Preserving and Restoring the Merchant Districts of Riverside and Avondale**

FY 2024-2025 City Grant Proposal Term Sheet

Grant Recipient: Riverside-Avondale Preservation, Inc. (“RAP” or “Recipient”)

Program Name: Preserving and Restoring the Merchant Districts of Riverside & Avondale (the “Program”)

City Funding Request: \$70,000

Contract/Grant Term: October 1, 2025 – September 30, 2026

Any substantial change to this FY 2024-2025 City Grant Proposal Term Sheet (the “Term Sheet”) or a budget change not within 10% of the attached Program budget line-items will require City Council approval.

PROGRAM OVERVIEW:

Riverside-Avondale Preservation, Inc. has worked to preserve, promote, and celebrate the historic neighborhoods, vibrant local commercial districts, and public spaces of Riverside and Avondale since 1974. We preserve the historic fabric and unique character, promote local businesses, arts, and culture, and celebrate together through regular events and programming. As host of the weekly Riverside Arts Market (“RAM”), we are home to local artists, makers, entertainers, and small businesses without a storefront. We will continue to host and support the vital goods and services of the Riverside Arts Market.

RAP works alongside our merchant districts of 5 Points, Park & King, and Historic Avondale to foster collaboration, address grievances, and generally improve the public spaces through volunteer led events and programming. We also work with the City on needed repairs and improvements that are supported by the merchants and community alike.

This funding request will specifically cover the cost of needed public improvements in Historic Avondale, Park & King, and 5 Points, including landscaping, bike racks, art, repairs, sidewalk cleaning and maintenance, signage, waste collection receptacles, and additional public improvements as determined by the respective merchant associations in each of these areas and/or community. Expenses are both capital and programmatic and will benefit residents of Duval County who live, work, or play within the historic neighborhoods of Riverside and Avondale.

PROGRAM SCOPE OF WORK AND DELIVERABLES:

Riverside-Avondale Preservation, Inc. will work with the Merchant Associations of Historic Avondale, Park & King, and 5 Points to prioritize the goals and improvements needed in each area. Serving as an aide and ally to each association, RAP will be able to coordinate the management of many projects that require permitting, design, coordination, and implementation including:

- Capital Outlays that support RAM and the merchant districts
- Programmatic supplies that support RAM and the merchant districts
- Contractual Services that support RAM and the merchant districts

All work will be done with necessary approvals and permits through the appropriate City of Jacksonville department. Deliverables for this grant award will be tangible amenities and overall improvements within each public area based on the outcome of public dialogue with the merchants and community members.

PROGRAM COSTS/PAYMENT TERMS:

The Program will require community engagement, permitting and working alongside the Cultural Council of Greater Jacksonville and other various suppliers and partners. The City will reimburse RAP for the direct cost of the physical improvements such as maintenance, landscaping, trashcans, lamppost banners, and the cost to procure artists, designs, and acquire necessary Program supplies.

RAP will provide the City with an invoice for each reimbursement request, accompanied by canceled checks, receipts, invoices, statements, or other documentation, as needed, to substantiate expenditure of City funds. The following is a breakdown for the approved uses of City funds.

Operating Capital Outlay: \$25,000

Programmatic Supplies: \$10,000

Contracted Services: \$20,000

Operating Expenses: \$15,000

PROGRAM IMPACT & REPORTING:

RAP will work to identify funding gaps in needed improvements that individual merchant districts are seeking to address and the merchants who attend Riverside Arts Market. Tremendous work has been done in 2025 to connect the merchants of 5 Points to communally address issues of crime and safety, litter, and landscaping. The benefits of these improvements are not limited to residents of Riverside and Avondale, merchants, or even business patrons. Improvements of signage, bike racks, landscaping, trash cans, and more will be immediately visible by anyone who travels through the neighborhood for any reason. Similar to investing in Downtown Jacksonville, the impression our historic district makes on an individual is the impression they take away on Jacksonville in its entirety.

When RAP submits its final reimbursement request it will also provide a report to the City identifying the different improvements performed, accompanied by before and after pictures. In addition, RAP shall obtain approval of the banner design from the City prior to any banners being displayed related to this grant or within any portion of the City right-of-way.

ADDITIONAL GRANT REQUIREMENTS AND CONDITIONS:

Recipient's expenditure of City funds for the Program and the provision of services shall be subject to Chapter 118, Parts 1 – 5 of the *Jacksonville Ordinance Code*, and the terms and conditions of any contract entered into between the City and Recipient. Recipient shall use the City funds for the Program in accordance with the City Council approved Term Sheet and Program budget. The City's Grant Administrator may amend this Term Sheet or the approved Program budget consistent with the Program's needs, provided that any substantial change to this Term Sheet or a budget change not within 10% of the attached Program budget line-items will require City Council approval.
