Those attending the meeting by CMT who wish to speak during a public hearing or public participation must register in advance of the meeting to provide staff sufficient time to organize the hearings and so that the Council can hold an efficient meeting and conduct its business. Instructions for the public as to the methods of communication will be provided in the notice.

If a person decides to appeal any decision made by the Council with respect to any matter considered at such meeting, such person will need a record of the proceedings, and for such purposes, such person may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
