There is created a trust fund account to be known as the *Special Law Enforcement Trust Fund*. There shall be deposited in this fund all moneys paid over to the City under F.S. § 932.7055(4) to be used only for law enforcement purposes as specified herein. Subject to appropriation by the Council in each instance, the Sheriff may expend funds from this account to provide matching funds to obtain federal grants (including grants from state agencies using money provided by the United States) and for other law enforcement purposes as are approved by the Council, and the Director of Finance is authorized and directed to make disbursements from this account upon the written requisition of the Sheriff or his designee, after approval by the Council. The Sheriff shall submit the semiannual reports required by F.S. § 932.7055(8)(a) to the Director of Finance and the Council. The monies deposited in this trust fund shall carry over fiscal years and may be expended for the purposes of the original lawful Council appropriation; provided, that any monies deposited in the trust fund in any fiscal year which exceed the amount appropriated by the Council for the fiscal year shall not be expended until appropriated by the Council.
