21 will promote and further the public and municipal purposes of the  
22 City.

31 such "technical" changes as herein authorized), for the purpose of

1 implementing the recommendations of the OED, as are further described  
2 in the Project Summary attached hereto as **Exhibit 1**.

3 The Agreement may include such additions, deletions and changes  
4 as may be reasonable, necessary and incidental for carrying out the  
5 purposes thereof, as may be acceptable to the Mayor, or his designee,  
6 with such inclusion and acceptance being evidenced by execution of  
7 the Agreement by the Mayor or his designee. No modification to the  
8 Agreement may increase the financial obligations or the liability of  
9 the City and any such modification shall be technical only and shall  
10 be subject to appropriate legal review and approval of the General  
11 Counsel, or his or her designee, and all other appropriate action

17 without City Council approval) design standards, access and site  
18 plan, which have no financial impact.

19 **Section 4. Designation of Authorized Official/OED Contract**  
20 **Monitor.** The Mayor is designated as the authorized official of the  
21 City for the purpose of executing and delivering any contracts and  
22 documents and furnishing such information, data and documents for the  
23 Agreement and related documents as may be required and otherwise to

26 officials of the City to exercise any of the foregoing authorizations  
27 and to furnish or cause to be furnished such information and take or  
28 cause to be taken such action as may be necessary to enable the City  
29 to implement the Agreement according to its terms. The OED is hereby  
30 required to administer and monitor the Agreement and to handle the  
31 City's responsibilities thereunder, including the City's

1 responsibilities under such Agreement working with and supported by  
2 all relevant City departments.

3       **Section 5. Further Authorizations.** The Mayor, or his  
4 designee, and the Corporation Secretary, are hereby authorized to  
5 execute and deliver the Agreement and all other contracts and

8 administrator, is authorized to negotiate and execute all necessary  
9 changes and amendments to the Agreement and other contracts and  
10 documents, to effectuate the purposes of this Ordinance, without  
11 further Council action, provided such changes and amendments are  
12 limited to amendments that are technical in nature (as described in  
13 Section 3 hereof), and further provided that all such amendments

23 is justified due to the fact that the Project will cause the creation  
24 of new airline Routes through Jacksonville International Airport, and  
25 enhance business, tourism and travel opportunities for the citizens  
26 of Duval County.

27       **Section 8. Effective Date.** This Ordinance shall become  
28 effective upon signature by the Mayor or upon becoming effective
