RE: Ordinance# 2025-1 and 2025-2

At the January 13, 2025, Greater Arlington/Beaches Citizens Planning Advisory Committee meeting, the GAB CPAC membership voted unanimously to support Ordinances 2025-1 and 2025-2 that would create a solid waste fee that would be in line with the established actual costs of the solid waste removal services that the residents receive.

Again, the Greater Arlington/Beaches CPAC supports the proposed ordinances and would like to see the ongoing problem of undercharging for the service to be addressed before the problem further increases the deficit.

Respectfully submitted,
