THANK YOU

For taking the time to participate in a process that is important to you, your community, and to us. Your cooperation in the rules and procedures we all must follow are appreciated.

Your 3 minutes is to provide **FACTS** so that LUZ can make an informed decision. Be concise - don't squander those minutes if you have a lot to say. When you speak to the Committee, to others, or about others, show the same respect you are entitled to. This enables the Committee to concentrate on the issue and not have to deal with unnecessary distractions.
