Bill Type and Number: Ordinance 2020-666

Introducer/Sponsor(s): Council President at the request of the Mayor

Date of Introduction: October 27, 2020

Committee(s) of Reference: LUZ

Date of Analysis: October 27, 2020

Type of Action: Approval of proposed 2020B series text amendment to the transportation element

Bill Summary: This bill approves the revisions and modifications of the proposed 2020B Series Text Amendment to the Transportation Element of the 2030 Comprehensive Plan with the procedures and requirements outlined in Chapter 650, Part 4, *Ordinance Code*; and provides a disclaimer that the amendment granted herein shall not be construed as an exemption from any other applicable laws.

Background Information: The revisions and modifications to amend the Transportation Element of the *2030 Comprehensive Plan* to update Map 20 T-3B, the 2045 Cost Feasible Plan Projects Map. The amendment is dated July 17, 2020, and is not exempt from any other applicable local, state, or federal laws, regulations, requirements, permits, or approvals. The map identifies projects eligible for federal and state funds including projects that the City is not obligated to fund. The update provides coordination and consistency with North Florida TPO (NFTPO) Path Forward 2045 Long Range Transportation Plans. The recommendations of the Planning and Development Department, Planning Commission, and Land Use and Zoning Committee were vetted and deemed necessary to transmit the amendment through the State's expedited review process.

Policy Impact Area: 2020B Series Text Amendment, transportation element

Fiscal Impact: Undetermined
