Subject: LUZ Committee Meeting
Date: Tuesday, January 21, 2025 5:14:51 PM

Council Members,

Good evening!

As most of you know, those Council committee meetings scheduled for tomorrow, January 22nd are being held on Thursday, January 23rd. Please be aware that there will not be a quorum for the LUZ Committee meeting Thursday night. The Vice-President/LUZ Chair will open all of the public hearings and take very limited public comment.

To the extent you can, please let any interested parties know that it may be best to attend and speak at the next regularly scheduled LUZ Committee meeting on February 4th as their comments will be able to be heard and considered by more members of the LUZ Committee.

Please be safe.

PLEASE DO NOT RESPOND TO ALL!!

Dylan
