Following employee dissatisfaction with the selection of the insurance carrier for employee group health insurance in 2002, Council reviewed the process and heard from employees, retirees and the administration about how effectively the process worked. As a result of those hearings, a Special Committee on Group Health Benefits was created to review the RFPs before issuance, review the responses received from insurance companies, and recommend to the Mayor and Council the best plan(s) for adoption.

- Changes timeframe for City Council review of the group health RFP from 30 to 15 days
- Strikes requirement that the Finance and Administration Department provide a written advisory report to City Council before awarding or contracting with any vendor for group health benefits
- Revises membership of the Special Committee on Group Health Benefits to 1) remove one exempt status employee and 2) include the Director of Employee Services and Director of Finance and Administration (or designees) instead of two representatives from the Finance and Administration Department
- Changes purpose of the Committee:
 - From: Reviewing and making recommendations to the group health RFP and reviewing responses to the RFP and making recommendations on proposals
 - To: Convening to receive semiannual updates from Employee Services on the group health plan
- Changes department responsible for developing the group health RFP from Finance and Administration to Employee Services
