Dear Council members,

Please oppose this city tax on gas. There are a lot of people still without jobs, and those with jobs do NOT need a city tax on gas either. With increased prices of gas alone, the cost of food, transportation, cost of living with all bills, we do NOT need another tax. We already pay heavy taxes on our houses, electricity, water, schools, etc etc. You may have enough money to pay for the extra tax but we the people do NOT have it. So thank you in advance for voting NO on this city gas tax. Susan Fromm

Councilpeople,

Do not vote for the gas tax. You are spending far more of our money than we have. You wouldn't do that with your money. If you want more money to spend, please DONATE YOUR OWN MONEY, NOT mine.
