117 West Duval Street  
City Hall, Suite 425  
Jacksonville, FL 32202  
FAX (904) 255-5229

**Bill Type and Number:** Ordinance 2019-0610

**Introducer/Sponsor(s):** Council President at the request of the Mayor

**Date of Introduction:** August 27, 2019

**Committee(s) of Reference:** R, TEU

**Date of Analysis:** August 27, 2019

**Type of Action:** Ordinance Code Waiver; Requesting one-cycle emergency passage

**Bill Summary:** The bill waives Sections 260.201 (License), 260.206 (Temporary storage of waste tires), and 260.208 (Hours of operation) of Part 2 (Licensing and Transporting Requirements; Revocation of License) of Chapter 260 (Disposal of Waste Tires) of the Ordinance Code for the 2019 Waste Tire and Snipe Sign buyback event from September 14, 2019, to September 28, 2019. The Department of Public Works will oversee the event.

**Background Information:** The Department of Public Works is requesting legislation to waive certain portions of Ordinance 260, Part 2 that governs waste tire transporter and generators in Duval County that will allow Duval County residents the opportunity to participate in the event to earn reward money for the collection of waste tires and snipe signs from COJ right-of-ways and public properties where these materials are either illegally placed or dumped, and from private properties where these materials may end up being dumped on public properties. The nature of the emergency is that scheduling conflicts with other events at Lot J and adjacent City venues did not allow for the sufficient time period from Friday to Sunday to set up, take down and hold the event until later in the fiscal year when Lot J became available.

**Policy Impact Area:** Ordinance Code Waiver, COJ right-of-ways, Public Works

**Fiscal Impact:** Funding totaling \$150,000 was approved in FY18-19 budget within the General Fund for the Sixth Annual Waste Tire and Snipe Sign Buyback. The funds are used for the advertisement of the event, expenses for the event such as tents, chairs, rental of Lot J at TIAA Bank Field, vendors for food, water, lunches, printing supplies, gloves, safety vests, transport and disposal of the waste tires and snipe signs, reward monies for Duval County residents who bring in the tires and signs and for overtime of COJ personnel to staff the event. There is no funding match requirement. The funds will be used to conduct the event on September 28, 2019. There is no maintenance cost with this legislation and staffing is allocated within the budget. There are no post construction costs associated with this event.
