

1 formation of the shoal and to plan a strategy for its removal and
2 prevention of future formation; and

3 **WHEREAS**, the USACE staff stated that a study of similar magnitude
4 would cost approximately \$3,000,000, and the USACE would be looking
5 to the City as sponsor to provide \$1,500,000 of that cost; and

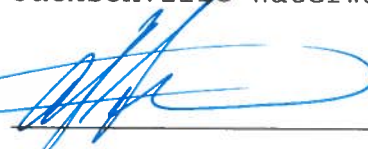

6 **WHEREAS**, this letter, which will be drafted by the Office of
7 General Counsel, will identify the location of the shoal, provide a
8 timeline or history of its creation, and request that the USACE
9 proceed to determine if they have jurisdiction over this type of
10 issue, ask for the authority to conduct a study regarding the cause
11 and the solution for removal and prevention of future shoaling in
12 that location, and acknowledge that the City will be a financial
13 partner with the USACE in that study; now therefore

14 **BE IT RESOLVED** by the Waterways Commission of the City of
15 Jacksonville:

16 **Section 1. FINDINGS.** The Waterways Commission finds
17 the foregoing to be true and accurate.

18 **Section 2. RECOMMENDATION and REQUEST.** The City of
19 Jacksonville Waterways Commission hereby expresses its support for a
20 letter to be drafted outlining the aforementioned request to the
21 USACE, and for the City Council to act, or the Mayor's Office to act,
22 to provide that letter to the USACE.

23 **DONE AND ORDERED** at the February 9, 2022 meeting of the
24 Jacksonville Waterways Commission.
