To Whom It May Concern,

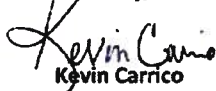

Ilya Soroka was introduced to me in 2020 during my election campaign as a charter school advocate and developer. In the years since then I have worked closely with Ilya to bring School Choice to District 4, Develop and Redevelop real estate properties in my District and support local philanthropic efforts.

Ilya and I were able to work together to bring GOCA Arts to part of my District that needed more school choice and relief from overcrowded schools. His efforts through that process resulted in a successful rezoning and peaceful neighbors.

Ilya has also worked in my District to set up a warehouse for taking in and distributing donations to Ukrainian Refugees. His team quickly mobilized and has since partnered with Baptist Health, Rotary Clubs, Mayo Clinic, Lutheran Social Services and more to deliver help to refugees locally and abroad.

For the reasons listed above and many more I would like to recommend Ilya Soroka for any future in devours and work that may come across his path. His team and him are a pleasure to work with and a blessing for the City of Jacksonville.

Sincerely,

  
Kevin Carrico

**LIVING STREAM**  
CHURCH

To Whom It May Concern,

For the past two years, Ilya Soroka has been serving on the Living Stream Building Committee. Ilya has been the pioneer of getting this project on it's feet and moving forward with fast momentum. He is a very dedicated, responsible, and active member of the committee. He is more than capable of assimilating and performing new tasks, and so it is with great enthusiasm that I can personally recommend him for any future positions.

In preparing the contract for this building project, due to Ilyas' concern for his local community and his unwavering research methods, our project has turned a corner in its history and overcome the planning phase which was bogging down development plans. Ilya puts in long hours in making sure the deadlines are met. In addition to being excellent in anything he does, he is also a great team leader and a pleasure to work with.

Over the years, I have dealt with many contractors and I can attest that Mr. Soroka displayed a level of professionalism that is seldom matched. With his strong desire to do good for the community, Mr. Soroka will make an invaluable asset to any team and he merits my highest recommendation.

Please let me know if you have any other questions (I can be reached by email at [office@lscjax.org](mailto:office@lscjax.org)).

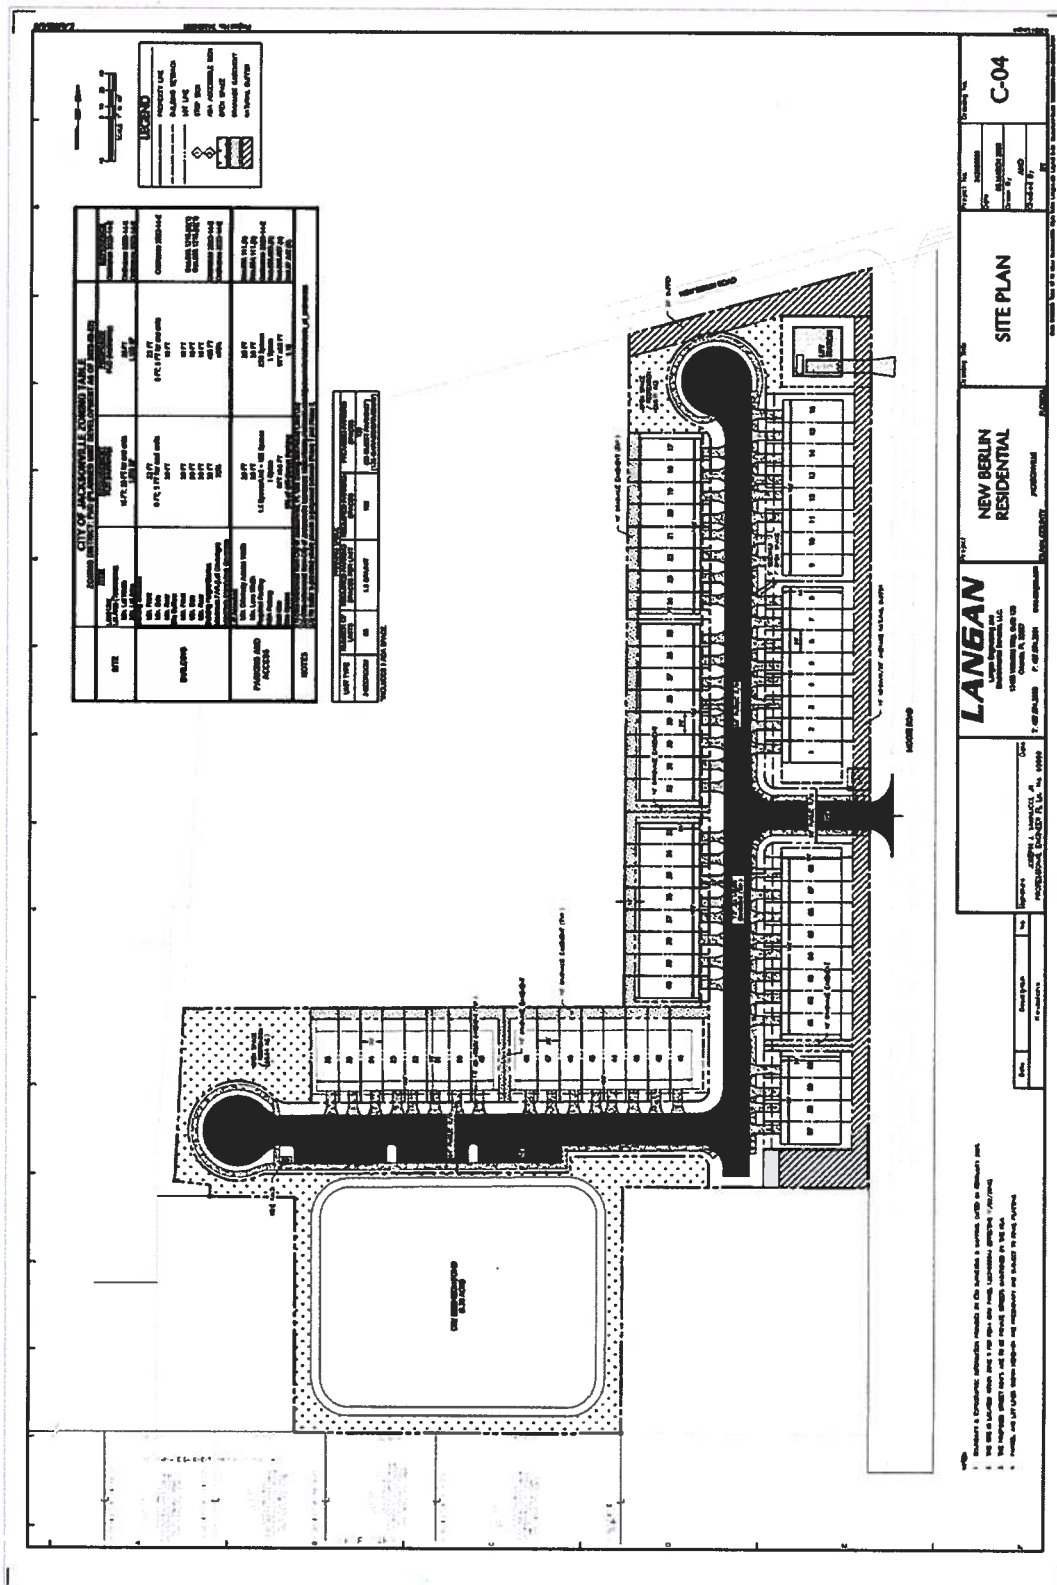

Regards,
