PURPOSE: White Paper (Explain Why this legislation is necessary? Provide; Who, What, When, Where, How and the Impact.) Council Research will complete this form for Council introduced legislation and the Administration is responsible for all other legislation. (Minimum of 350 words - Maximum of 1 page.)

The purpose of this legislation is to seek City Council approval for a modification/renewal Certificate of Public Convenience and Necessity ("CON") for Hrustic Brothers, Inc. Hrustic Brothers, Inc., Fayal Drive, Clean Debris Recycling Facility is an existing clean debris CON facility and has requested to expand their CON operation to include an adjacent property and hence council action is required for this type of modification. In accordance with Chapter 380, Part 1 Ordinance Code, Hrustic Brothers, Inc. has applied for a modification/renewal CON for the expansion of their clean debris recycling facility located at 6498 and 11901 Fayal Drive South, Jacksonville, Florida. The application has been reviewed by the Public Works Department, the Solid Waste Division, the Environmental Quality Division, the Planning and Development Department and the Florida Department of Health in Duval County and the applicant requirements for operation of such a facility have been met. Final approval of a CON facility modification involving the expansion of their CON operation is based upon the determination of need by the City Council. The proposed Hrustic Brothers, Inc. clean debris recycling facility is a private facility and the operation of the facility will not require any City of Jacksonville funding. Clean debris recycling is beneficial to Duval County's recycling goals. Recycled clean debris (crushed concrete) is commonly utilized in various aspects of construction projects.
