

Project Title: Big Fishweir Creek - Ecosystem

Council District(s): 14

Project Location: Big Fishweir Creek

Project Number: 010370

Department: Public Works

Program Area: Roads / Infrastructure / Transportation

Ordinance No.: _____

BT No.: _____

Useful Life: 25 years

Project Completion Date: _____

Project Description:

An aquatic ecosystem restoration project at Big Fishweir Creek consisting of sediments, creation of a brackish marsh island, planting of vegetation, and wetland reconnection via "cut thru berm" construction.

Justification:

The Department of Army is requesting additional funding for their costs of labor, engineering, and administration of the construction contract from award through the end of construction.
