CONDITIONS:

- 1. A traffic study shall be provided at Civil Site Plan Review. Prior to the commencement of the traffic study, the traffic professional shall conduct a methodology meeting to determine the limits of the study. The methodology meeting shall include the Chief of the Traffic Engineering, the Chief of the Transportation Division, and the traffic reviewer from Development Services.**
- 2. Coordination with Florida Department of Transportation: the applicant has submitted a traffic analysis report to the Florida Department of Transportation (FDOT) indicating the potential need for turn lane and/or signalization improvements at the Braddock Road/Lem Turner Road intersection as well as the potential need for improvements at Braddock Road/Dunn Avenue which will require contributions from the applicant to advance the programming and instillation of needed improvements. The applicant agrees to work with FDOT on performing additional analysis of these needs and will address needs generated by the proposed development. Upon submittal of an application to the City for Substantial Verification of the PUD, the applicant shall provide the City with confirmation from the FDOT that they have been notified of the intent to proceed with the development subject to these agreements.**
