The U.S. Department of Housing and Urban Development (HUD), through the Emergency Solutions Grant (ESG) program, provides formula grants to jurisdictions to address homelessness. The ESG program provides funding to: (1) engage homeless individuals and families living on the street; (2) improve the number and quality of emergency shelters for homeless individuals and families; (3) help operate these shelters; (4) provide essential services to shelter residents; (5) rapidly re-house homeless individuals and families; and (6) prevent families/individuals from becoming homeless.

The funds being appropriated within this legislation will be spent towards activities that meet the stated program goals. The City does not contribute general funds to the administration of this program and any positions are authorized and funded through the grant.

The City of Jacksonville must obligate all funds, except for the amount designated for administrative costs, within 180 days after HUD signs the grant agreement. All grant funds must be expended within 24 months after HUD signs the grant agreement. Further obligation and expenditure requirements are specified at 24 CFR 576.

The City of Jacksonville is required to match ESG funds with an equal amount of cash and/or noncash contributions, which may include donated buildings, materials and volunteer services. The City accomplishes this match requirement through programs and funding provided by the Social Services Division of the Parks and Recreation Department.
