(B.T. 21-027, attached hereto as **Exhibit 1** and incorporated herein by this reference)

(a) Appropriated from:

See B.T. 21-027 \$310,974.00

(b) Appropriated to:

See B.T. 21-027 \$310,974,00

(c) Explanation of Appropriation:

The funding above represents a Flood Mitigation Assistance Grant Program ("FMAGP") award in the amount of \$310,974.00 from the Federal Emergency Management Agency through the State of Florida Division of Emergency Management for completion of the flood hazard mitigation project described in this ordinance. No local match is required.

Section 2. Purpose. The purpose of the appropriation in Section 1 is to fund the acquisition of that certain property identified by the FEMA National Flood Insurance Program as a "Severe Repetitive Loss Property", located at 6734 Bakersfield Drive, Jacksonville, Florida 32210 (RE# 012147-0000) (the "Property"), and to fund demolition of the private residential structure located thereon, including removal of foundation slabs and any debris on the Property, as approved by FDEM and FEMA in accordance with the FMAGP (the "Project"). Upon completion of the Project, the land will become subject to a perpetual open space conservation easement. All activities associated with the Project

1 shall be completed in strict compliance with federal, state and
2 local rules and regulations. The term of the grant, and the period
3 of performance for the Project, shall begin upon the City and
4 FDEM's execution of that certain Federally-Funded Subaward and
5 Grant Agreement Number B0093 (the "Grant Agreement") and shall end
6 on April 1, 2023.

7 **Section 3. Capital Improvement Plan Amendment.** Ordinance
8 2020-505-E, adopting the 2021-2025 Five-Year Capital Improvement
9 Plan ("CIP") for the City and certain of its independent agencies,
10 is hereby amended to provide funding for the project entitled
11 "Acquisition and Demo of a Floodprone Property - Bakersfield
12 Drive." The Project is more fully described in the Project
13 Information Sheet, attached hereto as **Revised Exhibit 2**, labeled as
14 "Revised Exhibit 2, Revised CIP, February 16, 2021 - NCSPHS" and
15 incorporated herein by this reference. The City Council finds that
16 the deferral of this amendment to the CIP until the next annual
17 budget and CIP review will be detrimental to the best interests of
18 the community because such deferral will delay urgently-needed
19 mitigation of this floodprone property and the safe removal of
20 residents from the immediate dangers of flooding. The Property is
21 located in an area that is subject to persistent nuisance flooding
22 and the Project will reduce future costs to the county, state and
23 federal agencies that provide evacuation and rescue, emergency
24 shelter, and debris removal services in the area. Pursuant to
25 Section 122.605(c), *Ordinance Code*, enactment of this ordinance
26 requires the affirmative vote of two-thirds of the City Council
27 members present at the meeting because of the CIP amendment set
28 forth in this section. This ordinance shall constitute an
29 amendment to Ordinance 2020-505-E. In all other respects, the
30 Five-Year Capital Improvement Plan approved by Ordinance 2020-505-E
31 shall remain unchanged and continue in full force and effect.

1 **Section 4. Approval and Authorization of Grant Agreement.**

2 There is hereby approved, and the Mayor, or his designee, and the
3 Corporation Secretary are hereby authorized to execute and deliver,
4 for and on behalf of the City, the Grant Agreement and any
5 respective extensions or amendments thereto as necessary and
6 appropriate to effectuate the intent of this ordinance. A copy of
7 the Grant Agreement has been placed **On File** with the Office of
8 Legislative Services.

9 **Section 5. Oversight Department.** The Jacksonville Fire

10 and Rescue Department, Emergency Preparedness Division, shall
11 oversee the Project and administration of the Grant Agreement
12 described herein.

13 **Section 6. Effective Date.** This ordinance shall become

14 effective upon signature by the Mayor or upon becoming effective
15 without the Mayor's signature.
