Bill Type and Number: Resolution 2020-69

Sponsor: Council President at the request of the Mayor

Date of Introduction: January 28, 2020

Committee(s) of Reference: NCSPHS, TEU, F

Date of Analysis: January 29, 2020

Type of Action: Authorization of Grant Application

Bill Summary: This legislation accompanies the Florida Inland Navigation District (FIND) grant applications. It authorizes the City on behalf of the mayor to apply for FIND grants for the recommended projects.

Background Information: The four grant applications total \$3,575,000.00, \$1,625,000.00 reimbursable from FIND and \$1,950,000.00 from the City's match, including internal engineering fees. The Department of Parks, Recreation and Community Services has compiled and recommends several grant projects for submission to FIND. The Jacksonville Waterways Commission approved the recommended projects at its meeting on December 11, 2019. The projects are the construction of a new boat dock at the Jacksonville Zoo Dock, construction of a fishing platform at Riverfront Park Fishing Platform, dredging from the ramp to channel of Bert Maxwell Boat Ramp and the dredge from ramp to St. Johns River of Goodbys Creek.

Policy Impact Area: Grant funding of FIND projects

Fiscal Impact: Grant Applications total \$3,575,000.
