PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation.

(Minimum of 350 words - Maximum of 1 page.)

Pursuant to section 193.122, Florida Statutes, the Value Adjustment Board ("VAB") certifies the assessment rolls to the Property Appraiser after all administrative hearings have been held as provided in section 194.032, Florida Statutes. The Property Appraiser then makes all required extensions on the rolls to show the taxes attributable to all taxable property and to reflect any changes in value made by the VAB as a result of the administrative hearings. On or around October of 2025, the VAB will begin conducting administrative hearings on property assessment challenges and on classification and exemption denials for the 2025 tax year. Those hearings will continue beyond November 1, 2025, and into the following year. Section 197.323, Florida Statutes, provides a process by which the Property Appraiser may extend the millage against the rolls and certify the tax rolls to the Tax Collector, before VAB hearings are completed. Pursuant to section 197.323, at the Tax Collector's request, City Council may order that the rolls be extended prior to completion of the hearings. The Tax Collector sent a letter to the Council President requesting that the Council take such action. A copy of the letter is attached to the ordinance as Exhibit 1. City Council directing the Property Appraiser to extend the millage against the assessment rolls and certify same to the Tax Collector will enable the Tax Collector to issue timely tax notices.
