AMENDMENT

Clarify dollar amount ranges for audit reports of grant recipients

- **Amends Code Sec. 118.201 (Release of Appropriations) and 118.202 (Content of audits by independent certified public accountant) to:**
 - a. Revise the reporting deadline to allow audits to be submitted to the City within 120 days of the later of the close of the grant recipient's fiscal year or the final release of the annual Office of Management and Budget Compliance**
 - b. Reference the Single Audit threshold amount stated in Title 2, Part 200, Subpart F of Federal Regulations rather than a set dollar amount**
- **These changes will be effective beginning with audits due for the fiscal year ending June 30, 2025**
- **A one cycle emergency has been requested because the annual Office of Management and Budget Compliance Supplement has not been released yet, which is preventing organizations from being able to finalize and submit their required audits to the City by the current deadline established in the Ordinance Code**
