24 **Sec. 380.512. Annual Report.**

25 The Director shall prepare an annual report to the Council
26 concerning the City's recycling program. The report shall be filed
27 on or before March 1st of each calendar year and shall summarize
28 activities related to the recycling program during the previous
29 fiscal year. The Transportation, Energy and Utilities Committee
30 shall review the annual report and may take legislative action to
31 address recycling conditions contained within the annual report, as

1 appropriate. The information contained in the annual report shall
2 include, but not be limited to, the following items:

3 (a) all efforts undertaken by the City during the prior fiscal
4 year to establish recycling of all materials that are
5 financially attainable in the City;

6 (b) the number of written complaints pertaining to the recycling
7 program submitted to the City during the prior fiscal year;

8 (c) the statistics as to the number of materials recycled broken
9 out by different types (i.e., plastic, glass, cardboard,
10 etc.);

11 (d) the collaborative efforts undertaken by the City with third
12 parties, such as the Duval County School Board, to maintain
13 recycling in the City;

14 (e) the public education efforts undertaken by the City to
15 encourage the recycling of materials which are financially
16 feasible within the City;

17 (f) the total expenditure of the City's recycling program,
18 including revenues received from the sale of recycling
19 materials, costs incurred to dispose of materials that were
20 put in the recycling stream but were not recyclable,
21 estimated savings that the recycling program provides to the
22 City by reducing materials that are landfilled, overall costs
23 of the collection of recyclables, and any other significant
24 costs or savings attributable the recycling program;

25 (g) the performance standards utilized by the City to measure
26 compliance with this Part and with standards for recycling in
27 City contracts;

28 (h) recommendations for improvement to the recycling program;

29 (i) certification that the City is using the best practices in
30 its recycling program; and

31 (j) any other information requested by Council, or considered

1 significant by the Director.

2 **Section 2. Effective Date.** Except as herein provided,
3 this ordinance shall become effective upon signature by the Mayor
4 or upon becoming effective without the Mayor's signature.
