1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals, and welfare):

This Ordinance amends Sections 77.106 and 90.101 of the City's Ordinance Code to provide that the Council President will share appointment authority for members of the Kids Hope Alliance board and the Board of Library Trustees. This serves the public welfare by allowing for a potentially broader base of interested applicants the opportunity to serve on these boards.  - (c) An estimate of the City of Jacksonville's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

This legislation will not have a direct economic impact on for-profit businesses in the City.
