of at least ninety percent (90%) of the required average wage in accordance with the Job Creation Schedule, the REV Grant shall terminate.

The maximum combined repayment due under this Section 9.2 shall not exceed the total amount of the Completion Grant actually paid to the Company under this Agreement.

Article 10. ANTI-SPECULATION AND ASSIGNMENT PROVISIONS

10.1 **Purpose.**

The Company represents and agrees that its acquisition of the Project Parcel and undertakings pursuant to this Agreement are for the purpose of developing such parcel pursuant to this Agreement and not for speculation in land holding. 10.2 **Assignment; Limitation on Conveyance.**

Company agrees that, with respect to the Project, until the Substantial Completion of the Improvements, it shall not, without the prior written consent of the City (which consent shall not be unreasonably withheld), assign, transfer or convey (i) the Project Parcel or any portion thereof, (ii) this Agreement or any provision hereof as it relates to the Project, (iii) a controlling interest in the Company; or (iv) a controlling interest in the Managing Member of the Company. Notwithstanding the foregoing, at the Closing, the Company may assign all of its rights and obligations hereunder to any Affiliate of Company which takes title to the Project Parcel, pursuant to a duly executed assignment and assumption agreement in form and content as acceptable to the City in its sole discretion. If any prohibited assignment, transfer or conveyance is made, the obligation of the City to pay any further amounts of the REV Grant and the Completion Grant to the Company shall immediately terminate. After the Substantial Completion of the Improvements, Company shall not assign, transfer or convey items (i) or (ii) above, without the prior written consent of the City, unless both items are simultaneously conveyed; provided, however, that in such event such assignee shall enter into a duly executed assignment and assumption agreement in form and content as acceptable to the City in its reasonable discretion.

Article 11. GENERAL PROVISIONS

11.1 **Non-liability of City Officials.**

No member, official or employee of the City shall be personally liable to the Company or to any Person with whom the Company shall have entered into any contract, or to any other Person, in the event of any default or breach by the City, or for any amount which may become due to the Company or any other Person under the terms of this Agreement.

11.2 **Force Majeure.**

No party to this Agreement shall be deemed in default hereunder where such a default is based on a delay in performance as a result of war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, casualty, acts of God, acts of public enemy, epidemic, quarantine restrictions, freight embargo, shortage of labor or materials, interruption of utilities service, lack of transportation, severe weather and other acts or failures beyond the control or without the control of any party (each, a “Force Majeure Event”); provided, however, that the extension of time granted for any delay caused by any of the foregoing shall

not exceed the actual period of such delay and shall be proximately caused by such Force Majeure Event, and in no event shall any of the foregoing excuse any financial liability of a party.

In the event of any delay or nonperformance resulting from such causes, the party affected shall notify the other in writing within ten (10) calendar days of the Force Majeure Event. Such written notice shall describe the nature, cause, date of commencement, and the anticipated impact of such delay or nonperformance, shall indicate the extent, if any, to which it is anticipated that any delivery or completion dates will be thereby affected, and shall describe the actions reasonably taken to minimize the impact thereof.

11.3 **Offset.**

City shall have the right to offset any amount owed by Company under or in connection with this Agreement against any payments owed by City under this Agreement. Such offsets shall be in addition to any other rights or remedies available under this Agreement and applicable law.

11.4 **Notices.**

11.5 **Time.**

Time is of the essence in the performance by any party of its obligations hereunder.

11.6 **Entire Agreement.**

This Agreement constitutes the entire understanding and agreement between the parties and supersedes all prior negotiations and agreements between them with respect to all or any of the matters contained herein.

11.7 **Amendment.**

This Agreement may be amended by the parties hereto only upon the execution of a written amendment or modification signed by the parties. Notwithstanding the foregoing, the Executive Director of the OED is authorized on behalf of the City to approve, in his or her sole discretion, any “technical” changes to this Agreement. Such “technical” changes include without limitation non-material modifications to legal descriptions and surveys, ingress and egress, easements and rights of way, and design standards, as long as such modifications do not involve any increased financial obligation or liability to the City.

11.8 **Waivers.**

Except as otherwise provided herein, all waivers, amendments or modifications of this Agreement must be in writing and signed by all parties. Any failures or delays by any party in insisting upon strict performance of the provisions hereof or asserting any of its rights and remedies as to any default shall not constitute a waiver of any other default or of any such rights or remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties hereto are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by any other party.

11.9 **Indemnification.**

Company shall indemnify, hold harmless and defend the City from and against, without limitation, any loss, claim, suit, action, damage, injury, liability, fine, penalty, cost, and expense of whatsoever kind or nature (including without limitation court, investigation and defense costs and reasonable expert and attorneys’ fees and costs) related to any suits and actions of any kind brought against the City or other damages or losses incurred or sustained, or claimed to have been incurred or sustained, by any person or persons arising out of or in connection with: (i) any breach of any representation or warranty of Company contained or provided in connection with this Agreement; (ii) any breach or violation of any covenant or other obligation or duty of Company under this Agreement or under applicable law; (iii) any negligent act, error or omission, recklessness or intentionally wrongful conduct on the part of Company or those under its control that causes injury (whether mental or corporeal) to persons (including death) or damage to property, whether arising out of or incidental to Company’s performance under this Agreement or relating to the Project, except to the extent caused by the sole negligence of the City. Nothing contained in this paragraph shall be construed as a waiver, expansion or alteration of the City’s sovereign immunity beyond the limitations stated in Section 768.28, Florida Statutes.

This indemnification shall survive the expiration or termination (for any reason) of this Agreement and remain in full force and effect. The scope and terms of the indemnity obligations herein described are separate and apart from, and shall not be limited by any insurance provided pursuant to this Agreement or otherwise. The term “City” as used in this Section 11.9 shall include all City’s members, officers, officials, employees and agents.

11.10 Severability.

The invalidity, illegality or unenforceability of any one or more of the provisions of this Agreement shall not affect any other provisions of this Agreement, but this Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

11.11 Compliance with State and Other Laws.

In the performance of this Agreement, the Company must comply with any and all applicable federal, state and local laws, rules and regulations, as the same exist and may be amended from time to time. Such laws, rules and regulations include, but are not limited to, Chapter 119, Florida Statutes (the Public Records Act) and Section 286.011, Florida Statutes, (the Florida Sunshine Law). If any of the obligations of this Agreement are to be performed by a subcontractor, the provisions of this Section shall be incorporated into and become a part of the subcontract.

11.12 Non-Discrimination Provisions.

In conformity with the requirements of Section 126.404, *Ordinance Code*, the Company represents that it has adopted and will maintain throughout the term of this contract a policy of non-discrimination to assure equal opportunities to any person regardless of race, color, religion, sex, sexual orientation, gender identity, familial status, national origin, age, political affiliation, disability, marital status, veteran status, or any other impermissible factor in recruitment, hiring, compensation, training, placement, promotion, discipline, demotion, transfers, layoff, recall, termination, working conditions and related terms and conditions of employment, throughout the term of this Agreement. The Company agrees that, on written request, it will permit reasonable access to its records of employment, employment advertisement, application forms and other pertinent data and records, by the Executive Director of the Human Rights Commission, or successor agency or commission, for the purpose of investigation to ascertain compliance with the nondiscrimination provisions of this Chapter 126, Part 4 of the *Ordinance Code*, *provided however*, that the Company shall not be required to produce for inspection records covering periods of time more than one (1) year prior to the day and year first above written. The Company agrees that, if any of its obligations to be provided pursuant to this Agreement are to be performed by a subcontractor, the provisions of this Section 11.12 shall be incorporated into and become a part of the subcontract.

11.13 Contingent Fees Prohibited.

In conformity with Section 126.306, *Ordinance Code*, the Company warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Company, to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Company, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For the breach or violation of these provisions, the City

shall have the right to terminate this Agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

11.14 Ethics.

The Company represents that it has reviewed the provisions of the Jacksonville Ethics Code, as codified in Chapter 602, *Ordinance Code*, and the provisions of the Jacksonville Purchasing Code, as codified in Chapter 126, *Ordinance Code*.

11.15 Conflict of Interest.

The parties will follow the provisions of Section 126.110, *Ordinance Code* with respect to required disclosures by public officials who have or acquire a financial interest in a bid or contract with the City, to the extent the parties are aware of the same.

11.16 Public Entity Crimes Notice.

In conformity with the requirements of Section 126.104, *Ordinance Code* and Section 287.133, Florida Statutes, the Parties agree as follows:

The parties are aware and understand that a person or affiliate who has been placed on the State of Florida Convicted Vendor List, following a conviction for a public entity crime, may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity, in excess of \$35,000.00, for a period of thirty-six (36) months from the date of being placed on the Convicted Vendor List.

11.17 Survival.

Any obligations and duties that by their nature extend beyond the expiration or termination of this Agreement shall survive the expiration or termination of this Agreement and remain in effect. Without limiting the foregoing, all obligations for the payment of fees or other sums accruing up to the expiration or termination of this Agreement and all provisions relating to the City's right to conduct an audit shall survive the expiration or termination of this Agreement.

11.18 Incorporation by Reference.

All exhibits and other attachments to this Agreement that are referenced in this Agreement are by this reference made a part hereof and are incorporated herein.

11.19 Order of Precedence.

In the event of any conflict between or among the provisions of this Agreement and those of any exhibit attached hereto or of any amendment, the priority, in decreasing order of precedence shall be: 1) any fully executed amendment; 2) provisions in this Agreement; and 3) exhibits to this Agreement.

11.20 **Counterparts.**

This Agreement may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument. Delivery of a counterpart by electronic means shall be valid for all purposes.

11.21 **Independent Contractor.**

In the performance of this Agreement, the Company will be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer or association of the City. The Company and its employees or agents shall be solely responsible for the means, method, technique, sequences and procedures utilized by the Company in the performance of this Agreement.

11.22 **Retention of Records/Audit**

The Company agrees:

- (a) To establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all income and expenditures of funds provided by the City under this Agreement.
- (b) To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this Agreement for a period of six (6) years after completion of the date of final payment by the City under this Agreement. If an audit has been initiated and audit findings have not been resolved at the end of six (6) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this Agreement, at no additional cost to the City.
- (c) Upon demand, at no additional cost to the City, to facilitate the duplication and transfer of any records or documents during the required retention period.
- (d) To assure that these records shall be subject at all reasonable times to inspection, review, copying, or audit by personnel duly authorized by the City and its designees, including but not limited to the City Council auditors.
- (e) At all reasonable times for as long as records are maintained, to allow persons duly authorized by the City, including but not limited to the City Council auditors, full access to and the right to examine any of the Company's contracts and related records and documents, regardless of the form in which kept.
- (f) To ensure that all related party transactions are disclosed to the City.
- (g) To include the aforementioned audit, inspections, investigations and record keeping requirements in all subcontracts and assignments of this Agreement.
- (h) To permit persons duly authorized by the City, including but not limited to the City Council auditors, to inspect and copy any records, papers, documents, facilities, goods and services of the Company which are relevant to this Agreement, and to interview any employees and

subcontractor employees of the Company to assure the City of the satisfactory performance of the terms and conditions of this Agreement. Following such review, the City will deliver to the Company a written report of its findings and request for development by the Company of a corrective action plan where appropriate. The Company hereby agrees to timely correct all deficiencies identified in the corrective action plan.

- (i) If the result of any audit by the City (or City Council auditors) establishes that the number of New Jobs or amount of private Capital Investment has been overstated by five percent (5%) or more, the entire expense of the audit shall be borne by the Company.
- (j) Additional monies due as a result of any audit or annual reconciliation shall be paid within thirty (30) days of date of the City's invoice.
- (k) Should the annual reconciliation or any audit reveal that the Company has overstated the number of New Jobs or amount of private Capital Investment, and the Company does not make restitution within thirty (30) days from the date of receipt of written notice from the City, then, in addition to any other remedies available to the City, the City may terminate this Agreement, solely at its option, by written notice to the Company.

11.23 **Non-merger.**

None of the terms, covenants, agreements or conditions set forth in this Agreement shall be deemed to be merged with any deed conveying title to the Project Parcel.

11.24 **Exemption of City.**

Neither this Agreement nor the obligations imposed upon the City hereunder shall be or constitute an indebtedness of the City or City within the meaning of any constitutional, statutory or charter provisions requiring the City or City to levy ad valorem taxes nor a lien upon any properties of the City. Payment or disbursement by the City of any grant amount hereunder is subject to the availability of lawfully appropriated funds. If funds are not available pursuant to a lawful appropriation thereof, this Agreement shall be void and the City shall have no further obligations hereunder.

11.25 **Parties to Agreement; Successors and Assigns.**

This is an agreement solely between the City and Company. The execution and delivery hereof shall not be deemed to confer any rights or privileges on any person not a party hereto. This Agreement shall be binding upon Company and Company's successors and assigns, and shall inure to the benefit of the City and its successors and assigns. However, Company shall not assign, transfer or encumber its rights or obligations hereunder or under any document executed in connection herewith, without the prior written consent of the City, which consent may be withheld in the sole discretion of the City. Notwithstanding the foregoing, the City is an intended third-party beneficiary of this Agreement and may rely upon and enforce the provisions of this Agreement.

11.26 **Venue; Applicable Law.**
