

## BELFORT LANDING REZONING

The homeowners listed are strongly opposed as well as S.E. CPAC to the rezoning of 2522 and 2630 Belfort Road, and ask the LUZ committee to vote NO on Ord. 2021-650.

The city Planning and Development department has already denied the rezoning on Oct. 7, 2021.

Rezoning to PUD/TH is not consistent with RLD-60 and the Jacksonville 2030 comprehensive plan and zoning code.

We thank all the members of the LUZ committee.
