1. JUSTIFICATION FOR PLANNED UNIT DEVELOPMENT CLASSIFICATION FOR THIS PROJECT

The proposed project is consistent with the general purpose and intent of the City of Jacksonville 2030 Comprehensive Plan and Land Use Regulations. The proposed project will be beneficial to the surrounding neighborhood and community in that:

- A. The project is more efficient than would be possible through strict application of the Zoning Code;
- B. The project is compatible with surrounding land uses and will improve the characteristics of the surrounding area;
- C. The project will promote the purposes of the City of Jacksonville 2030 Comprehensive Plan as follows:

The proposed PUD is consistent with the general purpose and intent of the City of Jacksonville 2030 Comprehensive Plan and Land Use Regulations, and specifically contributes to:

1. Objective 1.1. Ensure that the type, rate, and distribution of growth in the City results in compact and compatible land use patterns, an increasingly efficient urban service delivery system and discourages proliferation of urban sprawl through implementation of regulatory programs, intergovernmental coordination mechanisms, and public/private coordination.
2. Policy 1.1.8. Policy 1.1.22 Future development orders, development permits and plan amendments shall maintain compact and compatible land use patterns, maintain an increasingly efficient urban service delivery system and discourage urban sprawl as described in the Development Areas and the Plan Category Descriptions of the Operative Provisions.
3. Goal 3. To achieve a well-balanced and organized combination of residential, non-residential, recreational and public uses served by a convenient and efficient

transportation network, while protecting and preserving the fabric and character of the City's neighborhoods and enhancing the viability of non-residential areas.

4. Objective 3.2 Continue to promote and sustain the viability of existing and emerging commercial and industrial areas in order to achieve an integrated land use fabric which will offer a full range of employment, shopping, and leisure opportunities to support the City's residential areas.
