Committee(s) of Reference: F, NCSPHS

Type of Action: Appropriation

Bill Summary: This bill appropriates \$300,000 from the Council President’s Designated Contingency to the Jacksonville Upward Mobility Program (“JUMP”) Special Revenue Fund to provide additional funds for various programs and services aimed at training, educating, and maintaining a sustainable local workforce consistent with the mission and goals for the program. It amends the Fourth Revised Schedule M to Ordinance 2023-511-E to reflect this additional appropriation of funds.

Background Information: Ordinance 2022-886-E replaced code Chapter 180 and Section 111.630, Duval County Job Opportunity Bank with the Jacksonville Upward Mobility Program (“JUMP”), overseen by Kids Hope Alliance (“KHA”). To provide funding for JUMP, the new chapter requires that the value of 1% of the approved economic development agreement incentives, for areas outside the CRAs, be transferred to this subfund. The Program focuses on building apprenticeship, pre-apprenticeship, and workforce training programs for youth and young adults in Duval County so that there are young adults ready, willing, and able to step into employment positions made available by economic development projects.

Policy Impact Area: JUMP; youth workforce development programs

Fiscal Impact: Appropriates \$300,000 from the Council President’s Designated Contingency to JUMP
