3. **Tax Parcel Numbers**

A portion of 168084-0010 and 168126-2510 located in Flagler Center DRI. A copy of the legal description of the property subject to this DRI Amendment is included in Exhibit C. An Aerial Photo showing the location of the subject property and surrounding uses is included in Exhibit D.

4. **Proposed Changes**

This application for a DRI Amendment to the Flagler Center DRI is submitted on behalf of the land owner Citicorp Credit Services, Inc. (USA). This DRI Amendment application consists of a completed State of Florida Department of Economic Opportunity, Bureau of Community Planning Form DEO-BCP-PROPCHANGE-1 and this DRI Amendment Description, as well as all referenced exhibits, including the substantial deviation determination chart Exhibit E and the proposed Conceptual Master Plan Map H attached as Exhibit J to this DRI Amendment Description.

The Flagler Center DRI Development Order was adopted by the Jacksonville City Council by Resolution 89-821-339 on September 26, 1989 and was subsequently amended by Ordinance 2001-497-E, adopted June 26, 2001, Ordinance 2001-1156-E, adopted December 11, 2001, Ordinance 2003-596-E, adopted June 10, 2003, Ordinance 2005-87-E adopted February 8, 2005, Ordinance 2007-1347-E adopted January 22, 2008, Ordinance

2012-455-E adopted August 28, 2012, Ordinance 2013-307-E adopted June 25, 2013, Ordinance 2015-548-E adopted September 8, 2015, Ordinance 2018-518-E adopted September 11, 2018, Ordinance 2019-0489-E adopted August 27, 2019, and Ordinance 2020-346-E.

The subject property is located within the Flagler Center DRI adjacent to the west boundary of the existing Citicorp office campus. In 2003, a portion of Bartram Park DRI north of State Road 9B and a portion of Flagler Center DRI were unified as a single development parcel known as the ‘Combined Parcel’. The Combined Parcel as approved in 2003 is depicted on Exhibit F. The 2003 DRI Amendment allocated office development rights to Flagler Center for the Citicorp office campus on a portion of the “Combined Parcel”. Citicorp purchased the land for their office campus in 2003 and constructed the office building in 2004. The adjacent land to the west that includes the subject property was purchased by Citicorp in 2006 with an allocation of office rights.

In 2017, a DRI Amendment (Ordinance 2017-487-E) was approved to add residential as a permitted use for the adjacent land to the south within Bartram Park DRI Parcel 45. The Combined Parcel as approved in 2017 is depicted on Exhibit G. As a result, the lands immediately to the south and west have been designated for multi-family residential use. Citicorp does not have plans to expand their office campus and has marketed the subject property for sale for the past year or so. The subject property is currently under a purchase and sale agreement for a multi-family residential use.

The subject property is proposed to be changed from a designation of Retail/Light Industrial (LI)/Office to Mixed Use (MU) as shown on the Proposed Combined Parcel Exhibit H. The current, adopted Flagler Center DRI Conceptual Master Plan Map H is included in Exhibit I. The proposed Conceptual Master Plan Map H is included in Exhibit J. A companion PUD Minor Modification is being submitted simultaneously to add residential as a permitted use on the PUD Site Plan.

This DRI Amendment does not involve an increase or decrease of development rights or a change to the land use conversion minimums and maximums table. The current uses allowed within the Flagler Center DRI, with conversions made to date, are as follows:

Industrial	81 acres
Office	3,598,514 sq. ft. (including 600,000 sq. ft. from Bartram Park)
Commercial	200,000 sq. ft.
Hospital	500 Beds
Hotel	250 Rooms
Multi-Family Residential (MF)	2,758 Dwelling Units
Single Family Residential (SF)	79 Dwelling Units
Senior Care	30 Beds
Senior Housing	0 Dwelling Units
