the Mobility System**

Dear Honorable Council President Wilson, Honorable Council Member and LUZ Chairman Becton and Honorable Members of the City Council:

Pursuant to the provisions of Section 650.405 *Planning Commission Advisory Recommendation and Public Hearing*, the Planning Commission **APPROVED** Ordinance 2019-426 on August 8, 2019.

• P&DD Recommendation

• PC Issues:

While two citizens, one representing the representing the Mobility Plan Working Group and one representing the Bike Pedestrian Advisory Committee spoke in support of the proposed amendment, the Commission made the following comments:

- Fee increases in some of the mobility zones will impact the provision of affordable housing and affordable housing should be addressed in the Mobility Strategy Plan; and
- Mobility and concurrency fees place the financial burden of paying for infrastructure on future home owners while the general public benefits from the use of such infrastructure.
