10 DETECTION OF BREAST CANCER THROUGH THE BUDDY
11 CHECK 12 CAMPAIGN AND THE NEW, MOBILE

13 DATE.
14

15 **WHEREAS**, breast cancer is the second most diagnosed cancer in
16 women, affecting one in every eight women in the U.S., and is also
17 diagnosed in men, and because the best defense against breast cancer
18 is early detection, regular exams and mammograms are critically
19 important; and

20 **WHEREAS**, Jeannie Blaylock of First Coast News, after losing a
21 dear friend to breast cancer, took action to help prevent others from
22 a similar fate by partnering with Baptist Health more than 30 years
23 ago to bring about the Buddy Check campaign; and

24 **WHEREAS**, Buddy Check 12 has successfully served countless women
25 in promoting its simple but vital strategy of "getting a buddy" and
26 on the 12th of every month, known as Buddy Check Day, holding a buddy
27 accountable for self-exams and for regular mammograms and physicals;
28 and

29 **WHEREAS**, less than half of women in the U.S. get regular
30 mammograms due to lack of accessibility, lack of insurance, or an
31 inability to pay related costs, Baptist Health, Baptist MD Anderson

1 Cancer Center, and First Coast News raised \$1 million in funds needed
2 for a mobile mammography unit that will focus on helping women around
3 the First Coast discover breast cancer at early stages; and

4 **WHEREAS**, this mobile unit will be revealed on May 12, 2022, as
5 "the Buddy Bus" and will offer state-of-the-art 3D screening
6 mammography in a convenient and affordable setting with the goal to
7 save the lives of mothers, daughters, grandmothers, sisters, best
8 friends, and loved ones across the First Coast; now therefore

9 **BE IT RESOLVED** by the Council of the City of Jacksonville:

10 **Section 1.** The City of Jacksonville hereby commends Jeannie
11 Blaylock, Baptist Health, and Baptist MD Anderson Cancer Center for
12 all efforts leading to the creation of the Buddy Check 12 program and
13 the Buddy Bus. The program and this mobile mammography unit
14 demonstrate that screenings and early detection can save lives.

15 **Section 2. Effective Date.** This Resolution shall become
16 effective upon signature by the Mayor or upon becoming effective
17 without the Mayor's signature.
