Subject: Proposed Street Name Change - Confederate Street to Frazier Place - Consent/Objection

Hello,

To whom it may concern, in accordance with Section 745.105, Jacksonville Ordinance Code, the City of Jacksonville received a request for a street name change on Confederate Street where you have CTSC Small Cell equipment located. A street name change at the request of a citizen or citizens group requires the agreement of 75% of the owners of property whose property has an assigned address from the street name that is proposed to be changed. Although you do not own real estate addressed on this street, according to our data, you have CTSC Small Cell equipment addressed from Confederate Street. The initial street name change sought to rename Confederate Street, from Hubbard Street to Market Street North and from Market Street North to Liberty Street North, to Ben Frazier Street. However, the new proposal changed **Confederate Street** to **Frazier Place**. Please respond to this email by **May 14, 2024** with your consent or objection to this proposed street name change. ***Please be advised that a failure to respond to this email on or before the required deadline will be deemed as your consent in favor of the proposed street name change.*** If you have any questions or if you are in need of any additional information, please contact me by phone at 904-255-8351 or by e-mail at gebrown@coj.net.

Best wishes,

Evan Brown
