Tight Lines and Screaming Reels Fishermen! How do you really feel?

What time is it?
It's FIND Time!

67 counties in the state of Florida. FIND is an acronym for the (Florida Inland Navigation District). It's a special state taxing district for the continued management and maintenance of the Atlantic Intra-coastal Waterway (ICW).

The FIND District consists of 12 counties along the east coast of Florida from Nassau through Miami-Dade County.

Focusing on the counties in the Fishing Connection Distribution area the FIND Commissioner for Nassau County is Lyn Williams, St. Johns County is Carl Blow, Volusia County is James "Buddy" Davenport, Flagler County is Randell "Randy" Stapleford, Brevard County is Jerry Sansom and rounding out the FIND Board of Commissioners from the FIND webpage is Michael O'Steen from Duval County.

I reside in Duval County.

At the 11/10/2021 Jacksonville Waterways Commission meeting our 2022 FIND Committee recommendations were presented by Brian Burket and then passed by the Jacksonville Waterways Commission. Duval County's 2022 Proposed FIND applications include just 1 construction project. Riverview
