Florida Housing Finance Corporation (FHFC), under appropriations it receives from the Florida Department of Economic Opportunity for the State Housing Initiatives Partnership (SHIP) program, provides formula grants to local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing. SHIP dollars may be used to fund emergency repairs, new construction, rehabilitation, down payment and closing cost assistance, acquisition of property for affordable housing, matching dollars for federal housing grants and programs, and homeownership counseling.

The funds being appropriated within this legislation will be spent for the City's Headstart to Homeownership Program, Owner-Occupied Rehabilitation Program, matching funds for the City's federal CDBG-DR disaster recovery grant and the costs associated with the administration and delivery of the program. The City does not contribute general funds to the administration or delivery of this program and all positions are authorized and funded through the grant.

There is no match requirement for these funds, however, the City uses these funds to meet the match requirements of the federal HOME Investment Partnerships program and the federal CDBG-DR disaster recovery grant from the U.S. Department of Housing and Urban Development (HUD).

These funds must be committed to eligible projects no later than June 30, 2021 and must be fully expended for completed projects no later than June 30, 2022.
